Girls being very silly.

Hailey, Janelle

I've been so lucky to be the first three year student that Mr. Michalsky has had in the Publications Class. Throughout the year we have learned so many new and unique things that help make the book look the way it does, including the full color. The students have produced great pages that only get better throughout the year. This class has changed my life; it has been by far the best class I've had, and I will forever miss being a part of it, along with the many memories that I have made with the students in the class; you guys have learned so much and I'm extremely happy that I could be the editor for my senior year.

I remember being in my first year of teaching and worrying about trying to produce a yearbook. Now it is one of my favorite things to do, and that is due to the great and creative students that make up the class.

Everyday we work together, play together, and design something special that will allow our memories to live on years after we are gone. I think that is why this class feels so much like family by the end of the year.

This class pushed the creative envelope day after day—even teaching me numerous new things along the way. Lily was a true leader, stepping in as a teacher daily. In three years she has grown up so much, and I know she will do a great job for the U.S. Air Force.

Going Out With Mr. Whitsell

From patriotic soldier, to respected educator, to hard-working administrator, to district leader, Mr. Whitsell has lived a very full and honorable life. The journey that led him to WDHS was very unique. It started in 1970 with what figured to become the start of his teaching career, but instead became the start of 2 years of military service in Fort Leonard Wood, Missouri and Frankfurt, Germany. Upon returning from the service, Mr. Whitsell accepted a teaching job at Webb High School in Reedsburg where he taught from 1979-1980. From 1980-1995 Mr. Whitsell worked several different administrative jobs in the district—culminating in his promotion to the Assistant Superintendent position where he served the Reedsburg district from 1988-1995. He left Reedsburg in 1995 to lead the Waterloo School District as District Administrator. He worked in this capacity until 2003 when Wisconsin Dells was lucky enough to retain his services in the same capacity.

One of Mr. Whitsell's funniest memories happened on a home visit while still working in Reedsburg. The visit dealt with truancy. He stated "As I talked to the mother about her daughter's attendance, a parakeet landed on my shoulder and the bird started pecking at the hair on my neck. I tried to ignore the little pest as the mother talked on and on....Finally frustration took over and I suggested that she go upstairs and tell her daughter that I was waiting to take her to school and that she needed to get ready right now. As soon as she disappeared around the stairwell wall, I swatted the parakeet off my shoulder. It just shows you never know what you're going to find on a home visit."

In retirement Mr. Whitsell plans to spend time with his family and attend the world's largest air balloon rally in Albuquerque, New Mexico. When looking back at his career, he says he will really miss the personal connections he has made while working in public schools. One of the quotes he has in his office sums up his distinguished career very well: "It's a rare person who can take care of hearts while also taking care of business."

Mrs. Biffert

Mrs. Biffert started her career in the Dells by embracing her new community as a feature reporter for the Dells Events, a summer job that enriched her lesson designs for journalism classes and the five various English classes she taught. Mrs. Biffert earned her undergraduate degree at UW-Oshkosh in English and journalism and her master's degree in Curriculum and Instruction from UW-Madison. Without hesitation, she would tell you that it's the variety of experiences that kept her teaching career exciting and fulfilling: publishing the school newspaper, the yearbook, and producing student-run radio and cable television programs; moonlighting as a teacher at MATC; editing the WCTE state newsletter; facilitating the Student Assistance Program; chairing the English Department; advising school plays and forensics...these constitute just a few of the activities that kept Mrs. Biffert up-to-date with the world of education and kept her teaching passion alive.

Without a doubt, her school pride doubled when her own two children opted school choice to the Dells. Since WDHS has always been her "home away from home," the Bifferts could now make school activities a "family affair."

She will tell you that teaching is really all about the students; viewing the world from their perspective in turn enriches the lives of educators. Has teaching been rewarding? "Absolutely!" Mrs. Biffert tells her own daughter Britany, who is just beginning her career as a high school teacher. "When pigs fly" may have been Biff's previous reaction to retiring, but there are "places to go and people to see," not to mention that novel waiting to be penned.

Her heart will always be with WDHS; Mrs. Biffert will continue to keep students and colleagues dear to her own heart as she enters a new chapter in life: Retirement.

A BANE!

Mr. Hoenecke

In a day and age where many people change jobs several times during their working career, it is rare to find someone who dedicates their life to one company. For the past 33 years, Mr. Hoenecke has dedicated his life to two things: his own family and his WDHS family. Being a business teacher, his "investment" in people has definitely made WDHS a better place.

Mr. Hoenecke graduated from the "Harvard of the Midwest" UW-Whitewater in 1978 with a Business Education Degree and a coaching minor. In 1992 he earned his Masters in Secondary Education from UW-Platteville. During his tenure at Wisconsin Dells, he coached Football, Cross Country, Girls Track, and Golf. When asked what one of his best coaching memories was, he stated, "Probably my 1992 Golf team taking 3rd place at the State Tournament after winning the conference, Regionals, and Sectionals." Some of his best school memories were the following:

1. The 1987 basketball team winning the State Championship under Jack Capelle, and going on to win 50 games in a row.
2. Bobby Buss catching a last second touchdown against Sparta to win Homecoming.
3. Jade Royston's buzzer beater to win the Regional Championship over River Valley.
4. State Championships achieved by Baseball, Track, and Volleyball.
5. Watching many great wrestlers (especially Joey Van Dinter) over the years.
6. Joking around with and becoming friends with numerous colleagues over the years.
7. "Thank you's" from students who came back from college and said his teaching made a difference in their lives.

In retirement, Mr. Hoenecke plans to keep working part time at the golf course (where he will try to get his 4th hole in one), and he also plans to continue painting. Retirement will also allow him more time to visit with his family and go muskie fishing—another favorite pastime. After 33 years of dedication, he has earned it.

Mr. Krahn

Mr. Krahn has taught a remarkable twenty-nine years, with sixteen being at Janesville Craig and thirteen here at Wisconsin Dells High School. Before becoming a teacher, he graduated with a Biology Degree from Luther College, and then attended UW-Whitewater and received an Education Degree.

Some of the things he is going to miss most about teaching at Wisconsin Dells High School is helping many students become confident, empathetic, and intellectual graduates. With all of the students he has taught, he is so proud of each and every one of them and their accomplishments of becoming scholars. He always believed in challenging students to believe in themselves and to strive for excellence in all aspects of life. Mr. Krahn has enjoyed the challenges that the students have put on him, and has thanked the students who have made him a better person. He also made many friends throughout the years, eating lunch with the great maintenance personnel at WDHS.

After retiring, Mr. Krahn plans to continue to be a valuable partner in Stand Rock Campground, and to take care of his two lovely daughters. He also wishes to travel as much as possible and to as many places as possible. You will be greatly missed, Mr. Krahn!

My favorite high school memory was playing our last regular season football game against Adams and making a kid cry because I hit him so hard.

-Matt Knickerbocker

My favorite high school memory is when I took Shopp, my dog, fishing for the first time. He looked over the side of the boat and he fell out and swam away. I couldn't get him back in the boat. At the time it was SO funny.

-Dustin Hess

My favorite memory from high school was seeing all my cousins graduate two years ago. Hanging with them in the hallways, cracking jokes and having fun with my cousin Jared and Jordan Hilling. Everything mostly is a favorite memory in my book. Thanks, my classmates of 2011 for an awesome four years. I wish you all good luck.

-Marrah Blackdeer

My favorite high school memory is Swim '08 break where the Volleyball team was forced to stay away from each other but we still had a sleepover anyway and getting to ride the fire truck around town after winning Conference in 2009. Another is going to Ft. Myers (was for Spring Break with my best friends).

-Sarah Fredericks

Below: Hard work creates beautiful decorations! Good job!

Prom 2010 exceeded all expectations. Junior class officers Heather Conroy, Dita Ajvazi, and Sarah Frederiksen started planning in December 2009 with junior class advisor Mrs. Hoch. The girls ran two middle school dances and organized classmates to work at many concession stands in order to purchase the decorations.

The month of April was then spent constructing the decor. These girls, along with many other classmates, spent countless hours after school and on the weekends building the large set. Hundreds of glue sticks, tedious cutting, and lots of frustration with cardboard, finally produced a grand staircase and several archways that looked like the catalog picture.

The Friday before prom saw a group of juniors working from 8:00 am to 7:00 pm. They carefully arranged the delicate set. Lots of ladders, hammers, Christmas lights, gossamer, and, of course, more hot glue helped to pull every detail together.

The magical set was glowing in perfection by Grand March on Saturday. The juniors walked down the carefully cut out cobblestone path, smiling for the sea of cameras. Stacey Swatek and Michael Hess were crowned Prom Queen and King and their dance queued up the night's dancing festivities.

Prom would not have been possible without the dedicated twelve juniors who worked tirelessly with Mrs. Hoch on every detail. They made prom a memory that would last forever, even though it was only one night.

Homecoming Dance

Cute smiles girls!

The dance of homecoming 2010 was definitely a night to remember. The homecoming chairs Mackenzie Morse, Ardita Ajvazi, and Heather Conroy worked very hard to make sure the night was filled with lots of dancing and excitement. The whole homecoming crew transformed the gym and really made everyone feel like they were at Dancing With The Stars. Mr. Munderloh and Andrea Henry started the night off with a ballroom dance that looked like it came straight from the show itself. Soon after the Senior Court danced their way onto the floor to the sound of "Thriller". After a very exciting and eventful week, everyone had a blast dancing the night away.

The Season in Review:

The 2010 Lady Chiefs softball was anticipating a long and successful run at the state title, but it sadly ended with an abrupt halt. The Lady Chiefs started off the season on a shaky foot, going 2-6 through the first eight games; however, the girls hiked up their socks and tightened their cleats and went on to win 14 out of their next 17 games. The highlight of the turnaround was besting state ranked Edgerton 3-2 in 13 innings. The final standings had the Lady Chiefs record at 16-10 overall, and 7-3 in the conference. The 7-3 record in conference was good enough for 2nd place behind Adams friendship.

In the first game of the playoffs, the girls crushed Mauston 24-1 instituting the fifth inning mercy rule. Riding high on this victory, the girls were hoping for a long run in the tournament, but were beaten by the Portage Warriors 2-6, ending their season.

Even with the ending of one season, the Lady Chiefs applaud this seasons' award winners and look to the future with hopeful eyes on another tournament run.

"Around The Horn"

The 2010 baseball team had some key positions that needed to be filled but they also had a lot of talent to fill those positions. Coming into the season, there was no clear #1 pitcher, and the offensive lineup went through a lot of changes; however, by the end of the season the young crew was a force to be reckoned with. The boys finished the conference season 6-4, losing a heart-breaker at Mauston in extra innings for a chance at the shared title.

Offensively the Chiefs scored runs in bunches, and they were led by Alex Yacko who finished the season with a .516 average, the highest in over a decade. Yacko was also named to the All-State Honorable Mention team. The pitching staff, was led by First Team All-SCC Pitcher Billy Percival, who finished the season with a 2.73 ERA. Alex Yacko, Matt Lagoda, and Colyn Buss all played significant roles on the mound also. Defensively the Chiefs were led by Gold Glove winner Colyn Buss who was only a freshmen.

The Chiefs started their playoff run with a 17-6 shellacking of Westfield. Next they victimized Wautoma 6-2. The run came to an end in the Regional Final with a 3-2 loss to Mauston.

In the 2010 track season, both the boys and girls teams experienced great success. Both teams received 1st place at the Reedsburg Invite, while the girls saw wins at the Heather Johnson, the SCC Conference Championships, and the Wisconsin Dells Division 2 Regional. The boys had a very impressive season with a 3rd at conference and a 3rd at Regionals. Many gold and silver medals were brought home during the conference meet this year including Taylor Hickey (1600 meter run), Heather Conroy (shotput and 400 meter run), Stacey Swatek (800 meter run and 3200 meter run), and Kit Conrad (discuss). The girls 4x800 (S. Swatek, J. Hickey, J. Sweet, and K. Norgard), the girls 4x400 relay (T. Hickey, H. Conroy, K. Norgard, and J. Julson), and the boys 4x400 meter relay (B. Blaschke, M. Mattei, R. Stroede, and T. Sosinski) earned 1st place medals. Silvers were taken by Briana Metcalfe (100 meter dash), Ryan Stroede (200 meter dash and 400 meter dash), Heather Conroy (200 meter), Tess Myklebust (pole vault), Katie Metcalfe (shotput), Kit Conrad (shotput), Taylor Hickey (800 meter run). The girls 4x200 meter relay also took second place (M. Morse, K Mace, T. Barney, K Pikorz). When it came time for state, 15 athletes were able to participate, but the real accomplishment was the records that those individuals broke. For relays, new records were posted in the 4x400 (S. Swatek, H. Conroy, T. Hickey, K. Norgard) and the 4x100 (H. Conroy, T. Myklebust, K Pikorz, B. Metcalfe). Individually, Kasey Podoll (110 meter hurdles), Kit Conrad (Discuss), Heather Conroy (200 meter and 400 meter), and Stacey Swatek (3200 meter, 800 meter, and 1600 meter run).

MVP: Justin Ward

There were a lot of highlights and achievements throughout the season. The boys completed the season as undefeated Conference Champs. The boys golf team has not been defeated in Conference since 2006. The team had five golfers make all Conference. Four golfers were academic All-State, and Justin Ward was the Individual Conference Champ. There were many awards given out this season such as 1st team all Conference: Justin Ward, Josh Krueger), 2nd Team All Conference (Jared Seufzer, Nick Mor, and Michael Holzem). The golf team had a great year, but unfortunately they did not repeat as Regional Champs. But the team had the Regional Individual Champ with Justin Ward. Josh Krueger shot a 77 at Sectionals, but just missed going to State. The team goals for the season were to win Conference, Regionals, Sectionals, and State. We won Conference for the 5th time in a row (6th in 7 years), but took 4th at Regionals because the team didn't play well that day. A big accomplishment of the season, the team beat all of the Regional teams at Sectionals.

The Wisconsin Dells Dolphins started off the season with high hopes of individual successes. Looking mainly towards the Tri-County Conference Tournament, each swimmer trained hard in their own special strokes while they envisioned medals for both single and relay events. When it came time to perform, Nick Schwantz, Albert Gnad, and Brock Temple were awarded with honors in the breast (A. Gnad and N. Schwantz), the fly (N. Schwantz). When it came time to team up for relays, the group of Albert, Max, Brock, and Nick medaled in the Medley. Also receiving a hard-fought medal was Karin, Stacey, Carley, and Abby in the Free.

What are you doing?

Great Job,
Rathorn

Although many seniors graduated in the 2009 season, the Chiefs walked into the season with high hopes. Paul Weidenkopf and brand new coaches Nelson Ennis and Holly Waterman and captains Brandon Loging, Rathorn Scholz, and Kelby Freel were able to lead their team to the season highlight game against Adams-Friendship. When the game was over, the chiefs were able to claim their first win of the season before rounding out the year with a 1-14-0 record. With a huge improvement from last year, the soccer team is looking forward to more bounds in the upcoming years.

Looking Back on the 2010 Season:

Heading into the 2009 to 2010 season, the girls' golf team was hesitant on where they would end up at the end of the season. Even though having so many new girls on the team was a challenge, welcoming seven new golfers onto the team helped build confidence and strength amongst the team. Also having two new varsity golfers joining the team made the light at the end of the tunnel seem dim to the Lady Chief golfers.

Starting off the season with some low finishes did worry the girls, but as the season got into swing, the girls' confidence got stronger and they moved up in their rankings at tournaments. To add to their boost in confidence, the varsity team had three of their girls score 100 or below during the season. Having all varsity players shoot their lowest score at a tournament was a first for the Lady Chief golfers as well.

Tennis 2010

The year of 2010 was a bumpy road for the lady tennis players of WDHS. Although the team struggled to find a rhythm, the girls pulled it together at the end of the season to place 4th in WIAA tournament play at subsectionals. To add to their achievements, the team went on a three-match winning streak and swept a multi-school meet for only the second time in school history. Another highlight of the season was that 8 players reached or succeeded seven victories, meeting the previous record from last year.

The award winners on the team were Kelsie Christensen, Most Valuable; Danielle Baker, Most Improved; and Most Varsity Wins went to Sydney Flock and Samantha Tonn. Shannon Gavinski and Taylor Remington held the most wins on the JV team.

This next season the girls are striving to be better conditioned so they can go farther in the WIAA tournament. Good luck girls!

Elements of Success

The 2010 volleyball season was a blast, and a successful one also. The JV-Reserve team finished with an overall record of 3-7, and the JV team finished 7-3 and took first place at the conference tournament. Varsity had a record of 9-1 in conference, and 23-10 overall. All of the success that happened with the varsity team couldn't have happened without the start of the season, which included summer leagues, team bonding, and tournaments. On the day of the Homecoming dance, the team had a tournament at LaCrosse Logan, and took second overall, forfeiting the championship game to be able to come dance the night away. Winning conference was a challenge, with losing to Adams Friendship, but the team later took the trophy at home against Adams Friendship in five games. After winning the SCC Conference, the girls played the first regional game against Viroqua at home, and lost in five games. Along with playing on the court, the team also had the time to donate money towards Breast Cancer Awareness by selling \$650 worth of t-shirts. Leadership by seven seniors was a huge contribution to the Varsity's Success. Our girls' chemistry is the best; they got the ELEMENTS OF SUCCESS!

The 2010 season for the Chiefs started with a lot of new changes: a new coach, a new playbook, a new helmet logo, and a whole new attitude. Their performance showed this new hope with a victory over Columbus, the first game of the year.

The Chiefs started the non-conference portion of their season 1-3, with high hopes going into conference play.

The Chiefs went 3-2 in conference, taking down rivals Adams, Mauston, and Westfield. They took a disappointing Homecoming loss to Wautoma, but qualified for the playoffs for the fourth straight season.

For the playoffs, the Dells drew the well-rounded Lodi Blue Devils, and ended their season with a 4-6 record overall, impressing the coaches with their ability to perform under an entirely transformed system.

The JV went undefeated for the season, while the Freshmen went 1-3, and had two forfeits.

Football Cheerleading

The 2010 season for the Dells Cheerleaders was a roller coaster of a ride. To start off the season, the girls needed to be retaught in their stunting and cheer technique in order to get stronger as a team. Although having this setback, the girls pulled through and successfully reinvented their techniques. Coach Juli Mor was happy with the success of the squad and is proud of the girls for overcoming the hardships early on in the season and quotes "The girls looked better as a squad."

The highlight of the season for the squad was Homecoming. With a new technique and college-level stunts, the girls successfully fired up the crowd for a memorable Homecoming. Senior Quin King was awarded MVP of the year and was also voted Captain. The most Spirited Award went to Mary King, and Angelika Tylka was awarded Most Improved over the season.

With the long sports season, the girls grew stronger as a squad. With a new coach, long season, and five new girls joining the squad, hard work was in store. The biggest obstacle to overcome for the girls was teaching the new girls everything they needed to know while the highlight of the season was being able to perform college level stunts at the games.

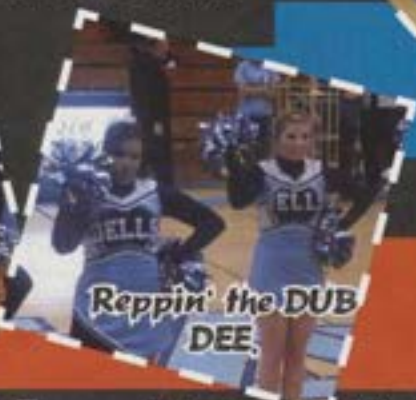

Amongst the up and downs of the season, the most memorable part for the girls was traveling to the away games as the sports teams advanced. Awards this year went to Senior Captain Quinevere King who received MVP and Leah Herman was awarded Most Improved. Paige Matteson was also awarded Most Spirit.

Nice moves girls!

The 2010-2011 season was exciting for the WDHS Varsity Dance Team. It was the second year that the team has competed. This year the team tried something new and competed in hip-hop. The girls were proud to bring their first trophy home, placing fifth at the Lumberjack Dance Competition at Wausau. Everyone worked extremely hard to succeed at Regionals as well. They ended up getting 5th place, one spot short of going to State. Captains Mackenzie Morse and Randi Hartshorn worked extremely hard the entire season to keep the team focused and to bring new and fun ideas to routines. This year also included the most routines that the team has ever done, which meant everyone had to work harder than they have in past seasons. The numbers on the team favored underclassmen with only 3 seniors and 1 junior. That didn't stop the girls from having one of the best seasons that they have ever had. Every single member of the team always gave 100% at both practice and performance, all while having a blast and making memories that will last them a lifetime.

Conference Champions

Obstacles immediately attempted to hinder the Wisconsin Dells Boys Basketball season the second it began. Without senior leadership and a non-promising early-season record, the team was clouded with doubt. Coming away from a 1-4 overall record and a 0-1 conference showing, the boys decided that change was vital. Improvement and teamwork was essential, and the outcome was nothing but positive. The boys won a colossal 17 out of their next 19 games, taking down Division One schools and all other conference teams in the way. A conference record of 9-1 (to win the conference title), and an overall record of 18-6 helped the boys earn a number 1 seed in the WIAA State Tournament Regional. Walking into the tournament the team boasted super players. Shane Wimann earned 1st Team All Conference (unanimous), as well as Conference Player of the Year, and WD MVP. MJ Delmore also helped the team by being 1st Team All Conference (unanimous). 2nd Team All Conference player Mike Dickman assisted the team with his defense, earning him the WD Best Defender Award. Trevor Hirst gained SCC Honorable Mention while Colyn Buss won the WD Most Improved Award. Last to sculpt the team was Cody Buss, taking the Johnny Newman award (Count On Me Award) As the team parted ways at the Regional Finals against Viroqua, a rewarding realization struck Wisconsin Dells High School--each and every player will be back the following year to help the basketball team be even more successful. Stay tuned for next year's edition, likely to be the best yet.

The Wisconsin Dells Chiefs Girls Basketball team was built for success. The Chiefs had eight seniors to build the foundation and win a conference championship. Over the course of the season, the Chiefs put together a 15-8 record and accomplished their goal with a victory over Adams-Friendship during their Spirit Week. Taking our picture next to the "Your daddy can't buy you this game" poster was a great way to celebrate. The Chiefs also handed out a number of awards. Heather Conroy received the unanimous selection of Conference Player of the Year and 1st Team All-Conference. Kassie Stowers ended her sophomore season with a 2nd Team All-Conference and Joanna Terwall capped her career with Honorable Mention. The team awards went to Heather Conroy as MVP and Captain. Joanna Terwall and Tatum Nelson shared the Most Improved Award. Top Defender Award went to Karissa Mace. Others receiving awards were Brittany Johnson with Best Teammate, Janelle Julson with the Hustle Award, Kelsie Christensen with Most Courageous, and Kiersten Norgard and Ardita Ajvazi with the Coaches Award.

Senior Captains

Nick Mor, the most decorated of the three captains, is a four time varsity letter winner, three time first team all-conference, four time sectional qualifier, and two time state qualifier. He is the second wrestler in Dells history to reach 100 wins.

David Williams, a leader by example, is a four time varsity letter winner, two time first team all-conference, and qualified for sectionals his senior year. He was the champion at the Dells Invite this year.

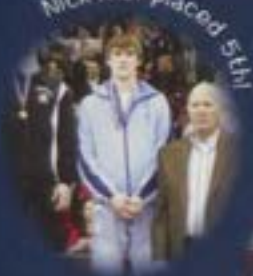

Skylar Liebzeit, a hard worker, was very dedicated to the sport. He was a four-time varsity letter winner and a first team all-conference winner his senior year. Skylar qualified for sectionals three years, and made it to the WIAA State Tournament.

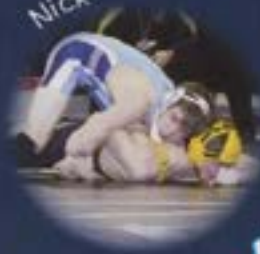

This year's Dells wrestling team made great progress during their 2010-2011 season, despite missing two of the fourteen weight classes. The dual record for the year was 3-8, with a 2-3 record in conference. Some season accomplishments as a team were a 2nd place finish at the Royall Invite, their first tournament of the year, and also 2nd place in the SCC tournament. They also had 7 of the wrestlers earn all-conference titles: four claiming 1st team awards, and three with a close 2nd team. On top of that, four individuals qualified for Sectionals, of which three continued on to the WIAA State Tournament.

Unfortunately, the team will be losing a total of seven seniors, all of which will be greatly missed. Nick Mor, David Williams, and Skylar Liebzeit were the only seniors that were 4-year wrestlers, coming in freshman year as new as their head coach, Jeff Campbell. Allan Platt, Josh Thalacker, Kyle Holzem, and Jacob Cicero were all newer to the sport, but were all key components in the success of the season.

RWD...LET'S KICK SOME ICE

This year's hockey season will go down as one of the most memorable and successful sport seasons in school history. Each athlete on RWD held a special responsibility that helped contribute to the team's success. While still learning to play as a new team, the Reedsburg and Wisconsin Dells players looked past the rivalry and toward a Conference Championship. The hockey team reached their goal and so much more. RWD became Tomah and Home Invitational Tournament Champions, Badger North Conference Champions, and State Sectional Champions, and State Tournament Quarterfinalists. The final playoff run was one of the most spectacular experiences and accomplishments that young athletes could have possessed. The team had a goal at the beginning of the season; their motto was "State or Bust!" They achieved this goal by hard work and dedication in the last 9 of the 10 games. In Playoffs they had to play the past 3 Sectional Champions and State Tournament Qualifiers teams: Tomah, Wisconsin Rapids, and Onalaska. The big redemption was beating Onalaska. Onalaska was the team that knocked RWD out of the playoffs in the Semifinal game in the 2009-2010 season. The experience of playing again the number one team in the State (Eau Claire Memorial) in the State Tournament at the Alliant Energy Center will be a memory of a lifetime. The Varsity team ended on an outstanding record of 21-6 and the Junior Varsity with an exceptional 10-5-5 record. RWD had the WHCA First Place State All Academic Team award for having the best team GPA of 3.82. Individually Josh Krueger received First Team All-State Defense and Ryan Theiler and Luke Bjorklund received Honorable Mention All-State. With such a large number of All-State winners, it wasn't such an astonishment that five players received All-Conference Awards. First Team All-Conference winners were Josh Krueger, Ryan Theiler, and Shane Moilanen. Second Team All-Conference receiver was Luke Bjorklund and Honorable Mention All-Conference was awarded to Mike Preskar. Voted on by the players and the coaches the Team Awards were given to the following individuals: Most Outstanding Player, Ryan Theiler; Most Valuable Player, Shane Moilanen; Best Defenseman, Josh Krueger; Best Offenseman, Luke Bjorklund; and the Coaches Award: Desire. Discipline, Dedication, Brandon Loging. The hockey participants should be proud of their achievements. The 2010-2011-hockey season will never be forgotten.

CELEBRATION CORNER

BAND

Band is more than just a class to many of our high schoolers- it is a passion. This year's high school band groups have gone above and beyond anything our school, community, and teachers could ask of them. They did so many things to help out all the other extracurriculars and they impressed all of us along the way. As an enrichment and enjoyment trip, they went to *Wicked*. They especially have had an amazing dedication to pep band. Not only have they played at all the home basketball games, they have made appearances at bowling meets, wrestling meets and tournaments, football games, and volleyball games. Their love of music truly shows through, making us realize their talents are **LOUDER THAN LIFE!**

CHOIR

**"No one's greater than the choir,
but we need you to make it great."**

-Mr. Munderloh

Although this is my second year here at the Dells, I couldn't be any prouder on how our choir students have grown. We have grown in our ability to sing more music, leadership, and in our commitment to the program. We lost a lot of really strong talent last year and yet, our students rose to the challenge, going beyond what they thought they could accomplish. We have started some new traditions. One tradition is the Celebration of Choral Music Festival. This being our first year, we invited the Grammy award-winning Peasall Sisters to sing with us. What an amazing experience for all to hear and see. We are also now going to hold our Holiday concert at the Crystal Grand. In seven years of teaching, I have never been more excited to see where this program will go. As long as we keep working, singing and laughing to our best ability, the sky's the limit.

A Note From The Directors:

We are very proud of the students that were involved in the production. They worked very hard and they were willing to take the risk of putting on a show. The cast members are busy students, athletes, musicians and actors. They had to be diligent at learning how to balance all aspects of their lives while putting in the hours of rehearsal that this production has demanded. The arts reflect life. They offer us an opportunity to celebrate what we have and dream about things that we can become. Participating in theater makes the performers stronger in life. They learned how to think about how other people feel, and to think from someone else's perspective. Students develop poise and self-confidence through their performance experiences.

Link Crew

This is the third year that the link crew program has been going on. The purpose of this program is to make the Freshmen feel comfortable going into their first year of high school. The advisors for Link Crew are Mrs. Hoch and Mr. Munderloh. The biggest project of the link leaders was Freshmen Orientation. The Freshmen were welcomed by being showed around the school, and they enjoyed the day by participating in fun activities that helped them with their transition into high school. Another big event for the Link Crew was WKCE testing activities. During sophomore testing the freshmen and the Link leaders enjoyed watching a movie, making breakfast, and playing trivia games. The Link Crew was also involved in a program called Cocoa and Cram. This program helped the Freshmen study for finals and also get help with homework. The Link Crew program has been very successful for the last three years, and we hope that it will continue helping many more Freshmen in the years to come.

In October, Wisconsin Dells celebrated the 20th anniversary of our "Sister City" exchange. Delegates representatives for Japan included Mayor Date. Before heading home back to Japan, the students made a stop in Washington D.C. and New York.

Japanese Exchange

On March 11, 2011, Japan was rocked by a 9.0 Earthquake. The main island moved toward China 8ft and the Northern area of Japan moved 13 ft toward the U.S. Devastation of the country caused by the Earthquake was minimal. However, damage by the Tsunami was catastrophic. Thousands lost their lives, homes, businesses, and their way of life. Two major fishing ports in Iwaizumi were destroyed. "We Support Japan" bracelets and a dinner dance in addition, other fundraisers raised money to be sent to families affected by the Tsunami from our "Sister City" exchange.

The week of Winter Ball 2011 was pretty hectic. There was no school on the Friday of Spirit so students didn't get to enjoy their end-of-the-week assembly. Each day we had a theme, which build competition against each grade. Sophomores ended up winning the Spirit Week by 10 points. Court for Winter Ball was voted by every club/sport. Then, King and Queen was voted on by the whole high school. Congratulations to Moses Alvarez and Sarah Frederiksen for winning King and Queen of Winter Ball 2011!

Dear Moses,

WOW, graduation already? I can't believe how fast these years have flown by! I know your childhood years haven't exactly been easy; we've been through a lot in your young life! I cannot thank you enough for being the little "man of the house" while Pop served in Iraq, not just once, but twice! Helping me with your little sister was a lot to ask of you, but you never once complained. I have been so proud of you over the years, not only of your accomplishments, but also of the gentleman you have turned out to be. You have so many opportunities ahead of you; whatever you choose to do, be happy!

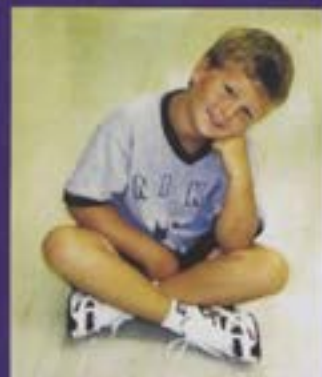

God bless you in all of your endeavors!

I love you! ~Mom

P.S. Hi Do-do, this is Maura. I just wanted to say I love you and will miss you when you're away at college.

Love, Maura

DUNKING MACHINE

After missing his entire rookie season due to a knee injury, Blake Griffin of the NBA's Los Angeles Clippers became a star with his weekly highlight-reel dunks. Griffin stole the show at the annual Slam Dunk Contest by jumping over a car in his final dunk.

A FULL RECOVERY

Just a year after returning from a long hiatus with an album that some found off the mark, rap artist Eminem released *Recovery*. The record put him back in the spotlight, with the song "Not Afraid" and 10 Grammy nominations, more than any other musician.

A LEGAL MESS

Lindsay Lohan probably wished she could re-do the year. The troubled actress spent time in jail after a judge determined she violated her probation on DUI charges. Then it was off to a rehab facility after failing a drug test.

REDEMPTION

After a horrific crash broke his ankle the previous year and ruined his season, skateboarder Ryan Sheckler returned at the X Games to win the Skateboarding Street Gold.

NEARLY UNSTOPPABLE

The Connecticut women's basketball team kept on winning. The Huskies hit 89 straight wins before their three-year streak was snapped in December by Stanford. The string of victories broke the college basketball record for consecutive wins.

THE DECISION

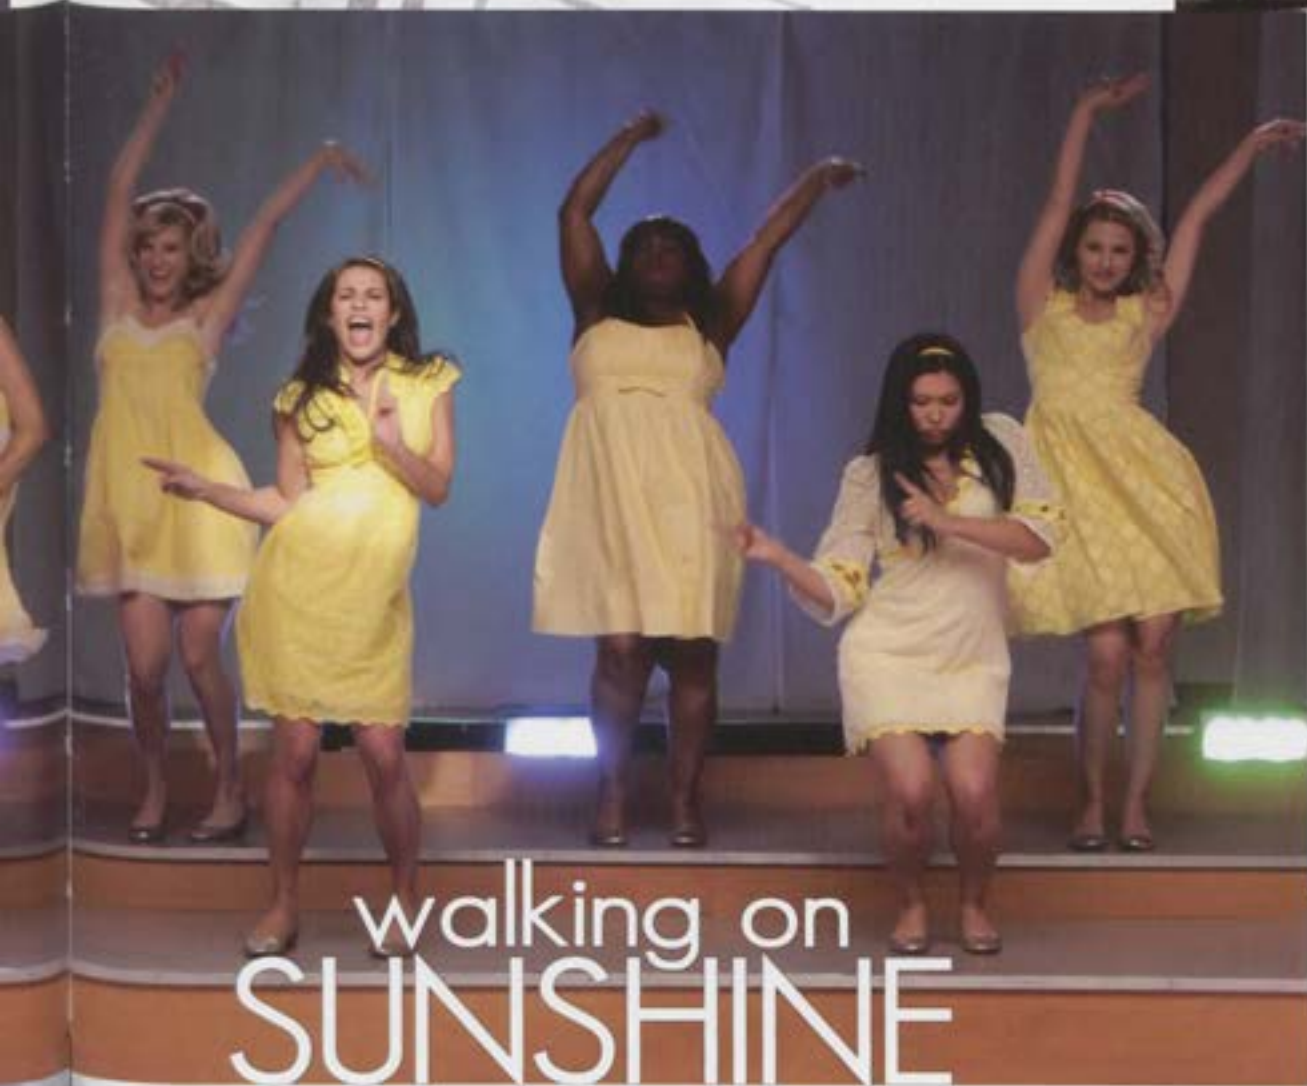

NBA superstar LeBron James infamously announced his intentions to leave his hometown team, the Cleveland Cavaliers, and sign a free-agent deal with the Miami Heat on an ESPN special called *The Decision*. The program drew high TV ratings, with wildly different reactions from fans.

SING IT!

The world of high school show choir never had it so good. *Glee* continued to be one of the most popular shows on TV, earning praise from its army of "GLEEKs." Songs from each episode also quickly became some of the most downloaded songs on iTunes.

NO TEXTS BEHIND THE WHEEL

More states began to outlaw text messaging while driving. By the end of 2010, the act was prohibited in 23 states. Other states were considering texting laws targeting drivers under 18. Some studies showed texting while driving to be potentially as dangerous as drunk driving.

All the while, Woods lost his #1 ranking and his marriage to Elin Nordegren ended in divorce.

DREAMS DASHED

Illegal immigration remained a hot topic. In December, Congress did not pass the Development, Relief and Education for Alien Minors Act – the DREAM Act – which would have given college students who were illegal immigrants a way to become U.S. citizens.
