# Homecoming Week!!!

Homecoming was a week to remember. Sunday night gym decorating kicked off the week. Monday was Pajama Day followed by window painting that evening. On Tuesday everyone had a twin and the boys volleyball game was played. The sophomores played the seniors for the championship, but of course the seniors won. Wednesday was Motion Picture day. The freshmen were Texas rangers, the sophomores dressed like Grease, the juniors were Ninja Turtles, and the seniors were Pirates. The event that night was banner hanging. Thursday was Character Day and there was everything from a Smurf to Tinker bell. The Girls Powder puff football games were very fun. In the final matches, the sophomores beat the freshmen and of course the seniors beat the juniors. Following the powder puff game was the always exciting Bon Fire. Friday everyone showed up in their Columbia blue and white for spirit day. At noon the class floats were judged, and the assembly began at 1:00. The skits were great, but the highlight of the assembly was a great dance performed by the senior football players. Luckily the rain had stopped so the parade was next. That night, despite the poor weather, the mighty Chiefs won the Homecoming game against the Mauston Eagles 21-7. After such an eventful week everyone was looking forward to the Homecoming Dance.

# 2004 WDHS Homecoming "The Stars Are Out Tonight"

\*Saturday, October 2nd, 2004\*

Looking back... Homecoming here at WDHS is one of the most fun times that the students have. The theme this year was "The Stars Are Out Tonight." The gym looked absolutely gorgeous, thanks to Kassandra Holzem, our homecoming chair as well as our queen.

Everybody looked great all dressed up, and the walk down the red-carpet shouldn't be a night we'll forget! As the freshmen embark on their first homecoming and the seniors, their last, this year's homecoming definitely filled our expectations as one of the best yet!

Wow, looking back, what can we say about Prom this year? Between decorating the gym to hooking up Christmas lights, the work definitely paid off once Saturday night came. It was so great to spend all the time we did together working with one another to help put it all together and to dance it off all night!

The class really did do a lot of work fundraising as well as helping out with that enormous backdrop that we were convinced weighed over 200 pounds! It was great to finally be able to celebrate for all the hard work we did! The help was awesome and it really was a "Bella Noche".

# 3-up. 3-down. What's it gonna be? ONE, TWO, THREE!

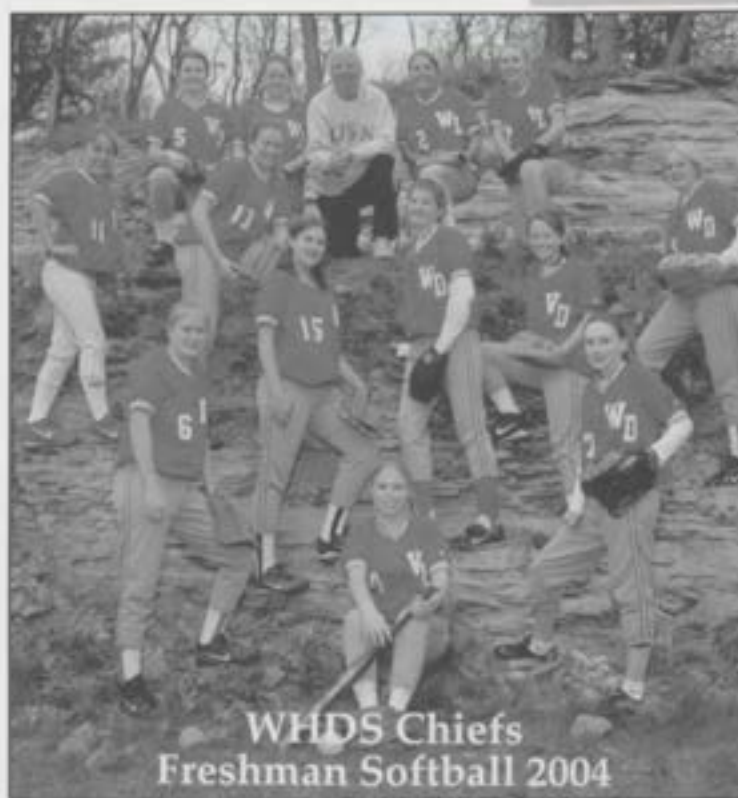

Last year was a very up and down season for our girls softball team. Early in the season the team suffered some tough defeats, but as the season progressed so did the team's win total. With the strong pitching and catching abilities of Captains "Stephanie Zapuchlak" and "Stephanie Gregerson," the team kept up their intensity. The high point of the season came when the Chiefs knocked off Poynette, last year's state runner up team, 4-2. The Chiefs were in the hunt for the conference championship all season, but a late loss to Lodi prevented it. Lodi also defeated the Lady Chiefs in the Regional Championship, which ended a great season.

"The season didn't start off so good, everyone was unaware of their role's on the team and were not playing well together...by the end of the season the girls were playing their best games ever." - Coach Gray

# Back to the Bases

"We struggled on and off the field at times, but our strong junior class learned a lot and will lead us in 2005."  
- Coach Michalsky

Looking Back at the 2004 high school varsity baseball season, the team set their goals high and ultimately came up short in the end. Although things overall looked mediocre, there were moments during the season that showed the potential the team had when everyone played as a unit.

At the beginning of the 2004 year, just like the year before, the varsity was six starters short of the previous season due to graduation. Fortunately a strong junior class, along with a couple of dedicated seniors decided that they wanted to help get the job done.

This years team proved that with the right work ethic, they could be conference contenders in 2005. The huge come-from-behind win against Adams capped off with a three-run home run by Darin Wimann was easily the high point of the season for the Dells squad.

Only one WD Chief made all SCC recognition. Trevor McFaul was selected to the honorable mention all conference team for his utility play. He was also the teams leading pitcher. Look for good things in 2005 as the team will be relying on it's senior experience to lead the Chiefs to a stellar season.

## TRACK & FIELD 2004

The 2004 Track and Field team had more than an amazing season. With senior captains Helen Dixon, Laura Hudack, Matt Fults, and Matt Westphal to lead the way, both the boys and girls team had no problem setting and reaching their goals. This was definitely the season of breaking records and reaching personal bests.

Not only did the 1600 meter relay team of Sara Wollner, Alison Sweeney, Ashley Nelson, and Alissa Nelson shatter a long standing freshmen-sophomore record, but they sent two individuals and one relay team to state. We had great results at conference with the girls taking fifth with sixty-nine points and the boys placing sixth with fifty-eight points. The tracksters finished the season with a very strong placing of thirteenth of thirty-six for girls and seventeenth of thirty-six for boys at sectionals in McFarland.

# GOLF 2004

## LOOKING BACK AT 2004 GOLF...

Third year coach Troy Ryan and assistant coach Brian Grove led the Dells Varsity golf team into a momentous season, resulting in the first South Central Conference Championship for the sport in 11 years. At Regionals, they received runner-up, and they qualified for Sectionals as a team.

The season also produced four all-conference players: Dain Tofson, Kyler Royston, Jason Rector, and

Steve Reuter. Along with these four, Matt Peterson and Ben Schultz rounded off the varsity team.

The battle for the title of conference champs wasn't easy; the golfers had to win the SCC tournament in order to seal the victory from second-place Lodi. Overall, the 25 golfers who finished out the season would agree that it was a great success.

# Swim Team

This year the Dells Dolphins finished 6th overall in the Tri-County Conference. They were led by juniors Casey Preissel and Lisa Clemons, along with senior Grant Keller. Casey finished first in both the 50 free and the 200 free. Lisa Clemons raked in a first place finish in the 50 backstroke and a second place finish in both the 100 individual medley and the 50 fly. Towards the end of the season, the Dolphins were helped out by Dain Totson and Darin Wimann, both competing in the the last four meets. The two especially helped out in the meet against Mt. Horeb. Coming into the match up, the Dolphins new it was going to be a close race. The score was dead even coming into the last couple of races. The 15-18 boys free relay captured a much needed first place and ended up winning the meet by only 13 points!

# SOCCER

**Bottom:** The team all working together to keep their net safe. Go WDHS soccer team!

The WDHS soccer team had a tough first season under the WIAA. The Chiefs fought with a lot of top ranked schools throughout their schedule of enormous talent. Walking into the season as a WIAA team for the first time, the Dells Chiefs had their chins held high, ready for whatever would come their way. The Chiefs had their first WIAA win against River Valley in a 4-1 upset over the Blackhawks. The Chiefs had a good lead in a Lake Mills invite, and were unfortunately overtaken by the team ranked 8th in the state, Reedsburg, in their first regional game. Needless to say, the Chiefs left with a 4-11 record. Led by head coach, Holly Waterman, and co-captains A.J. Fischer and Chuck Knoop, the Chiefs will live to fly another day.

# Touchdown

## Playoff Bound Chiefs

The 2004 Wisconsin Dells Chiefs Football team had a very successful season. The team finished the regular season with a 4-2 conference record and a 5-4 overall record. The Chiefs played for a share of the conference championship and earned a berth in the WIAA State Playoffs, where they dropped a tough 14-7 decision to Portage. This put their final record at 5-5. The team showed a tremendous amount of improvement and character as it rebounded from a rocky 0-2 start to win 5 of it's last 7 games during the regular season. The team was Senior dominated and these Seniors showed great leadership throughout the year. The captains: Aaron Johnson, Jason Rector, and Darin Wimann did a great job of leading by example. The Chiefs earned 11 All-Conference honors: Jason Rector, Aaron Johnson, and Justin Olbinski earned 1st team honors, while Tim Weber, Aaron Johnson, Chris Weiland, Darin Wimann, Mike Czuprynko, and Bobby Yacko earned 2nd team honors as selected by the conference coaches. Aaron Johnson was also named 1st team All-District and 1st team All-State.

The 2004 season was a good one. We were on a roll when we were plagued with whooping cough. The Girls team was very young, with only two seniors. Luckily, they will have most of the runners returning next season. The Freshmen girls added lots of spark to the team. The Boys team reached their personal best. Most importantly, every team member achieved a personal record by the end of the season.

## "On Fire!"

Through thick and thin, the WDHS Volleyball squad's definitely made some giant steps throughout this season. The South Central Conference Championship was close enough to taste!

The freshmen and JV Volleyball squads put in lots of hard work this year. The JV held an impressive record of 11-1 with the only loss to Nekoosa. Coach Frank Fedie was extremely proud of his girls this year. "Hard work and dedication are what defines our team."

The Varsity squad this year had a tough year, but made it out with a 9-3 record. The volleyball team faced a new rally scoring system. The teams play to 25 points instead of 15, with every side out being a point. This new scoring system is similar to the one used in the Olympics. With a loss to Poynette and the Blue Monster from Lodi, the Dells had a strong year with a very senior heavy team. Coach Collins commends the girls this year for their hard work and dedication for a season well done.

## Scoring the Goal

*Players unified for one common goal...*

With their first year in the Badger North Conference and their second year in official WIAA action, the Dells-Mauston Chiefs have shown amazing talent. The season ended with an overall record of an impressive 7-11-1, and a conference standing of third. The team was lead by head coach Jesse Weaver and assistant coaches Ben Scott and Mark Sturdevant.

The Chief tains showed great effort and proved they could hold their own among teams from much larger schools. Even with the fierce competition, some of our key players have been ranked among the best in the state.

Even though the Chiefs did not advance past their first regional game, the players and coaches still considered the season to be a success. Captain JJ Haupt summed up the season by stating, "Winning isn't everything, but losing sucks", showing that the hockey players have a fun attitude for the sport. With some of the brightest talent being underclassmen, expect great things in the future!

### Chiefs Win Conference Again!

The Wisconsin Dells boys basketball team had another very successful season. Bringing back a very dedicated senior class, the Chiefs had very high expectations for the season. As many predicted, the Chiefs went on to be back-to-back SCC champions and have won the SCC three of their last four years. For the first time in many years, the Chiefs competed in the Badger Classic, playing the number 1 team in both division II (Dodgeville) and division III (Whitefish Bay Dominican). The Chiefs did surprisingly well even though they lost both games by only a couple of points. The Chiefs dropped a couple of heartbreakers early in the season, but used the lesson to help ready them for the conference run. When it came tournament time, the Chiefs were seeded number one and received a first round bye, and later played River Valley in the regional semi-finals. The Dells Chiefs saw their season come to an end as they lost to River Valley 57-54. This was a memorable season for

DO NOT FORGET TO BRING YOUR OWN WATER BOTTLE TO PRACTICE

A "Great Season." We started out slow, but really came on after Christmas break. We were 1-2 in conference and then won 9 conference games in a row, to win only the 2nd title in Dells girls basketball history. We had a 13 game winning streak at the end of the season. Some of the highlights were a 41-32 win at Lodi in the second half of the season, and a great win at home against Westfield 54-38 before a capacity crowd. I am really proud of our team because they pulled together after some adversity, and played as a team not as individuals. I believe every starter led our team in scoring in at least one game this year. An 18-4 overall record and 10-2 in conference, is one of the best years in girls basketball history. Congratulations ladies, you are the best.

# Wrestling Fever

With steady improvements match by match, the wrestlers gained respect in the South Central Conference.

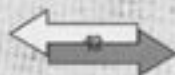

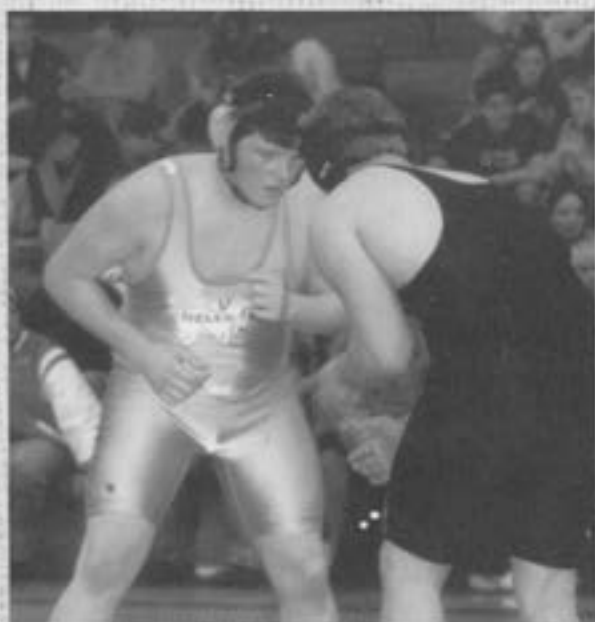

The wrestling season started off the year well. The Chiefs defeated Poynette in the first match of the season, and won four out of the next five matches. The Chiefs finished with a 6-5 record overall and took 2nd in the SCC tournament held in Adams. This was a major accomplishment considering that Adams, Mauston, Nekossa, and Lodi all sent wrestlers to the state tournament in Madison. Dillon Gavinski and Alex Mor both excelled at regionals. Dillon was regional champion and Alex took 2nd. They both went on to sectionals but both lost despite their strong efforts. Dillon was also the SCC champion in his weight class. Several other wrestlers scored more than 100 points each: Quinton Hudack, Trevor McFaul, Matt Madsen, Ernesto Arias. Good job guys for a great season!

The Dance Team improved immensely this year. With the help of Coach Melanie Weaver and new choreographer, Erin Cotter, the Dance Team was able to add difficult techniques and spins in their once average routines. The team performed about six different routines throughout the season. With a desperate need of new uniforms, the team hosted a garage sale during the summer to make money. Coach Weaver was pleased to announce that the team had raised around \$2,000. With that money the team was able to buy brand new poms, gloves, and tops. On the 29th of January, the team traveled to Eau Claire for Dance Regionals. They received 5th place, which qualified them for State. The girls also choreographed the boys' skit.

*"Friends. A simple word isn't it? It's uttered everyday to almost every person imaginable. Who are your friends? I used to think that friends were the people that you could laugh and talk to. Now I know that friends aren't that, they're the people that touch your heart. You could spend hours with them doing nothing at all and it can be the best time of your life just because it was with them. They're the people you can share your secrets with, cry with, laugh with, and just have fun with. They don't judge you or make you change. They accept you exactly as you are. They look at you and they see a great person, one they love spending time with. You all share something in common and are tied together by memories, tears, laughs and smiles. You're tied together by love for the other. Friendship is the strangest but greatest thing in the world. I find my time with my friends the best time of my life. My friends are my heart, my soul, my fun, my laughter, tears, love and my life."*

# Mr. Capelle A Tribute...

After 33 years of teaching, from 1972-2004, Mr. Capelle has made the decision to retire. After talking to Mr. Capelle, we learned a lot from his many years and memories of teaching, and the relationships he's built with the teachers, students, and members of the community.

One of the most memorable moments was during his second year teaching when the new addition to the tech ed. wing was added, which was what he was looking forward to before he started his teaching career at WDHS. Some of his most memorable years were the 80's, when there were major athletic achievements for all sports, especially with football, wrestling, and basketball. Mr. Capelle was the head basketball coach during a string of six straight conference championships, two trips to state, including one state championship in 1987.

Classes that Mr. Capelle is going to miss teaching include car care, because of the variety of students who join with different experiences with cars. Auto Service was the other class Mr. Capelle mentioned. He loved how it ran like a business and the other teachers trusted the class with their cars.

After talking about these classes, Mr. Capelle was very thankful to people and businesses in the community that helped out whenever there were problems or situations that arose. To him it really meant a lot, and he will miss all the contacts he has gained through the years of teaching, and the fact that he always knew who to call for each problem.

Mr. Capelle always wanted to make his classes enjoyable, while still learning. He said he will definitely miss the students and he wouldn't have been in it for so long if he didn't enjoy his job. Mr. Capelle doesn't just plan to sit around during retirement. He is busy with a volunteer coaching job with the UW Oshkosh men's basketball team.

Retiring wasn't the easiest decision for Mr. Capelle, because he has been fortunate enough to work in a friendly atmosphere with nice facilities. Mr. Capelle isn't sure what his plans are but he likes the fact that he is open to do what he wants, which may include part-time teaching.

It's half time and Coach Capelle goes over the strategy for the second half, before the team hits the floor.

# Vida en Peru

Traveling to Peru was an amazing experience. Each day we would literally wake up to a new adventure in a new hotel room. Of the chaperones, Mr. Reynolds kept us laughing, Mrs. Frizzell and her sister Jill, kept us in time, and Maggie Kahler was in charge of keeping us alive. It was an experience of a lifetime.

The Chaperones for the Peru trip were Rachel Frizzell, Cecil Bastos, Jill Frizzell, and Jim Reynolds. We couldn't have asked for any better. Helping us get through security at the airport, taping our doors at night so we couldn't escape, and helping us communicate with the locals, were just a few of things they did to ensure us a safe and fun trip.

The food in Peru was definitely another story. The hamster tasted just like chicken...right? It wasn't that bad, let's just say we ran for pizza when we got home.

The highlights of the trip were the amazing sights. The mountains were beautiful, the temples were historic, and the marketplace was insane. We learned about the many cultures of Peru and how not everybody in the world has it as nice as we do. The trip was definitely a learning experience as well as an unforgettable time!

## Tsunamis ◀

It only took a moment for massive walls of water – tsunamis – to leave at least 210,000 dead and cause massive destruction in several Asian countries on Dec. 26. The tsunamis were caused by a 9.0 earthquake centered in the Indian Ocean off Sumatra. It was the most powerful earthquake in 40 years. The international community reacted quickly with aid amid fears about disease from the bodies and lack of clean water.

A few stories of miracles came from the wreckage, such as a woman found alive floating in the Indian Ocean on a palm tree five days after the tsunamis. But tens of thousands were missing and may never be found. Many were tourists from around the world, including the United States, who had been enjoying the warm climate for the holidays.

The internet became a focal point for people looking for loved ones in the region, as blog sites to news sources such as CNN enabled people to post information about missing friends and family.

The U.S. pledged \$350 million in aid to the region, and President George W. Bush asked his two immediate predecessors in the White House, Bill Clinton and George H.W. Bush, to head an appeal for private donations.

## Re-elected ◀

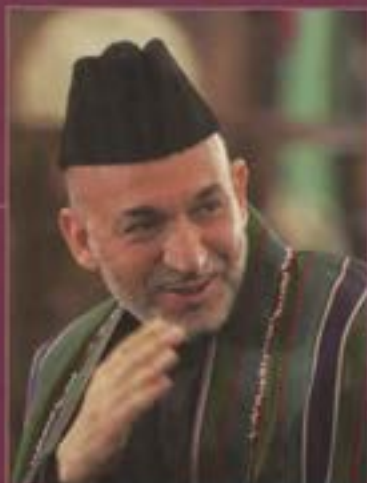

President George W. Bush was re-elected, defeating Democratic challenger Sen. John Kerry of Massachusetts. The Republican majority in Congress strengthened, as the party gained four seats each in the House and Senate. Voter turnout was the highest since 1968.

## War continues ▶

U.S. forces remained on the front lines in Iraq, trying to bring stability to a country besieged by Iraqi rebels. Prior to Iraqi national elections in January, the U.S. increased troop totals to 150,000, the most since fighting began in March 2003. The Shites won a plurality in the election for National Assembly seats. The National Assembly will elect the president.

## Millions vote ▶

Afghanistan elected Hamid Karzai as president in the first elections since the Taliban was ousted in 2002. Millions of people turned out to vote, despite threats of violence by men loyal to the Taliban, which is associated with al Qaeda leader Osama bin Laden.

## Counter-terrorism bill ▼

President George W. Bush signed into law a bill to establish a new national counter-terrorism center headed by a national intelligence director to oversee all 15 U.S. intelligence agencies. The bill was a response to the 9/11 Commission report that said more coordination was needed between agencies.

AP/WideWorld Photos

what you think

If you had voted, whom would you have voted for in the 2004 U.S. Presidential election?

George W. Bush	52.0%
John Kerry	37.3%
Ralph Nader	5.3%
Other	5.6%

Survey results compiled from responses from more than 2,300 high school students across the nation.

## Vaccine shortage ▶

A flu vaccine shortage limited injections to people in the high-risk categories – the elderly and chronically ill. Only half of the vaccine was available because of contamination problems at a manufacturing plant owned by a U.S. company in England. However, shortages turned into surpluses in some areas as fewer people got shots than anticipated.

## Peace prize ▼

A Kenyan environmentalist won the 2004 Nobel Peace Prize. Wangari Maathai, Kenya's deputy environmental minister, has devoted her life to combating deforestation, promoting democracy, and working for women's rights.

AP/WideWorld Photos

## Lemonade stands for cancer ▼

Alexandra Scott, 8, raised nearly \$1.5 million in 2004 for cancer research through her Alex's Lemonade Stand Foundation. Alex, who died in 2004 of cancer, earned \$2,000 in 2000 when she first set up a lemonade stand in front of her home near Philadelphia. Her parents plan to continue the foundation.

## Orphan aid ▶

A Virginia college student raised \$30,000 to help 950 orphans in a Kampala, Uganda, orphanage. George Srour, from William and Mary College, visited the orphanage through a United Nations internship. He returned home and began a website fund-raiser with a goal to get \$8,000 to replace the orphanage's bamboo school.

# \$5

By adopting a Meeting Point Kampala orphan for \$5, you can help ensure Santa delivers uniforms, books, school bags, geometry sets, crayons and many other items in need this holiday season. Visit [www.dogstreetjournal.com/CIK](http://www.dogstreetjournal.com/CIK) for more information.

## Arafat dies ▼

Yasser Arafat, 75, leader of the Palestinian Liberation Organization, died in November not achieving his life's goal of helping to establish an independent Palestinian state. Under Arafat, the PLO carried out terrorist attacks against Israel, yet he won the Nobel Peace Prize in 1994 with Israeli leaders Yitzhak Rabin and Shimon Peres, as the two sides sought peace.

Which of the following do you rely on most to keep up with current events? (Respondents selected more than one.)

TV	25.7%
Class discussion	25.7%
Newspapers/magazines	25.5%
I don't keep up	25.5%

Survey results compiled from responses from more than 2,300 high school students across the nation.

## Reagan dies ◀

Ronald Reagan, 40th president of the United States from 1980-89, died in June at home in California at the age of 93. His Reagan Revolution brought a renewed emphasis on fiscal and social conservatism and strength in foreign affairs, including an end to the Cold War.

### Four in one year ▶

Florida took the brunt of four major hurricanes in August and September. Charley came inland from the Gulf of Mexico and hit the peninsula; Frances and Jeanne from the eastern Florida coast; and Ivan made landfall on Alabama near the Florida border. As the storms moved inland, heavy rains, thunderstorms and tornadoes caused flooding and damage to everything from buildings to beaches from Texas to Pennsylvania. The U.S. death toll from the four storms was more than 120 people.

The hurricanes that struck the U.S. first wreaked havoc across the Caribbean. In Haiti, Tropical Storm Jeanne left more than 1,500 people dead and more than 1,250 missing. In the city of Gonaives, food and drinkable water was unavailable, homes, buildings and roads were destroyed, and relief agencies had difficulty reaching the needy.

### Holiday weather ▶

For starters, decades of Boston Red Sox frustration was wiped away in one amazing October. Trailing three games to none in the American League playoffs against the New York Yankees, Boston won four in a row and became the first team in baseball history to rally from such a deficit. The Red Sox rolled on to the World Series and swept the NL champion St. Louis Cardinals in four games. It was Boston's first World Series title since 1918, and it vanquished the dreaded Curse of the Bambino, which haunted the team since its infamous decision to sell slugger Babe Ruth to the Yankees in 1920.

The celebration continued into football season, where the New England Patriots were once again crowned NFL champions. The Patriots won their third world title in four years, defeating the Philadelphia Eagles in Super Bowl XXXIX, 24-21.
