We arrived in Paris, France after our exhausting nine hour flight. We then met our tour guide and took a bus to our hotel, the Campanile. From there we took a Paris rdy walk and got to see many of the city's famous monuments. Later that night after a delicious dinner of the French cuisine Flan, we walked the spiral staircase to the top of the Arc de Triomphe and got an amazing view of Paris at night. On Day two, we boarded a tour bus and went on a guided night seeing trip to many of the famous churches and cathedrals, and we got our first real look at the Eiffel Tower. Later that day we traveled to Versailles. On the third day we visited the Louvre, and saw some very famous pieces of art including The Mona Lisa and The Winged Victory. The day was finished off with a scenic cruise along the Seine River, followed by an ascent up to the top of the Eiffel Tower. On day four we visited

Notre Dame, the famous cathedral. After that, we separated from the group and took an all day shopping excursion in some of Paris's most popular fashion districts. Then we went to a small Persian cafe to meet Christoph, Ms. Klein's friend, he then took us to an underground shopping center. That night was capped off with a glimpse of the rioters and a taste of Gelato. On our final full day in Paris we went to the Musée d'Orsay and traveled back to Notre Dame for one last visit. We then traveled up the stairs of the city of Paris and saw the cathedral. We got a great view of the city. We ended the final night with one last trip to the Eiffel Tower for souvenirs and pictures. The next morning we said 'au revoir' to our tour guide farewell Paris.

Japan, what is there to say? It was amazing. We went to so many different places in a total of 17 days. We arrived at the Osaka airport and from there we met Tom and Kyoko Elshart. They would be our tour guides throughout the whole trip. We then took an hour train to Kyoto. The scenery was beautiful. We were all so tired and took dozens of pictures of the area. The next day we went on a boat ride, through some rapids. We got wet...very wet. After we visited Kyoto we then made our way to Hiroshima. When we got there we visited the bomb site where in 1945 the US dropped bombs on Hiroshima. We then headed to Tokyo! There we visited the Tokyo tower, which was exactly like the Eiffel tower...but with lots of lights at night. We ate at Hard Rock Cafe where for the first time in a few days we were eating American food. Some people didn't like the food that we were given

such as curry, which is like spicy chili. We also tried assorted things like squid, octopus, fish eggs, and different candies. From there we were all excited to head to Iwazumi where for the first time we would meet our host students. We were all so excited to meet our host students! we had dinner and an introduction party to meet the families. From there we would spend six days with our host students. Some traveled to Iwazumi High School, while others, traveled to Osaka. There we experienced the life of a Japanese student and what their school days were like. After the six days, we had a goodbye party the day before we left where we all dressed in okata's, which were given to us from our families. It was a very emotional experience, and everyone cried. This was a trip filled with love, meeting new friends, and discovering a whole other culture.

Prom was a night that none of us will ever forget. All of the work that went into this night was, well, some of the hardest work I'm sure any of us had experienced in our lives. However, the hard work definitely paid off as we watched our prom dreams come true.

Nina Gregerson and Kyler Royston were crowned King and Queen for the night. Danielle Crum and Dylan Musiedlak were miniature King and Queen for the evening. As some of you may not know, Nina (Queen) and Danielle (Miniature Queen), are actually cousins. Awww...how cute!

We owe a debt of gratitude to prom chair Hannah Hess, and her two co-chairs Hope Fisher and Lydia Schultz.

The flower for prom was the Calla Lily.

The song for prom was "The Way" by Clay Aiken.

Spirit Week at W.D.H.S.

Homecoming

students celebrate during Spirit Week.

Homecoming Week at WDHS was a week filled with school spirit, competitions, and celebration. To kick off the week, on Sunday night each class decorated the gym with their creative banners. On Monday the students rolled out of bed and into school with their favorite pajamas. Monday night everyone went up town and painted store windows. Tuesday was work uniform day where everyone from lifeguards to duckdrivers filled the halls. On Wednesday everyone got shortened classes and the boys volleyball games took place during the school day. The juniors struggled but ended up overtaking the sophomores. The Seniors easily defeated the freshmen leading into the Championship match between the Juniors and the Seniors. The Seniors dominated the match taking the Juniors in only two games. The school kicked off Wednesday morning with Heritage day, and we all got to see quite a diverse crowd. Thursday at school every class sported a different decade. Freshmen waltzed into the school with their poodle skirts and Fonzy jackets. Sophomores rolled in in their tie-dye shirts and bell bottoms. Juniors rocked it out in their 80's apparel. Seniors

kept it funky with their plaid, polyester, and afros. Thursday night was kicked off with the powderpuff game between the Sophomores vs. Juniors, and the Seniors vs. freshmen. Juniors and Seniors dominated both games, and met in the championship round. Seniors dominated over the Juniors and won 6-0. After the powderpuff game, everyone gathered around the bonfire for an exciting pep-rally that brought everyone together. Friday was spirit day where the whole school wore their columbia blue and white. Friday night was the football game against Wautoma where everyone came together and cheered our Chiefs on to a victory!

A Moment In Time

Homecoming 2006 was filled with many memories. Both happy and sad as the freshman embarked on their first homecoming and the seniors, their last. Thanks to Hannah Hess and Laura Stoll, chair and co-chair, this homecoming was definitely a "Moment in Time." Students were even wearing some of the decorations because they

liked them so much! We will never forget the new DJ, he certainly made the dance a new experience. After King Kyler and Queen Hannah had their first dance, the floor was packed with crazy dancers. Things were just getting started and by the end of the night everyone certainly enjoyed themselves.

The girls had a good year going 12-8 overall, and were titled second team all conference. Alex Baltazar and Keara Anderson did a great job being captains by being good role models. The team had a good attitude and work ethic the whole season. Their defense was strong averaging only a few errors a game and improving the entire season. The girls bonded well and even had a few movie nights and team dinners. For the first time in awhile, the girls were already looking forward to their next season in spring of 2007.

THE FIELD OF DREAMS

Entering the season, most people didn't give the 2006 baseball team much of a chance. The team had lost a strong group of senior leaders, including the whole pitching staff and seven of nine starters. It looked as if the prognosticators would be proven correct as the team lost six of its first seven games; however, the team finished strong winning nine of its final fourteen games, knocking off Lodi and Nekoosa (the top two teams in the conference) in the process. The Chiefs rolled over Wautoma in the first game of the Regional, and saw their season come to an end at Westfield in a hard fought Regional Semifinal.

The team was led by strong senior leadership in the form of Alex Mor and Brenden Westerfeldt. Although quantity for seniors was low, quality was extremely high.

Offensively the Chiefs were led by Ben Tischer, Alex Mor, Phil Showers, and Ryan Wenkman. Showers collected the Golden Bat, while Tischer led in RBI. Wenkman added several key hits, including a game winning RBI to beat Adams in Adams.

On the mound the team was led by Kalen Mace, Aaron Van Schoyck, and Chris Martens. Kalen had one of the finest seasons on the mound in school history. He finished the conference season with a 1.647 ERA and went over a month without losing a game.

Next year the expectations will be raised due to a strong class of seniors returning and a majority of the starters back.

Zach prepares to make a sacrifice.

This year the girls track season had a stellar season. Breyann Collins broke the 20 year-old school 100m hurdle record held by Tanya Zapuchlak (Backhaus), by a time of 16.73. Even though Mauston dominated the all conference selections, we still had several girls make their mark. First team- Becky Madsen; shot put, Sara Wollner; 200 & 400, and 4x400 members; Clemens, Swatek, Johnson, and Wollner. Second team- Breyann Collins; 100m & 300m hurdles. Overall the girls team finished second behind Mauston at the SCC track meet. Entering into the WIAA tournament the girls continued their strong level of competition, Becky Madsen, Sara Wollner, and Breyann Collins were all Regional Champions. Continuing on to Sectionals were Becky Madsen, Kelsey Myklebust, Breyann Collins, Jenna Schultz, Sara Wollner, 4x100, 4x200, and 4x400 (Clemens, Swatek, Johnson, Wollner) relays.

This year the boys track experienced a re-building year. Even though they finished 6th in the SCC track meet, they still had some boys make all conference. First team- Andriy Apetry; Pole vault, 4x400 members; Hudack, Sosinsky, Apetry, Westphal. Second team- David Sikorski; 100m, Augie Saiz; High Jump. Calvin Arendsee was the pole vault champion at Regionals but further on in competition the boys stepped up and several went on to Sectionals including: Calvin Arendsee, Andriy Apetry, Augie Saiz, Kyle Morse, Tom Sosinsky, and the 4x400 relay.

The Wisconsin Dells riding team has always been known to be tough competitors, especially this year. The team competes at two major state shows and many other local shows every year. At State Hunt Jump and Dressage the team came out with two grands, three reserves, and fifty top tens. At State Gymkhana the team brought home two grands, one reserve, and nineteen top tens. The team competes in anything from western pleasure to cross country. It was a very exciting year with many highlights. The team gained a lot of experience and are excited to compete next year with green and experienced horses.

"Competing is a lot of fun and it's nice to meet so many different people from all over the state of Wisconsin."

The Greatest

The second year of Girls Golf at WPHS was a major success as the Team doubled in size and joined the Badger Conference. With six players coming back from the inaugural season the Lady Chiefs hit the course with high expectations. Senior captains Hannah Hees, Laura Stoll and Miesy Snyder used a year of experience to help a young squad become competitive in one of the toughest conferences in the state.

Chicago Transfer Lindsey Richards joined the team and immediately made her mark by earning the number one position, medaling in two tournaments and finishing eleventh overall in the conference. Sophomores Devan Dollar, Mary Moore and Kirsten Schueler, along with junior newcomer Taylor Petersen helped the team defeat two conference teams as the Lady linksters ended up eighth in the conference.

Highlights of the season included Lindsey becoming the first girl to qualify for the sectional tournament in golf, Devan making a run at all-conference, hosting a two-day invitational and the team taking an average of 4.4 strokes off of the scores from the year before.

Game Ever Played

With a last place conference finish in 2005, the golfing Chiefs had their sights set on reclaiming the title they had won in 2004. A young varsity made up of two freshmen, one sophomore and two juniors battled week to week and needed an exciting SCC Conference tournament win to secure the second SCC golf title in three years. The team finished the season with a trip to the sectionals in Madelon after placing third at the regional tournament in Mayville.

The team was led by three-time all-conference player, Kyle Royston who earned the overall conference individual title, was the co-medalist at the regional and was only one stroke away from the state tournament. Freshman Jack Royston was the conference tournament medalist with a score of 76 and joined his brother with first team all-conference honors while Junior Ryan Solwa worked his way onto the second team all-conference squad. Sophomore Alex Bussing and freshman Keenan Kim all contributed to the team effort by playing in every varsity match.

Our football team worked extremely hard this season. Their motto was "Be An Eleven" and they truly took that to heart, working together as one. The 2006 Football team finished with a conference record of 2-3 and an overall record of 2-7. At the end of the season, the Dells Chiefs brought home a tie for 3rd place in the conference, sharing the title with Mauston and Nekoosa. Even though we did not achieve first place, we did lead the conference in total yards rushing and receiving, averaging over 300 yards per game. The football team would also like to recognize the seniors for their dedication and leadership. The team was guided this year by

captains Kyle Morse, Ryan Wenkman, Kenny Olson, and Elliot Sweeney. Earning All Conference Honorable Mention this year was Zach Zamzow and Ryan Wenkman, while 2nd team honors went to Kyle Morse, Chris Martens, and Kyle Theiler. First team honors as well as making the All Regional Team this year were Ryan Wenkman and Michael Morse. Michael additionally broke the Dells Chiefs single game rushing record previously held by his father. Michael ran over 300 yards that game. Head Coach Bob Johnson would like to add that he's looking forward to a great season in 2007. "Outstanding players can play the game, but teams win championships."

The Lady Chiefs tennis team entered its second second season in 2006 looking to continue their improvement from the previous season and to take on new challenges. One of those challenges was the team's debut in the Badger North Conference. After a season-opening win over Mauston on the home courts, the Lady Chiefs played their conference schedule against the larger and more experienced schools from the Badger Conference. By the end of the regular season, the team had made their mark and their improved level of play was noticeable throughout the conference. The WIAA tournament was where the Lady Chiefs continued to make progress, winning matches in post-season play for the first time. Most notable was the victory by Kelsey VanGendren at #1 singles, which allowed her to advance to sectional play, the first tennis player in WDJHS history to reach that level. Overall, the team continued to make strides in their play and their level of competitiveness, with hopes for a promising 2007 season.

Dells coed soccer this year had a rough start though they showed a promising attitude and drive. In the beginning of the season games were being lost by about ten goals and then with some hardwork, adjustments, and determination, they began to improve. Games started to get intense, losing only by a goal or two, they even had an impressive score of Dells-1 and the number one team in their conference-2. Eventually they even won a few. Two and eighteen was their final record.

Every Mile is a Memory

This year was full of change and growth. The team experienced a new coaching philosophy with the return of Paul Stieber as Head Coach. Coach Stieber ignited a new motivation and excitement for runners as he challenged team members to join the power of "The Pack."

The team was very young with 50% of them new to high school cross country. Every runner improved greatly. Freshman, Chad Marthaler, improved the greatest and will be an important asset to the team in the future. The senior leadership from Lisa Goodbear, Nathan Elder, Zack Westphal, Dillon Soma, Sara Wollner, Ann Synnot, and Patrick Lege, provided the team with an awesome season. Highlights of the season included collecting many medals at the Westfield, Poynette, Ripon, and Nekoosa Invites.

The runners experienced true team bonding through many team functions such as team dinners, pack running, a summer campout, a mud run, and much, much more.

With seven seniors not returning next year, the underclassmen will have many shoes to fill. However, Coach Stieber and Coach Fults are optimistic.

This year was unique and exciting with the entire squad returning from last year. The girls worked together extremely well and were anxious to take stunting to the next level. We had super leadership from our senior girls: Alysha, Megan Tierney, and Mariah. I would like to extend a sincere thank you to them for all their hard work and dedication. They put together an awesome homecoming dance routine and with a victory for the Chiefs, it will be a homecoming they won't forget. -Coach Linda Anderson

WDHS Cheerleaders are school ambassadors and increase team and school spirit. We show our school pride by promoting good sportsmanship at all times during the year, not just during our chosen season. We set a good example for all students and guests at our games/meets by keeping cheers positive and encouraging the crowd to do the same. We love our school! We attended two clinics this year and came away with new stunts, fresh cheers and new dance routines! This year Barb Jagielo qualified for the cheer team that competes in Australia and also cheers for the DownUnder Bowl. -Coach Juli Mor

The 2006-2007 edition of the Chiefs basketball team had a lot of questions that needed to be answered. After losing D1 recruit JP Gavinski and having Coach Mattei move over to Girls basketball, the team went through a transitional period. However, with the strong leadership of Coach Rohling and several tough-minded seniors, the team improved immensely as the season progressed.

Playing a tough non-conference schedule, the Chiefs entered the final conference game with a chance to tie Adams for the SCC title. A tough call in overtime cost the boys the game but it fueled a memorable playoff run.

Entering the regionals as a #2 seed, the Dells routed Westfield

and G.E.T. in the first two games of the regional, setting up a rematch with Adams. Playing relentless defense, the Chiefs annihilated the Green Devils 58-43 for the Regional Championship.

The momentum carried into the sectional as the Dells easily disposed of Neilsville 63-41, setting up a date with Spooner for a chance to go to Madison. Once again, playing nearly flawless basketball, the Chiefs upended Spooner 70-55 at Marshfield to secure their first birth in the state tournament since 1989.

The dream season ended in Madison as the team was defeated 64-48 to a very good Port Washington team.

LOVE AND BASKETBALL

The Lady Chiefs started out slow as they crawled to a 1-4 record. But with the conference win versus Mauston and Nekoosa, it brought much needed confidence to a young Chiefs team. Solid leadership from seniors Laurel Schultz and Lisa Goodbear carried the Chiefs as they finished the regular season winning 8 out of the last 12 games. The playoffs came with the the team upsetting West Salem 41-35. Rachel Thundercloud and Laurel Schultz played great defense and helped secure the win. Leading scores on the season were Lacey Fisher with 14.5 points per game, and lead rebounder, Kelsey Myklebust, with 6 rebounds a game!

Captains:

Laurel Schultz

This season was a great experience for me! It was definitely a good one to end on. We had a great group of girls who always gave 100% which made the season very enjoyable and fun. Each girl contributed a lot to the team, and made me a better player. I'm so proud of everything we achieved! Good luck next year, and don't forget to bring your lunchpails.

Lacey Fisher

Having new coaches this season was a learning experience for all of us. We worked hard to learn all new plays and a new defensive philosophy. As a captain I'd like to thank all the girls on a great season, and I think our first regional game against West Salem really showed us what we are capable of!

The 2006-2007 wrestling season was a roller coaster ride filled with many ups and downs but it was a very fun ride. The Wisconsin Dells wrestling team entered every dual and tournament short handed this year. However, this did not deter the wrestlers from working hard and competing with everyone that they faced.

All of the wrestlers were very competitive, almost everyone on the team posted a .500 or better record. Overall, the team was young and the wrestlers are looking to improve upon their records for next year.

SOUTH-CENTRAL FREEZE GIRLS HOCKEY TEAM

Amanda moves swiftly in her skates

This year, Wisconsin Dells, Reedsburg, and Mauston joined together to form the South Central Freeze girls varsity hockey team. As a first-year varsity program, the Freeze finished the regular season with a respectable 8-12 record. Entering the WIAA playoffs for the first time ever, they upset the archrival Badger Thunder with a stunning victory in triple-overtime. The win was indicative of the girls' progress throughout the season, as they learned more about the game and their new teammates.

DELLS/MAUSTON BOYS HOCKEY TEAM

The Dells/Mauston Chiefs lead by new head coach Bret Anderson finished the season with a 2 and 6 conference record and an overall record of 8 and 13. The hockey Chiefs suffered injuries to key players that affected their play on the ice. This year the Chiefs had two major accomplishments. Last season the team was placed on probation by WIAA but through hard work and playing disciplined hockey, they worked their way off probation. The Chiefs also won their first regional tournament game since joining the WIAA, by beating LaCrosse 5 to 4 in overtime.

A Tribute To Our Retirees

Mrs. Fisk, after 33 years of teaching in the Wisconsin Dells School District, has decided to retire. Our beloved Phy. Ed teacher started her teaching in the Fall of 1974, this being her first and only job. She was hired to teach all of the girls P.E. classes and Health classes. She was also responsible for the GAA (Girls Athletic Association), which was implemented before there was girls involved in organized sports.

Not only was she a wonderful teacher, she was a respected coach in many, many sports. She was the first ever Wisconsin Dells Varsity Girls' Basketball coach. This was a monumental moment in Wisconsin Dells sports history. She also was a dedicated J.V. and Varsity Volleyball coach, coaching approximately 10 years. She also coached J.V. and Varsity track for 5 years and was the cheer-leading advisor for the football, basketball, and wrestling squads.

More recently, she has been the Physical Education department chair and was a very instrumental member in writing the Pep Grant for the school district. This grant gave the department the availability to revamp the P.E. curriculum. It provided new cardio and weight room equipment, recreational equipment, a rock wall at the middle school, and a high and low ropes course out on the nature trail.

If it were teaching a gym class or coaching the volleyball team, Mrs. Fisk always kept positive and had a smile on her face. Mrs. Fisk was a fantastic teacher and will be missed by many.

Although they asked not to be recognized in this page in the Yearbook, Ms. Stecky and Mr. Paci will also be leaving the halls of WDHS after very distinguished careers. Ms. Stecky has been a dedicated member of the special education staff where she garnered the respect of her students. One teacher stated, "She made the students work hard because she cared about them. She wanted them to become fully independent, so she pushed them, knowing if she held them accountable now their lives would be easier in the future. Ms. Stecky is a first class person."

Mr. Paci, a quiet leader of WDHS, will also be stepping down to pursue new challenges. Mr. Paci leaves behind decades of freshman students that have benefitted from his guidance. His legacy will not only be the education he provided his students but also his genuine caring attitude. He initiated the AODA curriculum, brought Mark Twain to life, and will forever be known as the mythology guru. One teacher states, "If Mr. Robert Paci's accomplishments were published in a memoir, the title would be Exemplary Educator. Mr. Paci's professional dedication and insightful instruction have served as the transitional gateway for 22 years of incoming freshman. In teaching English 9, Mr. Paci has successfully taught WDHS students how to excel in their English studies through a curriculum intent on helping students find purpose and meaning in their own lives. Students will forever remember the concern and compassion, not to mention the ever present smile, of the exemplary educator in Room 102. The halls of Wisconsin Dells will definitely miss these fine individuals."

It's pretty sure your
the only one I've gotten into
several accidents with. Your poor
car has been quite the trooper! Tak-
ing out the trailer on the side of the
road, was hilarious! But then, losing the
back tire on the way back from Madison
was an interesting night! If your ever
passing the 'Columbia Mart...' a red blow
pop is a must-LOL! Maybe a 'Sipsee
Wipeal' to go. Keep in touch and
keep it on the road!
Love, Missy

Kelsi-

Walking the halls of WDH-
how many laps do you think they
made around the halls of WDH? At
least twice as many as any other WD
Chief. That would be Sam Furmaker, Tyler
Henneha, and Jarred Westbrook. Why
did you walk the halls so much? You said it
was just to have something to do. Well,
I for one will miss seeing the three of
you walking side-by-side down these
halls- Best of everything!

Cassie-
First time I saw you, you were smiling. Right then I felt our hearts colliding. Passions of love together as one. Through out all the years the times we had fun. Girl I have never felt like this before. Everytime you leave my side I just want you more. I know you can hear my heart troubling when you are near me my worlds troubling. I just hope you feel the same too. But all I really wanted to say was 'I Love Ya!'
-Ben Boyer

To my AP Calc Experts-
Our mathematical journey of over a year was filled with moments that will not be forgotten! The occasions that we had to laugh and celebrate together allowed us to become a true team filled with individuals who truly cared for each other. I believe that perhaps the greatest thing that you learned in AP Calc is that working through difficult tasks, though at times frustrating, can be done successfully with much effort, patience, and help from friends. Life will present you with many other events that, thrust upon, will be more difficult than solving a separable differential equation. I have no doubt that each of you will successfully navigate through all of these events!
Mathematically yours,
Mr. Braun

I had a wonderful time being an editor this year! There was a lot of work put into the yearbook and many late nights, but with the wonderful group of girls we had, everything was done almost to perfection! We always had a lot of fun too. I really hope everyone enjoys this yearbook and that you will treasure these memories forever!

Advisor

Mr. Michalsky

The 2007 staff did a fantastic job mounding this year's book. By the third term, I could literally let Hannah and Kelly run the production aspects because they proved so reliable and responsible, and the remaining staff made it hilarious and fun to come to school everyday. The hard work and high quality have helped to create pride and memories that will last a lifetime.

Co-Editor

Kelly Hoenecke

I enjoyed being one of the editors this year. It was a lot of late nights and dedication, but it was a great experience. We had a great group of creative girls, and a wonderful teacher who was always there to help and crack jokes at us. I hope this yearbook sums up your memories this year and will leave a lasting impression.

2006

A. The fury within

Violence by insurgents and sects increased in Iraq despite efforts by Iraqi police and troops from the U.S. and other countries. More than 3,000 U.S. troops died in Iraq since March 2003. Iraqi authorities reported almost 17,000 of their countrymen died in that period, although estimates varied greatly. The U.N. estimated more than 1 million Iraqis fled their homes.

B. Iraq War reexamined

The Bush administration revised its Iraq strategy after a spike in sectarian violence, the results of the November elections and the Iraq Study Group report. Donald Rumsfeld stepped down as defense secretary a day after the elections; Robert Gates, a former CIA chief, stepped into the position. And President George W. Bush proposed an increase of more than 20,000 U.S. troops in Iraq.

C. Rising again

Rebuilding along the Gulf Coast continued following the fall 2005 hurricanes Katrina and Rita. In New Orleans, 74 percent of all schools, and 49 percent of public schools, were open as of December, reported The Brookings Institution, a private research group. Another such group, Rand Corp., predicted the city's population by September 2008 would be 56 percent of the pre-Katrina total.

D. Earth burns, quakes

Mother Nature stayed active in the fall, with an earthquake in Hawaii, record-setting rains and floods in the northwest U.S., and a record early October snowstorm in Buffalo, N.Y. Five firefighters were killed in a wildfire in southern California that authorities determined was arson.

E. Winter puts life on hold

Holiday blizzards dumped as much as four feet of snow in parts of Colorado and Kansas. Then record warmth in the northern and eastern U.S. stalled skiing, ice fishing and ice hockey, but brought out golfers and flowers, before a massive ice storm and freezing temperatures gripped Texas northward to Maine. And more than 100 inches of snow fell in upstate New York.

F. Food safety

E. coli bacteria appeared in produce shipped to several states, raising safety concerns. At least 175 people became ill after eating fresh spinach, and two people died. Lettuce was deemed the culprit when people in the Northeast U.S. became ill after eating at Taco Bell.

The U.S. Census Bureau estimated the country grew to 300 million people in October.

Katie Couric became anchor of the CBS Evening News.

Billionaire Warren Buffett planned to give 85% of his Berkshire Hathaway fortune to philanthropic foundations.

Freezing temperatures in January destroyed 75% of California's citrus crop.

G. Hussein gone

Former Iraq president Saddam Hussein and other officials of his regime were executed for crimes against humanity after being found guilty in the deaths of 143 people from the town of Dujail in 1982. He was hanged in a chamber where his regime carried out death sentence orders.

H. 9/11 five years later

Ceremonies marked the fifth anniversary of the 9/11 terrorist attack. Tributes took place at Ground Zero, where the World Trade Center towers once stood in New York, at the Pentagon and at Shanksville, Pa. Meanwhile, work continued on Freedom Tower, the skyscraper that will replace the World Trade Center towers.

I. A new Congress
