"Can't touch this!"

From the chanting crowds of students cheering for their classes to the late nights of decorating, this year's homecoming festivities were by far the best of the past years and for years to come. Homecoming week 2001, September 24-29, ended with the senior class extending the tradition of "seniors always win." The juniors only trailed by 100 points at the finish of the week, surprisingly the freshmen took third, with the sophomores taking last.

During the week everyone enjoyed the activities that homecoming chair Joey Lawton prepared with the help of his co-chair Maggie Davis. To start off the week, Monday was Pajama Day. Students had the opportunity to paint windows after school. Tuesday was Halloween dress up day with gym decorating that afternoon into that evening. Tuesday night was the boys' volleyball game, where the seniors dominated the court. Tourist day was Wednesday with hallway decorating as the evening activity. Thursday, Hawaiian day, was a busy but exciting day, with float building, powder puff, our very first ever community pep rally, and the bonfire. The king and queen, Darko Bajevic and Maggie Davis, were crowned.

On Friday there was an assembly held for the student body where the bleachers were flooded with Columbia blue and white. After the assembly, the annual homecoming parade began. We'll never forget that happiness is... the freshmen skit being elongated and the parade starting fifteen minutes late. Later that evening the Dells Chiefs defeated Lodi for a homecoming victory. In the words of M.C. Hammer, "Can't touch this!"

Homecoming Dance 2001- "City Nights"

September 29, 2001
7:30 - 12:00

Homecoming 2001 ended with an entertaining night at the dance. With the theme "City Nights", developed by Homecoming Chair Joey Lawton with the help of his co-chair Maggie Davis, students were able to dance the night away on our very own WDHS downtown strip. The dance was ruled by the official 2001 Homecoming King and Queen, Darko Bajevic and Maggie Davis. Underneath their reign was the Royal Court consisting of 12 couples representing each class. At about midnight the town had to close down its streets; we all had to sleep a few hours before having to clean up the nights litter.

Prom 2001...

"Heaven on Earth"

Prom 2001 was a great success. The theme of the event was "Heaven on Earth". It was dedicated to the friends that the Class of 2002 has lost over the years.

Joey Lawton, chairperson, Kathy Kaminski, co-chairperson, and all of the members of the prom committee worked hard all year to prepare for the night. The gym was decorated with clouds, stars, pillars, and a beautiful entrance gate. As you entered the gymnasium, you were overwhelmed with the atmosphere of heaven at Wisconsin Dells High School.

Above: 2001 Miniature King and Queen, Danny O'Dea and Sedona Holzinger.

As spectators watched the grand march, they felt as if they were watching from a cloud above the gym.

The community helped the Junior class throughout the planning of prom. Without their contributions and donations, Prom 2001 would not have been possible.

The Junior class came together on this special day, because it was dedicated completely to them. As they danced the night away, they created memories they would never forget.

SPORTS

A GREAT SUCCESS...

TRACK SEASON 2001!

The track teams of 2001 had a great season. Both the boys and girls teams worked hard to reach their goals. According to the coaches this season was the season of breaking records and setting personal best records.

The boys team had three Conference Champions. Four athletes that competed in the Regional Track Meet that was held at home, moved on to compete in the Sectional meet in Monona Grove. Unfortunately, from Sectionals nobody moved on to the State meet.

The girls team had four Conference Champions. The same four athletes competed in the Regional meet and grabbed the title of Regional Champions. At the Sectional meet thirteen Dells girls competed. Kelley Schulz was the only one to move on to the State meet in the Pole Vault. At the State meet Kelley was able to grab third place.

Girls Softball

Throw it to me guys!

Last years' group pulled together and overall put some nice effort into the softball season. The girls jumped into the season with an opening game loss against Reedsburg, but that did not bring them down. They found out what everyone's talents were and pulled together to complete a great season. They redeemed themselves with a six-game winning streak. By the end of the year they had an overall record of 13-8 and a conference record of 8-4.

They had some exciting conference games last year, beating Adams 10-8, smashing Mauston down 11-1, and beating Reedsburg later in the season 10-5. One of the best games had to be against Portage, conference champs, where it was a pitching duel. Even though the Lady Chiefs lost 1-0 they advanced onto Regionals with high-hopes in mind. They blew out the competition, defeating Adams and Mauston 11-1 to move onto the Regional Championship game where the Dells was stopped but not forgotten.

DELLS BASEBALL HAS BIG TASTE OF SUCCESS

The Dells Baseball team has proven to everyone without a doubt that the Dells athletic program can be successful.

The Chiefs started out strong going 4-0 their first four conference games, finishing a somewhat successful 5-7. That left them with a seat in the playoffs, playing Wisconsin Heights for the first game. The Chiefs quickly knocked Heights out of the brackets, beating them 6-0.

The next playoff game was against River Valley, and again the Chiefs came out with a huge victory beating them 6-3.

Above: Josh Baysinger hurls the pitch in against Wisconsin Heights

Advancing to the next playoff game, the regional championship, the Chiefs beat Lodi, 2-1, claiming the Regional Championship.

"The team set goals the first day of practice and one of those goals was to reach sectionals," Coach Anderson stated. The Chiefs first sectional game was against Ripon. Again, the Chiefs advanced beating Ripon 4-3. The Chief's luck soon ran out, as they were beat by the State Champion team, Beloit Turner. "Next year will be a big season having eight out of the nine starters returning," quoted Danny Holzem. Coach Anderson is looking forward to a successful season in 2002.

GOLF 2001

The second year Veteran Head Coach Ralph Radtke led the Dells Linksters into a much anticipated golf season (in 2001). The five returning lettermen were Seniors Caleb Turbett, Josh Spycalla, Micha Hudack, and Ben Hazelkorn, with Junior Nick Schulz. Reserves on Varsity were Dustin Schultz and Cory Jermier. The high point of the season was Caleb's forth return to the WIAA Sectionals. Unfortunately he did

not advance. Receiving the first team All-Conference award was Nick Schulz. Earning second team All-Conference award was Caleb Turbett.

The Junior Varsity team consisted of Jeff Kaminski, Anthony Hall, Pat Gavinski, Andy Polubinsky, Brett Schwartz, and Dain Tofson. Other members of the team included Darek Mucek, Darrin Schuette, Matt Peterson, Kevin Hall, Travis Turbett,

Jeremiah Koehler, Steve Reuter, and Ben Schultz.

2002 should be a regrouping process as there is only one member of the Varsity team that has experience. It should be exciting to see the young guys come out and dominate.

WDHS Volleyball Rocks!

The girls volleyball head coach Cyndi Collins brought in a theme for the girls as they started the season. Their theme was Dells Volleyball Rocks! Even though their record didn't show it the volleyball season really did rock, as did the fans. One match in particular stands out from all the rest. This match was played on October 2nd, the opponent Lodi Blue Devils. This was the second time playing each other. Lodi was favored to win because they took the victory the first time. Well, it was the Dells' night. They were on and nothing could stop them. They won three out of the four games played and the team as well as the fans celebrated the victory.

Mention cross country 2001 and the first thing to come to mind is Survivor. While running, the team repeated to themselves outstride, outrun, outlast. The girls team was lead by Lena Spargo, Colleen Brown, and Erin Kissack, while the guys team was lead by Tom Cook and Jason Kissack. At the "Pauquette Meet," in Poynette, the girls team placed 2nd while the guys came behind in 3rd. Tom Cook was the main leader on this year's squad returning to state and improving to 12th place from last year's 30th placing. The awards for the year were as followed: Most Valuable Male- Tom Cook , Most Improved Male- Jason Kissack, Leadership- Matt Rocholl and Colleen Brown, and Most Valuable Females- Erin Kissack and Lena Spargo. Football

The Dells football team had a very outstanding year having an amazing record of 6-3. This talented group of men dedicated themselves this year to "Getting it done" and did not go home empty-handed. This is the first time the Dells has had a winning record in over 13 years.

The Chiefs went 3-3 in conference beating Westfield, Nekoosa, and Lodi, and went 3-0 in non-conference play beating Baraboo, Waupun, and Marshall.

Awards for the Dells Chiefs went to Travis Hartman for MVP on offense and Ben Anderson for MVP on Defense. Chad Johnson for linebacker, Nick Morse Defensive Line, Marvin Jones D-back, Nick Schulz for Offensive line, Randy Ketelhut for Receiver, Jimmy Capelle for quarterback, and Danny Holzem for most improved.

Hard Work and Determination

The football cheerleaders this year took on a new task; they had to practically start over after losing 10 seniors last year. Soon after the season started, which was June 11th for most of the girls, they realized that this year was going to be better than the rest with the help of their new coach, Janitra Sargent. They practiced from 6-9AM Monday through Friday all summer. The hard work paid off for the girls, which showed in their performances. This year they attempted the wolf wall, a complex stunt that they had tried in previous years, but never accomplished. After trying it only a few times, the girls had it down. They also got a liberty, which had taken the girls a matter of years to get previously. This was exciting for the squad.

Janitra Sargent also took on another task, coaching both the wrestling and basketball cheerleaders. The basketball squad had all new members, but with their hard work they turned out to be a talented squad. After losing a few members in the beginning, Ms. Sargent decided to have tryouts to fill the empty spots. Since she had so many talented girls tryout, she didn't want to cut so many because she only needed two girls, so she decided to make a JV squad to give the younger girls a chance. At first it was controversial, but the girls were determined and worked to become a great squad.

Make room for the Dells...

Wrestling 2001-2002

The Wrestlers have had a very exciting year. They started by demolishing Adams Friendship 71 to 6 than moving on to win a very close match over the Mauston Golden Eagles, the second best team in the S.C.C.. They ended up tying with Westfield and a defeating Poynette. By the looks of it this will be a great start for the Chiefs and let's hope it continues in the future. This is the best they have done in the past 14 years, thanks to Head Coach Ryan. Coach Ryan is a wonderful asset to the wrestling program for the Dells, and we're glad to have him on our team. The Dells wrestlers finished with a 15-4-1 record. This season, Wisconsin Dell's wrestling established a spot on the map by sending junior Jason Kissack to state and Senior Bryan Collins to Sectionals.

This is coach Ryan's first year as head coach of the varsity wrestling team. Once he was the Activity Director at the high school, and now he works with the middle school as a reading teacher. Good luck with that Coach Ryan.

The team celebrating after the big win

Hockey

The Wisconsin Dells Hockey Team has shown nothing but improvement from last year winning 12 of their first 15 games. After losing 8 seniors from last year, no one really knew how the Chiefs were going to hold up against their Conference rivals.

The Chiefs are led by 4 seniors which are also their captains: Chris Dominguez, Ben Anderson, Carl Dixon, and Kyle Pakorney, who is 1 of the 8 Mauston imports this year.

"We have a lot of depth on the team which makes us a threat later in the hockey game," quoted Coach Jesse Weaver. "It gives all the lines a break so they can perform." The team is headed by Coach Bret Anderson and Assistants Jesse Weaver and Tom Turbett.

Boys Basketball '01-'02

This years boys basketball team really faced some tough competition. Starting off the season opener with a big win against Mauston and defeating Waunakee, the Chiefs were looking good. They kept on striving to be the best. There was never a dull moment at the boys basketball games. Leading scorers were Senior, Travis Hartman and Junior, Jimmy Capelle. The Chiefs went through the season smashing the defending conference champs, Adams Friendship in Adams and in a remarkable conference championship over-time game in Wisconsin Dells. They also demolished a non-conference rival Reedsburg.

The guys took on a big job this year, being rated second in conference before the season started. But they wouldn't accept their rating so they fought even harder making it in to state ranking and winning the South Central Conference crown. This year the Chiefs played the best and stole back the conference title in front of 1200 fans on February 22, 2002 ending a three year title-streak for Adams. The boys ended their conference play 11-1 and overall 19-5 with a conference and regional crown.

Girls Basketball

2001-2002

The 2001-2002 girl's basketball season was not the typical season that a basketball team would hope for. But one word you would never use to describe one of this years team members is "quitter." Although the season started off slowly, the girls eventually started playing as a team, and showed definite improvement. Second year head coach, Jeff Buss, says that "The girls worked very hard to put things together towards the end of the season. They have definately gotten better. I got more proud of them with each game they play." With that in mind, the girls focused on the post season, hoping to do well in regionals with a few second chances with some rival teams. Though the season wasn't as successful as it had hoped to be, at the end the girls still had a reason to be proud.

The Captains say...

This year's poms squad has come a long way. With the change of uniforms, shoes, music, and dance routines-you will hardly be able to recognize us! We have been working very hard as a team and although there are a lot of girls, we are making it through. So, come watch us perform!

Grant, what's with the turbin?

The Dolphins get together to share some summer fun!

Hey Ashley, nice push!

The Wisconsin Dells High School swim team had a long and stressful summer. Overall the times were fun and exciting, but some times they had to bring up the eight and under kids to fill in.

The most exciting part of the summer was seeing everyone swimming at the conference championship meet. Which most, splashed their way past prelims.

At the conference championship meet Grant Keller placed first in the 50m Freestyle and Chris Weiland placed seventh in the 50m freestyle, both swimming against 40 other swimmers.

Next year the Dells Dolphins are hoping to have a larger turnout of swimmers and get some more first places filled at the conference championship swim meet.

Soccer Team Kicks Their Way Through a Successful Season

Although soccer is not an official school sport yet at WDHS, the Soccer Club made it known this season that they deserve every bit of the recognition that they get. Coming out of the season with an overall record of 6-4-3 and a league record of 4-0-2, the team had many reasons to be happy with their efforts.

At the team's banquet, second year coach Holly Miller was impressed with this year's team and excited to hand out letters to thirteen members. She is also enthused about next year's season, since the team will only lose four members to graduation this spring.

Members of the team receiving awards were: Jeremy Moritz and Carl Lagoda, Team Captains; Ralph Starzyk, Most Valuable Player; Carl Dixon, Most Improved; and Candice Skaife, Most Committed.

From the Start... Together Through it All

Class of 2002

Friends Loved.....&

We little knew that morning a year ago that God was going to call your name. In life we loved you dearly, in death we do the same. It broke our hearts to lose you, you did not go alone; for part of us went with you the day God called you home. You left us peaceful memories, your love and smile are still our guide; and though we cannot see you, you are always at our side. Thank you to all who thought of Kellen and us during this time. Kellen would say "Smile, it will be OK". Miss and love you forever.

Memories

Memories live forever, they grow richer through the years They are nurtured by our laughter, and are watered by our tears. When death did greet this friend of mine, The angels they did flow. Extended arms, they led him up, his face was all a glow. A peace had overcome him, far beyond our earthly home. On streets of gold, in heaven now, our precious Derek roams. Memories live forever, sent from heaven up above, to eternally connect us to the people that we love.

Give My Regards... To Broadway

This year the school put on a musical called, "Give my Regards to Broadway." A total of 14 cast members and 13 tech crew members put on a spectacular performance on November 9th and 10th. The pit crew (consisting of Katrina Kmak, Matthew Fuhs, and Kathy Spargo) directed by Brad Barrill, played the music the cast sang to. Under the direction of both Carl Sirotzki and Ania Momot the musical play went on without a problem.

Art

The Art classes have been very busy this year making some of the pieces you see here. After the crash in the display case by the library, they worked hard to get more to fill it back up. With the guidance of Ms. Klein in the art department, the students showed their talents

in ceramics, sculpture, two and three dimensional drawing, charcoal, etching, pastels, and painting. There is a lot of artistic talent at WDHS, and this talent was put on display in May at the annual Art Show in the high school library. Just take a look for yourself.

Coming soon to Cities near you.

Follow the little chain and visit our administration and support staff. The administration and support staff are the leaders of our school. They work with our fine teachers to give us the best education that is offered. If it wasn't for the exemplary staff here at WDHS we would be lost. Thanks to them we have a brighter future ahead of us. So hey why not get on the good side of our staff?

Check out what Principal Mr. Kuhnau is up to.

FUNI

So many people to see.

From us...

It's about time! It's about memories! This year we finally have a splash of color, a larger edition, and better equipment to make the WDHS yearbook something special. Despite the long hours, and the hard work put in, as a class, we put together a yearbook that we are proud of and still managed to have some fun during the process. We admit, it was a bit stressful at times, as Joey demonstrates in his Editor in Chief photo, but we made it through. With some words of wisdom to end this yearbook, our advisor quotes, "Peace, and hair grease, to all."

Yearbook Staff: Jill Mattel, Randi Rae Kuhnau, Heather Johnson, Jenna Hebring, Kathy Kaminski, Kelly Davis, Emily Knoop, Kattie VanSchoyck, Ben Anderson, Cory Carlson, Clayton Berka, Mark Elgar, Justin Cook, Joey Lawton, Missy Campbell, Bryan Collins, Travis Hartman, Lisa Piekarski, Rachel Schultz.

From me...

When I became the Editor of the yearbook I didn't think that I would be taking on such a huge challenge. Everyday I learned new things and everyday my staff helped me cope with the stresses. This year was an honor to work on such a great yearbook. We had so many new options to work with; a bigger book, color pages, and new equipment. There are so many thank you's I have to say, but this bubble isn't big enough, so too bad. It's so hard to believe that the year is almost over and we, as seniors, are stepping onto a whole new path that the bricks have not yet been walked on. We just need to remember that we made it together through it all.

Exchanging Together for a Better Tomorrow

Mariana Solis de la Mora comes to us from Orizaba, Veracruz. Mariana is sponsored by the Rotary Club of the Dells. She came to the US in August and in that time she has enjoyed spending time with her host families, going to school sporting events, and working on her history homework. Being a Rotary student means that Mariana has had to stay with four families for three months at a time. Each family has been run a little different than the other but she has enjoyed them all. The Dells has also been a very inviting place with nice people and fun places to visit.

Mariana Solis de la Mora

Bolortungoll Naranzul

Bolortungoll Naranzul, came to us from Mongolia in August. She lives with her host parents, sister, and brothers. The times she spends with them is a lot of fun. To pass time they watch movies, play games and do homework. Wisconsin Dells to her is a very small, calm city. She likes the city due to the plentiful variety of stores, restaurants, and activities. Bolortungoll enjoys the large forests, pets, and cold weather. Her friends here in the Dells call her Anna. Anna commented that the school is very nice, but she can't understand the teachers very well.

Marcus Vicente came to the Dells from Brazil in August. Marcus will be at WDHS for only six months. His main goal to accomplish is to learn English while being here. His host family, the Greenhagens, spend plenty of time keeping him entertained. So far he likes the school. Everyone has been so nice to him it just makes his stay feel like he's more at home. While here he is studying Spanish, English, Algebra 2, and health.

e n d u r i n g FREEDOM

Tuesday, September 11, 2001, will be remembered as a tragic day that changed the world. That morning, a plot, masterminded by terrorist Osama bin Laden and the al-Qaeda network, was put into action. Two hijacked commercial airliners were flown into New York City's World Trade Center Towers, ultimately causing their collapse. Immediately following the incident, another hijacked airliner crashed into one side of the Pentagon in Washington, D.C., and a fourth plane crashed in Pennsylvania. Thousands of lives were lost, citizens were terrified and the world was in shock.

Following that mournful day the United States experienced anthrax scares, continued security threats and the reality of war. Despite the horror, fear and heartache, U.S. citizens united and their patriotic spirit soared. President Bush promised: "We will not tire, we will not falter, we will not fail." Through that statement and the remarkable sense of national pride exuded by U.S. citizens, it became evident that no threat, great or small, could deter the United States resolve for enduring freedom.

In response to the shocking tragedy, President George W. Bush addresses the nation offering strength, comfort and patriotism.

Ailing airlines urge citizens to defy terrorists' attempts to disrupt lives by reboarding airplanes.

Thousands of people world-wide donate blood and volunteer their services to aid U.S. recovery.

An overwhelming spirit of unity and national pride arises out of the smoldering ashes and human devastation from the September 11 attacks on the United States.
