"BEST I

11/5
2010

At the end of last year, Mr. Michalsky asked me to be the yearbook editor this year. I was honored and excited to have a leadership role in the production of the yearbook because creating spreads is something I really enjoy doing. This year's yearbook staff has been a really fun group to work with. I am proud of all the hard work and dedication that was put into producing a yearbook that I believe is far superior to all previous yearbooks in terms of quality and creativity. Thank you to all my yearbook classmates for making publications such an enjoyable experience!

Publications has always been a special class for me. I enjoy working with the students to create a finished product, something that captures the fun and excitement of another school year. This year's class, through exceptional leadership by Katie, exceeded all of my expectations. It's good when you have a class that meets all of the deadlines. It's great when you have a class that meets all of the deadlines and they create visually appealing spreads. It's phenomenal when you have an editor and a staff that research new and groundbreaking ideas, push the limits of creativity, and problem solve like NASA scientists. This describes the 2010 Publications class very well. This class really put all of the elements together and I couldn't be more proud of them. I think this yearbook raised the bar for future classes, and it will be hard to produce a more creative and appealing book. Saying goodbye to this talented group of young men and women will be very hard, but it is their time for bigger and better challenges. Make me proud.

Dancing The Night Away

This Homecoming was a night to remember. New this year, Student Council decided to save money by buying an Ipod with songs instead of a DJ, and a lighting and sound system for the dances. The music was then approved by two faculty members. With many willing helpers, two amazing people decided to take charge and make Homecoming 2009 a great high school memory: Annie Preissel and Katie Field. There were many things that made the whole week seem more like a night under the big top, especially the dance. Underneath the gossamer-made big top, the gym was filled with realistic caged animals and balloon columns.

Track and Field

This year the boys and girls track and field teams were very successful. Both teams were led by their dedicated captains, which included Taylor Hickey, Nicole Gantz, Tess Myklebust, Jake Gregerson, and Zach Batchelor. The girls team had a very impressive win record, which INCLUDED the Heather Johnson Invite, Baraboo Fresh/Soph Invite, Conference, and Regionals. Although the boys team did not win a meet, they came very close and did a great job with the number of people they had. They received 3rd at the Heather Johnson Invite, 3rd in Conference, and 2nd in Regionals. While at conference, the girls team brought home many gold medals in the hands of Taylor Hickey in the 1600 meter run, Becky Madsen in the shot put and discus, 4x100 meter relay (T. Myklebust, J. Julson, B. Stroebel, M. Morse), 4x200 meter relay (T. Myklebust, J. Julson, R. Foth, C. Heller), and the 4x400 meter relay (T. Hickey, J. Hickey, K. Norgard, J. Julson). Boys that took home the gold were Kyle Theiler in long jump and high jump, Jake Gregerson in pole vault, Kasey Podoll in 300 meter hurdles, and the 4x200 meter relay (Z. Batchelor, W. Hoglund, R. Stroede, K. Theiler). With all the hard work throughout the season, the teams took 14 athletes to state with the girls 4x100 meter relay (K. Pikorz, J. Julson, T. Myklebust, H. Conroy, R. Foth, M. Morse), girls 4x800 meter relay (S. Swatek, K. Norgard, J. Sweet, T. Hickey, J. Hickey, K. Clemens), girls 4x400 meter relay (H. Conroy, S. Swatek, K. Norgard, T. Hickey, T. Myklebust, J. Julson), Taylor Hickey in the 1600 meter run, Kasey Podoll in 110 hurdles, and Jake Gregerson in pole vault. Not only did we take 14 athletes to state, but there were 3 records broken by Taylor Hickey in the 3200 meter run, Stacey Swatek in the 800 meter run, and the girls 4x800 meter run (T. Hickey, S. Swatek, J. Sweet, K. Norgard).

Take Me Out To The Ball Game!

Coming off a tough campaign in 2008, the Chiefs had a lot of questions that needed to be answered in 2009. Although the Chiefs were not predicted to finish at the top of the SCC, they finished 2nd behind Mauston with a 7-3 record. The team swept Nekoosa and Wautoma, the pre-season favorites to

win the conference.

The Chiefs defeated Adams in the first Regional game before being defeated by Portage 11-4 in the Regional Semifinal. They finished the season with a 14-12 record.

Alex Yacko led the Chiefs offensively, hitting .402 for the season (.436 in the SCC), and he

collected 1st Team All-SCC honors.

Josh Ingersol was the leading pitcher and Billy Percival was the Gold Glove winner. Kyle Stowers, who did everything on defense (pitcher, catcher, outfielder) was also named 1st

Team All-SCC.

"Don't Stop Believing"

The Lady Chiefs went into the 2009 season with high hopes. With a lot of players returning and a lot of talent coming up, the girls were sure to have an impressive season. The team decided their goals for this season were quite high. They knew they wanted to win conference but many of the girls felt they had a good chance of going to state. The girls went 9-1 in conference and 19-7 overall, making them conference champs and a number one seed. This seeding gave the girls a first round bye. The Chiefs would play the winner of the Lodi, Adams Friendship game. Lodi was forced to forfeit due to school closure giving Adams the win. The Chiefs had beat Adams both times that they had faced them in conference. Therefore, they slightly overlooked the game. Adams came into the game ready to play and looking for revenge. The Lady Chiefs were unable to clench the win and an early end came to what the Lady Chiefs thought was going to be a spectacular season. There is once again many players returning and talent coming up. The Lady Chiefs will likely go into the 2010 season again with high hopes.

Once again the Wisconsin Dells Dolphins had to adjust to a new coach, Lindsay Hockey. Even though the Dolphins were a young team and had a new coach, they kept their expectations high. Two of their main goals were to finish in the top half of their conference and to have perfect attendance at practices. Throughout the season they grew together and became more than just a team, they became family. Albert Gnadt said, "Some of my favorite memories were jumping in the pool at 7a.m. and swimming a mile instead of regular practice." He was also proud of the fact that the Dolphins were listed in terms of G.P.A. as the most intelligent team in conference. Overall the Wisconsin Dells Dolphins had a successful season, and they obtained numerous memories that will never be forgotten.

"Swing" Boys Golf

Hey wait for Jade!

The Wisconsin Dells varsity golf team needed to have several golfers step up in 2009 if they were going to continue their dominance over the rest of the South Central Conference. They did in a big way as the Chiefs won the conference title for the fourth straight year. The 2009 team consisted of 80% of the First team All-Conference selections with Jade Royston, Keelan Kimball, Justin Ward, and Josh Krueger accepting the honors.

As the tournament season proceeded, the Chiefs continued their dominance by winning the WIAA Regional tournament at Tuscumbia Country Club in Green Lake. The next stop for the team was a very tough Sectional at Yahara Hills C.C. Although the team had a great day, they finished in third place, a mere eight strokes from going to state as a team. However, Jade Royston provided a bright spot as he qualified as an individual for the WIAA State Golf Tournament at University Ridge. Jade would go on to finish 13th in the Division Two State Tournament. Jade is the first golfer in school history to be a conference champion in golf all four years of high school. Next year they are hoping to improve even more as a team and hopefully make it to state.

The 2009 Girls Golf Team knew when the season started that it would be a rebuilding year. After graduating three varsity players, sophomores Tama Estebo, Sam Mueller and Marley Schultz were the only returning players on the nine-person team. With five new freshmen and sophomore golfers and Senior Rebecca Hand returning to the game after a two-year layoff, the lady linksters experienced a slow start while the newcomers picked up the game. As the season progressed so did the team, and the scores got better on a nightly basis. The hours of practice on the range, putting green, and course paid off at the end of the year when the team placed 6th at the regional with a score that was almost 75 strokes better than early season scores. Hand, the lone graduating senior captain, may have come out a bit late but made an impact and had the best overall scoring average on the team. The other captains, Estebo and Mueller earned accolades for their solid performances and leadership. Estebo was the season MVP. Mueller earned the Coaches Award and was named Most Improved. Freshman Dana Marshall made a big impact by posting the team's best scoring average and being named Rookie of the Year. Marley Schultz received Sportsmanship Award and Emily Upson was the JV player of the year. Other members of the team included sophomores Shelby Barry, Melissa Gaffney and Amanda Tobey.

"The Game of Love"

"The season can be judged on the efforts of the players in every match. Improvement was a constant throughout the season, allowing the team to surpass expectations. A young, unexperienced team to start the season ended it with promise for the future" Coach Martin speaks about his satisfaction with the season. The tennis team came out with a school record for dual match victories, three individual surpassed school records for match victories, and had two sectional qualifiers this season. The most individual wins this seasons were led by: Ericka McCabe, Taylor Bires, Corby Toolis (varsity), Jodie Bork, Sydney Flock, and Jade Ripp (JV). The Lady Chiefs ended with an overall 5-12 record. Captains were Tetyana Hladun & Erika McCabe. The tennis award winners were Abbi Delmore- MVP & Tezrha Krueger- Most Improved Player. Football 2009 Season

"Heart Of A Champion"

The 2009 season for the boys started out rough, with some tough non-conference competition. In order to meet their goals of being conference champs and going to the playoffs, the boys needed to show determination, perseverance, and step up their game.

The Chiefs ended the season 4-1 in conference, falling one game short of their goal to be conference champs. But their overall record of 4-5 allowed the Chiefs to reach their other goal

of reaching the playoffs.

The Chiefs played Reedsburg in the first round of playoffs.

Unfortunately, Reedsburg outplayed the Chiefs, and took the win 35-0. The coaches were very proud of the hard work and leadership the boys showed throughout the season. With the J.V. going 3-3, and the freshman going 7-0, the Chiefs are looking forward to the future.

“HERE GO THE

This year's volleyball season was very successful on all levels. The JV Reserve team suffered some injuries throughout the season, but they made the necessary adjustments and finished 4 - 5 in conference. The JV team had a lot of potential from the start of the season. The girls worked hard and proved just how good they were with an overall conference record of 9 - 1. Both the JV Reserve and JV teams won their end of the season conference tournament. The Varsity season was started with leagues, tournaments, and team bonding in the summer. The fifteen girls that made up the team became closer than ever, earning a 9-1 record in the SCC, and an overall record of 20-8. The highlight of the season was when WDHS closed due to sickness, and the team was forced to stay away from each other and the court for six days. After the days of rest, the Chiefs won three huge matches in one week to take the conference title outright. Soon after winning the SCC, the girls defeated Prairie du Chien in Regional play, but had a season-ending loss to River Valley. Leadership by seven seniors was a huge contribution to the Varsity's success. The girls lacked height, but proved their ability with heart and determination. A family of fifteen girls and two coaches played, cried, laughed, and climbed to reach all their goals for the season. Together they climbed from low expectations to a South Central Conference Championship.

"Imma Star"

This year the Cross Country team's goal was to build team camaraderie and make better people of themselves. They accomplished this goal and they also had many more accomplishments. Some of the accomplishments were the boys and girls teams placing highly in conference, the girls winning the Reedsburg Invite, having eight All Conference runners on the team, having the first full JV boys team in years, and Taylor, Stacey and Max going to state. Unfortunately some of the team members had to overcome certain obstacles throughout the season. Jared had a stress fracture, Chad and Abby had shin splints, and there was a lot of sickness going around near Homecoming, but they helped each other through these hard times. Working together definitely paid off. In conference, the girls finished first in conference and the boys finished second. In Sectionals, the girls finished fourth and the boys finished seventh. They were both successful as a team and as individuals. Taylor Hickey set the best time for girls with a time of fifteen minutes and seventeen seconds, and she also placed ninth at state. Max Mattei set the best time for the boys with a time of seventeen minutes and eight seconds. In addition to these records many other team members had personal records, making this season very memorable.

Matt, did you make it?

The soccer team started out the season with high hopes; and needless to say, it was a learning year for the Chiefs. The team was coached by Thales Blaso (Head Coach) and Paul Weidenkopf (Assistant Coach). Although the season didn't end with the results the team was hoping for, the players still kept high hopes and ended with a 4-14-1 record. It ended up being the second most total wins in a season. On the field, the team played more of a "defense first" strategy. This allowed the team to drop the total number of goals to 67, rather than the 104 from last season. The Chiefs scored their largest victory against Mauston with an astounding 8-1 final. Some of the accomplishments were Michael Holzem setting the record for most assists in a game with four, and Matt Lagoda tied the record for most goals in a game with five. The team looks forward to the 2010 season.

Football Cheerleading

Wisconsin Dells Football Cheerleaders had a change this year. Coach Julie Mor retired last year, so this year Wendie Gregerson was their new coach. For being new to coaching football cheerleading, Wendie did a wonderful job. The cheerleading squad had four freshmen on the team, which hasn't happened since 2007. The girls had fun, looked good, and cheered loud throughout the season. We say good-bye to our fellow seniors Sunny, Danie, and Cassandra. Good season girls!

Awards this year went to Emily for Most Spirited, Most Improved was Katy, and the MVP award was given to Guinevere King.

Basketball Cheerleading

Wisconsin Dells Basketball Cheerleading had an excellent 2009-2010 season. Having a great squad made everything easy. The squad created a few new cheers, which is a big accomplishment. Not only did they perform magnificently, but the cheerleaders also showed amazing spirit for all the winter sports!

As a captain should, Guinevere King believed in the squad no matter what and helped them overcome all obstacles throughout the season. She showed leadership, responsibility, and most important, school spirit. Senior, Danie Von Moos was the squad manager; she attended practices and supported the squad with enthusiasm. The basketball cheerleaders were supportive of each other and really showed their school spirit!

The team posing gangster before a performance!!

The main focus of our team this season was reclaiming ourselves as a competitive dance team. With help from a strong-minded group of girls and great leadership from the two captains, Ashley Brown and Annie Preissel, our team was very successful. At our first competition, the team was only seven points shy of bringing home a trophy. All of the dancers who will be returning are extremely determined to bring a winning performance to the upcoming dance competitions. From the beginning of the season until the very end, every member of the team gave 110% constantly, at both practice and performances. The girls had the team's best interest at heart, which was achieving goals and being a success. Although our numbers favored new members on the team, it did not show on the floor. This has been one of the best years that the WDHS Dance Team has ever had. We hope to continue the standard for years to come.

The 2009-2010 edition of the Wisconsin Dells Lady Chiefs had many question marks entering the season. However, under the leadership of captains Tess Myklebust, Abbi Delmore, and Heather Conroy, the Chiefs put together a great season. Their outstanding defense, hard work, and motivated spirits allowed them to stay in every game. Even as many thought this would be a rebuilding year for the team, the girls pulled through with a 5-5 record in conference. Two losses were in overtime, one loss was a two-point game, and another loss was only a one-point game. Coach Mattei stated this year was possibly his favorite in light of the great personalities that created the perfect storm of bliss. He thanks all the seniors for laying a solid future for the girls basketball team of WDHS.

This year's basketball season was full of excitement and glory. Led by the leadership of seniors Justin Ward, Nate Gibson, Josh Eftmann, Kyle Stowers, Bobby Sows, and Albert Gnad, the Chiefs had another great year. Winning the South Central Conference championship for the 3rd straight year, the boys really showed their true dominance. The year started a little different for the boys' basketball team, bringing in 2 freshmen to the varsity and a 3rd later on. Although these freshmen did not see the floor as much in the beginning of the season, they proved to WDHS and to Coach Rohling that they could definitely help out, and they did that and more.

With their sensational playing, the boys' basketball team earned a 3 seed in the playoffs. Battling through a very tough and exciting game, the Chiefs unfortunately fell to the Reedsburg Beavers in the first round Regional match-up. This is a season that the seniors and everyone else will definitely remember. Great season guys and congratulations on winning conference for the 3rd straight year!

"I am very proud of this years basketball team. We won conference for the third year in a row, which is always our main goal. I am especially proud of our seniors who provided outstanding leadership and dedication during the season. This team had a great group of kids to coach, and I enjoyed every minute of the basketball season."

The Dells Wrestling team took a huge step in the right direction this year. Even though they had small numbers, all the wrestlers worked hard to fill each of the 14 weight classes. The varsity team went 12-5, taking 1st place at the Palmyra Tournament, 2nd at the Dells Invite, and 3rd at the Royal Invite. They also had 7 all conference wrestlers, two of which (Kit Conrad and Nick Mor) made it on to state. In addition, they tied for the conference tournament/dual meet portion, but ended up finishing third overall in the conference. Unfortunately they didn't meet their goal of conference champs, but they still had an extremely successful season. The wrestlers had a lot of fun together making memories that will never be forgotten from singing "Sweet Caroline" in the showers to winning 12 dual meets and the Palmyra tournament. The team will be losing 4 seniors who were a huge part of the team's success this year, but they have a great group coming back next year and are looking to have another successful season.

Rhino looking for a goal

Needless to say, this was a very interesting year for the Dells hockey team. Combining with Reedsburg, one of the big rival schools, wasn't easy at first. Overcoming the competitiveness between players from different schools and becoming a unit was one of the achievements the team had. Other achievements of the season were having a record over .500 and earning one of the top seeds in the playoff bracket. The varsity team had a first round bye in the playoffs, won the second round of playoffs 8-2 against Black River Falls, and lost the third round of playoffs 3-5 against Onalaska. The RWD record proudly shows how hard every player has worked this season. The varsity team finished with a record of 14-17-1 while the JV team wrapped up the season with 9-9-1. Every player on the team can proudly say that they are satisfied with how the season went. Forming a new co-op was just one challenge that the team faced. The second was how young the team was. Two juniors and one sophomore held the highest number of points earned during the season. The highest scorers were Ryan Theiler with 48 points, Luke Bjorklund with 39 points, and Josh Krueger with 33 points. RWD is hoping for another great season next year.

"Whatcha Say"

"Hey you!" wait... "Hey ya!" were the opening sounds from the song, "Voice Dance III" performed at the first ever Chieftain only concert, "Just Us". This year has been a new beginning and a new

experience for all of our choirs and myself, and in an environment where our experiences help make the music more expressive. Understandably, a new director was difficult for some; however, they all have adjusted very well which really is a testament to their maturity and professionalism. I am personally forever thankful to Mr. Burrill for preparing these students last year for the challenges they were to face this year. Bravo sir! Music is my passion and I would like to think that I am inspiring students just as much as they inspire me.

These experiences of inspiration came full force during the winter concert. Combining all three high school choirs, along with the middle school was a challenge but despite the range in experience, each choir performed incredibly. This was clearly demonstrated when they all sang "We Need A Word," and "Silent Night." After their stirring rendition of "Silent Night," in sign language, the audience immediately gave the choirs a standing ovation. As long as these choirs continue to strive for excellence in and out of the choir room and on stage, they will continue to grow and wow the audiences.

German Exchange

This year at WDHS we had two exchange students, Anne Krejci and Ute Soldner. Anne Krejci was from Dasseldory, Germany. She has no siblings and two pet rabbits, Baby and Hop-pel. The reason she decided she wanted to be an exchange student and come here was because she wanted to learn about other cultures, meet new people, and speak better English. She started learning English when she was in fifth grade and it was the easiest language for her to learn.

While here, she had many new experiences. Anne’s favorite places she went to were waterparks, the Tanger Outlet Mall, and Mall of America. Visiting New York was also an exciting experience for her. According to her, WDHS is different than her school because at her school in Germany she had different classes every day, the classes are only forty-five minutes long, and the school day ends at a different time. An

average school day for her in Germany was going to school from eight o’clock to one o’clock, homework, then having fun hanging out with friends. Other things she likes to do for fun are going dancing at clubs, playing tennis, and shopping.

Anne has also been to Spain, France, England, Italy, the Netherlands, and the Czech Republic. She said coming to WDHS was a wonderful experience for her because of the friendly people and great memories she obtained.

Students

Ute Soldner was from Augsburg, Germany. She has two brothers, Peter who is twenty and Thomas who is thirteen. Baby and Mia are the names of her two cats. Ute decided to be an exchange student because she was interested in learning about a different way of life, being away from home, and seeing new things. She has also been to Greece, Austria, France, Italy, Switzerland, Bulgaria, Turkey, and Croatia.

Ute said that WDHS was different than her school in Germany because the school systems are different. Her classes in Germany are harder, and the teachers also expect a lot more from students, and students have to do a lot more studying on their own. A typical school day for Ute in Germany was school from eight o'clock to three or five o'clock depending on the day, homework, going to sports or piano lessons, spending time with friends, having dinner, then going to bed around ten o'clock.

While in the United States she went to Minneapolis, Madison, Florida, and New York. Some of Ute's favorite things to do in Wisconsin Dells were going to the movies and going down by the riverside. What she liked about WDHS was the school spirit, Track and Field, and having classes with students from different grades. Biology was her favorite class because she thought the teacher, Mr. Krahn, was great and the class was very interesting to her. Coming to WDHS was truly a life changing experience for Ute.

The link crew program has been going on for two years now. The goal of the program is to mentor the incoming freshman. Twenty-eight juniors and seniors were selected for the group of mentors out of sixty total applicants. Link leaders spent a few days of their summer vacation training and preparing to welcome the freshman class. The main event for the leaders is the annual freshman orientation. At the event, the freshmen are shown around the school and participate in group exercises to help ease them into high school. Several other events occurred throughout the school year. The WKCE testing days were the most intense for the link leaders because they all participated in a trivia contest that ended up being extremely competitive. Link Crew has been very helpful for freshman with their transition into high school, and we hope to continue its success for many years to come.

HELLO

Mrs. Leaf

Mrs. Leaf and her husband

In 2010 we welcomed Mrs. Leaf to the WD staff. Mrs. Leaf was born in Rhode Island on September 19th, 1979. She is the main freshmen-sophomore guidance counselor. Her job is to help students be successful by promoting their academic, personal, social, and career needs. She believes the best part about her job is seeing a struggling student experience success. If she had a million dollars she would travel around the world. Her hobbies are biking, walking, soccer, and watching Badger athletics. Hopefully WDHS is a good fit in the future for Mrs. Leaf.

Mrs. Leaf on her wedding day

Mr. Munderloh

Mr. Munderloh holding golf

Mr. Munderloh was new to WDHS in 2010. In La Crosse Mr. Munderloh was born on August 4th, 1977. He was the new choir teacher and conducted WD's three choirs. He also taught Freshman Seminar, helped with Link Crew, and the musical *Grease*. His favorite part of his job is creating something from nothing and creating colorful work from black and white notes. Mr. Munderloh grew up with three brothers (one of which won a Grammy). If he could eat one thing for the rest of his life, it'd be grilled chicken salad. He enjoys to golf when he's not teaching. We hope to see Mr. Munderloh in the years to come because he has been a great addition to the WDHS teaching staff.

Mrs. Hicks having fun with her kids

Mrs. Hicks was born in Madison, WI in 1980. She grew up in Waunakee and went to college at UW-Madison. She is now the school social worker for the entire district. Her job consists of aiding with families who struggle financially.

The best part about her job is getting to know great students, especially at WDHS. Her biggest inspiration is her grandma Pudge; she dealt with cancer and many challenges with patience and grace. If Mrs. Hicks could change one thing about herself it would be to be able to teleport; she's always on the run! Mrs. Hicks' advice and problem solving will hopefully be improving WD for many years to come.

Mr. Kutzler

Mr. Kutzler showing off in the high jump

Halfway through 2009, WDHS welcomed Mr. Kutzler to the teaching staff. He was born in 1983 in Watertown, Wisconsin. Here at WDHS, Mr. Kutzler claims he has all the fun classes, such as autos, technology education, small engines, and metals. The best part about his job is seeing comprehension on a student's face (seeing the lightbulb turn on). His biggest inspirations were his father and his grandpa. If Mr. Kutzler could change one thing about himself, he would've gotten more involved in high school. He encourages high schoolers to join as many things as they can. Hopefully WDHS will become Mr. Kutler's home for many years to come.

What's up Mr. Kutzler

GOODBYE...

In 2010, we said goodbye to an outstanding and unforgettable History teacher. Mr. Tom Swatek said goodbye to 11 great years at WDHS. He attended college at UW-Oshkosh and received his BS in History, then earned his teaching certification, Economics minor, broad field Social Studies major, and Drivers Education and Teaching certification at UW-Stevens Point. Mr. Swatek began his teaching career in 1980 in Winter, Wisconsin. He taught at Winter High School for eight years and lived in a cabin in the woods. He met his wife Cathy, and many of his friends while he was there. His wife and him moved to Lyndon Station and he taught at Hillsboro High School. Years later, his two daughters Allie and Stacey began school in our district. Mr. Swatek was given a job at WDHS. Over the years, his most embarrassing moment as a teacher was when he was hypnotized at an assembly in the gym. He was riding a wild bouncing bunch of balloons, but while he was hypnotized he thought it was a bucking bronco; keep in mind the entire student body and all the faculty members witnessed this. As a teacher, the relationships between Mr. Swatek and his students is very important to him. His favorite accomplishments are when a student who once struggled in school, comes up to him in years later and discusses the student's success, and being thanked for taking part in a student's life. Mr. Swatek has left a mark on many students' hearts, and will never be forgotten. His stories and enthusiasm intensified his classroom atmosphere extremely. Mr. Swatek was always standing in the hallway, greeting students as they passed in the halls. Thank you Mr. Swatek, for your knowledge, laughs, and life lessons. You will never be forgotten.

Mr. Swatek and his wife

We'll Miss You

Mr. Swatek spoke at many graduations, and announced many Grad Members at Homecoming, Prom, etc. Thanks for all your help!

Homecoming 2009

This is a true love for you, Mr. Swatek

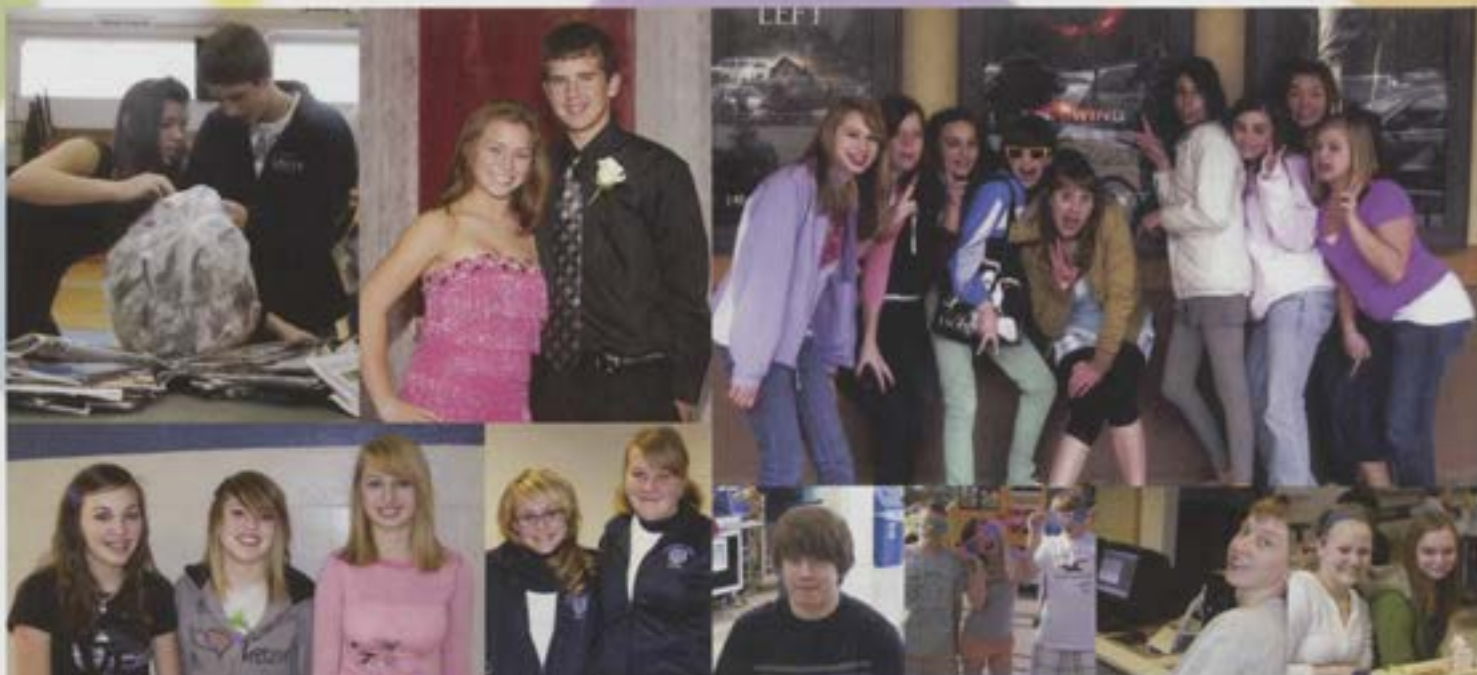

Mr. Swatek

When asked about his retirement, Mr. Swatek stated, "I have canoe and bike trips I wish to take. I have a strong desire to think, plan, and create for myself. There are relationships, which I wish to make stronger, and ideas clearer. Life is not a dress rehearsal, and we must all take chances. It is true that the familiar is safe and secure, but the familiar can also be a rut and the deeper the rut the harder it is to escape its limitations and see other possibilities."

Mr. Swatek with his two daughters, Allie and Stacey

Mr. Swatek introduced many freshmen students to the high school life. He created a comfortable and fun atmosphere while filling students' brains with knowledge. From the daily doubles, bear stories, "AHMOSE", desk jumping, and the kickball games, he touched the hearts of many students.

Prom Chair 2009. Thanks for all your hard work Porscha!

Prom 2009 was themed A Courtyard of Dreams. Contributing to making the night a success was Prom Chair Porscha Johnson, and Co-Chairs Tricia Gussel and Annie Preissel. After months of planning, weeks of building, and days of decorating, April 25th had finally arrived. Students, parents, and faculty walked into an elegantly decorated gym with red gossamer streaming from the ceiling. A towering black gate near the back of the gym marked the entrance to where students would make their way down a black runway sprinkled with rose pedals. Prom King Jordan Hinze and Queen Tricia Gussel shared the first dance to the song "Time of My Life," by Chris Daughtry. The rest of the court soon joined in and were then followed by the rest of the student body. This night was one everyone will remember as a great time of their lives.

Axel

"Sail On"

After a 9-hour plane trip from his hometown in Copenhagen, Denmark, Axel Skafte-Holm made his way over to the U.S. as an exchange student, settling in Mauston, Wisconsin. However, he resettled in the Dells during second semester of the 09-10 school year, joining the graduating class of 2010. Although he was only 16 years old, traveling to a foreign country was nothing new for Axel because he has been to over twenty others, including Italy, Norway, Switzerland, Egypt, Malaysia, and Turkey. His favorite so far has been Australia, due to the friendly and helpful people, amazing nature, and great sailing (back home, he sails on a national team!) He speaks Danish, French, and English, and he can also understand Swedish and Norwegian. Axel came from a large family, consisting of sister named Clara (13), an older brother named Victor (20), a stepsister named Sofia (12), and stepbrothers Philip (15), Fredrick (16), and Christian (17)

He is considering following in his father's footsteps in becoming a doctor & possibly a stock investor. Axel loves the experience of traveling because of the languages and the friendships formed around the world. Here in Wisconsin Dells, he utilized the snowy winters for snowboarding with friends. He also enjoyed participating in sports. In Mauston, Axel was a member of the Golden Eagle's basketball team and also played on the soccer team. While at WD, he participated in track and was a member of the Forensics team. A typical school day in the Dells for Axel was a little different from Denmark in the fact that WDHS has a block schedule and Denmark has 45-minute classes. Axel described the students at WDHS as having different personalities than his fellow students back home, but loved experiencing the different nationalities. His favorite teacher here was Mrs. Connor because of her "enthusiasm, her great way of teaching, and for her participation with the individual student." Axel wanted to thank all WD students and staff for their help in building great memories and Favorites, experiences he will carry for a lifetime.

Role Model: My grandfather; he had a long career and acquired incredible skills. He is a unique person and taught me a lot of hands on things from a young age. **Music:** Techno **Movie:** We Were Soldiers

Colors: Blue & Red **Food:** Pizza & Lasagna

The Perfect Girl: Not interested in hair or eye colors, all I'm looking for is a fun, outgoing, and active girl. The perfect date would consist of a movie & chillin.

Katie,

"To accomplish great things, we must not only act but also dream. Not only plan, but also believe."

-Anatole France

You have accomplished so much already. As you continue your journey at UW-Madison, remember to dream big, and believe in yourself. We are very proud of you, and know you will succeed in all that you do.

Congratulations and good luck! We love you!

2009-2010

ARMY BASE MASSACRE ▶

An army psychiatrist at Fort Hood, Texas, allegedly opened fire on base, killing 13 people and wounding 30 before being wounded. Investigators were trying to determine whether Major Nidal Malik Hasan, an American, had terrorist ties.

ABLE AND UNEMPLOYED ▲

There were signs the nation was climbing out of the recession, but job hunters could not tell. U.S. unemployment reached 10.2%, the highest since 1983. The unemployment rate for teens reached a record of 27.6%.

YANKEES BACK ON TOP ▶

The New York Yankees defeated the Philadelphia Phillies in six games to win the 2009 World Series, and claim their record 27th championship. Outfielder Hideki Matsui hit .615 in the series and became the first Japanese player to win World Series MVP.

BOLT INTO THE RECORD BOOK ◀

Already the fastest man in the world, Jamaican sprinter Usain Bolt won the 100 and 200 meters at the 2009 World Track Championships in Berlin, shattering the world records he already held. Bolt's time of 9.58 seconds in the 100 was more than a tenth of a second faster than the previous record he set in the 2008 Olympics.

SPREADING GLEE ▼

Glee, Fox's new comedy about the show choir group at an Ohio high school, became a critical success and was nominated for numerous awards. The show's musical format gained a loyal audience, led to frequent song downloads from the show's musical numbers and even to new glee clubs at some high schools.

BALLOON BOY HOAX ▲

The parents who claimed their 6-year-old son was carried away by a flying saucer-shaped balloon served some jail time. The plot by Richard and Mayumi Heene was revealed by their son, Falcon, during an interview when he said the family "did this for the show." The Heenes, who had appeared on Wife Swap, apparently were hoping the incident would lead to another reality TV show.

SAFE LANDING ▲

Airport security was looked at again after a Nigerian man tried to blow up his Northwest Airlines flight just before landing in Detroit on Christmas Day. Umar Farouk Abdulmutallab, 23, was badly burned when he lit a small explosive device while sitting in his seat. He was held by passengers and crew until the plane landed.

FLU VACCINE SCARCITY ▲

While the government asked the public to take the H1N1 influenza seriously, vaccine shortages occurred because it could not be made fast enough. Then people had to decide whether to get the "regular" and the H1N1 vaccines – available in shot and nasal mist forms.

TWEETING THE NEWS ▲

Many news stories were beginning to appear on social websites like Twitter. Some events closed to traditional media outlets, such as Iran's government-controlled election, were reported to the world via Twitter users.

WAR ON TERROR ►

About 68,000 U.S. troops were stationed in Afghanistan to fight the Taliban as President Barack Obama planned to send an additional 30,000 troops. He also stated a goal of bringing troops home beginning July 2011.

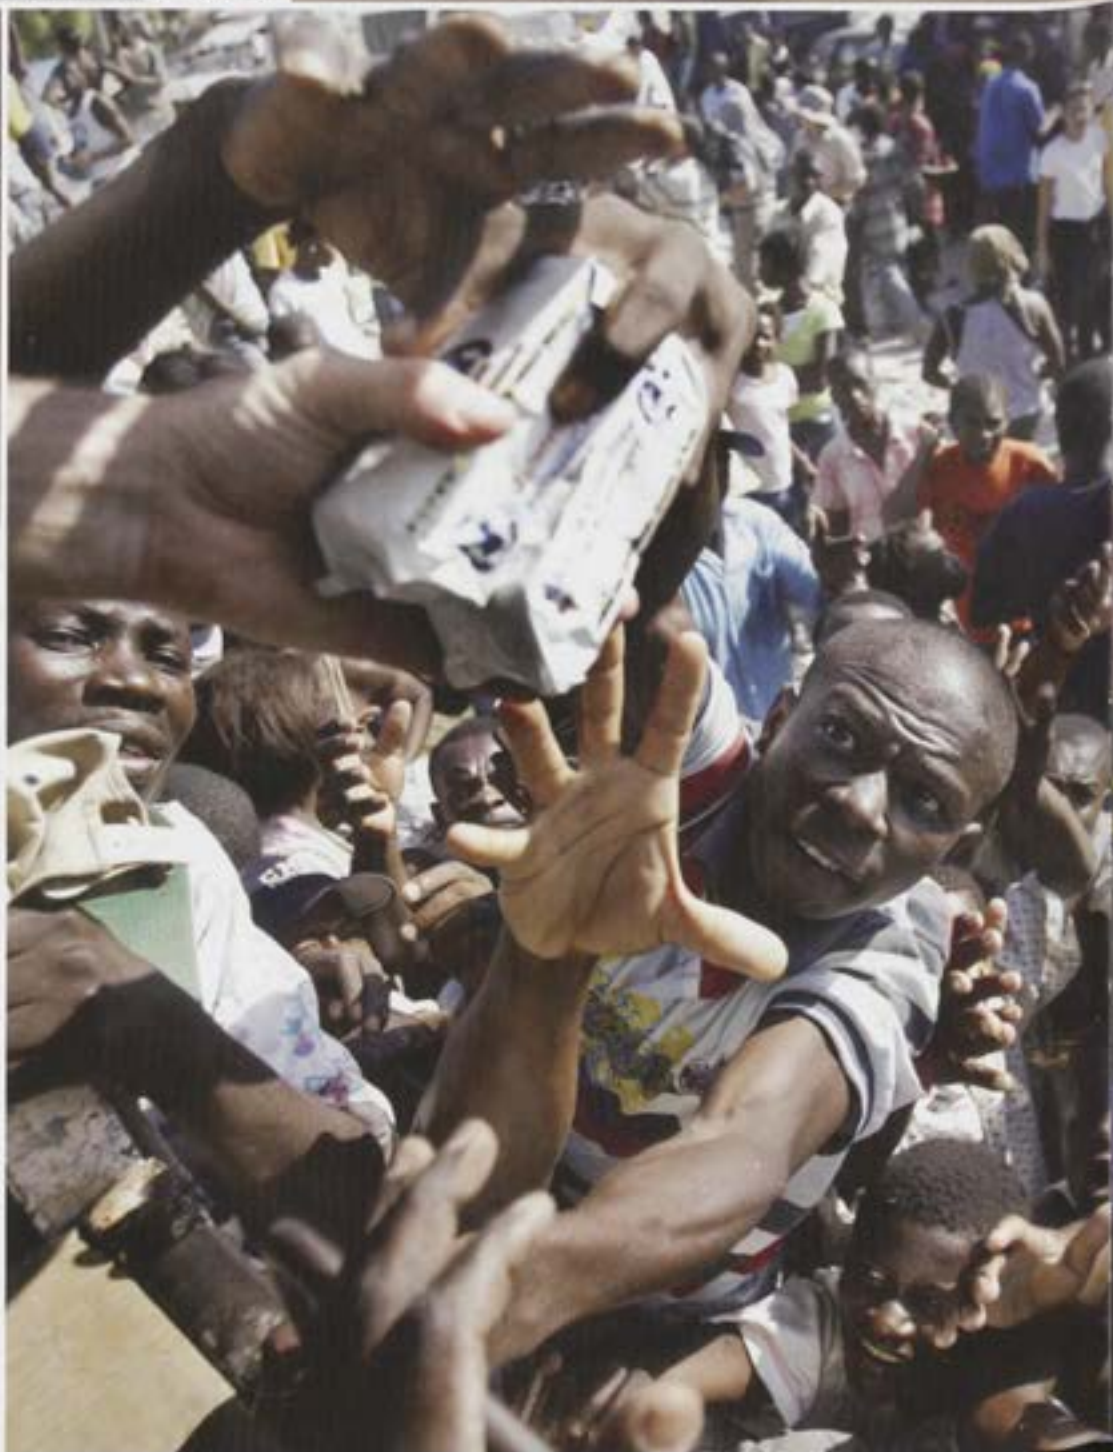

ENDING ON A HIGH NOTE ▼

The story of plane crash survivors who end up on a mysterious island, *Lost*, finally came to an end during its sixth and last season. The cult classic, which at its peak became one of the most-watched shows on TV, once again became one of the "events" of the TV season by wrapping up all its mysteries.

DISASTER BEYOND BELIEF ►

A powerful earthquake, measuring 7.0 on the Richter scale, hit just outside Port-au-Prince, the capital city of island nation Haiti. More than 217,000 people were killed, nearly 400,000 lost their homes and were left scrambling for aid and several of the country's historic landmarks were destroyed.

EVERYONE GOES WIRELESS ◀

Most people were now carrying wireless phones. And the gadgets could do more things, as products like Apple's iPhone allowed users to place calls, take pictures, access email and the Internet, keep schedules and much more.

HARRY POTTER STILL STRONG ▼

The Harry Potter series continued stronger than ever through the movies. The film based on the sixth book, *Harry Potter and the Half-Blood Prince*, made nearly \$1 billion worldwide. Plans were made to split the story of the seventh and final book into two movies.

AWKWARD MOMENT ▼

When country star Taylor Swift won Best Female Video at the MTV Video Music Awards, rapper Kanye West grabbed the microphone and protested that Beyoncé should have won the award. West's upstaging of Swift was met with boos. When Beyoncé won Video of the Year later in the show, she called Swift back on stage for the two ladies to share a moment.

SOME THINGS CHANGE ▲

Showing how far hip-hop has come, the late rapper Tupac Shakur's song, "Changes," was included as one of the 12 songs on the Vatican's official MySpace Music playlist when it was released, alongside Mozart.

THE BEST EVER? ◀

Roger Federer won the 15th Grand Slam singles title of his career, when he defeated Andy Roddick in a five-set classic at Wimbledon. It was the most Grand Slam titles of any men's tennis player in history. Federer then added to his record in the new year when he won the Australian Open for the fourth time.

TOUCH THE IPAD ►

Apple once again created buzz with its latest product roll-out, this time releasing its version of a tablet computer with the iPad. Essentially functioning the same as an iPod Touch, the iPad primarily allowed users to access the internet, watch video and listen to audio.

SNOWED IN ▼

Two massive blizzards hit several major cities in the eastern U.S. in early February, closing schools and shutting down businesses for days. Baltimore, Washington D.C. and Philadelphia were all hit hard and set records for seasonal snowfall.

DRUG WAR ESCALATES ▲

Violence between rival drug cartels in Mexico continued to cause problems throughout the country and along the border with the United States. The Mexican government deployed thousands of soldiers in many cities to crack down, while the U.S. even began talk of offering the help of the National Guard.

DEALING WITH AUTISM ▲

Parents and doctors continued coming to grips with the apparent rise of autism cases among children. Various studies continued to search for causes, while medical professionals kept scrambling for cures and treatments. All the while, mostly questions remained.

BACK TO FORM ◀

Olympic swimming legend Michael Phelps returned to the pool at the 2009 World Championships in Rome and won five more gold medals. After finishing second in the 200-meter freestyle, his first race loss in four years, Phelps responded by being part of setting four individual and relay world records.

A WHOLE NEW, 3-D WORLD ▶

Futuristic, sci-fi thriller *Avatar* easily became the biggest box office hit of the year, and one of the biggest hits of all-time, mostly due to what audiences considered breathtaking visuals. Using new, advanced 3-D technology, the movie was in production for several years and cost more than \$250 million to make.

SHAKEUP ON IDOL ◀

American Idol continued to be a TV hit, even with a new judge. Paula Abdul left the show after eight years and was replaced by Ellen DeGeneres. Simon Cowell announced he was also leaving the show at the end of season nine.

NEW LINE OF DEFENSE ◀

The U.S. revisited plans to deploy a missile defense shield to protect Europe, specifically due to rising concerns about Iran's nuclear capabilities. Romania was selected as the location of the interceptor missiles.

TOUGH YEAR FOR TIGER ►

The golf world could never slow down Tiger Woods, but the planet's most famous athlete saw his career come to a halt after he was involved in a car accident outside his home the day after Thanksgiving. When media looking into the story discovered that Woods had been unfaithful to his wife for years, the golfer took an indefinite leave from the sport to regroup and refocus his life.

MASSIVE TOYOTA RECALL ▼
