Save the Best For Last

Along the road of life, there are always some exits, but with each exit comes an open door to something better. Through the years at WDHS, students have found themselves thinking that it can't get any better than this. Still, each year proves to be something more. Through the pages of the 1999 WDHS Arrow, the staff illustrated our school coming together as one and having the time of their lives. For the Class of '99, cherish your memories of this last year forever; it was one of our best.

For the other members of WDHS,
Save the Best for Last.

Softball Soars To Sectionals

Swing, and a hit.

Looking for another repeat trip to the state tournament, the ten members of the Varsity softball team fell short, losing to Poynette in the sectional finals. Judging by the beginning of the year, people would never have thought this year's team would get as far as they did. But with the five new starters, and the great coaching of Dale Gray, the team finished with a winning season, and a regional championship under their belts.

The Junior Varsity, coached by Bill Tofson, was mainly composed of sophomores and freshmen. With the

sophomores being small in number, many freshmen girls were brought up to fill in at the needed positions. J.V. may have started off a little rocky, but by the end of the season they were playing great and winning ball games.

The freshmen team, coached by Deanna Moon, had a productive season. Even though they lost a few players to Junior Varsity, they improved as the season went on.

Oooo! I've got it.

Ready for the strike.

Dells Baseball, New Look in '98

Under the leadership of new Head Coach Bret Anderson the Chiefs baseball team set out to have a memorable season. Victories were hard to come by early in the year, because the team had to learn to play as a unit in order to win. With only three starting seniors returning, underclassmen had to take a large amount of responsibility. Senior Trent LaBrenz assumed leadership in the dugout as well on the field. By his teammates he was voted MVP and captain. Josh Mawbey also played well by leading the team in batting average (.386).

These two lead the entire infield that was composed of young, but talented underclassmen. As the team got more experience together they began to work as a whole. The Chiefs got their first win by taking the Weston Tournament and later played tough against Portage, a team that easily handled the Dells early on. At the next tournament in Loyal the Dells beat the host, but unfortunately lost a good game to a tough Barron squad. The team finished the year strong, but only gained one more win against Adams. The Chiefs finished the season with a 4-15 mark.

Run For Fun

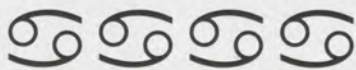

When the going gets tough the tough get running. That's exactly what the '98 track team did. They showed great dedication and a willingness to strive for excellence. The season started out great with the seniors showing support to the younger runners, building them to become nothing but the best. There was great leadership among the whole team. Everyone, freshman to senior contributed to the great success of the season.

The boys track team had a great season. With the 4x100 meter relay taking many gold and silver medals throughout the season. Under Brad Ranewicz's ability to push his relay team beyond the limits, he guided himself, Dan Ranewicz, Mike Kissack, and Zach Rochell to sectionals. They missed moving on by only a few seconds. Sophomore Pat Scully also made strides in the triple and long jump competitions, falling short of a sectional place.

The girls track team also did exceptionally well. Senior Laina Bailey earned a trip to state for the third time, and the girls 4x400 meter relay went to sectionals. The girls team consisted of Juniors Steph Hartman and Jen Dorow, and Seniors Laina Bailey, and Kari Hebbingring. The leadership among this group of girls was fantastic.

Swingin through the Season

Golf is probably the most frustrating game that man has ever invented. Every year a group of well-motivated men and women go out and compete in this game. This year the team was lead by the third new head coach in three years. Coach Bob Davies took the task and was determined to achieve success.

His goal was achievable, but he knew it would be hard. He knew that the group would have to pull it together and do it as a team. Junior Greg Hedrich led this five-man core for the second consecutive year. Other team members included senior, Justin Oeftger; junior, Scott Loomis; and the newest addition, Caleb Turbett and Josh Spycholla. These season definetly had its highs and lows and the team finished third in the conference.

Midnight in the Park

Imagine dancing the night away in a beautiful park complete with green grass, cobblestone walkways, ten foot tall trees and a fountain in the middle of it all. The class of 1999 had that chance as they experienced one of the most beautifully decorated proms WDHS has ever seen. April 25th brought a memorable evening to all who attended the Junior Class Prom.

After many months of hard work and planning, Prom Chairperson Diana Spargo was impressed with how it turned out. " I knew it would be a big job, but I was blessed with the amount of help I received from my class. Thanks to everyone who assisted me along the way."

Grand March started the event as Joey Delmore and Diana Spargo were named King and Queen. The rest was up to the class creating memories until it was "Midnight in the Park."

Gettin' Diggy With It

Bump...Set...Spike... the game doesn't look too complicated on paper, but like any sport, volleyball is a formidable task. It's a challenge that requires proper skills, determination, teamwork, and communication to achieve.

Like all teams, this year's volleyball team entered the 1998 season with high hopes and even higher expectations. After finishing second in the SCC last year, this year's team had the great responsibility of carrying on with the previous year's objectives. Though they fell short of their expectations the team played some very impressive volleyball, particularly, against Mauston, when the Chiefs battled for an hour and ten minutes before falling 25-23.

Enduring games such as these, the team proved true stamina and tenaciousness to win. 110% to the end! The team stuck together and battled through the blood, sweat, and tears to prove that volleyball is not just a game, but a true sport.

Here's an equation for ya:

Dells Football '98

The '98 football squad fought through trying times, and worked hard to keep a positive attitude. The Chiefs didn't see success in the win/loss column, but achieved victories in other ways. Many new players stepped up into roles vacated by last years team. The Senior class provided leadership by example and excelling responsibility. This years gridders gave complete effort every game, no matter how big an under dog.

The Chiefs lost a heart breaking game early in the season to West Salem. Leading 14-8 at half-time the Dells looked as if they would acheive their first victory of the season. But the final outcome just wasn't meant to be as West Salem came out on top 30-22.

Homecoming vs Adams would also be a heart breaker, losing 36-6. The Seniors had heart, courage, an determination to win, with this and luck the team can only grow next year.

THE XC EXPERIENCE

RUN HARD OR RUN HOME!!

Determination, goal setting, standards.....winning. The 1998 Dells Cross Country team finished the year with an awesome season. The boys CC began the season with a strong lineup of 15 runners and 5 returning senior starters. The boys varsity consisted of six returning lettermen, with the addition of Randy Bork as first man varsity. The lineup would consistently change throughout the season as each runner moved and challenged the

next in line.

The boys had a great start with two 1st place finishes at the Westfield, and Pauquette Invitationals. The team made headlines in the *Wisconsin State Journal* by achieving a 15th place ranking-the first time the boys CC has ever been ranked in the state. As the season continued injuries would come to the front and

take a toll on runner Zach Nemitz. This sent him struggling for seventh man varsity. They would carry on to take 3rd place at the Wautoma Invite, a 2nd place finish at the Reedsburg Invite, 5th at the Nekoosa

Invitational, and 3rd place at the home invite. The team ended up 4th in Conference, with second team all conference for Randy Bork.

The Dells girls also had an excellent season. Sophomores Steph Ennis and Katie Holzem led the girls as the top two runners. Freshman Lena Spargo was close behind followed by Senior Diana Spargo. Rounding off the team were Sophomores Jamie Sumner, Sunshine Tripp, Sonya Rowe, and Freshmen Erin Kissack. The team gradually grew stronger as the year went on. They finished 3rd at the Dells invite and overall 4th in Conference. "Next year will be very exciting for these girls."-Paul Stieber

Even with a squad consisting of almost all new members, the Chief's cheerleaders did a great job this season leading fans in spirit filled cheers.

Team co-captains were Junior Kelly Szlapka and Sophomore Erin Cotter. "I really enjoyed working with everyone this year." stated Erin. "We gelled great as a team, and had a lot of fun."

Most of the Cheerleaders agree that their favorite part of the season was the Homecoming bonfire. The cheerleaders entertained us with a dance and lead us in cheers. They really brought out the Dells pride in everyone.

When asked "What is one thing you would like everyone to know about WDHS cheerleaders", most girls answered that it isn't as easy as it looks. One girl answered, "It's more complicated than most people think. We have bruises from certain stunts. But in the end, it's worth it to see a crowd full of spirit that we pumped up!"

Homecoming 1998

The 1998 Homecoming Dance on October 10th was a great success. There was a record crowd on hand to watch as Dustin Wells and Diana Spargo were named homecoming king and queen. The event was the product of a lot of hard work, especially by homecoming chairperson Abby Joyce who said, "it was a lot to take on by myself, but it was all worth it in the end." It was a memorable evening for everyone and no one will soon forget it.

HOMECOMING WEEK

Homecoming week is a time that gives the whole student body a chance to get involved and to show school spirit. There were many activities that students took part in during this week, from window painting to float building. Mr. Kuhnau reintroduced the spirit award this year, which was taken by the seniors. The sophomores followed a few points behind the seniors, and they were followed by the juniors who came in third. The freshmen took pride in their last place finish, and never gave up. Everyone took pride in all the activities that they participated in. The activities for the days were as follows: Monday was Packer Day and window painting, Tuesday was injury day and decorating walls in the gym, Wednesday was twin day and hallways, Thursday was mismatch day and float building, and finally, Friday was color day, the parade, and the football game. This year's homecoming was a great success thanks to Abby Joyce, the homecoming chair.

Making The Past... The Present

From a Medieval End of an Era, To This Years End of a Millenium

"In a time of ancient gods, warlords and kings..."

Wait a minute... Hold on. This isn't right! I just recited the theme song to Xena!

This isn't the way to describe the Renaissance era. The closest thing in that time to a warrior princess would be Joan of Arc, and no way would you catch her in skin-tight leather. Let me try this again.

In a time of scholars, homework and books, a land in

turmoil cried out for a change.

He was Gust, a mighty teacher forged from his students abilities.

Their effort...their research...their planning,... Their creativity would change the world.

This year was the 10th anniversary of the Renaissance Faires. The Faire has moved from its traditional spot in the courtyard, out onto the front lawn, and now the class of 2001 has transformed the tennis courts into the setting for the epic festival.

Mr. Gust, obviously responding to the authentic food said, "Peas porridge hot, peas porridge cold, peas porridge in the pot was NOT nine day's old."

Ms. Bork Arps was very proud of the freshman class saying, "This year's Renaissance reflects active students' individual work in planning and execution."

In closing, the 1998 Renaissance Faire was not just a recognition of ten years of hard work and dedication from many past freshman. It was also a way to show a decade of culture, not only in the time period of the Renaissance, but as a part of the history and tradition of WDHS.

Mr. Geyman Retires

Mr. Geyman relaxes out West

Mr. Geyman

Mr. Geyman was not just a great teacher, but a great friend as well. Mr. Geyman had a tremendous influence on hundreds of students, during his teaching span at Wisconsin Dells High.

Mr. Geyman traveled quite a path before landing in the Dells. A graduate of UW-Whitewater's class of '65, he set out to Delafield St. John's Military School. After a few years, Mr. Geyman toured a variety of teaching positions from Mahtomedi High, Minnesota; to New Berlin West High; and even to the Air Force. Finally after all this movement, Mr. Geyman landed in Wisconsin Dells. His teaching genius was first used at the grade school level, but later he moved to the high school in the fall of 1979. At the high school he specialized in Geometry, Algebra 1 and 2, Math 1 and 2, and PreAlgebra.

He also was involved in many extra-curricular activities, making WDHS stand out from others. A member of the Wisconsin Mathematics Council, he was on the committee that started the South Central Conference Math Meet, and initiated the Dells participation in the Wisconsin Mathematics League. Mr. Geyman was also a dedicated and respected basketball coach. Mr. Geyman filled a variety of different coaching spots from 8th and 9th grades, to Junior Varsity, to Varsity Assistant.

Of his years at WDHS Mr. Geyman said, "I have many fond memories of students and teachers from the twenty-four years at the Dells." Mr. Geyman was a very dedicated teacher that earned students respect. He got the best out of his students, and the students brought the best out of him.

"When my brother and I turned 13 (we're twins), for our birthday, we wanted to stay at a motel for the weekend. So, my parents took us to a motel in MN as part of our birthday present. The first thing that we did was go swimming. As we were swimming, I ran into another girl that was from Oregon. We hung around together that whole weekend and, before we left on our last day, we exchanged addresses. I have only seen her three times since then but, we still keep in touch by writing."

"My first paid teaching experience was s private school called Meadowlark School. This was similar to a campus school. Campus schools evolved when professor's chose to have their children taught in a private school setting at a University campus. My home base for school was located in the basement of a dormitory. I taught nine students ranging from grades K-4 for the entire day. This experience was unique because my salary was \$4,000 for the entire year. During the year, I gained insight in new roles including being a principal, nurse, janitor, lunch provider, and teacher. Students went on a variety of field trips to Milwaukee to see the Domes and to the museums."

-Mrs. Westerfeldt

"In fourth grade, I got the lead role in my elementary school play. I was Snow White. Also, I took tap dancing lessons for over ten years and recieved second place at the National Dance Championship in Rochester, MN."

-Ms. Hatlestad

Mr. Mueller

"One summer, I went to visit my friend in Chicago and we planned on going to Six Flags. She only lived about twenty minutes from there so it wouldn't be that long of a drive. The freeway was only fifteen minutes from her house, so after we got on the freeway it was only five more miles. Well, everything was going well; we got on the freeway and were driving for about three miles until we hit a traffic jam. We sat there for two hours to go two miles. When we finally got to Six Flags, it began to rain."

Mr. Moon

"One time in high school when I was playing a drum solo and my band pants split open in front of a full audience. Also, the very first class period I ever taught, I sat down on the edge of a table piled with textbooks, and the table leg broke. I fell to the floor with all of the books and the class began laughing at me."

-Mr. Mueller

"I grew up in the Dells and moved away for several years. Being away from here, you really understand what a unique and interesting area it is. I have thoroughly enjoyed getting back to this area this year. I could not be happier returning to WDHS."

-Mr. Hartley

"I have driven a race car in a race. I have also driven a limousine."

-Mrs. Trute

"I went to Mexico my sophomore year of high school. We stopped at Chitzen-Itza and climbed the pyramid. I am afraid of heights, but decided to climb anyway. I got to the top of the pyramid, turned around and had to sit down. I was terrified. I could not figure out how I was going to get back down again. I ended up having to sit on my butt and slide down the entire pyramid step by step until I reached the bottom."

-Ms. Whitmore

"While I was in high school I worked as an announcer at a radio station. After two weeks of training, I was pronounced ready to go "on air." I excitedly prepared to read the weather, give the time, and introduce Fleetwood Mac's "Little Lies." As the previous song finished, I turned the microphone on and got ready to talk. I realized that my mouth was dry and I had no voice. I had cleared my throat--on air. I was so flustered that I tripped over the words of the weather forecast. I didn't read the clock right so, the time was off by an hour. I basically mumbled something about Fleetwood Mac and, in a fit of frustration, shouted something inappropriate as I walked out of the studio. As I walked I looked back and realized, to my horror, that the mike was still on. To this day I wonder how many people were listening to me blow-up on live radio."

A Curtain Opens for "Lucky Stiff"

"Something funny's going on, there's an awful lot of action!" On the evenings of November 6th and 7th, that was exactly the case. The musical comedy "Lucky Stiff" brought down the house. Drama director Jeff Hershleb, vocal director Mrs. Cammareri, and stage designer Mr. Mueller all pitched in to create a dazzling and unique show that WDHS has never seen the likes of before. Harry Witherspoon (David Warren), a nervous and skittish fellow, is contacted by a solicitor (Josh Rybaski) and informed him that his uncle, Tony Henden has left him an inheritance of six million dollars which he will receive upon one condition. Harry must cart his "dead" uncle's body (Nick Bremer) around Monte Carlo for a week, while following an intense agenda his Uncle Tony has set up. Unknowingly, Harry and his not-so-lively companion, are pursued by a pushy and vindictive Italian mobster's wife named Rita LaPorta (Brittany Borcheer). Rita, Once Tony's mistress and embezzling

partner, finds herself unhappy and penniless. So after confessing the messy details of her affair she finds her brother Vinnie (Zach Nemitz), a shy but respectable optometrist, they take off to Monte Carlo in search of the six million dollars, which is rightfully hers, and to clear Vinnie's good name. Meanwhile three others are hot on Harry's tail. Annabelle Glick (Danielle Soma), a meek, humble woman who volunteers her time at the Universal Dog Home of Brooklyn, watches Harry closely to make sure he follows the guidelines of the will. Throughout the show she wished for him to mess up so that the money goes to the poor, needy dogs, a worthy cause. Domonique DuMonaco (Diana Spargo), a graceful, French Las Vegas performer, happens to "bump" into Vinnie, and lures him into including her in the chase. The other pursuer turned out to be quite a surprise. The real Tony Henden (Matt Beard), disguised as his best pal, Luigi Guadi, whom Rita shot in a heated moment of jealous rage, supervises Harry from a distance. Eventually, Tony is forced to come clean, and admits to using Harry and his best friend's stuffed corpse as a shield for transporting the six million dollars he and Rita embezzled from her husband's casino into another country. And amazingly, at the end

of the show, everyone is paired up; Vinnie and Dominique plan to escape to a remote island, Rita snags her man Tony once and again, and Harry and Annabelle through spending many trying hours together fall in love. The show closes as Annabelle and Harry share a sweet and innocent kiss. Kathy Spargo, Marti Fults, Katrina Kmak, Lena Spargo, Sonya Rowe, and Dan Borud, an extremely talented orchestra under the direction of Mr. Spargo and his flashy bow-tie, lead the entire cast in the stunning musical performance. All in all, "Lucky Stiff" was an entertaining and star studded show.

Right: "I hate to say it dear, but the champagne's not Korbel!"

" Do you like my get up? No one will see me sneak into Harry's room with this bright red dress on!"

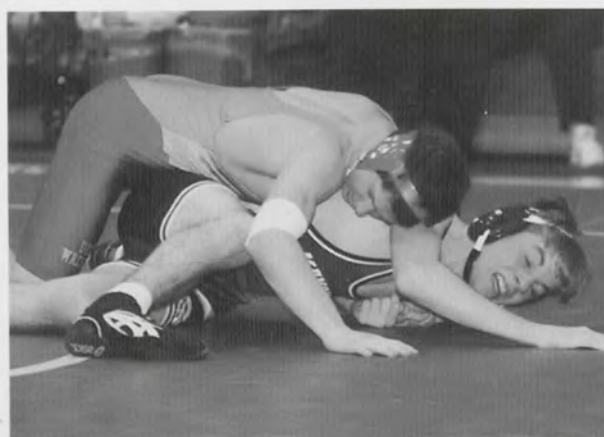

" Can't go wrong with two ladies by my side!"

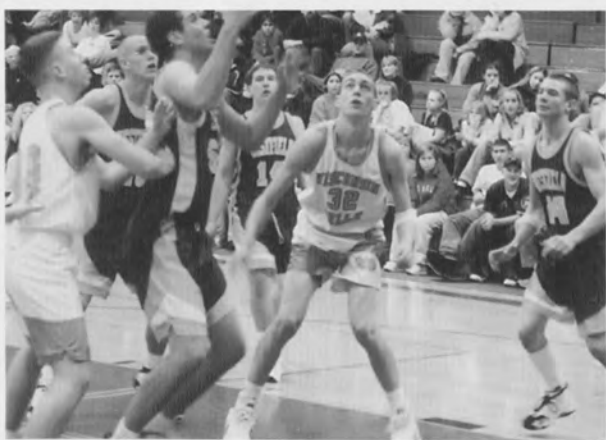

"Tea for two and two for tea!"

WISCONSIN DELLS WRESTLING FEDERATION

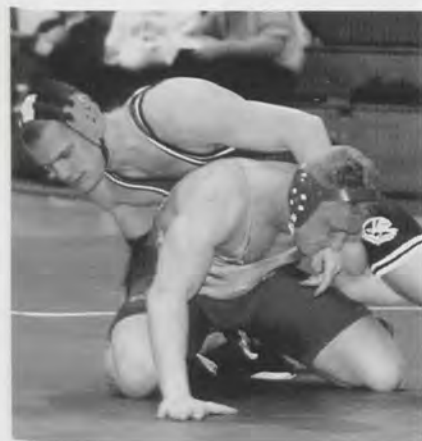

High school Varsity wrestling is one of the toughest, six minutes of hard physical activities in anyone's career. The only exceptions to this rule, of course, would be college wrestling and the famous WWF. This year's WDHS wrestling was an up and down season for the Chiefs as a team. With nine returning varsity lettermen the Chiefs had high hopes. In the light weight division three Freshmen came to the front; Chad Tripp

Top-Tripp's speed and determination will set him free. **Below**-"Josh!!-Get those legs back and pressure on the head." **Rt Coner**-Look at those pipes, no wonder he's a wrestler. **Top Bottom**-Chin'em, D!!! **Bottom**-Don't pinn'em to fast Marcus, You got to play with him first.

(103), Marcus Jones (112) and Marcus Ellis(119), returning at 125lbs was Sophomore Josh Rocholl. From there on was a power house of Seniors, at 130 Jason White, 135 Nick Bremer, 140 David Luke, 152 Dustin Wells & Jeremy Johnson, 160 Josh Rybaski, and at heavy weight Mark Fela. At 145 was new comer Jeremy Romanelli, and at 171 and 189 were Juniors Sam Smith and Chris Davis. The team was lead by captain Nick Bremer.

Outstanding records for the season were Tripp w a 20-6 season, and Rybaski with a 23-7 season. Both wrestlers took 2nd at the Conference meet.

Lady Chiefs are...
Boxing Out the Competition

With a new coaching staff and only one returning starter, the 1998-99 Lady Chiefs were no doubt this year's SCC breakthrough team. Placing third in the SCC standings, the team matched the conference placement of their 1998 Regional Championship team. Under the guidance of head coach Mr. Brian Hartley, this year's team finished its regular season with an overall record of 11-9 and a conference record of 6-6.

Winning their opening game against Pardeville 51-34, the Chiefs were, from the beginning, out to prove their talent and competitiveness. Seen as the underdog of the SCC, the Lady Chiefs worked adamantly to shake the preseason prophecy that they would finish last in the conference.

Defeating Portage, Adams, Mauston, and Reedsburg, the squad quickly became a threat to every team in the conference. With strong leadership and great team chemistry, this year's team challenged even the strongest of opponents. Whether with or without tournament success, the 1998-99 Lady Chiefs are proud of their 1998-99 achievements.

Boys Produce Successful Season

The Chieftians had a good showing in the 1998-1999 season. With 21 years of head coaching experience, Coach Capelle lead the boys to a 13-7 regular season mark.

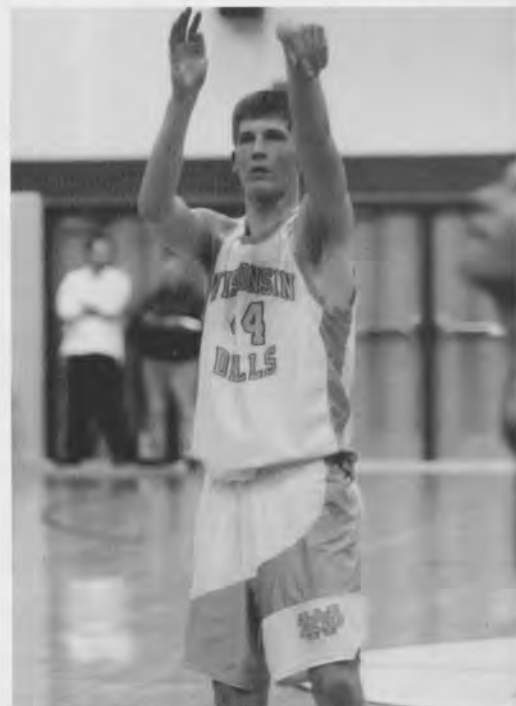

This years squad showed how to battle back from adversity. The boys lost some close games early in the season, but regrouped to win down the stretch. The team finished 6-6 in conference play, to tie for third in the competitive South Central Conference.

The team's foundation was built on the seven seniors: Greg Frankov, Scott Loomis, Christian Newman, Zach Nemitz, Willie Sweeney, T.J. Clark, and Jesse Capelle. These seven along with the other varsity members made the season one to remember.

Yearbook Staff

Somebody's gotta be crazy
enough to do it!

With a Yearbook Staff almost two times larger than any before, one could expect a year full of surprises! Through losing things, to our photo problems (Amen for Zinkees), to broken printers, and late deadlines, we got through it all, and produced a yearbook, we are all proud of. We'd like to thank Mr. Michalsky for all the hard work he has put into the Arrow 1999!

Save the Best for Last!

Arrow Staff 99

"You talking to me?"

"Praise the lord the the Yearbook's done!"

"I love the yearbook!"

1999 Staff-(front row l to r) Mandy Van Wie, Stephanie Hartman. (second row) Abby Joyce, Jen Dorow, Kari Marshal, Brittany Borchert, Casey Tolle, Mr. Michalsky. “Who is this?”

“Being Yearbook editor was definitely an adventure I will never forget! Through many hours of hard work, and the help of 18 other staff members, we have managed to capture WDHS spirit in its prime.”

“We do not remember the days, we remember the moments.”

“Ok, how do you load the film again?”

“Who says pants don't fit on your head?”

“I'm beginning to think the fumes in the dark-room smell great!”

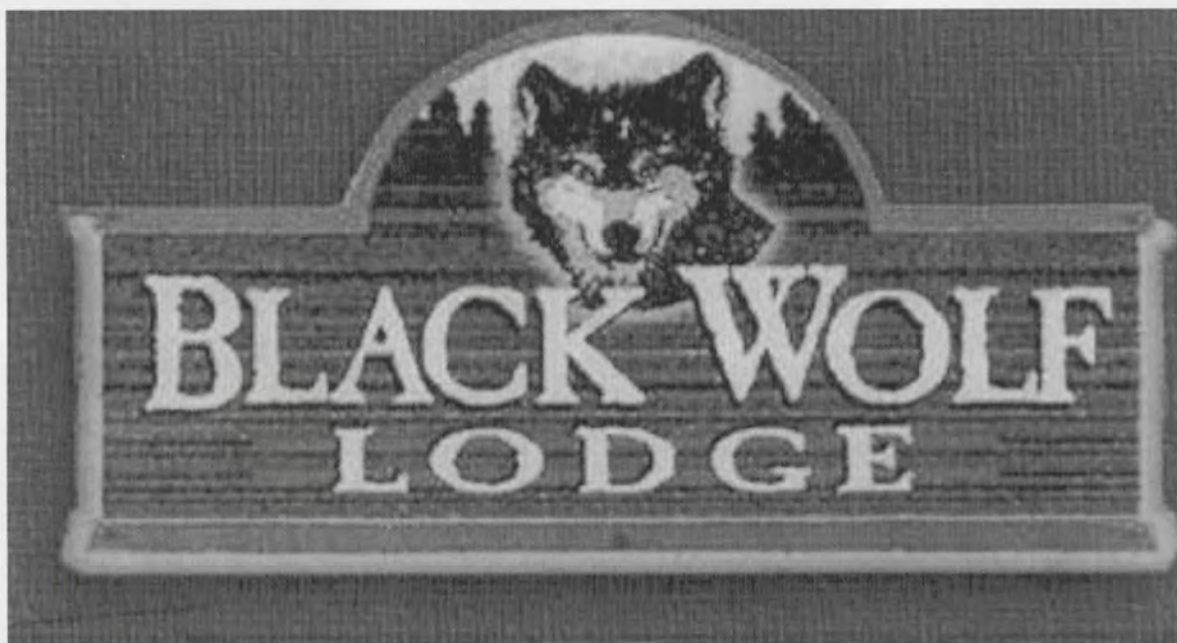

Congratulations

Class of '99!
