WDHS Arrow 1996

Over the school year, we have witnessed many successful student accomplishments. These moments are captured in this yearbook. But as we all know, not everyone gets deserved recognition because they are working behind the scenes. Whether it be school play, sports, or a student publication, cooperative effort is always a key. This year's yearbook theme "More than Meets the Eye" is dedicated to all. Sometimes we have to point out what isn't readily seen; therefore, if you didn't catch what you should be seeing on the cover, here's what's behind the scene.

### *Dmitri Smirenski*

Throughout my life I have been motivated to success by my caring parents and encouraging teachers. It is to those people, that I owe tremendous gratitude. I would like to specifically thank Samantha Caughlan, Jaci Arps, James Brancel, Mark Hamburg, Gisela Hamm, John Torgerson and Dale Maher for helping me see my dreams and realize my potential. It is to those people at the blackboards, that I dedicate my future...

- Little Engine that Could

### *Miranda Parchem 3*

I'd like to thank my family and friends for pushing me towards my goals and for complimenting me when I achieved them. I am also grateful to all of the teachers who have made even the most boring subjects come alive, and who have inspired me to become a teacher myself.

"What I see in my mind, I get in my life." -Mr. Paul Steiber

### *Heather Nemitz 4*

I would like to thank my family, friends, and teachers. If it weren't for you, I wouldn't be who I am today.

"The world is not won in a day. It is done with hard work, ambition, and perseverance." - unknown

**Looking at the top ten what do you see? There are no fans; there is no cheering section. All there is are ten dedicated students who spent their entire high school career working toward achievement. These ten students shine amongst the rest. They emerged as the best our school has to offer.**

*Francine Schmitz 5*

I thank all my family, friends, and teachers in making me who I am. I expressly thank my teacher Mr. Halfacre in helping me realize that I truly wish to enter the construction and Technology Education worlds. Many thanks to Mr. Halfacre and Roger Cook for helping me in making it happen. Thanks to all who have encouraged me in entering my chosen careers.

*Jamie Guif 8*

I'm really bad at these thank you things, but I guess my parents deserve a big "thank you" for putting up with me! I also want to thank all of my teachers for giving me A's ( I'm glad I'm graduating; it was getting pretty expensive!!!). I guess I better thank Melissa D. too, because she is willing to be my roommate next year at college! Thanks everyone!

# Alibis: Who Durnit

It's another year with another production. We've seen new faces, heard new voices and had a few new ideas. With Jeff Herschleb as the new director, the WDHS theater department launched another successful production. This year the crew put on two plays instead of one. The first, a two act comedy called "Alibis." The second, performed between acts was a comedy-drama entitled "A Thing of Beauty."

As the lights come up guests begin to arrive at the mansion of Prima Donna. Shortly after the butler goes insane and Prima is found dead. It's all up to Solvedd to find out who durnit!

The cast of the second play, "A Thing of Beauty" scampers onto

the gym floor to set up. The set is simple: two potted trees, a bench and a trash barrel. A man enters carrying a piece of driftwood, polishing it with care. Although many look past it and write it off as a useless piece of junk, he finds it to be beautiful. That is the statement around which the entire play revolves.

As the set is taken off the floor, the curtain goes up for the second act. As more dead bodies begin to pile up, Solvedd begins to run out of time (not to mention suspects!) As you find out no one is truly innocent. And the entity of the killer is the most shocking of all.

**My Name Is Bond:** Quite the ladies man Jordan takes his hat off smoothly, making the ladies present melt in their seats.

**"Alibis":** Emily Spargo, Bridget Hudzinski, Jordan Keller, Tricia Harper, Cara Zarcone, Ryan Tucker, Evon Mucek, Linda Hookham, Dimitri Smirenski

**Handing Over the Reins:** The new commander in chief Mr. Herschleb gets a hearty congrats from last years troupe leader.

Freshmen-Send the Beavers Downstream

Sophomores-Trap the Beavers

Homecoming '95 was a week for everyone to remember. With all the excitement throughout the school, each class was eager to come out victorious. Tuesday started out the week with window decorating. The juniors placed first, with the freshmen and seniors tying for second place in the competition.

Wednesday included hallway decorating and guys volleyball. In a close match, the juniors beat the seniors, 16-14. Seniors won the hallway decorating with a theme of *Where Everyone Barbecues Beavers*. The juniors placed second and freshmen were third.

Powder Puff, with the annual bon fire, was staged on Thursday. The senior girls defeated the juniors in football, winning with a score of 6-0. During the bon fire, homecoming King Jason Stolte and Queen Steffanie Beard were announced.

The traditional pep assembly pumped up Friday afternoon. Cheerleaders kissed pigs and we were hopeful for a win for our football team. That unfortunately didn't happen. During the assembly, the float winners were announced. Surprisingly, the seniors and juniors tied for first place.

Saturday night was a wonderful time for dancing. "Glycerine", by Bush, was this year's theme song that led the seniors to Grand March, their last and final homecoming together.

# Girl's Track = Victory

Around and around the orange track they run, over and over and over again. This effort may sound a little monotonous, but there's more to track than running. Hard work, dedication, team sportsmanship, and drills drills drills need to be added to make the girl's track team successful.

With only three seniors left, the girls relied on underclassmen for team leadership. But that didn't stop the track team from doing well. After each meet, girls bounded onto the bus with smiles and medals in their hands.

Newcomers to the team proved themselves through hard work and dedication. "Practice was really tough, but meets were a lot more fun. You got to meet lots of new people and you got a good look at your competition," stated Lindsay Fisk. Another newcomer, freshmen Laina Bailey, broke the school record in the 400 meter run with a time of 1:00.95.

Although no state qualifiers emerged, two junior girls advanced to sectionals. Nicki Clemens, who placed 8th in the 100 meter high hurdles, and Brenda Nickel finishing with 7th in the 1600 meter race. "The best part about making it to Sectionals was that Coach Brimacombe bought us ice cream from Dairy Queen," joked Brenda.

# Boy's Power

What do you get when you put together power and speed? The boy's track team. Coach Brimacombe returned for his second year as head coach along with Coach Zapuchlak and Jisa as distance and throwing coaches.

According to Coach Brimacombe, the team performed well, even considering the loss of 12 talented seniors.

Josh Shaffer, the lone male sectional qualifier, advanced in both pole vault and the 300 meter intermediate hurdles. "I couldn't believe I advanced in the hurdles. It was my first year ever trying it, but I was very pleased," stated Josh. Josh placed second in the pole vault, which advanced him to State.

Although Josh was the only person to advance, the boy's team still tried its hardest. "If you don't have the time and dedication to give it your all, then track is not your sport," stated Jesse Howe, who ran the mile and the 3200 meter relay.

Deep in thought... Coach Hamburg strategizes.

It's outta here!! A successful Dells hit.

# Baseball '05 -- Never Givin' it Up

Led by 1st team all-conference designated hitter John Mitchell and 2nd team infielders John Campbell and Jacob Czerkas, the Dells baseball team finished their season strong, winning subregionals against Lodi and regionals against Dodgeville. The team finished their lengthened tournament season by falling to Sauk Prairie, a State contender, in the regional finals.

Before the powerful tournament play, the Dells team started the season with the annual trip to the Metrodome in Minneapolis. They played Boscobel and were defeated, but the trip was by far, not a loss. Jacob Czerkas added, "Even though it was my 3rd time there, it's still exciting to play in a major league ball park. I think the

whole team felt that way."

After the Metrodome and some tough pre-season practices, the season opened in Baraboo. It was an incredible 26-24 win for the Dells. The season followed with some tough competition and the Dells finished 6-16 overall.

According to Coach Hamburg, senior leadership was the key to their success this season. "We had outstanding senior leadership and we finished the season strong, winning 2 tournament games, something that hasn't been done in quite a few years."

Awards were given to Captain Adam Bremer, MVP John Campbell, and Most Improved Derek Lipski. As the season record shows, this team never gave it up.

# Dells Golfers Swing Through Conference, Challenge Sectionals

The '95 golf season was a season of success for the Dells golfers. The Chief golfers, three of whom consisted of seniors Cory Rose, Tom Anderson, and Matt Oeftger, advanced to sectionals which ended a strong conference season. The Dells took second place in three matches and took second place overall in conference. Cory Rose was a first team all-conference golfer in the SCC. Cory also ranked third in the conference

with an average score of forty one.

The golf team also consisted of two juniors, Jeff Capelle and Shawn Wenkman, and sophomore Sean Bahr. Team award winners were: Most Valuable Golfer and Team Captain- Cory Rose, Most Improved- Jeff Capelle, and Coaches Award- Sean Bahr.

"We had a great season, by finishing second at Regionals and placing fourth at Sectionals," Jeff Capelle, junior golfer, summed up.

# CHIEFS TAKE ON THE SCC

The seniors of the 1995 softball season finished "A Step Above the Best", while they started out a team that "More than meets the eyes". The Chiefs, missing four key returners, weren't thinking State tourney. After starting the season at 3-5, they won 16 of 17 games enroute to a Division II State Championship.

"This team was such a special one. They got along so well and to see them win was

just a great feeling," said Coach Gray. "Just getting to State was unbelievable, but winning was a dream," said Amy Gavinski of the State tournament.

The Freshman and J.V. teams also had successful seasons in '95. Both teams finished the season with winning records in SCC play. With a core of starters returning for '96, they are looking for another trip to state.

# Freshmen Step Back to Medieval France

The annual Renaissance Faire all began with an early-morning frenzy of freshman world history students. The line formed out the door of Mr. Gust's room as each student chose a character for the annual Renaissance Faire. Preparation for the event continued with research, finding a fitting costume, making banners, putting up tents and setting up bales and painting windows.

On the afternoon of the Faire, a beautiful sky became the backdrop for the medieval France created in the courtyard. Faire goers experienced a wider

variety of events this year, including a talk show, a dungeon, and drama student performances, in addition to the usual choirs, kings, queens, authors, painters, and scientists. Executioner for a day; Lance Berka, mentioned, "It was fun in the beginning because I got to throw people in the dungeon, but it got to be a long day."

Completing the day's work, a gourmet feast of grilled chicken and twice-baked potatoes was served to the approximate 750 person crowd. "We had great weather, the kids performed well, and we tried some new things." Advisor Gust summed up.

Jesse in jail?? Hmmm...that's a thought.

# Work the Hills - Never Give up - You can do it

How many people do you know that would run in rain or snow in nothing but shorts and a tank top?(They do it for fun, too) Not many people are as crazy as the Dells cross country team.

With the loss of seven seniors, three being our top leaders, the girl's cross country team still performed admirably, with Brenda Nickel as lead runner. Although the girls were disappointed with a sixth place finish at conference, they still worked hard and had fun throughout the season.

The boy's team, with 18 runners, did well this season, beating out Nekoosa to place 6th at conference. "We have many newcomers this year, and we're looking for bigger and better things for them in future", stated coach Steiber.

The Varsity volleyball team started the season out with a handful of aggression. Yet, with many ups and downs the team still pulled through, spiking through conference placing second in and going on to regionals, placing fourth..

The volleyball team was lead by five returning seniors, and also a large group of dedicated underclassmen. The Dells Chiefs finished the season with a 9-3 conference record under the coaching of Meg Perron. Perron stated, " There was positive leadership from all of our seniors. A really bright spot was Aimee Anderson. She acted as a base for the team and could really pull them together. I think overall it was a very successful season. "

Receiving first team All-conference honors for the Dells Chiefs where Senior Aimee Anderson and Sophomore Laina Bailey. Overall the team had an excellent and memorable season.

Quotes From  
Coach Quinton

## THE SEASON IN REVIEW

Under the direction of new Head Coach Bruce Quinton, the Dells football team started building for the future. Quinton brought in a new offensive scheme: the option offense, an offense based on what the opponent does to the offense. Quinton is not a stranger to the Chiefs new offense; he ran the offense at UW- River Falls as a college football player. The defense was headed by defensive coordinator, Bob Johnson. Johnson also brought some new twists into the program on the defensive side of the ball. He added more blitzes to make it more of an attack defense.

Looking back at the season, Quinton made this remark, "High expectations weren't an issue this year coming off a one win season last year. I just wanted everyone to play up to their potential." Though the Chiefs had a winless season, there were many highlights. A memorable moment was with the first conference game at defending Conference Champs, the Mauston Golden Eagles. The Dells took the lead in the fourth quarter with a touchdown and two-point conversion. But the Chiefs had their hopes diminished as the Golden Eagles put together a late fourth quarter scoring drive to win the game thirteen to eight.

Receiving All-Conference honors for the Chiefs were-1st team Brant Bailey, 2nd team Jeff Capelle, and Honorable Mention Nik Gust.

Though the Chiefs went 0-9 overall, the Dells football program is definitely building on the past for a brighter future.

*Surpassing the stereotype*

# The 'Glory of Love'

A glorious day dawned for a night that would not be forgotten. The class of 1996, proud and excited for surpassing the ever-known stereotype, came together as one to celebrate the most memorable night of many lives, the Junior Class prom.

Our class pulled together to make one of the best, most memorable proms WDHS has ever seen," stated prom chairperson Tricia Harper.

Tricia, along with assistant Noelle Bremer and dedicated juniors, transformed the high school gym

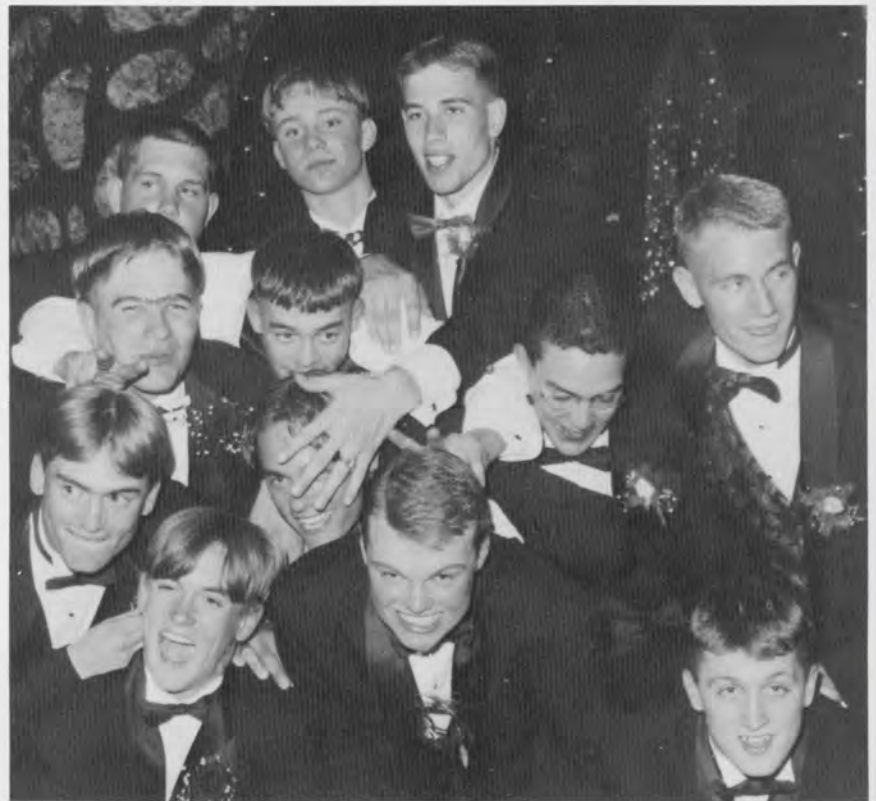

into a fairy tale complete with a stroll down the drawbridge.

The night drew to an anticipated end as Mistress of Ceremonies Linda Hookham introduced couples for grand march. Preceding the announcement of promcourt, Brandon Lukasavage's escorting of two dates turned tension into comic relief.

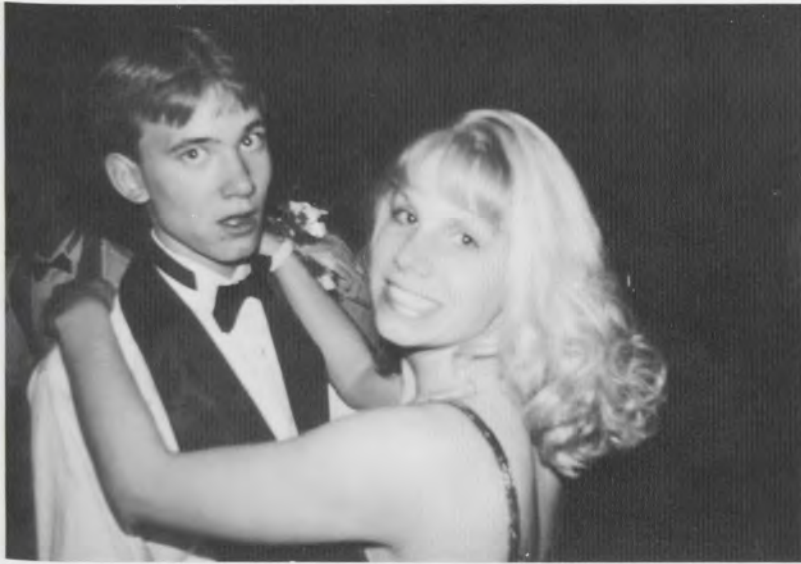

The night came to be flawless: perfect weather, perfect scenery, the "Glory of Love" was definitely in the night air.

Look at me! I'm a big girl now!

Whoa, wait one minute! Why am I on the bottom. Yes, I am the future of the world to come.

"1, 2, 3, smile!" "Steve you need to help, Laura can't be doing all the work!"

So Brandon, which ones yours, the one on the right or the one on the left?

We are the King and Queen! Queen and King for a day Bridget and Matt pose for the camera.

Hug? I know you want one, just come and get it!

### Emily Spargo

Recalling the two months I spent in Brazil with the AFS summer exchange program, I remember many good times and even some not so good times. The most fun I had was going out to forro dancing parties with my friends and not getting home until the sun came up. Everthing in Brazil starts late and the lifestyle is a lot slower paced than in the U.S. Not everything was perfect, like the time my family was robbed and I lost my passport, suitcase, and money, but I learned something from every experience.

My trip taught me many things about not only the Brazilian culture, but about myself.

# Brazil

# Hong Kong

## Gloria Pang

Hong Kong is a small city in the world, but about 6,000,000 people are living there. I had a different case with Hong Kong people, because since I was a baby, I had lived in the New Territories of Hong Kong. There is a large campground which is a peaceful place with many trees and a large playground. When I was a child, I often played around the campground. I lived in the campground because my father was in charge of business there.

In high school, I had a chance to go to the U.S. as an exchange student. Why did I come to the Dells as an exchange student? I wanted to live with foreigners and learn more things about their culture. I think that by living abroad, I can train myself to live independently, I hope I can learn things on my own by coming to the U.S. without help from my parents.

## Veslemay Eimarsen

My experiences in Wisconsin Dells has been really good. I stayed with the Hays family and have learned many new ways of living.

The school system is very different from what I'm used to, but I like it a lot.

In the beginning it was really hard with the language, but after awhile, it became easier.

I went out for basketball and softball and really enjoyed these sport, especially since we don't have either of these in Norway.

This has been a year full of experiences and memories. I want to thank the Dells Rotary club and everyone for helping me.

# CHIEFS BATTLE THROUGH CONFERENCE

In the midst of a rebuilding year, the 95-96 boys basketball team was not expected to go anywhere too fast. The boys were to be having a rebuilding year in which they strived to build a strong team.

With dominating plays, Brant Bailey led the young team through the year. Jeff Capelle, the only other senior with varsity experience, led by example with his physical play under the bucket. Dave Guess and Rich Delmore

stepped up their play to aid the Chiefs course. Not expected to finish in the bottom half of the SCC, the young but determined Chiefs pounced on the unsuspecting competition. The team gelled in midseason conference play, but stumbled in the final games of the year. The boys finished second in the SCC and carried on the Dells basketball tradition.

# Young In Experience, Strong In Heart

Match after match, point after point, the Dells Wrestling team never gave up. For a team made up of entirely underclassmen and one senior, the wrestlers proved that their strong will would surpass even the slightest disappointments. The young team surprised their coaches with many wins, but lost many meets due to the lack of wrestlers and the 6 point loss for every forfeit. The team and coaches never lost their determination to succeed, knowing that the future that lies ahead is very bright. The team prepares for that future being lead by a strong sophomore core, including the faces of Rob Kratochwill, Ed Schwark, Joey Rivas, John Rybaski, and many strong freshmen team members.

The highlights of the season

included the great improvement in dual meet competition that ended the season with a 4-7 record. The team also showed their determination by receiving two South Central Conference Honorable Mentions; that of Rob Kratochwill and John Rybaski. As the wrestling program progresses, Coach Braun has stressed that the team is in need of numbers and more depth. He is also depending upon these young men to lead the Dells squad to many wins in the future. "With the number of young kids, it's tough to compete in our conference, but give us 2 years. Then it'll be our turn." The team has proven to be "young in experience, but strong in heart."

# Dells Chiefs Shoot For Victory

Varsity: Row 1: Rebecca Rich Row 2: Mary Barker, Debi Barker, Aimee Anderson, Connie Wampler Row 3: Natallie. Mattei, Tanya Jensen, Coach Tubbs, Coach Frederickson, Kris Agnew Row 4: Bridget Mawbey, Becky Kaiser, Alyssa Koch, Laina Bailey

Success, surprise and determination all come to mind when describing the Lady Chiefs basketball season. With only one win in last year's games won column, the Lady Chiefs came out with a bang, and a loud one it was. They started their season out with a 5-0 record, with their first loss to the undefeated conference champs, Portage. Yet, this did cause a slight damper on the team but proved to be a necessity that was in dire need.

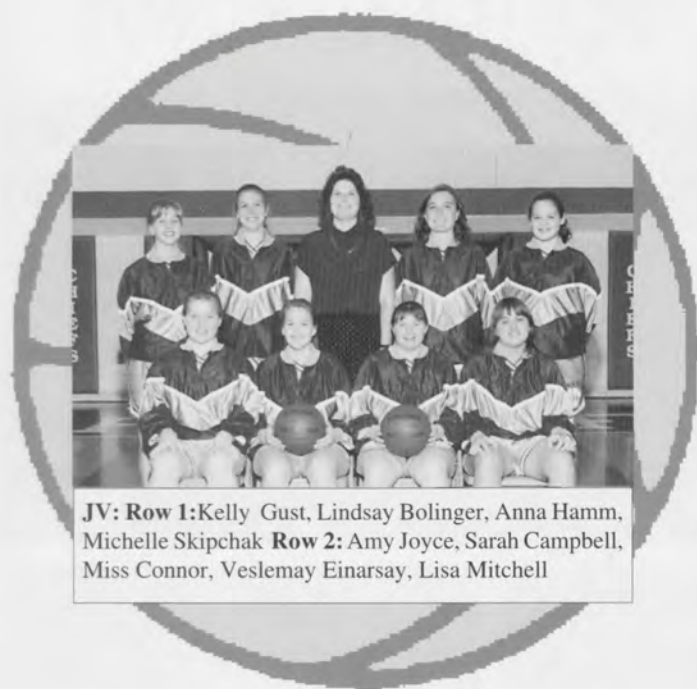

The Lady Chiefs successful season came under the direction of new Head Coach Scott Tubbs and Assistant Coach Scott "Flick" Frederickson. Not

only did their leadership prove to help the girls, but so did the stamina of the four seniors- Connie Wampler, Aimee Anderson, Becky Kaiser, and Kris Agnew.

A young trio of players seemed to be what helped the Lady Chiefs successful season. These ladies, Junior Debi Barker, and sophomores Mary Barker and Laina Bailey seemed to be the Chiefs major factors on the offensive side of the ball game.

Congratulations on the successful season for the Lady Chiefs who can only build and get better next season. Truly the Lady Chiefs were "More Than Meets The Eye."

# Our "Huge" Annual Staff

## 1996 Annual Staff

Thank God it's over!! The last four years have been filled with many memories, both good and bad, but the truth of the matter is that we survived. Yes, the graduating class of 1996 surpassed all stereotypes and made it to their final destination—graduation. 😊 Though we may go our separate ways, we will always have our memories to keep us strong and laughing through life. We hope this yearbook will be as memorable to you as it is to us. We worked hard all year trying to put this thing together. We'd just like to thank Biffert for putting up with us and we know she was scared we'd never finish this book, but we did!

all i need to know in  
 life i learned in  
 YEARBOOK

- Tired people get silly after 9:00p.m.
- Make friends with the custodians; they have keys.
- No matter how many times you proofread something, the errors will always surface after you print the final.
- Never print anything that you wouldn't want Biffert to read.
- It's possible to laugh so hard you cry.
- The closer you get to deadline, the weirder your sense of humor gets.

## Colophon:

The lengthy process of producing the 1996 Arrow began early September. With a staff of a mere seven and help from annual advisor Roxanne Biffert, the yearbook began its shaky and slow take off. In our first attempt, we wanted our theme to be "Remember the Daze." But, due to controversy, we switched it to "More than Meets the Eye." With help from the yearbook Rep John Gallagher, we began the journey through the computer age rather than the common stone-aged technology.

This year's staff, headed by co-editors Yola Foik and Nicki Clemens, spent endless hours sweating away trying to make our deadlines. We realized that if you stay in one place too long, your sense of humor gets a little bizarre and tired people get silly after 9 p.m.

The yearbook remained at 128 pages, but is uniquely original from any other year. 375 books were ordered at a cost of \$25 per book. Not much was expected from the Class of 1996, but we proved to be "More than Meets the Eye."

1. The first part of the document discusses the importance of maintaining accurate records of all transactions and activities. It emphasizes the need for transparency and accountability in financial reporting.

2. The second part of the document outlines the various methods and techniques used to collect and analyze data. It includes a detailed description of the experimental procedures and the instruments used.

3. The third part of the document presents the results of the study. It includes a series of tables and graphs that illustrate the findings. The data shows a clear trend of increasing activity over time, which is consistent with the theoretical model.

4. The fourth part of the document discusses the implications of the findings. It suggests that the results have significant implications for the understanding of the underlying processes and mechanisms.

5. The fifth part of the document concludes the study and provides a summary of the key findings. It also includes a list of references and a list of authors.
