Homecoming Week at WDHS

Homecoming 2007

students celebrate during Homecoming Week

Homecoming week at WDHS was a huge success as usual. To start off the week, students met in the gym on Sunday to hang up the spirit banners. On Monday, if interested, kids could wear their favorite pajamas to class. The competition that night was window painting. Each class had their own store windows to decorate downtown. Tuesday's dress up day was an original idea. Students could dress up as their favorite superheroes. Wednesday was a day full of fun. Students could wear mis-matched clothes, and later in the day, in addition to the privilege of shortened classes, all four grades got a chance to form a boys volleyball team and compete. Of course, seniors won. On Thursday, students could dress up as their favorite celebrity. Later that night, the

favorite competition of girls powderpuff, went down on the high school football field. Seniors dominated the freshmen, and later won against the juniors in overtime, 14 to 7. Friday's dress up day was the classic spirit day. This got the Dells pumped for the football game later that night. After an aggressive game against the Westfield Pioneers, Dells won 42 to 27. Homecoming 2007 was an event that will never be forgotten.

Shakespeare For Everyone

The Cast of Romeo and Beatrice after they found out Shakespeare did not write the play.

Two One-Act Plays on William Shakespeare's plays:

"Romeo and Beatrice and Toto too" by Claudia Haas

A mish-mash of lines from several of Shakespeare's works thrown together to create a riotous play; complete with deception, blackmail, puppies, extra credit, storms, and accidents all come together in a water-logged, drenched, wet theater. Both Shakespeare aficionado and novice will be captivated.

"The Scottish Play" by Mike Willis

Based on Shakespeare's Macbeth Macbeth gets boiled down into a half-hour performance focusing on Macbeth, Lady Macbeth, and the Witches. In this play we actually learn a great deal about Macbeth as we watch this high school troupe attempt to put the work on. We are given enough content and background to "get it," without being overwhelmed with Elizabethan English. It's Macbeth in a nutshell and it works.

After rebuilding their team last year, the boys came back with a strong season. David Sikorski set a new school record in the 100 m dash with a time of 10.7 seconds which was previously held by M. Larkin in 1974 with a time of 10.9 seconds. The boys team moved up in the conference standings this year placing 3rd overall. Although they have a small team, they managed to receive several all-conference honors. **1st team-** A. Saiz, high jump; D. Sikorski, 100 m dash, 200 m dash & 4x100 m relay; Z. Batchelor, M. DAVID ON THE PODIUM

This year the Girls Track & Field Team had a successful season and had several girls that broke school records. Kelsey Myklebust broke the long jump record with a jump of 16 feet 7 inches. The long jump record was previously held by M. Foik with a jump of 16 feet 4 inches. The 4x400 meter relay of T. Hickey, A. Johnson, A. Swatek, & S. Wollner also broke a record with a time of 4:09.08 established by H. Dixon, A. Murphy, A. Sweeney, & S. Wollner in 2004. The girls team snuck in a 2nd place finish in conference coming in just behind Mauston. Although they came in 2nd, they had several all-conference selections. **1st team-** B. Madsen, shotput; A. Swatek, 200m dash; S. Wollner, 400m dash and the 4x400 meter relay; E. Clemens, A. Johnson, A. Swatek, & S. Wollner. **2nd team-** B. Collins, 100m hurdles; T. Hickey, 1600m run; B. THE VARSITY
BASEBALL TEAM CAPTURES
THEIR FIRST SCC CHAMPIONSHIP
IN TWENTY YEARS!!!

Surprise opponents

The varsity baseball team had high hopes for the 2007 season, but when the 2007 state baseball yearbook was published in the preseason, it predicted the Chiefs to finish at the bottom of the South Central Conference. Using this lack of respect for motivation, the Chiefs stormed out of the gates to start the season at 4-0.

After a tough loss to Mauston in the 2nd conference game of the season, the Chiefs rebounded quickly winning six straight SCC contests. The team entered the final conference game of the season with a chance to win the outright SCC Championship. The only team that stood in their way was the Wautoma Hornets. Scoring two runs in the first two innings proved to be enough as Kalen Mace mowed down the Hornet hitters for the remainder of the game. Mace's eighth win of the season brought home the SCC Champions Plaque for the first time in twenty years.

Entering tournament play with a lot of hope, the Chiefs ran into a very tough Westby team. The Westby hurler, standing 6'7" tall, mowed down the Dells hitters for all seven innings, pitching a complete game shutout. The 2-0 loss ended a great season for Dells baseball. Coach Michalsky stated, "I couldn't be more proud of this group of kids. They battled all year long and gained the respect of all the other coaches in the conference. The seniors really provided a great road map for the future."

As the season came to an end, the postseason awards started to roll in for the team. Ben Tischer had a dream season at third base, finishing the year with a .421 batting average. Ben also collected the team's golden glove award for his great fielding. Kalen Mace was also highly decorated. He finished the season by setting most of the modern-day pitching records for the school. His .64 ERA for the season is unheard of, and his .379 batting average was

2nd on the team. He was chosen as Team MVP, SCC Player of the Year, and District 8 2nd Team Pitcher.

All the seniors deserve a lot of recognition for their leadership on the 2007 team. The huge contributions of Chris Martens and Aaron Van Schoeyck on the mound were often overlooked, but they proved to be key in the team's conference championship. In back to back

days, Van Schoeyck and then Martens shut down Nekoosa. These two wins propelled the Chiefs forward when they needed it most. The 2007 senior class, one of the winningest in school history, will be sorely missed in the future.

Safe at home! Good job Jordan!

Kendra firing it to first.

The '07 softball team showed promise from the start. With co-captains Kendra Kimball and Brittany Yacko, along with four additional returning seniors, strong leadership and work ethic were present throughout their play. The team battled through a tough season plagued with illness and injury. After a heartbreaking loss for conference, the Dell's softball team never gave up. Staying strong and bonded, the ladies earned the title as Regional Champions when they beat Wautoma 4-2. Their season finished at sectionals in a hard-fought game versus Portage. Krissy Pacl stayed strong, pitching the entire 18-inning game. Finally, Portage got a run on a close-play at home, bringing the score to 1-0 at the end of the 18th inning. With an 11-12 overall record and a Regional Championship, the team can look back on an exciting, unforgettable softball season.

AQUA STARS

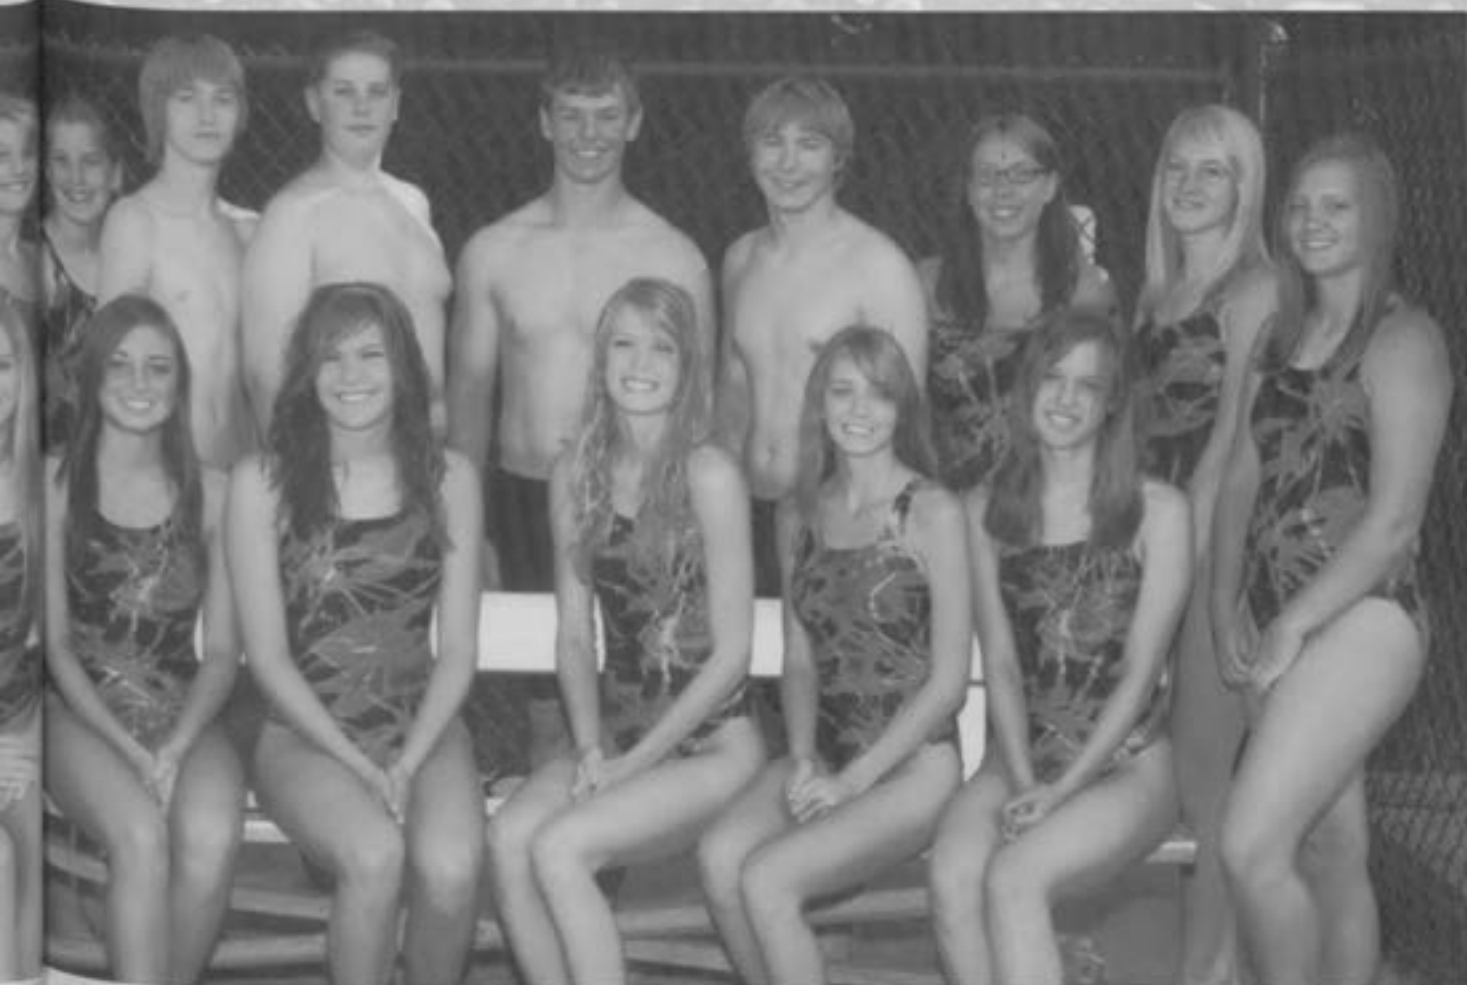

The fourth season of the Dells Dolphins saw sheer numbers of 13-18 year old swimmers make an impact in the Tri-County Swim Conference. Eighteen high school swimmers filled out the Dolphin roster, making a positive impact in every meet. The 18 seniors led the team to a great season. This was by far the most high school swimmers to grace the Dolphin roster at one time in their forty year history.

Outstanding performances were registered by several Dolphins at the conference swim meet in Baraboo. Stacey Swatek had the highest finish with a second place in the Breaststroke. The highest placing of relays was the 15-18 Medley Relay consisted of Lindsey Gantz, Allie Swatek, Eva Clemens, and Shannon Volkey which took 3rd place at the meet. Also there were seven other top ten finishes. The other top ten finishes included: Stacey Swatek, Eva Clemens, Allie Swatek, Shannon Volkey, Carley Heller, Dani Delmore, and Kyle Holzem.

Rewriting the recordbook on almost a daily basis, the 2007 Girls Golf Team made huge strides and put the three-year-old program on the state golf map by qualifying as a team for the sectionals, having the Badger North Conference overall Champ, Devan Dollar, and All Conference Honorees Devan Dollar and Lindsay Richards. With only seven players, the Lady Chiefs worked with quality over quantity to put together their best season behind the leadership of captains Lindsay Richards and Taylor Petersen. As a team the girls surprised a lot of teams by placing fourth at the Lancaster Regional and earned a trip to the sectionals held at Trempealeau Mountain. The returning team members had personal bests throughout the season and that contributed to record low team scores and high places at tournaments.

With all five varsity players returning, they not only won conference for the third time in four years with three players earning All Conference honors (Jade and Kyler Royston and Ryan Solava), but they also won the Regional Title for the first time since the early 90's. The players qualified as a team for sectionals and sophomore Jade Royston qualified for the state tournament. Jade placed 9th and was just 5 strokes from a state title. Kyler Royston also had an exceptional year by earning 1st team all conference, all-state honorable mention, and team MVP. The Junior Varsity Chiefs also dominated the conference and freshman Patrick Holzem led the way earning JV conference honors

The boys had a great time on the turf and brought home a 28-7 victory over the Bulldogs. The Chiefs went into conference play with a record of 2-2. After a weather delay the Chiefs took on the Hornets and suffered a devastating 27-18 loss. Homecoming brought the Chiefs back to a .500 record after their 43-27 win over Westfield. The Chiefs went on to shut out Mauston. The Chiefs headed into their last game beating Adams 33-12. The WDHS football team became Co-Conference Champs with Wautoma. This was the first time in 20 years that the Chiefs have won conference. The team headed off to the playoffs where they had a heartbreaking 23-19 loss to Mc Farland.

This year's varsity volleyball team provided many exciting moments throughout the year with many people to replace from last year's squad. The chiefs looked to the seniors and they did not disappoint. Even though this year's seniors led the team, the varsity squad will be left with a very solid base for next season. The season highlights were a fourth place finish at the Friendship tournament and a first place finish at the Fall River tournament. The season came to a screeching halt with a loss to Berlin 2-3 in the playoffs.

CAPTAINS

The third season of the girls tennis team at WDHS was another year of growth for the Lady Chiefs. Participating in the Badger North allowed the athletes to face some of the better players in the area and get an idea of how much their games have grown. Though wins were few, the Lady Chiefs tennis team continues to improve and is making strides for greater accomplishments in the near future.

The 2007 season was also the first time the tennis team was able to play a full home schedule, as the courts were resurfaced during the summer. The athletes had a great deal of pride playing in front of the home fans, giving their best efforts each time out.

The captains of the 2007 Lady Chiefs were Chrissy Fisher and Kelsey VanGendern. Amber Byrne, Stephanie Krueger, Becky Steinhorst, and Jen Yost were leading winners on the varsity, while Amanda Moore and Tetyana Hladun led the JV in victories.

"An overall look at this season, I've watched our team improve in many aspects. Our seniors kept the team moving forward, regardless of our record, which is something to be very proud of. Cross Country 2007

Passing The Enemy One By One...

The 2007 Cross Country season was exceptional because of the senior girls and positive team attitude. Our team motto says it all, "The strength of the team is in each member; and the strength of each member is in

the team." This season was also a time of change with new faces with eight freshmen.

They added a new dimension to the team, with all of us growing as athletes, people, and as a team. Freshman, Stacey Swatek, led the girls all season. She placed in the top six in every meet. She was the **FIRST DELLS GIRL** to ever go to state in cross country. She had a perfect State Meet placing 11th in State. WOW!

The 2007 Cross Country Team modeled the **WD WAY** throughout their season.

All smiles before the big game

Chantal and Dani laughing it up

WDHS Cheerleaders are the most visible school ambassadors that the school has. We increase team and school spirit and support our athletic teams in many ways. We show our school pride by promoting good sportsmanship at all times during the year, not just during our chosen season. We had four freshmen on the football squad this year. This was a first for everyone. They did an incredible job keeping up with the upperclassmen. Plus, we had a new coach Juli Mor. We attended two clinics and for the first time, took the entire squad to Captains and Coaches Conference in Appleton. This year Lili McDonald and Shannon Millison qualified for the cheer team that competes in Australia and also cheers for the DownUnder Bowl. This years Fall Sports Award Winners were Lindsey Gantz, Most Valuable Cheerleader; Hailey Rutta, Most Improved; Andrea Gussel, Most Spirited; and Lili McDonald, The Coaches Award.

"The year started out in a whirlwind. Adjusting to a new coach and preparing for nine home games in December kept the squad very busy. Stacy Platt and Lili McDonald certainly earned their captain status. They were very successful in guiding this young squad and new coach. The squad consisted of one senior, two juniors, and four freshmen. Luckily, all the girls had been on the football squad. This meant they already knew several cheers and could concentrate on learning difficult stunts. Throughout the season they encouraged the crowd to cheer along with many new cheers while perfecting exciting stunts. The girls should be very proud of themselves. **GREAT JOB GIRLS!**"

The WDHS boys basketball team started off strong by winning their first seven games. After losing two tough games to Eau Claire Regis and Adams-Friendship, the Chiefs quickly regrouped to win nine of their next eleven games. The run culminated in a conference showdown against Adams in Adams. Playing intensely, the hoopsters overwhelmed the Green Devils 47-37. The win gave the Chiefs a share of the South Central crown.

The team went south for the playoffs and had to face two tough teams in Richland Center and River Valley. Although the games were close, the Chiefs used gritty determination to win the Regional title for the second straight year. In the first game of the Sectionals, the Chiefs ran into Monroe, the D2 State Champion from a year ago. The Chiefs played a tough game, but were eventually eliminated by the Cheesemakers.

Alex Buesing and Laddie Lucke received South Central Honorable Mention Honors. Jade Royston and Ryan Wenkman received unanimous 1st Team All-Conference Honors. Jade also received All-State Honorable Mention. The Chiefs finished the season strong and are excited to re-build next year.

Lady Chiefs

History 101 [SCC Champs]

The 2007-2008 Girls Basketball team set out with high hopes. This team did not disappoint. After an early season loss at Wautoma, the team went on to win the rest of their conference games to go 9-1 in the conference. With an exciting win at Pioneer Westfield to close out the regular season, the Chiefs had their first ever undisputed South Central Conference Championship. The playoffs saw the Chiefs defeat the River Valley Blackhawks and the season ended with a loss at Richland Center. The record for the season was 15-6.

With team success comes individual recognition. This was no different for the Lady Chiefs. Lacey Fisher was voted Player of the Year in the SCC along with being a unanimous first team selection. Kelsey Myklebust was a unanimous first team selection with Kinsey Mace being selected to the second team. Rounding out the post-season awards were Meggie Mattei and Jenna Schulz being selected to the Honorable Mention All-Conference.

Wrestling Fever

With an improving team year by year, the sport gains more attention and the wrestlers get the support they need

The Wrestling team was low on numbers but accomplished a lot in the 2007-2008 season. The young team showed improvement throughout the season, accomplishing many of the goals set by the coaching staff.

Highlights of the regular season included championships for T.J. Williams at the Madison East invite and Jake Gregerson at the Dells Invite. The team traveled to the 4-1 team Mid-States Wrestling Classic at UW-Whitewater in December. Kit Conrad placed fifth to lead the Chiefs.

Highlights of the post-season included Kit Conrad becoming the first Dells wrestler in five years to qualify for the State tournament. Nick Mor joined Kit as a sectional qualifier. At regionals the Chiefs placed fifth as a team. Kit finished first and Nick finished second. Jake Gregerson, T.J. Williams and Jared Julson finished third, while Skylar Lieberzeit and David Williams placed fourth. Joe Trojan, Kyle Rasmussen, and Ethan Weber rounded out the placing, finishing fifth. At the SGC Conference Tournament the team put four wrestlers in the conference finals with Nick and Kit coming away as champions. Jake and Jared finished second, claiming second team all-conference.

"ICE MEN"

HOCKEY 07-08

With the loss of several key seniors from the 2007 team, the hockey Chiefs knew they would have to work hard to be competitive in the Badger Conference. The players persevered through a brutally tough first half of the schedule, and they improved dramatically by the end of the season. The Chiefs had key wins against Kenosha Bradford and Viroqua during the regular season, and all of their hard work paid off with a huge 5-2 Regional playoff victory over their bitter rival, Baraboo. The team ended the season with a 3-17 record, and the boys look to build the program in the future.

I remember when we got the call about a band director job opening at WDHS. Bob had been teaching in the Westfield district for six years, and was looking to move to a bigger school. Fred Reineking, the WDHS principal, wanted to hire a band director with experience who had a good program, and heard about Bob. Fred called Bob to see if he would be interested in the job. Within two weeks of the call, Bob had interviewed, been hired, and was helping Bob Howard teach the beginners. So began 29 years at WDHS.

Highlights that come to mind are the excellent jazz band that attended many jazz festivals throughout the years and they always came away with a first rating. For Solo and Ensemble program, the Dells always had more students heading on to state contests than some schools had entered. Music students requested to do their student teaching with Mr. Spargo, because of the outstanding band program at the Dells.

I remember 29 years of Wo-Zha-Wa and Memorial Day parades, football shows, pep band (for boy and girls basketball, hockey, and wrestling), directing the band for musicals, concerts, district and state solo and ensemble contests, jazz festivals, and concerts, and groups performing for community events. Bob has also played professionally with many area jazz groups, played and directed the UW Baraboo community band, played in the pit band for area musicals, and even played with a polka band!

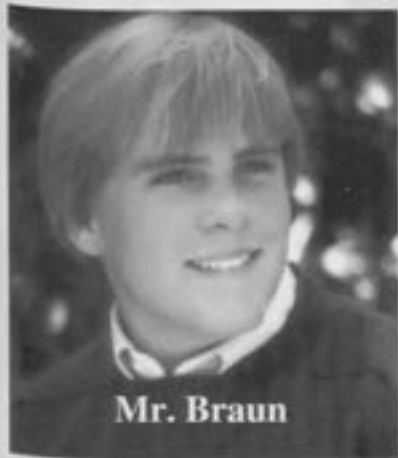

It has been a busy 35 years in music education and as a performer. But one of the best parts is when former students go on to perform in musical groups beyond high school, and some have become band directors themselves. It's wonderful to hear their stories of success in music past high school.

Bob has had an excellent, well-rounded band program, and much of that has to do with having excellent middle school band directors in Marti Fults and Hugh Gaston. They have been wonderful to work with over the years. Leaving, we know the band program is in very capable hands with Marti and Hugh.

A. Economic aches

Gasoline and food prices went up and home prices went down as the economy weakened. At yearend 2007, the national average price for one gallon of gas was \$2.97, while the average price for a gallon of milk was \$3.80. Home prices experienced the largest drop in 16 years. In addition, jumps in adjustable rate mortgages left many homeowners behind or unable to pay their monthly house payments.

B. Drying up

A severe drought in the southeast U.S. led to water use restrictions and renewed tensions over water supplies in Georgia, Florida and Alabama. The drought was the worst in northern Georgia in 100 years.

C. Superbug hits schools

Schools across the country began dealing with a drug-resistant staph superbug called methicillin-resistant *Staphylococcus aureus*, or MRSA. Some schools closed for cleaning when a student was found to have the bacteria. MRSA caused several student deaths.

D. Stay tuned

Frontrunners kept changing before the summer conventions to pick 2008 presidential candidates. But as of Super Tuesday, Feb. 5, U.S. Senators Barack Obama and Hillary Clinton were in a dead heat in their quest for the Democratic Party's nomination, while for the Republicans, U.S. Senator John McCain, almost written off a few months ago, had a large lead over former Governor Mike Huckabee of Arkansas.

E. Gore wins Nobel

Former Vice President Al Gore won the Nobel Peace Prize for his work on informing the public about global warming. He shared the award with the United Nation's Intergovernmental Panel on Climate Change. Gore said he planned to donate his half of the \$1.6 million prize to an organization that works to cut carbon emissions.

F. Misfit toys

More than 12 million toys made in China were recalled for containing high levels of lead. Mattel, the nation's number one toy maker, also recalled 172,000 Fisher-Price toys that could pose choking hazards.

A container ship hit the Bay Bridge in San Francisco, causing the worst oil spill in the bay in 20 years.

Steve Fossett, holder of many aviation records, disappeared during a flight over Nevada.

Cancer deaths were declining because more people were getting screened and new treatments were saving lives, scientists said.

Myanmar quelled the uprising by Buddhist monks for democracy, killing and detaining thousands of people.

G. War goes on

In the war on terror, more than 165,000 U.S. troops were stationed in Iraq and approximately 25,000 in Afghanistan. The number of U.S. troops killed in Iraq began to decrease monthly, likely caused by changes in strategy in the fight against the insurgents.

H. California wildfires

More than 23 wildfires blazed across almost 500,000 acres of southern California in October, destroying 2,300 homes. Twelve people died. Arson was the cause of some of the fires. Santa Ana winds also fueled fires again in late November.

I. Democracy threatened

Democracy in Pakistan, a nuclear-armed nation, was on shaky ground already when former Prime Minister Benazir Bhutto was killed during a political rally. Elections originally scheduled for January were delayed. Amid the tensions between political factions in the country, additional concerns stemmed from possible threats from al Qaeda and Taliban extremists in the country.

HELP ON A GLOBAL SCALE

Bill Gates, founder of Microsoft, worked to end world hunger and extreme poverty through the Bill & Melinda Gates Foundation.

- ✍ \$306 million – Amount the foundation pledged in January to help small farmers in Africa and developing countries grow and sell their crops.
- ✍ \$14.5 million – Amount given since 1994 for the foundation's key areas: global health issues, global development such as agriculture and research, and U.S. education.
- ✍ \$3.2 billion – Projected amount the foundation expected to give away in 2009.
- ✍ 820 million – Number of people who suffer from chronic hunger in the developing world.

The population of New Orleans was about 300,000, or 65% of its size prior to 2005's Hurricane Katrina.

Liz Claiborne, who started her company in 1976 to bring stylish, affordable clothing to working women, died of cancer.

Rioting and deaths occurred during disputes over the outcome of Kenya's presidential election.

A Siberian tiger at the San Francisco Zoo killed a teen and mauled two others on Christmas Day.

J. Rush-hour bridge collapse

Bridges across the country were inspected after an Interstate 35 bridge over the Mississippi River in Minneapolis collapsed Aug. 1. Thirteen people were killed, and eventually 88 vehicles were located in the bridge wreckage or the river. Construction work was being done on the bridge when it collapsed during rush hour.

K. Castro steps down

Fidel Castro, 81, ended his 49 years as president of Cuba by resigning the post due to his health. Castro and his brother, Raul Castro, overthrew the Cuban government in 1959, installing communism in the tiny island nation 90 miles from Florida. Reaction regarding Cuba's future was mixed from Cuban-Americans in Florida, many of whom had fled the communist regime.

L. Protests in Jena

Tensions ran high in Jena, La., where six black teens were charged with beating a white classmate. Supporters of the Jena 6 said the beating followed an earlier incident in which white high school students hung nooses on campus. The supporters were angered because the white students were punished with school suspension, while criminal charges were filed against the Jena 6.

M. What is Iran up to?

U.S. intelligence concluded in a report that Iran actually stopped work in 2003 on a nuclear weapons program the U.S. suspected it had still ongoing. That was the year the U.S. had invaded neighboring Iraq. However, Iran announced it was close to starting up its Bushehr nuclear facility, which will provide electricity to the country. Russia was building the plant for Iran and was supplying the nuclear fuel.

N. No safe place

In December, a 19-year-old gunman killed six employees and two customers in a department store in Omaha's Westroads Mall before killing himself. A few days later, a gunman killed two staff people at a missionary center in Arvada, Colo., then killed two teens at a Colorado Springs church before being shot by a church volunteer security guard.

O. Safe and effective?

Drug companies pulled cough and cold medicines for children under age two out of stores, while pediatricians urged the government to issue a statement saying the medicine should not be used in children under age six. Many of the cough and cold medicines have never been tested in children.

Working the overnight shift was listed as a probable cause of cancer. About 20% of workers in developed countries work nights.

The Airbus A380, the world's largest airliner, made its first flight from Singapore to Sydney with 485 passengers and crew.

A dormitory parent at Oprah Winfrey's school for girls in South Africa was charged with abusing students.

Cyclone Sidr killed more than 3,200 people and injured nearly 40,000 in Bangladesh, the government reported.

P. Weathering the weather

In December, back-to-back rainstorms with hurricane-force winds pounded Oregon and Washington, where helicopters rescued people stranded in floodwaters. An ice storm hit the Midwest, leaving many people without electricity for days, including 600,000 people in Oklahoma. In February, more than 50 people were killed in tornadoes that struck Tennessee, Arkansas, Alabama and Kentucky.

Q. Social technology solves crimes

Oakland, Calif., police used clues from a MySpace page to charge a man in the shooting death of a high school student, while police in Washington, D.C., used a Facebook profile, found by the victim, to charge a man in a hate-crime attack near the Georgetown University campus.

R. Lively and quick

Hurricane Humberto took southeast Texas by surprise, going from a tropical depression to a hurricane in 18 hours. A specialist at the National Hurricane Center said no tropical cyclone has ever grown stronger at a faster rate while being so close to land. Still, it does not take long for a hurricane to cause damage, which was estimated at less than \$500 million.

S. No help needed

Six French aid workers were sentenced to eight years of hard labor for trying to take more than 100 children out of Chad for adoption. The workers, who were with the charity Zoe's Ark, said the children were Darfur orphans living in Chad. But officials with the Red Cross and UNICEF said most of the children were from Chad and were living with their families when they were taken.

SMOKE-FREE AREAS INCREASE

More states, cities and non-public areas ban smoking.

- 22 states, the District of Columbia and Puerto Rico have laws prohibiting smoking in workplaces and public places, up from two states five years ago.
- Almost 60 college campuses have smoke-free policies
- The number of teen smokers continued to decline. In 2007, only 3% of 8th graders, 7% of 10th graders and 12% of 12th graders smoked daily.

American Lung Association, American Nonsmokers' Rights Foundation and Monitoring the Future study/University of Michigan

Researchers found that biting has caused the spread of facial cancer tumors that have killed 90% of the Tasmanian Devils on Tasmania.

The \$5 bill got a color makeover, following the updates of the \$10, \$20 and \$50 bills to thwart counterfeiters.

O.J. Simpson was charged in a Las Vegas robbery, allegedly trying to regain some of his sports memorabilia at gunpoint.

Six percent of Britons claim to have done dental work on themselves, such as pulling teeth, as subsidized care was unavailable.

A. Almost perfect

The New England Patriots dominantly marched through the NFL regular season and AFC playoffs 16-0, and appeared ready to become the first pro football team in more than 35 years to finish a season without a loss. But the New York Giants had other ideas, and they ended the run at perfection with a 17-14 upset win in Super Bowl XLII. The match-typed game was the most watched Super Bowl of all time, and the second-most watched TV program ever.

B. Daddy goes to work

Golfer Tiger Woods became a dad for the first time, with daughter Sam being born during the summer. The new dad kicked it into gear again, winning his 13th major at the PGA Championship and closing the season by winning the Tour Championship.

C. Scary moment

During one of his hits at the Summer X Games, skateboarder Jake Long gave the audience a terrible scare when he lost his balance in mid-air, flew off his skateboard and fell about 45 feet straight down onto the ramp below. Even though Long's fall was roughly

equivalent to more than three stories, he walked away with a couple concussions and fractures, but lived to tell about it and became a skateboarding legend in the process.

D. Big breakthrough

After several years of hype, basketball phenom LeBron James finally began to show signs of living up to his nickname of "The Chosen One." In only his fourth season, and at only 22 years old, James guided the Cleveland Cavaliers into the NBA Finals. In the process, he became a media superstar, landing spots as the host of ESPN's ESPY Awards and Saturday Night Live.

E. Baseball comes clean

Nearly two years after he was appointed by commissioner Bud Selig to investigate the use of performance-enhancing drugs in baseball, former U.S. Senator George Mitchell released a 409-page document with his findings. The report specifically mentioned 85 players by name, and reactions varied from shock to a shrug of the shoulders. The most notable of those implicated in the report were New York Yankees pitchers Roger Clemens and Andy Pettitte.

Florida quarterback Tim Tebow won the Heisman Trophy.

Sprinter Asafa Powell set a new 100-meter record of 9.74 seconds.

The Houston Dynamo won its second straight MLS Cup.

F. A tainted king?

San Francisco Giants slugger Barry Bonds hit his 738th home run and passed the long-standing all-time record of Hank Aaron. However, the historical mark was not widely celebrated as Bonds continued to be the subject of speculation about steroid use during his career. Later, he was even indicted for perjury related to the federal investigation into steroids.

G. Rough first year

It was not exactly smooth sailing for British soccer star David Beckham during his first year in America. After signing with the Los Angeles Galaxy of MLS, Beckham was only able to play in eight games due to various knee injuries and the Galaxy were unable to make the playoffs.

H. A blown call

Tim Donaghy, an NBA referee for 13 seasons, embroiled the league in controversy when he became the subject of an FBI investigation due to allegations that he bet on games that he officiated. Donaghy later pleaded guilty to two charges related to the investigation, and admitted that he made calls that affected the point spreads in those games.

IN THE GAME

About 25 million American youth play competitive school sports and 20 million youth ages 6 through 16 play organized sports in a community program.

The most played team sports are:

- 🏀 Basketball, 4+ million
- ⚾ Baseball, 2.5+ million
- ⚽ Outdoor soccer, 2+ million
- 🏈 Touch football, 2 million
- 🏐 Court volleyball, almost 2 million

NYU Child Study Center, aboutourkids.org

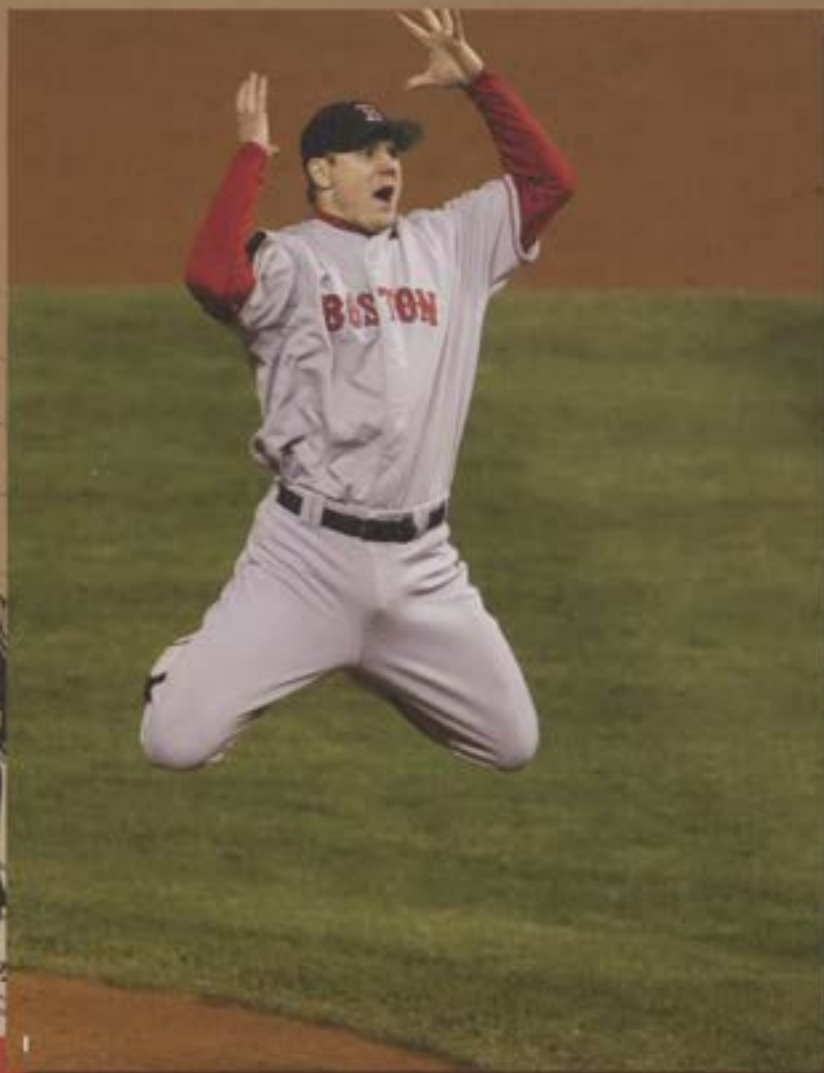

American Joey Chestnut won the World Hot Dog Eating Contest, as competitive eating gained popularity.

Former San Francisco 49ers coach Bill Walsh, who won three Super Bowls, died at 75.

The U.S. women's soccer team struggled at the World Cup, losing 4-0 to Brazil after coach Greg Ryan benched starting goalie Hope Solo.

I. Twice as nice

Three years after erasing the 86-year "Curse of the Bambino" and ending one of the longest title droughts in sports history, the Boston Red Sox did it again by sweeping the Colorado Rockies to win its second World Series in four years. Boston rang up the best record in baseball during the regular season, and then best the Rockies, who had won 21 of its previous 22 games.

J. Sad admission

After several years of denial, track star Marion Jones, a five-time Olympic medalist, admitted to the public that she took steroids prior to the 2000 Summer Olympics. Afterwards, the IOC stripped Jones of her medals and she announced her retirement.

K. A champ again

Russian tennis sensation Maria Sharapova, only 20 years old, won her third Grand Slam title by breezing through the Australian Open without losing a set. Sharapova added the crown to the previous U.S. Open and Wimbledon titles she already won.

Bobby Knight stepped down at Texas Tech with 902 wins, the most of any coach in college basketball history.

Roger Federer and Rafael Nadal continued their rivalry as the two best tennis players, capturing all four majors between them.

Nascar driver Jimmie Johnson won his second straight Nextel Cup.

L. Record season

In his 17th season, Green Bay quarterback Brett Favre set the NFL career record for passing yards, passing Dan Marino. The 38-year old, three-time MVP also experienced a rebirth by leading the Packers to a 13-3 season and the NFC Championship Game. However, they fell one game short of the Super Bowl, losing to the New York Giants in overtime.

M. Dog days

Atlanta Falcons quarterback Michael Vick was arrested by federal investigators for organizing a widespread dog-fighting ring out of his home.
