

The background of the page is a detailed architectural floor plan for a building named 'Arrow 2014'. The plan is rendered in a light blue color on a textured, slightly mottled background. It shows a complex layout of rooms and corridors. Key areas include a central 'COMPUTER LAB' with several workstations, a 'MUSIC LOBBY' and 'MUSIC REHEARSAL STUDIO' in the lower-middle section, and a 'SCIENCE LAB / PREP ROOM' area at the bottom. Other rooms are labeled with names like 'OFFICE', 'PRACTICE ROOM', 'GREEN ROOM', 'MECH STORAGE', and 'RESTROOM'. The overall design is modern and functional, with clear room divisions and circulation paths.

## Link Crew

Link Crew is a program designed to make the transition from middle school to high school go smoothly for incoming freshmen. Juniors and seniors in link crew help with Freshmen Orientation to get everyone to feel comfortable with attending their first year of high school. Besides orientation, the club has done Cocoa and Cram which helps freshmen get ready for finals.

# NHS

National Honor Society is a club whose members are committed to scholarship, leadership, service, and character. Throughout the year, the group has done several community service projects; early in the year NHS raised \$3,000 for the annual St. Vincent de Paul's Walk for the Poor, and the money raised was used to impact those in need in the Wisconsin Dells area. Later in the year, the group helped clean Camp Waubeek to ready it for the busy summer months. The group was led by Nikki Ripp, President; Ciara Dollar, Vice-President; Becca Frederiksen, Secretary, and Payton Lindner, Treasurer.

Interact has done many things this school year including running a fundraiser at the Rotary Beef stand at Wo-Zha-Wa, making Thanksgiving cards for nursing home residents, attending Rotary Club Luncheons, and going to a UW-Madison Badger men's hockey game. Also, members participated in the annual WDHS spring blood drive.

# Interact

# Math League

Math league promotes an increase in mathematical problem solving. This year WDHS ranks near the top 10 in the entire state. Sean Munderloh and Byron Beyer are top 1% for individuals in the state.

Group Picture: Back Row: Brendan Reichhoff, Sean Munderloh, Erika Engebretson, Cade Batzler, PJ Flock, Austin Wieser, Patrick Nate, Ashton Mace, Gavin Gussel, Alyssa Hoff, Ciara Dollar, Front Row: Damien Kocourek, Jenifer Johnson, Faith Bristow, Nikki Ripp, Max Obois, Josh Gray

# FFA

FFA makes a positive difference in the lives of students by developing their potential for premier leadership, personal growth and career success through agricultural education. The group participates in state FFA convention, Leadership Retreat at Three Bears Lodge, County Fair, Corn Roast, Corn Shucking with Lions Club, and National FFA convention. At State, Josh Anderson received gold on Swine Production Application. Johanna Madland, Lexey Hammerly and Josh Anderson competed at the district speaking contest. Also this year's officers are President Johanna Madland, Vice president Aaron Stanford, Secretary Josh Anderson, and Treasurer Erich Brunn.

# Riding

Riding Club promotes the sport of horsemanship in its members. This year at the State Hunt, Jump, and Dressage Show, our team earned Grand Champion, two Reserve Champions, and Top 25. At State Gymkhana in Milwaukee they had four Top Ten Championships. Activities the club participated in were state shows, the Adams Fair, and many clinics and small shows.

Back Row: Dylan Vickers, Josh McMeans, Raven Bartz, Vanessa Hinz, Valerie Scoville, Anna Wimann, Jade Vickers, Chirag Sharma, Middle Row: Kristen Rosen, Katie Hall, Gavin Gussel, Sierra Crowe, Karlie Stefan, Olivia Lechnir, Cailey Norgard, Jayci Hoff, Shelby Weidenkopf, Front Row: Emily Koscielniak, Alyssa Hoff, Brynne Norgard

Key club is led by President Casey Kilgore, Vice-President Alyssa Hoff, Secretary Brynne Norgard, Treasurer Emily Koscielniak, and Bulletin Editor Andy Romanowski. Some events that Key Club has done this year include the Penny War during Homecoming Week, Trick-Or-Treating for Canned Goods for community action, and fundraising to purchase iPads for autistic kids at Camp Wawbeek. The club also hosted a fundraiser at Pizza Pub to raise money for the Eliminate Project. In March several members of the group attended the WIUM District Convention in Green Bay.

# Key Club

Group Pictures: From Left: Zach Peterson, Liam Tourdot, Kiersten Peterson, Jordanna Nehr Korn

Art Club is for students that have the same interest to get together and share their knowledge. An event they participated in was the Visioneer Design Challenge in Milwaukee, WI. It is a state wide learning program and competition for high school and middle school students interested in design arts.

# Art

# Forensics

Forensics allows students to express themselves and to work on their presentation skills. The club participated in the Sub-District meet with Raven Bartz doing Poetry, Chirag Sharma with Extemporaneous Speaking, Kristen Rosen did Radio Speaking, Hannah Van Genderen and Faith Bristow participated in Group Acting, and Ellie Seager competed in Solo Serious Acting.

Mr. Munderloh preaching to the choir

Chieftain boys and girls singing

# Three choirs,

**"My favorite moment in choir is when they get it," Munderloh said when discussing the different choirs. "You have to fail until you find it."**

# one family.

"Choir rehearsal is not a text message; it doesn't happen that fast and it's not that easy," said Thomas Munderloh, when explaining the hard work that gets put into choir every day. With five years of teaching students choral music at Wisconsin Dells High School, Munderloh knows what he's talking about.

On average, it takes Munderloh 4-5 hours each night to prepare for the next concert. Concerts this year have included the "Just Us" concert at St. Cecelia's Church; the "Colors of Winter" holiday concert; the first ever WDHS Alumni Choir Concert at Robin's Nest Restorations; The Celebration of Choral Music, featuring a capella group Cat's Pajamas; and The Dells Choir Show.

For the first time ever, the Chieftain choir performed at the Show Choir National Championship Series "Fame" in Chicago on March 21, 2014. The songs performed for competition included "Sing Me to Heaven" by Daniel Gawthorp, "Walk a Mile" by Mark Hayes and "Owls" by Vijay Singh.

Unlike a math teacher who is required to teach the same curriculum year after year, a choir teacher instructs differently each year depending on the strength of the choir. Munderloh said, "Music selection is a thing that constantly changes every year. You have to look at the kids you have and find out their strengths."

"Vox can easily be dubbed the most improved choir. We have great leaders and every singer has a great attitude and work ethic. Every year in Chieftain, we lose great singers and every year our top auditioned choir steps up and fills in those shoes. This year is no different. Our singers filled those shoes with grace and good work ethic. I'm very proud. Columbia has been the most fun and most talented Columbia to date. They have a great future in our choir program."

Munderloh is looking forward to the addition of the new a capella choir next year. "It's going to push me outside of my comfort zone. And if I want my kids to step outside their comfort zone, then I have to step outside my comfort zone."

# Musical

*SEUSSICAL THE MUSICAL* is a musical unlike anything the Dells has done before-- a combination of 17 Dr. Seuss books all crammed into one play.

The students put a lot into this play. Starting practice in June of 2013 and continuing until early November made it a long six months for the cast. From memorizing lines to learning how to read music, the cast went through many challenges, but no matter what they faced, they always seemed to pull through.

The story revolves around Horton the Elephant and his quest to save WHO, the tiniest planet in the sky. Along the way he runs into fun loving characters such as Gertrude McFuzz, Mayzie LaBird, and Sour Kangaroo. With the clever and quick witted Cat in the Hat creating mischief along the way.

Special thanks is due to co-directors, Matt Roble and Andrea Pintarro; Producer, Marti Fults; and Light/Sound Technician Koreena Wood. Their dedication, especially during the fall season when Marching Band is in full swing is admirable.

Because of the unique screenplay, *Seussical the Musical* became a community event. The cast was vast, and included numerous elementary students to fill out the roles. All the coordination and long hours of practice paid off with spectacular performances on November 8,9 and 10th.

HUNTER THROWING THE DISCUS

# TRACK AND FIELD 2013

The 2013 track season was full of surprises. Snow, cold temperatures, high winds, and rain kept the team indoors longer than expected and canceled a few meets along the way. As soon as the weather warmed enough to begin the season in earnest, Briana Metcalfe, Hallie Hackl-Frank, and a few others fell prey to injuries that kept them from competing to their full potentials.

However, not all of the surprises were unpleasant. "Every senior showed some good positive leadership," said Troy Nelson, Head Coach. "It was a great group of seniors." He also mentioned that one senior in particular was a tremendous surprise. Daniel Sweeney's fierce dedication plainly showed at the Regional meet in Wisconsin Dells, where he came in second place in the 110 meter high hurdles, securing him a spot in the Sectional meet. At Sectionals he raced well enough to secure his place in the state meet in La Crosse. After making it through the preliminaries, Sweeney false started in the finals and was disqualified from the race. Though it wasn't the end to his season that he expected, the team was very proud of him. Sammy Conroy was another nice surprise at the conference meet where she won the girls' shot put, making that the ninth straight year a Wisconsin Dells girl has gotten first place in that event. There were also a few surprise Sectional qualifiers like Nathaniel Fischer in the pole vault.

Altogether, the team worked hard every day and finished strong. The group was relatively young, and Coach Nelson is excited at the competitiveness he is seeing from some of the younger athletes. While the team didn't do as well as they hoped in the conference, the year was a building year, and great things are expected to happen in the years to come.

# STARTED FROM THE BOTTOM

## 2013 BASEBALL

With only three returning varsity baseball players, the Wisconsin Dells Chiefs had to create an almost brand new roster for the 2013 spring season.

With unfavorable weather conditions throughout the spring, the Chiefs had to cancel 10 regular season games. Regardless of the conditions, the team persevered and continued to work hard in practice.

"They were tireless workers and great kids. We worked well together as a team," stated the Head Coach, Mike Michalsky.

A couple key elements contributed heavily to the boys' success. The team revolved around a strong pitching staff, which included Senior Colyn Buss, Junior Ashton Mace, and Sophomore Adam Bruechert. Also a sophomore, Nick Percival stepped up to the plate this season, leading the Chiefs in hitting with the highest batting average.

Strong defense and phenomenal hitting were significant in the team bringing home the SCC title for the second year in a row with a conference record of 9-1. With a walk-off victory the Chiefs went on to defeat the Ripon Tigers, winning the Regional Championship in Chief territory. The boys fell short of the State Tournament by one game, losing to Lodi in the Sectional Final.

"We played exceptionally well at the end of the season. It was tough watching Lodi win the state title because we were so close," stated Michalsky.

Entering the 2013 season with a team that lacked confidence because of the loss of talent from the 2012 team, the girls worked very hard. This was truly a rebuilding year. The fact that they had nobody with varsity pitching experience back made things difficult initially. However, thanks to the senior leadership of Claire Picha, along with the talent of freshman Dana Percival, the overall attitude and performance of the team progressed.

Following the motto - one pitch, one at bat, one inning at a time - the team finished above a .500 average with a 6 - 4 conference record, and an overall record of 9 - 12. Captains Haley Buss, Claire Picha, Carly Pfeifer and Alex Zapuchlak led the team with enthusiasm, despite a season that was plagued with delays and cancellations due to the most extreme weather conditions.

Receiving 1st team SCC honors were Claire Picha in the outfield and Haley Buss in the infield. Claiming 2nd team were Brie Fredrick at pitcher, Carly Pfeifer in the infield and Alex Zapuchlak at catcher. Honorable mention was awarded to freshman Dana Percival in the infield.

A "class act" this team was because after all, "if you aren't 'one', you're never a winner and if you are 'one', you're never a loser." Team awards go out to a great group of girls, starting out with MVP, Claire Picha; Coaches Award, Haley Buss; Leading Hitter, Alex Zapuchlak; Rookie of the Year, Dana Percival; and Inspirational Team Player, Karlie Stefan.

# 2013 Boys Golf

The 2013 Boys Golf season saw the departure of four of the five starters from the year prior, leaving senior Sean Kendall as the only varsity-experienced golfer on the team. But this did not stop the attack of the WDHS golfers.

Coming off its' seventh straight conference championship, the boys had extreme pressure on them to attain their eighth straight title. Even with a nearly entirely new set of golfers, the boys finished second overall in conference.

Playing in mini-meets throughout the season under senior Sean Kendall's leadership both on and off the course the WDHS golfers did well. Though the boys were often outmatched because of lack of experience, they still managed to surprise many with their play from the

start of the season, all the way to the end.

Receiving letters were freshmen Logan Marsic and Alex Atkinson, sophomores Tyler Braun and Bradley Purdy, junior Roarke Horton, and senior David Gorun. Kendall received his third letter. Academic All-State awards were also given out to Sean Kendall, Roarke Horton, and Bradley Purdy.

"This team was young but they worked hard to improve. Sean Kendall was a great leader by example for the underclassmen. If they continue to improve, this group could be a force in the near future." This quote by Head Coach Troy Ryan is a simple one, just like his motto: Hit it, chase it, hit it again, and put it in the hole.

# Dells Dolphins

Dells Dolphins Swim Team had an awesome season of new pool records, athlete best times, event wins and a home pool team win; all in a challenging conference featuring WIAA Division 1 and 2 schools. The season culminated in a two-day, Tri-County Conference Championship with a strong showing from Dells Dolphins swimmers. Jack Lutter led the team with a Dells pool record in 200 Freestyle, dominating the season in four events, earning three top finishes and personal best times at Conference in 50 Freestyle, 200 Freestyle and 50 Butterfly - all in his first year swimming in the 15-18 age group. Patrick Nite followed with season points finishes in 3 events and a Conference finals 14th place at 50 Backstroke with a personal best time. Jenna Fisher's season wins in 50 Breaststroke earned her a lane at Conference where she placed 13th overall. She also showed her talents in other events, earning season wins in the Individual Medley and 50 Backstroke. Both Jenna and Gabrielle also earned 10th place Conference ribbons for Medley and Freestyle Relays with personal best times. Megan Platt's consistent hard work also earned her a spot on the Conference Freestyle Relay team which resulted in a personal best time. Carly Pfeifer brought in 2 season wins in 50 Freestyle, 50 Breaststroke and contributed to a Medley Relay win.

The 2013 girls tennis squad had an unusual element to it: There were more new members to the team than there were returning members. Coming off of a sub-par 2012 season, the girls looked to better themselves as a team. After losing six players from the year before, and gaining more new players, there was practically an entirely new team.

To top it all off, the Tennis program received a new coach in Gwen Finnegan. When a completely new group is put together, coupled with a new coach, there is always the possibility of negative outcomes. This was not the case. Coach Finnegan was a prior college athlete, and brought new skills to the team. With her new leadership, the girls took steps forward.

Led by Captain Hannah Vangendren and Co-captains Nicole Kolano and Iris Picha, the

girls started the season at a quad tournament in Edgerton. Playing at #1 doubles, Nicole Kolano and Hannah Vangendren fought a tough match in nearly 95 degree weather. In the tie-breaker round the girls defeated their opponent 11-9 making Dells High School history, by placing first for the very first time. Later in the season during Homecoming Week, this dynamic duo took down an undefeated Lodi doubles team. In sub sectionals the girls were placed first and advanced to sectionals later that week, where they ended their season with an 8-2 record.

Although the ladies played through a tough Capitol conference, finishing with a record of 0-7, they always played well. The girls lived from set to set, winning one game at a time, just the way the game should be conducted.

Extreme improvement is a phrase many people used to describe this year's Girls Golf team. The lady golfers bettered their game in all facets. From teeing off, to bunker shots, the girls saw major growth from last year's team.

The 2013 Girls Golf team was led by sophomore Ivy Fedewa and junior Taryn Alvin. Throughout the entire season, Fedewa played a consistent game, averaging a team low 89. Fedewa's highest score never broke the one-hundred stroke barrier, topping off at a 96. Fedewa recorded an outstanding 81 at the local Dells Invite held annually at Trappers Turn Golf Course.

When playoffs came around Ivy Fedewa sprang into action, advancing through regional play with a score of 91. In the sectional round Ivy again played a solid match. Her score of 90 was just short of advancing her to state level play. She missed by one stroke.

As a team, the ladies won each of their conference matches except for one (3-1), with a loss to Portage late in the season's proceedings. In Regionals, the team took fourth overall out of nine teams. A huge improvement from last year's team who took eighth out of eight teams.

"This team was a lot of fun to work with, not just because they did well, but because they are a great bunch of kids," stated head coach Troy Ryan.

All totaled, as a team, the girls took third in conference, broke 400 strokes for the first time on 18 holes, and finally, broke 200 for the first time on 9 holes.

# We > Me

This year's volleyball season, the team definitely executed to the theme of the year. Entering the season with the theme, WE > ME, the team knew working together was going to be important; no matter the circumstances, the team would "pull together" and work together, on and off the court. This all started in the off season by attending camps and sharpening their skills in club volleyball. This commitment readied the team for yet another successful season.

After an early loss to a very strong Oregon team, the Lady Spikers went on a roll, pounding the SCC into submission. En route to an unprecedented 6th straight South Central Conference Championship with a 10-0 record, the ladies only lost three sets. They finished with an overall record of 24-10-1.

In the first game of an incredibly tough Regional, the team defeated Dodgeville in four sets. Unfortunately, the playoff ride ended in the next match against River Valley. In a back and forth struggle, the Dells finally succumbed in 5 sets.

The girls took home numerous postseason honors, with Edith Nelson, Jaden Ward, and Alex Zapuchlak all earning 1st Team SCC Honors. Zapuchlak went on to claim the SCC Player of the Year honors. Being only a junior, she will return next year to lead the team toward a seventh SCC Championship.

# CROSS COUNTRY

The team began training for their season in August of 2013. The weather was generally cool in the early mornings when the team held their practices, but they did have to battle extremely warm temperatures during the first few meets of the year. The first meet, held in Westby, had a heat index of over 100 degrees Fahrenheit, but the team competed despite the weather.

The rest of the season was not nearly as warm, but the team faced plenty of fresh challenges: several runners' seasons were interrupted or cut short by injury. However, the runners persevered and ended up doing very well with their season.

Both the boys' team and the girls' teams remained competitive with other teams in the SCC Conference as they visited meets. There were also some individual triumphs, particularly

at the Conference meet, held on home soil in Wisconsin Dells. Junior Brian Braun placed 11th overall in the conference, and Sophomore Parker Campbell came in 14th, ensuring that both boys were awarded Second Team All Conference honors. Meanwhile, Freshman Monica Jaled placed 5th in the conference and was awarded First Team All Conference honors. Both teams finished fourth at the conference meet.

Both varsity teams continued on to Sectionals in Arcadia. That was the end of the road for all of the runners but one. Jaled put on a burst of speed in the chute, passing a girl, to win a spot in the State Meet.

She ran in the State Meet at Wisconsin Rapids, supported by her teammates, and finished with her best time of the year. The season was an exciting one, and the team is looking bright for future years.

DELLS CHIEFS FOOTBALL 2013

By the time the 2013 Wisconsin Dells High School football season came to a close, five games were won, four slipped beyond reach, twelve seniors took their final journey across home field, and hundreds of memories were made.

The Chiefs began the season with a high note, rallying from 14 points down at half to defeat the Montello/Princeton/Green Lake Phoenix co-op. Following the 28 unanswered-points victory, the boys defeated a solid Lake Mills team in another come from behind victory. Finally, during the third game of the season, the boys caught a break, winning easy by 29, taking down Watertown Luther Prep.

The next two games were a struggle, as the boys lost by a combined total of 63 points. But in sweet fashion the Chiefs bounced back, winning two straight conference matchups, pushing their record to 5-2 overall and 2-1 in conference. One of these wins included a homecoming victory over rival Adams-Friendship, with a final of 41-20.

To make the playoffs the boys needed to win one of their two last games. Unfortunately, the boys fell short, losing to Wautoma, 13-20, and Nekoosa, 26-35; both of these games coming down to the final moments.

The Chiefs ended the season at 5-4, with the Senior Walk, a new tradition for the 2013 season. All twelve of the senior boys took their final journey from end zone to end zone in Chiefs Columbia blue and white.

**"At the end of the year, although we might not have achieved all the goals we set out to chase as a team, I am very proud of these young men for showing up every day and competing and also for the sense of family and brotherhood they brought to this football program. They truly were successful because they sincerely cared about everyone around them and became a true team."** -Head Coach Aaron Mack.

# 2013 Soccer

The self-dubbed "Iron Eleven," Wisconsin Dells High School's soccer team, faced many ups and downs throughout this season. Injuries, defeat, more injuries, and team member numbers all made the road much more difficult for the Chiefs. But in the end, the boys pulled off one of the more successful soccer seasons in Dells history.

Through the regular season, the boys achieved a 4-10 record. This was quite an accomplishment in a brutal Badger North conference. The team received four selections on the conference's postseason awards list, with sophomore goalkeeper Michael Maniak leading the way and sophomore Derek Maniak, junior defender Darius Scholz and senior midfielder Austin Wieser all earning honorable mention.

Losing such players as Bryan Ugalde

to a season-ending concussion, at point Derek Maniak to a hamstring issue, and Kris Furtak to another season ending knee injuring, could have seen the team spiraling out of control. On the contrary, they hung together well.

Despite the team only having players on the roster cleared to play, the 7th seeded Chiefs managed to pull off a phenomenal upset of the number two seeded Edgewood Crusaders, to win their first playoff game in Dells history.

This somewhat Cinderella team was cut short of its' ultimate goal, though being defeated 4-2 by Lodi in the following game. Despite ending on a loss, this year's Chiefs achieved an awesome feat by not only winning a playoff game, but defeating a two seed with mere eleven players.

# WDHS Performance Team

The 2014 WDHS Performance Team experienced a huge change. Not only did the girls have a completely new set of coaches, but they went from having roster of 18 ladies in the 2013 season to five girls at the end of the 2014 season. Also, they changed their performing schedule from two seasons, both fall and winter dance, to just a winter season and only performed at a select number of home games rather than every home game. But the girls adapted to this change very well and made the year a success. Senior Captain, Breana Seehafer said "Though the team may be small, it is so much fun dancing with these girls. We all put in 100% and focus on purely dance, no drama, which is an improved feature of dance team. All in all, the changes made this year have been very effective and are being noticed by the public."

**DARIUS WITH THE PASS!**

The Reedsburg-Wisconsin Dells Co-Op hockey team had yet another exciting 2013-2014 winter season. The boys had a rough start to their season, losing their first four games, but battled back and won three straight games holding each team to zero goals. This years team included Senior Austin Wieser, Junior Darius Scholz, Sophomores Logan Marsich and Tyler Conroy, and Freshman Travis Slaght.

With the conference up for grabs again this season, the Cheavers realized the opportunity at hand and worked hard everyday to bring home a Badger-North Conference championship. Austin Wieser was the lone captain from the Dells and knew that with a young squad, many underclassmen would have to step it up in order to have a successful season.

Thirsty for revenge, the team defeated the reigning conference champs, the Sauk Prairie Eagles, both times they played them. The boys ended the season with a .500 conference record as they went 4-4. The team fell short and ended the season with a third place finish in the conference, falling short of the Waunakee Warriors (1st) and the Baraboo-Portage Thunderbirds (2nd).

RWD's season ended with an overall record of 10-13-1. Austin Wieser led the scoring from the Dells side with a total of eight goals on the season. The boys traveled to Baraboo to take on the Thunderbirds in a regional playoff match and fell short, ending the season for RWD.

# Together We Are One

New Coach, new season. With the retirement of an icon, Coach Monte Mattei, a new era was born with the assistant boy's coach Bobby Buss, crossing over to join the girl's head post. The season welcomed back several starters, including Sr. Carly Pfeifer, Jr. Hunter Hickey and Marissa Fernandez, along with Sophomore Jaden Ward. Sophomore, Dana Percival, filled the shoes with great dignity of former Senior Karissa Mace.

The season was difficult to start as adjustments had to be made by all to the new style and coaching staff, but soon thereafter the philosophy was executed well. Coach Buss contributes the team's success to team chemistry. This is evident in the number of senior Lady Chiefs. Seniors Carly Pfeifer and Becca Frederiksen did all and more than the coach asked from them from day one. They were both "leaders" on and off the court which contributed enormously to the success of this season. At the same time, Coach Buss, can't speak highly enough of his underclassmen and the light they will shine for him into the future. Success was the key word among players regardless of their role or year in school on this year's team.

The season ended with a semifinal loss at home to Richland Center, but as Coach Buss said to be 17 - 7 in his first year was beyond his expectations. The success came from "we" not "me" attitude. That's the way Coach Buss liked it. The Lady Chiefs went 8 - 2 in SCC play, with just losses to Sectional Final contestant, Adams-Friendship Devils.

"We are Family!" was the other slogan often heard before, during and after the games. It was this unselfish commitment to each other that brought the 2013-2014 Lady Chiefs to the group hug under the leadership of Captains Carly Pfeifer and Hunter Hickey. Regardless of the outcome of each event, a handshake and a congratulatory pat on the shoulder along with a believable "great job" was communicated between the coaches and players after every game despite the outcome.

First team All-Conference went to Jaden Ward, and Hunter Hickey was a 2nd Team selection. Team Awards: The Most Valuable Player Award was shared by Hunter Hickey and Jaden Ward. The Captain's Award went to Hunter Hickey and Carly Pfeifer. Most Improved was earned by Dana Percival, and the Coaches Award to Becca Frederiksen.

# WRESTLING FEVER

2013-2014. A season ending without a state championship and without a conference title, but victories come in all shapes and forms.

This season saw a 100 win career by Max Obois, the return of a severely injured Zach Cicero who came back from a nasty lower leg break during the football season, and a heartbreaking sectional final loss that came down to the wire, wrestled by Willie Vandenlangenberg.

Overall, the team had a less than expected finish in conference, going 1-5 in dual meets wrestled. The lone conference victory came against Adams-Friendship, in sweet fashion winning 54-24.

Right off the bat the Chiefs suffered some hard losses including a 42-42 loss to Wautoma/Wild Rose. This dual meet was tied after the final match was wrestled. As per WIAA rules, the meet went into tie breaking categories. Finally, after six ties in different categories, Wautoma/Wild Rose snuck away with the win.

This year's seniors, Max Obois, Zach Cicero, Bryan Ugalde, and Jamore Rand, were full of crazy surprises and awesome feats accomplished throughout the duration of the year.

After a brutal leg injury sidelined Zach Cicero for a good portion of the season, Cicero came back to take first place at Regionals and moved on to Sectionals.

Max Obois received his hundredth win of his career and went to his second straight State Tournament where he won one match. Obois joined the ranks of just three other wrestlers from WDHS to win 100 or more matches in a career.

Young talent was ever prevalent this year. Sophomore Willie Vandenlangenberg took his talents all the way to a Sectional Final match, where he lost in the fleeting moments of the match. Mason Weber continued to improve his talents from last year, and doesn't seem to be slowing down. Both Everett Menore and Josh McMeans won critical matches for this year's wrestling squad.

## IT'S NOT HOW BIG YOU ARE IT'S HOW BIG YOU PLAY

The 2013-2014 Chiefs started out the season with a bang when they defeated the extremely height advantaged Black River Falls Tigers. On top of the departure of seniors, the team struggled throughout the season due to the lack of experience. Without hesitation, knowing the situation at hand would not be easy, the team worked hard to improve their skills on and off of the court.

Seniors Cade Batzler, Dezmen Morse, and Danny O'Dea were named team captains for the season. With the conference wide open, the boys worked their hardest to fight for the 7th straight South Central Conference Title.

The Chiefs' highlight of the regular season was winning a huge rivalry game against the Mauston Golden Eagles at home after they suffered a loss to them earlier in the season. The team ended the regular season with a record of 4-6 in conference play, earning them a 3rd place finish. Overall, the boys' record was 6-16 on the regular season.

The boys entered the playoff stretch with a six seed in the regional. With what many thought was going to be the boys last game of the season, the Chiefs traveled to Nekoosa for their first game of Regional play. With an overtime win, the Chiefs upset the Papermakers in what was the highest point of the season. The boys advanced on to face the Poynette Pumas and fell short in a lop-sided loss to end the season.

**"Game on!"** The students at Wisconsin Dells High School played their hearts out the whole week, ending with a bang at the 2013 Homecoming Dance. This wasn't just any ordinary event that students were "board" by, by any means. Everyone was dancing through the game board decorations, having the time of their lives. When asked if this dance was her best yet, Queen Johanna Madland said, "This was the BEST dance of my four years. It was my last Homecoming, and it brought my class extremely close, and to top it off, I was crowned Queen."

The success behind this dance was mostly due to senior co-chairs Nikki Ripp and Ciara Dollar. "People don't usually notice how much work it actually takes to put a dance together. Having support by numerous student council members definitely helped make the dance the best it could be," Dollar said in an interview. Because of their hard work, students will forever remember this night.

# Glow Winter Dance

The Glow themed Winter Dance was the first of its kind held at Wisconsin Dells High School. Like Morp last year, students who attended went to the dance in casual wear, went to a quick place to eat before the dance, and the girls asked the boys for their hand. Students who were involved in any winter sports or activities had the opportunity to represent their sport/club on court. Each representative was chosen by their coach/advisor. This year's King and Queen for Glow were Cade Batzler who represented boys basketball and Nikki Ripp who represented NHS. Although the attendance was small, this dance was one to remember because of how unique it was.

# A Drop In the Ocean

On April 27th, 2013, the Wisconsin Dells High School gym was transformed into an extravagant oceanic underworld. The theme was "A Drop In the Ocean," and the students lived up to the elegance of the night. Sparkling gowns and classy suits filled the gymnasium as the junior class arrived.

Students from the class of 2014 spent an extreme amount of time in preparation for their junior prom.

"It was a long process, taking about seven months total, just for one night," said prom committee member, Becca Frederiksen.

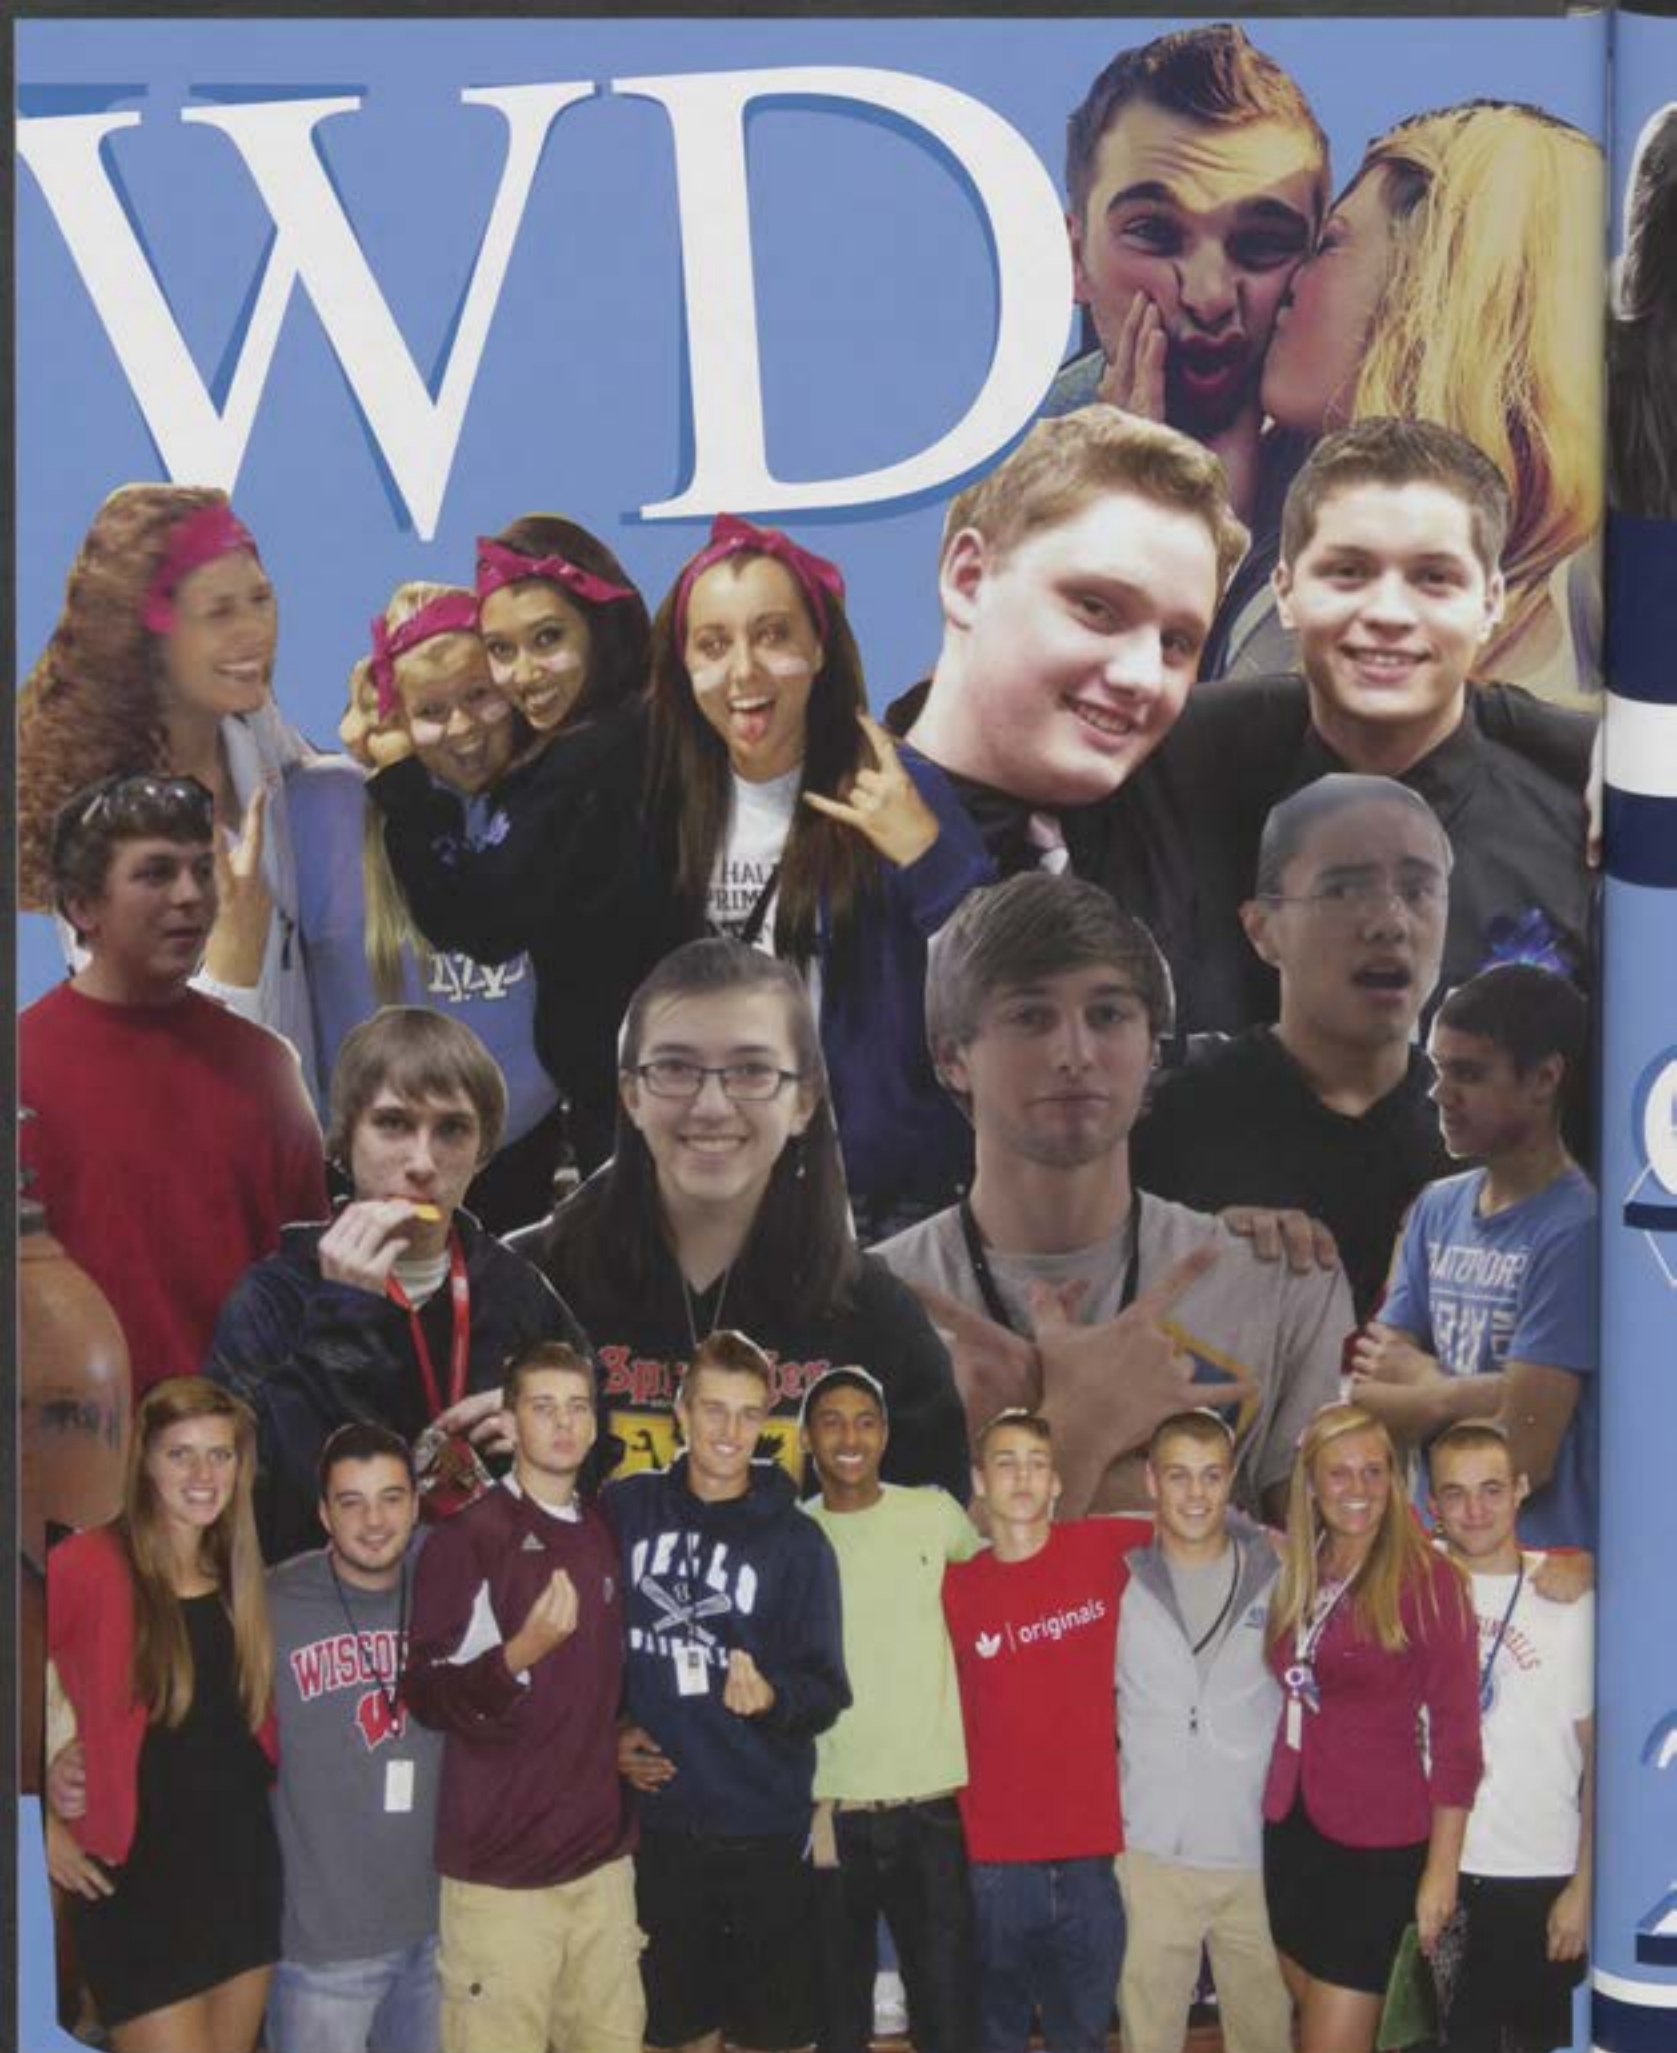

The juniors met often after school for months to work on decorations and to build props for prom.

"In the end it was worth it," Frederiksen concluded.

The gym was enhanced with a white staircase which couples walked down for Grand March. Other decorations, such as elegantly draped sails, a giant ship that acted as an archway for grand march, and live fish in fishbowls, covered the gym. The enchanting melodies of the song "A Drop In the Ocean," by Ron Pope, played while couples walked during Grand March, extending the theme.

The class of 2014 spent their night dancing away, and creating memories, until their magical evening came to an end. All the hard work proved to be worth it, because as their prom concluded, it was certain that it was a night to remember.

The Japanese Exchange students

Iwaizumi and Wisconsin Dells have been sister-cities for more than 21 years. Once again, the 2013 exchange did not fail to be even greater than all previous years. Mrs. Hess and Mrs. Surman were again in charge of the exchange, and even though they struggled to gather host students, they ended up making it work, and the week was the best it could be. The students came in January rather than October like previous years. They did things such as swimming at our famous waterparks, posing for Old Time Photos, touring the H. H. Bennett Museum and the Capital, gliding down Christmas Mountain hills on tubes, and much more! The week was packed full, with minimum time to spare. It was hard saying goodbye to the friends that the students made in just a short week, but the memories and bonds they created will never be forgotten.

Just chillin'

**POP STAR BEYONCÉ** shocked the world by releasing a surprise self-titled album at midnight on Dec. 13. Despite no prior promotion, "Beyoncé" sold more than a million copies in the first week.

**BALD EAGLES** began dying in northern and central Utah before wildlife experts figured out the cause—West Nile Virus. Officials believed the eagles died after eating dead birds that had the virus. The deaths were not expected to reduce the bald eagle population.

**NASA ANNOUNCED** that after 36 years in space, its Voyager 1 probe had officially left our solar system, making it the first man-made object to do so. Voyager 1 was expected to continue operating and sending back data outside our solar system for 15 more years before it runs out of power.

**THE U.S. GOVERNMENT SHUT DOWN** in October while Congress argued about how to pay for running it.

Length of government shutdown

Number of federal workers sent home without pay (they did get back pay)

Estimated economic loss to the U.S. (Standard and Poor's)

Estimated economic loss from closed national parks (National Park Service)

Dozens of organized protests occurred at closed federal parks

**DENVER QUARTERBACK PEYTON MANNING** put together one of the greatest seasons in NFL history. Manning finished with 5,477 yards passing and 55 touchdowns, both NFL single-season records.

**RESEARCH SHOWED** teen usage of Facebook was decreasing, as kids continued to migrate toward other social networks like Twitter, Instagram and Snapchat.

**IN EARLY JANUARY**, much of the country from the central and upper Midwest to the Northeast and into the South was struck by a polar vortex—a blast of dense, frigid polar air. The polar vortex lasted nearly a week and caused record low temps that created the coldest blast of air in 20 years.

## NELSON MANDELA

1918-2013

**NELSON MANDELA**, who worked to end racial segregation called apartheid in South Africa, died at age 95. Mandela spent 27 years in prison for conspiracy, and when freed, helped to lead his country to equality and served as South Africa's president from 1994-1999.

## CELEBRITY DEATHS

FANS WERE SHOCKED and saddened by celebrity deaths during the year. Paul Walker (pictured), star of the "Fast & Furious" movies, was killed in a car crash. Other celebs who died included Cory Monteith, who played Finn on the TV show "Glee," actor Philip Seymour Hoffman and rock star Lou Reed.

**SAN FRANCISCO WAS SAVED** from the Penguin and Riddler on Nov. 15 when Miles Scott, 5, was granted his wish by the Make A Wish Foundation. With his leukemia in remission, Miles became Batkid and joined a life-size Batman to battle the villains across the city. Hundreds of volunteers made the event happen.
