Through the years at WDHS, pride has always been inevitable. Throughout these pages in the 1998 WDHS Arrow, the '98 Arrow Staff tried it's best to successfully portray this. Pride makes WDHS the best it can be- Who Says We Can't Have It All?

# Bailey Claims State Championship

## Guess follows close behind

All eyes looked upon Laina Bailey as she was the first individual female athlete in Wisconsin Dells history to ever walk away from a state competition with a gold medal around her neck. Joining her at state was David Guess. He competed in the 200-meter dash. David was disappointed he didn't make finals, but he achieved his season long goal of a time under 23 seconds.

As Laina started the season, much was expected of this young junior athlete. From the beginning, Laina anticipated returning to the state meet. But this year, 3rd place was not going to be enough. Having this mind-set, Laina dedicated all her efforts into training for the 400-meter dash.

Laina also took on a new challenge of competing in the 300-meter low hurdles. With the help of a previous track coach, Laina's father, she began the endless hours of practice. As the season got underway their efforts began to pay off. It wasn't always pretty, but Laina began to improve.

As Laina returned to LaCrosse all the sites were familiar, but this year she knew what to expect. Laina's nerves were shot and her stomach was in knots. Saturday's qualifying meet didn't go as well as anticipated, but now the end was near. There was only one last race to determine who the best was. "I knew when the gun went off that I had to get out hard and keep the lead," said Laina. All of Laina's dedication and hard work was about to pay off. When the gun went off, she exploded out of the blocks and never looked back. She ran what seemed to be an eternity, but ended up only being 60 seconds. Within those next 60 seconds, Laina became the new state champion in the 400-meter dash. After the race, when Laina was asked how she felt about winning, she replied enthusiastically, "When you win, nothing hurts!" Reality had proven itself. Laina Bailey was a champion.

# Track- The Insane Sport

Most people ask themselves, why would anyone want to run track? Are these people insane for attending grueling practices? These athletes don't just join the sport for fun; they join for the high level of competition to prove that they are strong enough to endure the season. The '97 track team was most remembered for hard practices, rainy meets, and the satisfaction of a job well done.

- 1) Matt Beard focuses on the finish line.
- 2) Todd Nelson is trying to sneak a head start.
- 3) Melissa Cichy and Lindsay Fisk hand off the baton. Ready....Stick
- 4) Brad Raniewicz is going for the Gold
- 5) Kari Hebbring stretches for the finish line.

The Dells' girls made giant strides, powering their way through the season. With only eight team members, each girl held a crucial position on the team. Seniors Lindsay Fisk and Sarah Steffes guided the team with their experience as the girls highlighted several competitions.

The Dells' boys track team had outstanding leadership from its four senior members: David Guess, Tim Cook, Ryan Nagle, and Scott Elder. Through their example, the younger track members showed great improvement and potential for a very promising future.

# ...Linking It All Together

*"...success through improvement," - Dan Seiler*

---

Under the guidance of three first year coaches, Norm Gibb, Steve Pfefferle, and Bob Davies, the Dells High School golf team looked forward to a season of "success through improvement," stated Dan Seiler.

The Varsity was led by by the five man core of Greg Hedrich, Jeff Delmore, Justin Oeftger, Scott Loomis and Justin Triggs. Others in good standing were as follows: Tom Braun, Tom Delmore, Ken Leuck, Lucas Pemberton, Jon Regal, Dan Seiler, Josh Shepard, Scott Steffes, Ehren Stroede, and Brian Wimann.

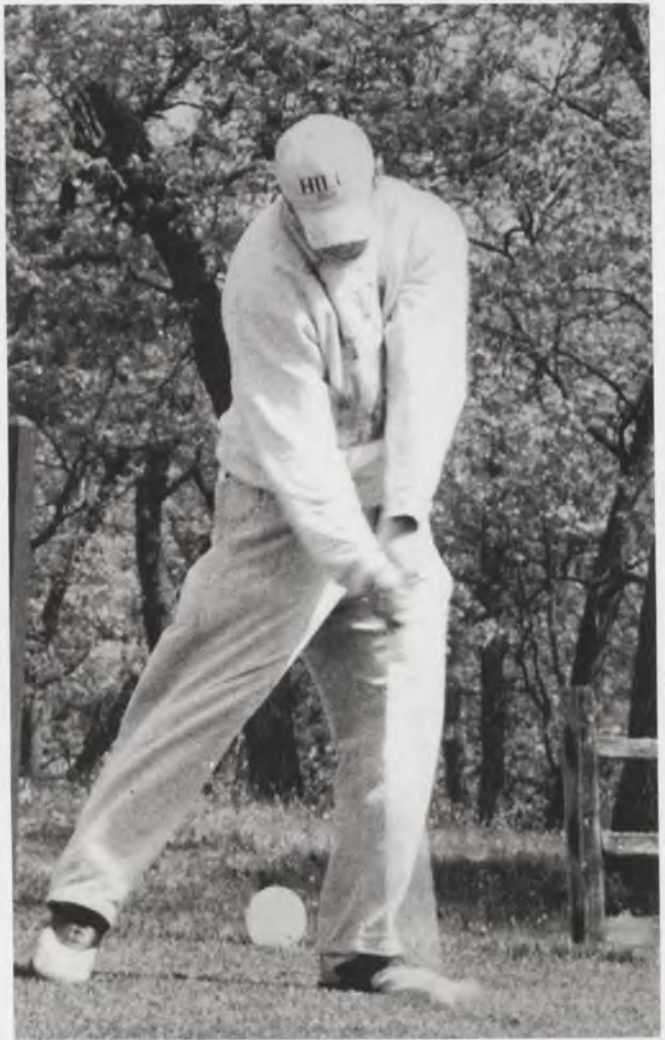

The high point of the season came with an impressive second place finish at Reedsburg. The Chief Swingers notched a season low team score of 174. The team was led by the stroke play of Greg Hedrich, who finished the season with a team low, 46.7 nine hole average.

Scott Loomis shows his picture perfect form.

# WE NEED ME!

WE NEED ME! was the Dells Varsity Baseball team motto for the season. They were the words to play by for the year.

The Dells Varsity Baseball Team had some victorious moments this season, even though their record showed two wins and ten losses. In these victorious moments they shut out Mauston twice. After a couple of conference setbacks, the Dells came back to win two tournament games- one game against Granton, 15-6 and another against Cadott, 11-4.

Leading the Dells Chiefs at bat was MVP Charlie Schwarze. Schwarze finished the season with an impressive batting average of .432. Josh Mawbey was close behind with a batting average of .340. Schwarze, along with Jason Van Fossen, lead the Chiefs with four home runs, while Richie Delmore lead the team with eleven stolen bases. Matt Wenkman finished the season with the Golden Glove, while Todd Frawley earned the Coach's Award.

Because of the low numbers of Freshmen baseball players, Sophomore players came down to play as Junior Varsity Reserves. The Freshmen ended their season with a solid record of five wins and seven losses.

The Junior Varsity Team was put together with a combined number of Sophomores and Juniors, with some Freshman being brought up to play. With a record of one win and eleven losses, the numbers did not show the hard work and talent this team put forth.

**RICHIE DELMORE**- "We had a lot of talent this season. I hoped we would have put it together better and won more games, but we didn't meet my expectations. However we did show a lot of improvement over the season.

**KRAIG KALKA**- "Baseball had it's ups and downs. The new coach (Flick) made the season very fun. We didn't win many games but we had a lot of fun at the tournament we won."

**JOSH MAWBEY**- "We had the talent; we showed this in the game against Baraboo, the top team in our conference. When we played as a team, we blew our opponents away, as proven in the Loyal Tourney."

## A League of Their Own

"Last years' group worked very hard to be the best they could be, and they surprised a lot of people by getting to the State Tournament." This was the inspiring quote for last year's softball season by Coach Dale Gray. With a record of 12-6, they were in a good position going into the tournaments. The Chiefs flew through Regionals and Sectionals with records of 3-0 and 2-0. Once again, they were on their way to the State Tournament. The Chiefs pulled off the season with a 17-7 record. Leanne Sellmeyer said, "By making it to the State Tournament last year, we overcame a challenge a lot of people didn't think we could handle. We also proved that we were one of the top four Division 2 teams in the state."

Coach Phil Wenzel of the JV team stated that even though they struggled at times, they ended up with a winning season of 9-8. Abby O'Brien finished out the season with the highest batting average of the JV team.

Coach Bill Tofson said, "We started off a little shaky, but as the year went on, we improved greatly. The freshmen were small in numbers so they had to keep bouncing from position to position." Even though they only won a few games, they never gave up.

## A Step Back in Time...

The class of 2000, despite the hinderance of construction, pulled off another fantastic performance in the yearly tradition of the Renaissance Faire. The Faire has been held in the courtyard since 1989, but this year the Faire had to be moved from its traditional spot in the courtyard to the high school front lawn. Students did what they could, and despite the construction, all turned out well.

"The students did a wonderful job of costuming," commented advisor Pete Gust. World History students worked hard all semester researching a specific character and deciding what they wanted to do at the Faire to represent their character.

In the weeks leading up to the Faire, students were extremely busy making banners

designing costumes, planning stage activities, promoting the event, and making all the final preparations to make the first ever "front-lawn" Renaissance Faire the best ever.

On the majestic morning of the Renaissance Faire, students began setting up the tents, banners on the tennis-court fence, and then paraded through the halls to the entertainment of all the upperclassmen. During the afternoon, bands played, choirs sang, science teachers put the test of explosives to work, and it all ended with a traditional feast of chicken and potatoes.

The class of 2000 left its mark on the history of the Renaissance Faire, and despite the challenge of a new location, they set an example to be followed on the front lawn. All in all, everything turned out great. The class of 2000 has something to be proud of.

The Fairest of the Faire

"The class of 1998 really pulled together to make their prom an eventful evening for everyone," Mr. Braun-Jr. class advisor.

## Catch a Falling Star

The class of 1998's Junior Prom took many breaths away as they displayed endless months of hard work and dedication. Promising a standing room only crowd, the class of 1998 proved that they were able to pull together to create one of the most memorable evenings held at WDHS. Family and friends helped create long lasting memories for prom attendees. The endless hours of preparation were displayed with countless stars and a glimmering runway for each couple to receive their moment under a falling star.

Prom Chairperson Jamie Donnelly commented, "I was honored to lead the class of '98 in such a significant and momentous evening. I was impressed and overwhelmed by the amount of participation and spirit our class showed. The product of all our hardwork and dedication produced a memorable moment for all."

Prom '97 concluded with the crowning of Tyler Tofson as the admirable King and his rightful Queen, Jamie Donnelly. "Take My Breath Away" softly played in the background as the long awaited evening came to a close.

# Cross Country

*The sport for the highly motivated*

Running is a lifetime sport that requires physical and mental training, as well as the ability to focus and work both as an individual and as a team. To run long distance successfully is to become a better person: physically, mentally, and psychologically. To be successful "true runners", the Wisconsin Dells Cross Country team learned to continually develop and nurture themselves as well as their team.

The WDHS Cross Country team set high goals for themselves at the beginning of the season. By the end of the season, the boys' team goal, to place fourth or better in our conference, was captured. Coach Steiber and Coach Borck-Arps were very proud of the 12-man team, as they also placed first at the Reedsburg Invitational. Even though the numbers for the girls team were small, they enjoyed working with each other and focusing toward the future. **"Running is demanding, there's nothing quite like it."--Jesse Howe**

## Phenomenal Heights

The Wisconsin Dells Varsity Volleyball team started the year with high expectations of being first in the South Central Conference. After two disappointing early season losses, the team knew they had to step up.

Teamwork was the key to succeeding. If one person lost communication and belief, the "rope was broken." While, looking around the court, team members trusted that if any girl was ever "hanging on the edge," the whole squad would endure agonizing pain to "hold the rope."

The team meshed on and off the court. They had a certain way to stand out in a crowd.

This year was especially special for Coach Perron and the Senior girls. Perron has been with these seven players for her entire career at WDHS, as well as the girls' whole high school experiences. She taught them discipline and mental toughness but mostly about themselves. **ONLY THE STRONG SURVIVE.**

### Coach Perron SAYS

#### Laina Bailey

"You have truly been an inspiration to me. Not only have you more than that. You have the total package of leadership, self-discipline, drive and desire. Not many athletes are gifted with your talents and abilities. Hold on to these traits; they will take you far in life."

#### Mary Barker

"I know you were something special when I coached you as a freshman. You and I have developed a special relationship throughout these last four years. Even though you always made it clear volleyball wasn't your favorite sport. I have so much respect for your basketball ability and athleticism. I hope you know that my main objective in coaching you was to prepare you to the best of my ability for college basketball."

#### Erin Musiedlak

"You have matured so much as a player. I always knew it (volleyball) wasn't your favorite sport but I respect how much effort you gave me (going to camp, etc.) Best of luck in the future."

#### Leanne Sellmeyer

"You have been such a leader these last four years. You are the definition of a setter...positive, excellent hustler, hard-working and always knowing what to do to keep your team upbeat and focused."

#### Molly Toenjes

"You have been a great model of a player who plays with an upbeat, positive attitude. You understand the value of thinking about TEAM effort. You always accepted your role with a smile. Good luck in all that you do!"

#### Fawn Mittlesteadt

"It's going to be really weird not having you around for an example of what it takes to be a team player. Your peers are lucky to have such a great example of a positive team player. Thank you so much for all your efforts; life will take you far."

#### Wendy Van Schoyck

"I can't say enough for how much you have matured as a player. I'm really glad that we got closer as the years went by. Keep holding your head high and keep in touch!"

## FOOTBALL CHEERLEADERS

It's nearing 7:00 p.m., almost game time, and the cheerleaders of WDHS are preparing for another big Friday night football game. After perfecting everything from cheers to jumps to stunts, and applying just the right amount of glitter to their smiling faces, they are ready to express their every bit of pride for our beloved football team.

Throughout the season, there was an extraordinary amount of enthusiasm in the stands; like the match that lights the firecracker, the cheerleaders caused the crowd to explode with school spirit!

Aware of the wonderful atmosphere around them, the cheerleaders expressed their own excitement with skyrocketing basket tosses, superior jumps, and even those fearless back flips we often saw. And let's not forget the waving of the respected WD flag and our famous chant, "We Are WD!!!"

**“Effort only fully releases its reward after a person refuses to quit.”--Napoleon Hill**

Quitters would be the last word used to describe the 1997 Dells Football squad. This group of dedicated young men gave everything they had to accomplish their goals. Their hard work did not go unrewarded. Led by a talented group of seniors, the Chiefs started slowly but came on like a “runaway freight train” at the end of the season. The 1997 squad was the first team to win the homecoming football game in recent memory. This was accomplished with a 24-6 drubbing of Pardeeville. The Chiefs then started their first winning streak with an impressive 17-13 victory over Adams in a tremendously physical game.

The 1997 Chiefs left us with so many great memories that will never be forgotten. The fans will remember Joey Rivas and Brad Raniewicz for their key kickoff returns for touchdowns. The defense will be remembered for their tenacity in a goal line stand against Pardeeville, which turned the tide of the game. On offense, the perfect spirals of Jesse Capelle being caught by Tyler Tofson and Matt Wenkman will not soon be forgotten, along with the running of Raniewicz, Rivas, and a skilled core of back-ups. The offensive line will be remembered for their tenacity and heart.

Coach Quinton was very pleased with this year's group of hard working seniors. Coach Quinton also said he was very proud of all of his players who made the year long commitment to the rebirth of WD Pride.

# Homecoming

## 1997

*Due to the fact that we only had a four day week and that this was the first year we had a banner competiton, Homecoming was very successful. It all started on Tuesday with Halloween Day and window painting; Wednesday was Past Day, the Junior and Senior Boys Volleyball game, and banner making; Thursday was dress-up Day, float building, Junior and Senior Girls Powder Puff, and the bonfire to follow; Friday was Color Day, school assembly, parade through town, and the big football game against Pardeeville. Finally, it all wrapped up an ebullient week of events with Saturday's Homecoming Dance.*

After a successful season and returning from Los Angeles, the show choir looked forward to an exciting year with a new director who would bring new ideas and a winning tradition back to the Wisconsin Dells Show Choir program. After public forums and an extensive list of "wants and needs" of a perfect show choir director; a former alumni was hired: Mr. Michael Showalter.

Mr. Showalter managed to construct a group made up of six seniors and the rest under-classmen in order to create a base to start from for the future. Combining the talents of the band, singers, nationally known choreographer Tom Terrien and arranger Tahara Nahiriak, and Showalter himself, the group created a colorful show with a wide variety of cultural songs, from "Turkish delights to shake of the Latin lambada." Songs included: *Spice Up Your Life*, recently recorded by the popular Spice Girls; *Istanbul*, off the recording "They May Be Giants" including a bellowing trip of Andrew Shapiro, Jonathan Plouffe and Jason Bohn; an emotional song recorded in the '70's by Janis Ion starring soloist Brittany Borchert, *At Seventeen*; and the final finale included a colorful medley of Harry Belafante's *De-o, Matilda* and *Shake Senora* starring various soloists Mike Montgomery, Ryan Tucker, and Jason Bohn. Also appearing were Bohn, Justin Draper and Nathan Delmore in drag.

Highlights of the season included competitions at Fort Atkinson, Hartland-Arrowhead and Westosha. It ended with a performance at Cabaret and a final performance for the community at the WDHS Open House.

## Dells Dance Squad grooves their way to state

After five years of hard work, the Dells Dance Squad earned their rightful place in the state spotlight. With a new coach, Mindy Jackson, and new ideas, the squad has improved greatly compared to previous years. With only five returning members, we had a lot of inexperience but overcame that quickly. After going to a national competition our goal was to get recognition at the state level.

On January 10 fifteen excited poms members headed home from the regional competition in Wisconsin Rapids with a feeling of accomplishment. Placing in the top five teams in Division 2 had qualified us for a trip to state. This is the first time in WDHS history that this has happened.

The 97-98 captains were Katie Scully and Andrea Pentell. "Because this was my third year on the squad, the captains and coach looked to me for my experience in dance to get us going," stated Diana Spargo.

This year the pom squad made a good showing at state and met their goals. The poms squad has a lot to be proud of.

1997/1998 Dells Dance Squad: Row 1: Katie Scully, Andrea Pentell, Becky Mica Olson, Wendy Van Schoyck, Ramona Cook, Andrea Pemberton, Tripp, Amanda Lanaghan.

"I started the year not knowing what to expect. I was actually kind of scared. I have a great group of girls and some excellent minds. All I have to say is... we're RAD!"

-Mindy Jackson

Super Smilin' Di!

"Being the only seniors on the squad for four consecutive years, it has been quite a ride. We have met our goal of making a name for ourselves at the national level and now the state level. We hope that our example has paved the way for future pom members."

-Katie Scully & Andrea Pentell Captains

Erin Irene, "Get on up and dance ya'll!"

Laura is "doin' it toin' it!"

# Chiefs "Slam" Opponents

During the 1996-97 boys' basketball season, the Wisconsin Dells boys struggled throughout the year. This year the boys hoped to improve on last year's disappointing season. Many questions arose about how the team would bounce back. The team came back with quick answers to those questions by getting some big wins at the beginning of the season. The 1997-98 boys' team centered its attack on the experience returning. There were seven returning seniors: Justin Oeftger, Gary Nesvacil, Jason Van Fossen, Ryan Poppenga, Matt

Wenkman, Richie Delmore, and Tyler Tofson. Among the returning underclassmen was a returning starter, Jesse Capelle, and other junior players were Greg Frankov, Willie Sweeney, Scott Loomis, Zack Nemitz, T.J. Clark, and Greg Hedrich. With four returning starters (Poppenga, Capelle, Delmore, and Tofson), the boys tried to make their mark on the SCC and hoped to make their presence felt throughout the state. In doing this they "needed the support of the student body" as Justin

Oeftger said. They received this support and used it to their advantage. The boys didn't have the kind of year that they expected to have, but they did make progress. "We lost a few games that we should have won, but I think that we surprised a few people this year." Richie Delmore stated. The JV also struggled but got some good wins against Portage, Mauston, Reedsburg and Adams Friendship. The freshman team made its presence known throughout the year with a very successful season. It looks bright for the Wisconsin Dells High Schools teams of the future.

# Lady Chiefs Dominate

## Lady Chiefs...A force to be reckoned with in the SCC.

With the leadership of first year head coach, Traci Vinopal, this was yet another fine year for the Lady Chiefs. With strong senior leadership, and a wealth of young talent, the Lady Chiefs bolted onto the scene as a SCC contender. Although they were not able to capture the SCC title, the girls took home the Regional championship. They fought off tough competition with strong performances and teamwork, which was put forth by all the players.

The Lady Chiefs were led by three talented seniors: Laina Bailey, Mary Barker and Michelle Skipchak. All three were instrumental in the team's success, and the development of the younger players. Mary Barker finished the season with All-Conference honors, while Cassie Mattei received Second Team All-Conference honors.

### The Seniors Speak:

**Mary Barker--**"With the loss of a couple key seniors, the newcomers had to step up and contribute."

**Michelle Skipchak--**"This season has been great to see how the seniors have come along and how players have begun to fit their roles on our team. We have a lot of potential to go places."

**Laina Bailey--**"When we play as a team--that's when we win ball games."

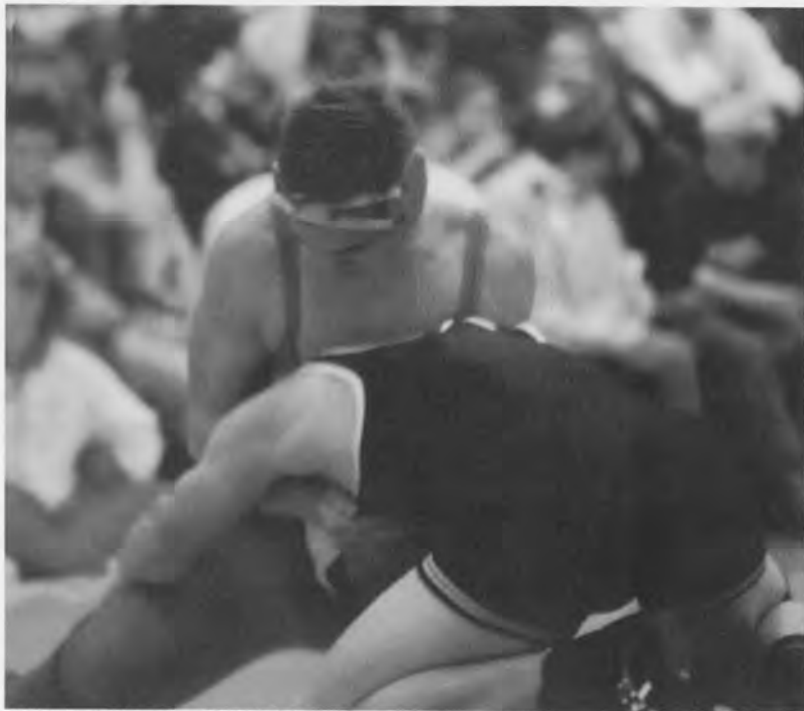

## Dells Wrestling Team: "Potentially Dangerous"

Last-second escape, winning him the match, 14-13.

In a season that started with three new leaders, the fate of the 1997-98 wrestling season was now in someone else's hands. With the head coaching position appointed to Mr. Bret Steffen in November, he turned to his high school wrestling teammate Butch Greenwood to be an assistant coach. Then Steffen opted for a third coach. He turned to WDHS alumni wrestler Donald Nichols.

This season's wrestlers went through the usual grueling first week of conditioning, not only to get in shape, but also to separate the men from the boys. By the first home meet, Steffen knew who was dedicated, and who was there to stay. With these determined athletes, he began to fill in people at each weight class. His returning varsity letter winners were Nick Bremer at 125, Ed Schwark and John Rybaski at 152, Matt Beard at 160, Joey Rivas at 171, Josh Mawbey at 189, and Trevor Kissack at Heavyweight. Other returning wrestlers that participated on JV last season, and even saw some time on varsity, include Noah Krueger at 125, David Luke and Jason White at 130, Jeremy Johnson at 135, Dustin Wells at 145, Josh Rybaski and Sam Smith at 160, Chris Davis at 171, Dan Seiler at 189, and Jon Whitebear and Mark Fela at Heavyweight. Newcomers to the team include Walter Bialkowski and Jake Howe at 140. The Wrestling team even received strong support from freshmen wrestlers such as Ben Hazelkorn at 103, Josh Rocholl at 119, and filling in at 171 was Jeff Kordell and Nathan Schultz. Although at season's end, some wrestlers will be lost to graduation, the Dells Wrestling team has the depth to fill in weight classes next year with experienced wrestlers, making them a force to be reckoned with for the 1998-99 season.

Eddie is working for the takedown.

Joey gives a wild ride before the takedown.

Bialkowski(140)-  
"Defeat is an attitude; success is a motivation"

Rybaski(145)-  
"Number one reason to be a wrestler, Endurance, Endurance, Endurance."

Schwark(152)"I want to thank Steffen for coaching us and teaching me that I can achieve any of my goals if I try."

Rivas(171)"When people ask me why I go through the h\*\*\* of wrestling I always reply, 'when your hand is lifted at home nothing beats the feeling.'"

Mawbey(189)-  
"Those darn walls never move when you need them to."

Kissack(275)-  
"Will someone get me a towel?"

Whitebear(275)-  
"I would rather lose a wrestling match than play a basketball game."

## *Park Moves on in Life*

Mr. Park has touched the lives of hundreds of students who have walked through the halls here at WDHS. He has taught in the Wisconsin Dells School District for the past 32 years. Not only has he taught Latin and U.S. History, he has also taught Ac. Bec., World History, A.P. History, and for a few years he taught English. Mr. Park had said "the first 25 years were satisfyingly productive and we were all proud to be part of the Dells school system."

*Mr. Park*

Mr. Park earned the admiration and respect of many students though some didn't appreciate his true character until he left. One of his Latin students said, "for the short time that I had him as a teacher I'll never forget his teaching style and enlightening class discussions."

Many students believe that there has never been a teacher with more caliber or concern for the students than Mr. Park. He pushed his students to do their best, and their best was all he accepted. He'd give as many chances as possible to each and every student. *Many of us will miss him.*

# From Your Yearbook Staff-

What can we say, this year has been very stressful, agonizing, fulfilled and exciting for everyone that has been a part of the yearbook. One could not imagine how many late nights we have spent at the school, until 1:00 A.M. Together, we somehow all survived through it and now, finally, we present you with the finalized result. We have tried to put this book together to show everyone at Wisconsin Dells High School that our school is something to be proud of, and all the memories within this book are something to hold onto for a lifetime. We would like to thank Mr. Michalsky for all his hard work and dedication that he put forth to make this book happen. We know it was a lot of work for a new teacher to take on, but we want you to know that this book couldn't have happened without you. You're the best! This book, that you see here in front of you, took a lot of time and effort for everyone on the yearbook staff whether it was taking pictures, completing pages, or taking charge of the advertisements, we all worked very hard on this book and hope you enjoy it. This is your book!

## You know the yearbook is your life when.....

- \*You start to call Mr. Michalsky "Dad" on accident.
- \*You know every custodian by name.
- \*You start accepting phone calls at ext. 1106.
- \*More people have become your friend because your on the yearbook staff.
- \*You critique yearbooks for fun.
- \*You fight over who gets the best computer.
- \*You've eaten more dinners with Mr. Michalsky than with your parents.
- \*The only writing utensils you have at home are the orange cropping pencils.
- \*When your friends are looking for you, Mr. Michalsky's room is the 1<sup>st</sup> place they look.

**Angie says:** In kindergarten, our goal was to make friends.

Little did we know that those friends would be there to *stand beside us and guide us* through some of the best times of our lives. *We are Dells High.*

Being Editor of the yearbook was something that I always wanted to do; I pursued that dream, here I present to you the final product. I wasn't sure of how much work it was going to take to put this book together, but I wasn't alone. The '98 Arrow Staff's only goal was to try and retain the moments we shared here. Although some of us worked harder than others, I do feel we did manage to capture memories that will last an eternity. With the help of my co-editor Kari Hebbing, and the other hard-working staff members: Laina Bailey, Fawn Mittlesteadt, Katie Scully, Megan Jermier, Tanya Jensen, Bo Hopkins, Jason Bohn, Jessica Waltman, John Gallagher (our Herff Jones Representative), and the various businesses who kindly contributed, we managed to produce a 144 page book, much larger than the usual Arrow. I also can't say enough for our newly found mentor, Mr. Michalsky. Hopefully his first encounter with the Arrow won't leave him permanently insane. (Ask Biffert... you may recover.) Mr. M. not only acted as an advisor, but also as a class appointed referee when things seemed to get hot and heavy between staff members. He kindly gave us ideas and pushed us to meet deadlines. Thank you Mr. Michalsky!

The class of '98 has been through an unforgettable four years: two time state softball teams, Laina Bailey in her state track quests, turn over of the girls basketball team, victorious football season, poms in nationals, show choir in nationals, championship jazz band, trips to Montana, Scotland and England, and an excellent wrestling season for Joey Rivas. Oh-- and probably the only class that has and will be able to toilet paper the school grounds. We as a class have strived for excellence.

Then... there are the not so good moments that just as soon not be talked about. Yes, these moments were difficult, but these events proved to be the test that pulled us together as a class, in proof, *the graduating class of 1998.*

We as a class have proven to the faculty, community and most of all, ourselves, that if given hurdles, and asked to jump, we as a class ask: "How high?" If I can leave one piece of advice to my fellow classmates and to the underclassmen it would be this: 'Don't ever forget to treat your goals and dreams as hurdles; nothing comes easy, nothing comes without obstacles, and WHO SAYS WE CAN'T HAVE IT ALL?

**Kari says:** They were the best of times; they were

the worst of times. If you were to ask the seniors of WDHS how the last four years went, they would most likely consider them very enjoyable. High school is not only a period of academic pursuit, but also a time of creating friendships that would last a lifetime. Who knows what fate will bring to each and everyone of the 119 individuals that will be leaving the halls of WDHS? My only hope for the class of 1998 is that whichever path they choose, they live a happy and healthy life.

## HoChunk Nations Gaming Contributions to the Community

Over 90% of all money cycled through HoChunk Nation slot machines gets paid back to the customer.

As policy the HoChunk Nation gaming facilities do NOT cash welfare checks.

On average, HoChunk Nation gaming customers are middle income, middle age to older couples with no children at home, a budgeted income, and enjoy the safe and fun environment of casinos.

Over 15,000 jobs in the state of Wisconsin are provided by Indian Gaming facilities.

The HoChunk Nation employs almost 3,000 people, approximately 60% are non-Native Americans.

Two-thirds of the HoChunk Nation's work force are employed in the bingo halls and casinos.

The HoChunk Nation supplies low to middle income jobs in the Wisconsin communities of Wisconsin Dells, Jackson County and Wood County.

Most of employees' salaries go to taxes and local small business for living purchases such as groceries, appliances, vehicles and affordable housing, etc.

On average, jobs with the HoChunk Nation pay \$2 more per hour than other local businesses for similar positions.

The HoChunk Nation offers competitive benefits which include options in health, life, dental and optometry care.

The HoChunk Nation paid over 25 million dollars in taxes last year to the state and federal government from enterprises, employees and membership.

Since 1992, the HoChunk Nation has contributed over FIVE MILLION DOLLARS to worthy causes, including, but not limited to, local high schools, local fire rescue and police departments, the American Cancer Society, the Children's Miracle Network, and the American Legion.

Over \$270,000 has been donated in charity to local fire, ambulance, rescue, and police departments. Note: this does not include what the HoChunk Nation pays in service costs to our businesses.

Expansion of Wood County water systems was recently approved by the HoChunk Nation Legislature, including a new water tower and an almost one million dollar improvement to the current system. This will benefit the area community, including a day care center and an elderly feeding site.

Road and airport improvements contributed to or paid for by the HoChunk Nation have taken place in Jackson, Wood and Sauk Counties over the past four years since HoChunk Nation casinos came into being.

Disaster relief in a number of Wisconsin counties has been donated including fire, tornado and flood relief.

Contributions to organizations handling family issues (including domestic abuse relief and D.A.R.E. programming) are well over \$50,000. This does NOT include the many volunteer hours contributed by employees and tribal members to these causes.

The HoChunk Nation contributed a multi-million dollar waste water treatment facility in Jackson County, of which the State of Wisconsin Department of Corrections uses.

Not all Indian Tribes share the same rights or opportunities on Native American related treaty issues (like Indian Gaming, spearfishing or rice harvesting) that may have been set up with federal or state governments through time.

The HoChunk Nation does not have treaties granting rights to spearfishing or rice harvesting. We do, however, compact with the State of Wisconsin for the right to operate Indian Casinos.

## Letter From The Adviser:

Wow! What a journey. There were times when I wondered if I would ever get to the last page of this yearbook, but here I am. I can honestly say this was one of the most stressful projects that I have ever worked on in my life. In the same breath, I will also say this: While nearing the end of this, my first year at WDHS, I have come to realize what makes up a great school-- great students and caring teachers. I work on a daily basis with some of the most talented and personable people anyone could ever care to associate with. I have always felt welcome and appreciated by all of my colleagues. Also, I have had the added pleasure of teaching some of the most trustworthy and talented students around. I truly enjoy waking up in the morning and coming to school. The yearbook staff was a mirror of the entire school--hard working, dedicated and reliable (for the most part). I would like to thank everyone on the staff who put in the long hours to meet deadlines and assure that the student body would get their yearbooks on time. I would especially like to thank those few saviors (you know who you are) that kept me sane these past few months. It has been a real pleasure to work with these young ladies and gentlemen. Good luck to all of you.

Mr. Michalsky
