Hi! I'm Beany!  
and I'm a Senior at W. D. H. S.

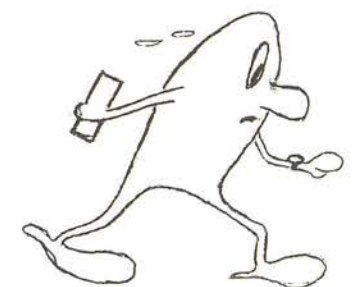

WISCONSIN DELLS HIGH SCHOOL  
520 RACE STREET  
WISCONSIN DELLS, WISCONSIN

Hi! I'm Beany, the typical rock and roll teenager from WDHS who takes the bus to football games, has hamburgers and coke for lunch at Van's, and rides around 'til the last minute during noon hour. I really dig Stereo, Mr. Heiman, long vacations, and water skiing. I like knee ticklers, peroxide hair, Bermuda shorts, bulky knit sweaters, and convertibles. I have a definite aversion to noodles, detention slips, semester exams, report cards, and term papers. I am very busy all day long--there are SO many things to do at WDHS.

Wow! It's

8:29 and I Must Dash!

# *Dedication*

Mrs. Betty Plenke

## DEDICATION

In all warmth, fondness, and sincerity, given as generously as she has given to us through these years, we dedicate this, the 1961 Arrow, to Mrs. Betty Plenke, whom we have come to know as an instructor, and advisor, and even more proudly as a true friend.

## Board Members Determine Policies of School System

The Board of Education is a legislative body charged with the responsibility of determining policies, setting the goals, and establishing the mental, moral, and physical environment of our schools. The students are grateful to the members of the Board for providing the facilities needed for educational development and appreciate the time and effort these men expend in our behalf.

# Administrators are Back

ROBERT W. FENSKE  
Superintendent of Schools

As the chief executive officer of the Board of Education, Mr. Fenske is responsible for the efficient operation of the Wisconsin Dells public school system and the execution of the policies of the Board of Education. He strives constantly for continuous improvement in the school system.

## BARBARA KOBERSTEIN

Secretary to the Board of Education

Barbara does all the accounting and clerical work connected with the operation of School District No. 1. She writes all checks, makes out the bank statement, checks and files invoices, pays all bills, makes bank deposits, takes care of incoming mail, and other duties too numerous to mention. To enable her to work without too much interruption, Barbara has this year been given an office of her own.

# Bone of Our School System

## FREDERICK C. REINEKING

Principal of High School

As our friend and principal, Mr. Reineking ranks high in the opinion of the student body. From the day a freshman enters high school until the day he graduates, Mr. Reineking figures prominently in the student's high school career. Mr. Reineking enforces rules and regulations, plans student programs, works with the faculty to improve the curriculum, arranges conferences with parents, and helps students with their individual problems. Due to his administrative ability and understanding of today's teenagers, our high school functions smoothly and efficiently.

## DONALD A. SKARDA

Guidance Director

During his four years in high school, each student has many conferences with Mr. Skarda, our guidance director. Through a thorough testing program and individual conferences, Mr. Skarda works with each student to help him select the courses best fitted to develop his abilities and interests.

## GRACE NILES

Office Secretary

Grace is just about the busiest person in WDHS. She checks attendance, records our scholastic grades, does the correspondence for Mr. Fenske and Mr. Reineking, handles the selling of lunch tickets, and answers innumerable questions. She handles all these jobs very capably and always has a smile and a friendly greeting for each of us.

# They Serve Our Schools Efficiently

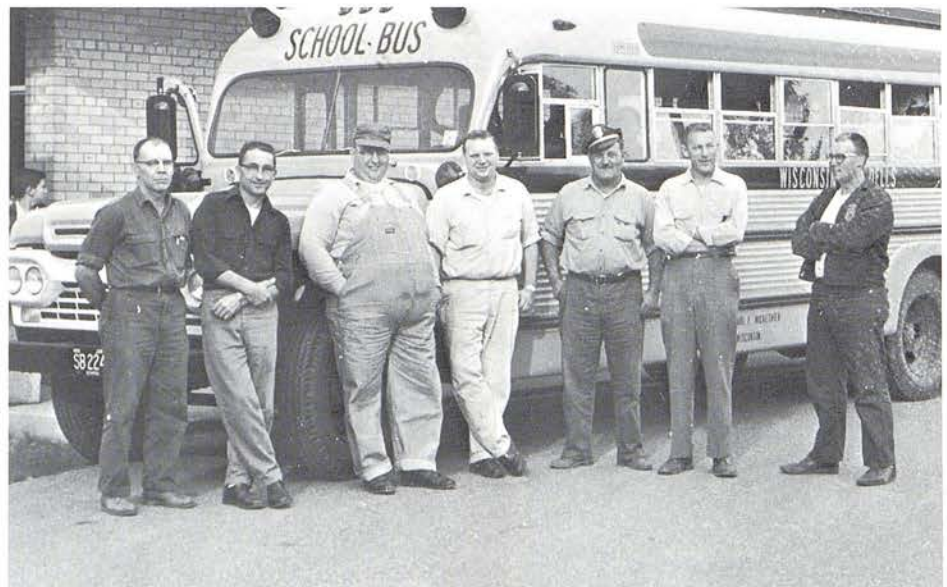

## CHEFS

Noon hour you can find enthusiastic students awaiting their turn in the lunch line. Behind the good smells that drift out of the cafeteria are Mrs. Vernon Williams, Mrs. Roy Doud, and Mrs. George Schweda. Mrs. Williams also does the school laundry.

## CUSTODIANS

Most of us are not aware of the responsibilities and burdens that confront the custodians daily. Before school begins and hours after we have all left, they are busy with various tasks that are vital to the upkeep of the schools. LEFT TO RIGHT: Ray May, Jack Walsh, Joe Gotthardt.

## BUS DRIVERS

Neither ice nor snow nor heavy rains keeps these bus drivers from bringing their groups of chattering students to school and safely back home again. LEFT TO RIGHT: H. Peterson, P. Brockley, R. Cole, D. Fowle, W. Gluth, E. Hickethier, E. Wampler.

# Classroom Activities Keep Us Busy

The members of this advanced math class have no time to gaze wistfully out of the window. Sandee Peters, Bill Gaffney, Conrad Metz, Jay Walch, Dick Olson, and Jim Wright are diligently working out a problem on inequalities.

"Student Marriages--Good or Bad" was the subject of discussion by this group of junior English students. The panel is made up of Dennis Nichols, Ken Lueck, Nancy Moon, Dorothy Walker, and Louise Schaumberg.

Art students Pat Tucker, Valerie Streeck, Jim Trumble, John Tolkaksen, Terry Tobin, Chet Gabris, and Ronnie Briggs put the finishing touches on a horse to be used for the Cabaret.

# Seniors Elect Capable Officers

CLASS OFFICERS PLAN SENIOR PARTY. Mr. Pinkowsky, Advisor; Pat Tucker, President; Judy Peterson, Treasurer; Christine Anderson, Secretary; Ann Brown, Student Council; Paul Cone, Student Council; Gene Johnson, Vice-President.

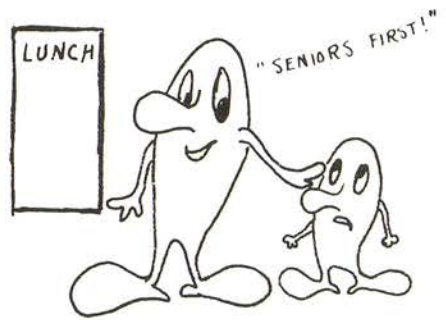

For 2 weeks members of the Federalist and Nationalist parties campaigned vigorously for their candidates. Then on October 14 they went to the polls. LEFT: Pat Tucker, Nationalist candidate for Governor, is giving his campaign speech. BELOW: Jill Georgeson, Tom Beaver, John Fish, Clara Farrell, and Mary Waterman cast their ballots. Charlene Gutsmeidl is checking the list of registered voters, and Dorothy Wormet has charge of the ballot box.

Being a senior is fun and exciting. We were always first in the lunch line for the cafeteria. In the fall, we argued like mad the good points of Nixon and Kennedy, and we campaigned vigorously for our candidates for class officers. In the spring, we donned Bermuda shorts for the senior picnic at Devils Lake, and then put on our very best for the senior banquet. But those last days were tinged with sadness, too, because we knew we were doing things for the last time at WDHS.

# Underclassmen Find Classes Interesting

## "OSCAR" IS IMPORTANT IN OUR SCIENCE DEPARTMENT

Mr. Fitzpatrick is using Oscar to demonstrate to Judy Clark, Carol Elliot, Kandy Coffman, and Dan Mathews, members of the freshman science class, the structures and functions of the human body.

## MATH LINE-UP

Maggie Baggot, Carter Eckert, Shari Johnson, Barbara Reineking, and Lynn Neubauer work an algebra problem in equations.

## WHY STUDY LATIN

Lynn Hartwig, Bonnie Nagel, and Mike Newsom know the answer to that--there is going to be a Latin test.

## ALL LEARNING IS NOT FOUND IN BOOKS

Mr. Weigel is shown here with Mr. O'Keefe, practice teacher, explaining the difference in the molting habits of laying and non-laying chickens. The ag boys surrounding them are B. Holderman, J. From the lofty position of senior, it is fun to watch the struggles of the underclassmen. I have escorted lost and confused freshmen to their classrooms. I've seen the sophomores start their careers as locker lovers and watched as they tried to decide which gadget in the car was the steering wheel in driver's ed. And I got all tired out just watching the busy juniors as they selected class rings, planned the spring tour to Washington, and worked like mad to decorate the gym for Prom.

## These Classes Prepare for Future Jobs

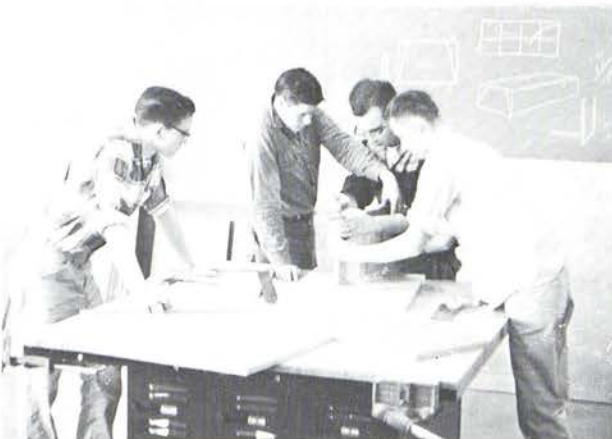

Those students who choose the commercial curriculum receive training in bookkeeping, typing, shorthand, and office practice. Here are members of the junior shorthand class working diligently to improve their shorthand skill, which is an invaluable aid in obtaining a job.

Jeanne Hoesly, Cecelia Sine, and Barbara Thomas of the advanced shorthand class use a demonstration set of telephones to get practice in the effective use of the telephone.

Sid Anderson, Bill Hagen, Ken Hines, and Richard Hoeg, in a unit on farm electricity, check the voltage being used in a simple electric motor.

In a machine woodworking class Dick Carter, Marvin Bennett, Mike Przybylski, and Dean Sickenberger lay out woodwork to get ready for doweling.

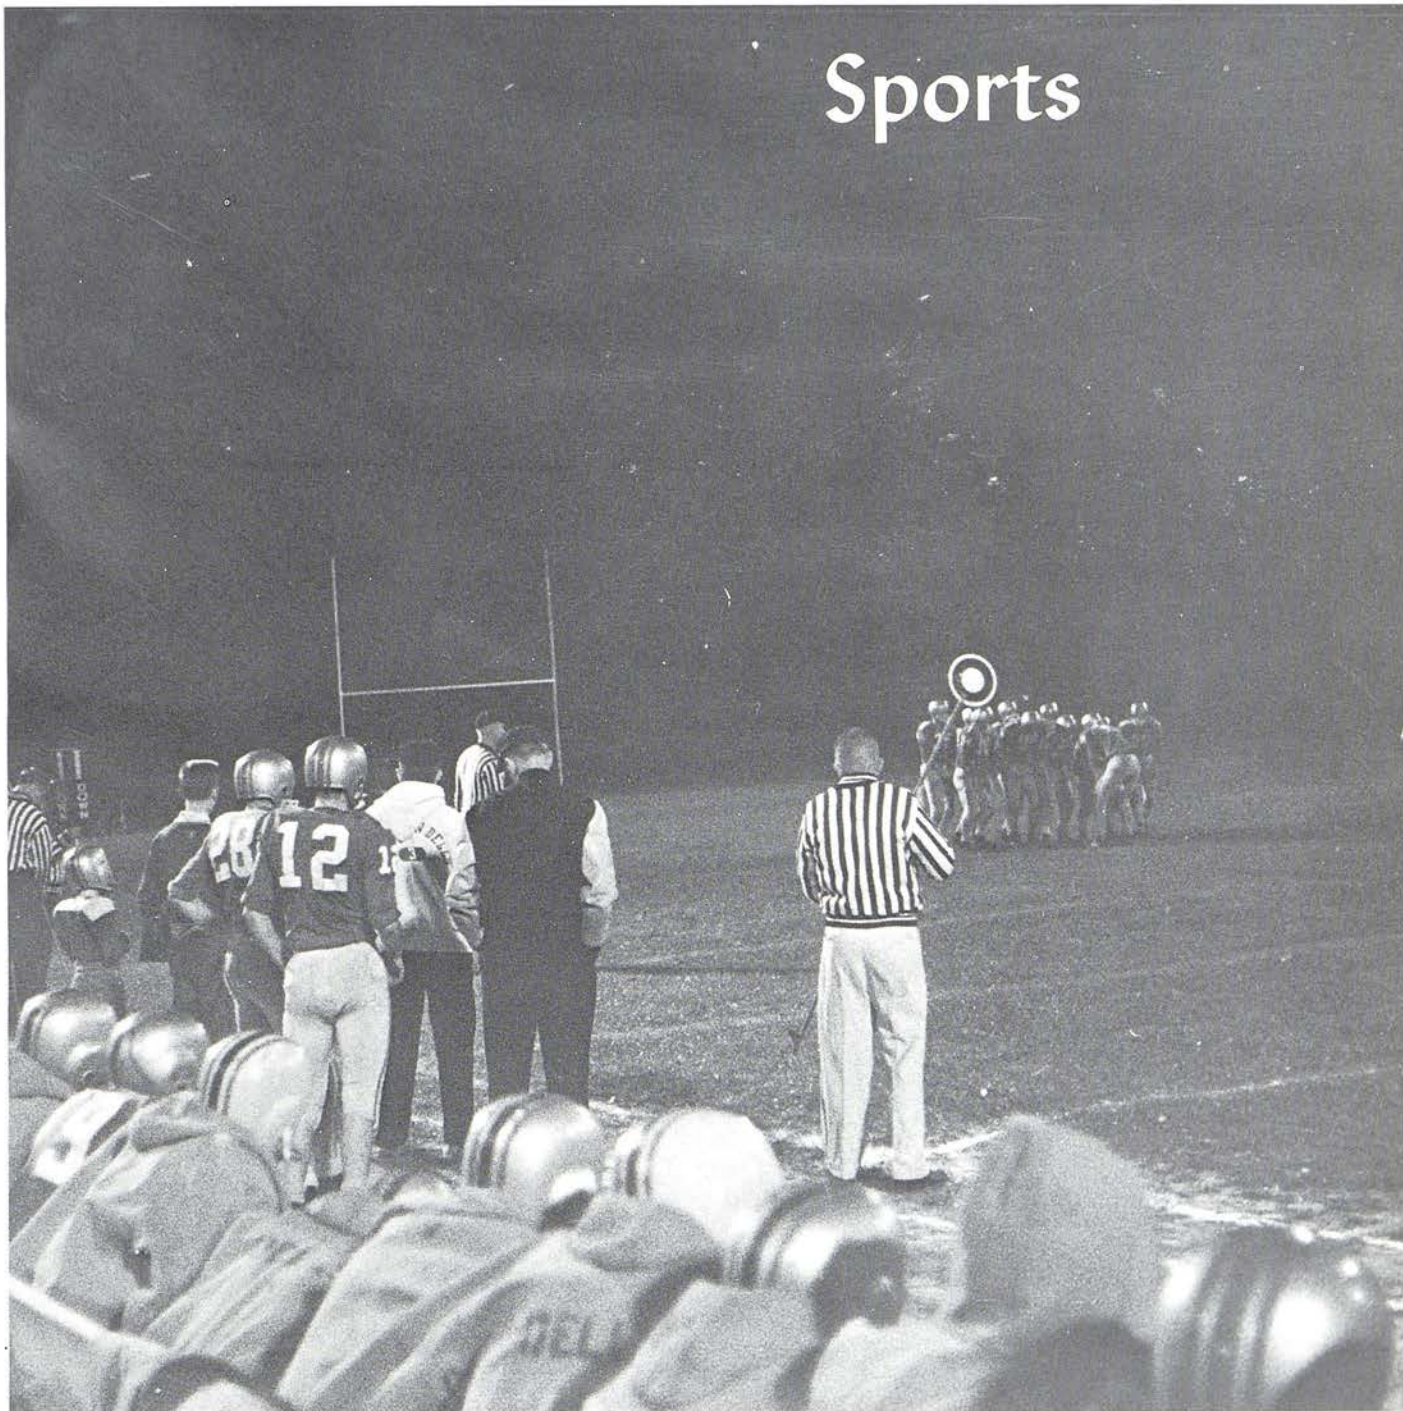

For most high school girls homemaker will be their most important job. Shown here are Nancy Van Wie, Laurie Loomis, Sharon Decorah, Sherri Johnson, and Judy Kalamarz learning the skills necessary for an efficient homemaker.

I love sports and go out for every kind of athletic activity. Three hundred and eighty-seven laps around the track and breaking a bone or two are the trials and tribulations of a great athlete like me. Unfortunately, I sometimes shoot for the wrong basket, or run for the wrong goal, and I never seem to pin my man--my coaches get quite irritated with me at times. Maybe I should be a cheerleader.

With no returning regulars from last year's squad, the Wisconsin Dells 1960-61 basketball team was extremely handicapped by lack of experience. This inexperience and a completely new style of play were serious obstacles to overcome. However, the team played exciting and interesting basketball throughout the year. Despite their record, their play at the end of the season certainly created an optimistic outlook for next year for Dells basketball boosters. Junior starters Bruce Grubba, Gary Cahoon, Bob Van Wie, plus Dan Wenkman, Dave Kaminski, Chet Harrison, and Terry Ryan will form a good nucleus for next year's team.

Due to the fine coaching of John O'Malley and the assistant coaches, Richard Schauf and Richard Hartzell, plus the fighting spirit and hard work of the team, the Chiefs provided an exciting game every time for enthusiastic spectators. They have the distinction of holding the conference champions, the Reedsburg Beavers, to their lowest output of the season. Credit goes to several deserving seniors: Our team captain, Gene Johnson, and the team's most valuable player, Bob Schultz, along with Bill Gaffney, Ken Leege, Ray Horton, Dick Dunahee, Jay Walch, Fran Walsh, and Dick Werner. These boys will all be missed next season. Despite the 2-6 record posted by the 1960 Chiefs, the team worthily represented the town and our school, and we are proud of them.

## Pin or Be Pinned

The Wisconsin Dells wrestling team, in their first year under Coach Larry Guldborg, turned in a highly successful season. Despite a 3-8 seasonal record in dual meets with Reedsburg, Tomah, Sparta, Richland Center, Middleton, Columbus, and Prairie du Sac, they wound up in 4th place in the conference meet at Sparta. They also were entered in the D.C. Everest Invitational Tournament and finished in 5th place. Outstanding wrestlers this year were Bob Schultz, heavyweight, Dick Werner, 138 lbs., Jerry Kimball, 105 lbs., and Howie Hanson, 97 lbs. Schultz, Kimball, and Werner finished first in their weight divisions in the conference meet, and Schultz also finished first in the D.C. Everest meet. Hanson ended the season undefeated in his weight class.

Bob Schultz, Dick Werner, Jerry Kimball, Conference Champions, with Howie Hanson, undefeated in his weight class.

Golf is a spring sport which is becoming increasingly popular each year, and as soon as the frost is out of the ground, the members of the WD golf team spend all their spare time at the Dell View golf course polishing up their drives, putting game, and approach shots. Under the direction of Coach Brimer, the team had a busy season, playing matches with Baraboo, Portage, Reedsburg, Richland Center, Prairie du Sac, and Viroqua. Denny Wampler and Bill Gaffney played in the finals of the inter-squad tournament with Wampler emerging as the victor. With the entire squad returning, hopes are high for a successful 1961 season.

The Dells thinclads started the 1960 season with a trip to the Madison West Relays. Following was a tie with Adams, the Hartford Relays, and the Beaver Dam Invitational. The season continued with a win over Baraboo, a second in the Portage, Mauston, Dells triangular, sixth place in the conference meet, a second in the Baraboo, Prairie-du-Sac, Dells triangular, and a loss to the conference champion, Richland Center, in a dual meet. The sectional and state competition completed the schedule. Captain Gene Johnson qualified for and participated in the state meet at Ripon. Joe Conway established a new varsity record of 22.7 seconds in the 220-yard dash. The freshman-sophomore team, many of whom competed on the varsity, won both their annual meets against Portage, Baraboo, and Mauston setting 9 new records in the process.

This shows Hooter Hudzinski in the high hurdle event of the Mauston, Portage, Dells triangular meet. Hooter is hitting the hurdle here, but he finished second in the race.

Here is Gene Johnson throwing the discus. Gene was the only track participant to go to the state, and he was also elected captain at the end of the season.

The 1960 edition of the Wisconsin Dells baseball team ended its season with a highly commendable 6-3 record. The Chiefs won their first five games including wins over Mt. Horeb and Ft. Atkinson on their annual overnight trip. The leading hitters on the team were Duane Ragan, ace hurler, with a .431 average, and Tom Gussel, rugged shortstop, with a .400 average. Ragan was named most valuable player and Tim Baggot, smooth fielding center fielder, was named honorary captain.

## Our Cheerleaders are 'the Most'

Maggie Baggot, Linda Thompson, Sandy Field, Susan Fenske, Susan Schaitel, Jill Georgeson.

Blue and white are the colors they cheer  
Snappiest cheerleaders seen in a year.

"Let's go, let's go, let's really go" is a familiar chant by the cheerleaders as they strive to heighten school spirit at all athletic events. Going behind the scenes, we find that the life of a cheerleader includes much more than just cheering at sport events and pep assemblies. Under the leadership of Miss Zimmermann and head cheerleader, Sandy Field, the cheerleaders practiced many hours to perfect their cheers. They had other responsibilities, too, such as arranging for busses to out-of-town games, preparing pep assemblies, and composing new yells and songs. In the hearts of the student body, faculty members, and members of the community is an unspoken, but sincere, thanks for the fine job done by the cheerleaders this year.

I am very busy every day at school. My talents are many and varied, and I belong to everything--Band, Chorus, Lettermen's Club, Key Club. I write tremendous articles for the newspaper, but I never see any of them in print. I am very good at debating because I love to argue, and my forensics coach says that I have great possibilities as a public speaker. I have many new and novel ideas about running a high school, but so far the Student Council has not used any of them. Oh, yes, I belong to the Camera Club, too--I can't take pictures, but Boy! can I sell popcorn!

## Council Directs WDHS Activities

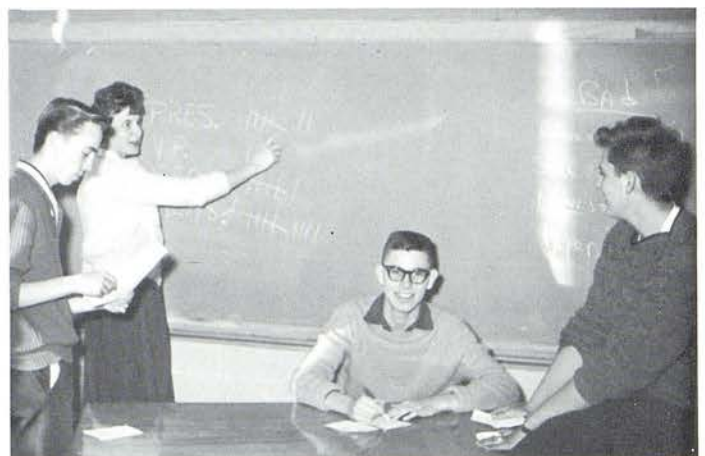

The Student Council is the organization which starts the wheels of WDHS rolling in the fall. Under the direction of Mr. Fitzpatrick, it begins its work shortly after school starts when it organizes the election of class officers. In October its big project is the planning of all Homecoming activities. In December the Council sponsors the Can Dance which is an annual benefit dance for needy families of the community. The beautiful Christmas tree which all students enjoy during the Christmas season is contributed by the Council. In addition to these activities, the Council arranged the dance schedule for the year, purchased secretarial books for each class and had charge of the Post-Prom Dance.

Under the supervision of Mr. Reineking, the members of this service club took part in many activities useful to the school and community. Among the numerous projects undertaken by the club were assisting of the local blood bank, sponsoring the Parent-Teacher Appreciation banquet, helping the Kiwanis Club prepare and deliver Christmas baskets, ushering at athletic contests, and "fixing up" the athletic training room. The club played host to the Wisconsin-Upper Michigan District Key Club Convention in April. It is proud that two of its members, Jay Walch and Gary Peterson, held district offices this year. The officers of the club are: President, Gene Johnson; Vice-President, Bill Gaffney; Secretary, Bill Brockley; Treasurer, Gary Peterson.

This year's Arrow staff devoted initiative, hard work, and a lot of time to the preparation of the 1961 Arrow. The staff met in the spring of 1960 and decided on "Beany" as the theme of the book, and immediately in the fall they began their work on layouts, picture taking, and copy writing. The word "deadline" was enough to throw writers, photographers, and typists into an absolute frenzy, but page by page, the Arrow fell into place and, when the final deadline was met, a mighty sigh of relief escaped from each member of the staff. The members of the staff hope they have produced a yearbook which will furnish many happy hours of recollection of days gone by.

The busiest member of the staff is our photographer, Connie Wziesinski.

Business Manager Pat Tucker checks his subscription list.

Editors Marilyn Bogh and Bill Brockley find that planning layouts is a job that requires patience and skill.

Thursday is the day to which we all look forward because that is the day the "Chieftain" section of the Dells Events is posted at the library door and students crowd around, eager to read the latest high school news. The newspaper staff puts in many hours, chasing news, planning feature stories, interviewing students, writing copy, typing and proofreading in order to give the students an interesting paper. But it is not all work for the newspaper staff. In October the staff editors, with their advisor, Mr. Fortney, attended the Journalism Conference held at the University of Wisconsin where they picked ideas to give us a better paper. In May the members of the staff were guests of Mr. Jim Walch, editor of the Dells Events, at a banquet which the entire staff enjoyed very much.

Co-Editors Colleen Guildner and Carter Eckert proofread copy.

The Future Homemakers' activities for the year started with a new member party highlighted by the initiation of new members. Later in the fall there was the FFA-FHA annual dinner, the theme of which was "Getting to Know You," which emphasized understanding our neighbors abroad as well as at home. In December, the girls gave a lovely Christmas tea for their mothers. In February, the group attended the demonstration program given by the Cambria, Lodi, and Columbus Chapter. Later in the spring, a recognition meeting honored those members who had received degrees. During FHA Week in April, the club had an attractive school corridor bulletin board display and downtown window displays. The girls also planned a spring style show. The busy year ended with the annual trip. The officers of the club are: President, Marlea Stone; vice-president, Barbara Joyce; secretary, Tina Sus; Treasurer, Sullen Joyce; recreation, Betty Donnelly; reporter, Marlea Oeftger; historian, Pat Howley; parliamentarian, Dorothy Wormet.

"We learn by doing" could well be the motto of the Wisconsin Dells chapter of the Future Farmers of America. The members spent a busy year and were rewarded by trophies and awards. Clarence Englebretson won the state corn yield contest with a yield of 204 bushels per acre. The land judging team won the state contest held at Marshfield for the third consecutive year. This team, which also won the Columbia County Contest, will represent Wisconsin at the national contest held at Oklahoma City.

Officers of the club are: President, Vernon Smith; vice-president, Ken Huber; secretary, Gail Huber; treasurer, Roger Cook; reporter, Pat Cleary; sentinel, Dennis Griffin, safety chairman, Stan Dunahee.

## Be Happy, Go Healthy

With the combination of fun, plenty of healthy exercise, and the development of character, the members of GAA found that their time was spent very profitably in GAA activities. Miss Zimmermann, the advisor, selected a great variety of activities for the members. Badminton, volleyball, bowling, and basketball were popular. When weather permitted, softball and archery were offered out of doors. Participants in these competitive sports learn fair play and good sportsmanship. Members also engaged in activities other than sports: they made mums for Homecoming, and had charge of concessions during home football games. Officers of the club are: President, Linda Thompson; Vice-President, Dorothy Wormet; Secretary-Treasurer, Nancy Sumwalt; Point Secretary, Judy Hickethier.

The Library is the center of intense activity, and the members of the Librarians Club find themselves hurrying and scurrying to meet the demands of industrious students. The assistant librarians are busy accessioning books and checking books in and out. They alphabetize and file cards and plan the window displays encouraging students to read more books. These librarians, under the direction of Miss Eichsteadt, are instrumental in keeping our library functioning smoothly and efficiently.

## They See the World Through a Lens

The Camera Club offers to those interested in photography a chance to learn the fundamentals of darkroom work and picture taking by actual experience. Demonstrations and informal talks are given by a professional photographer or experienced member at each club meeting to help new members learn the proper techniques of photography. Members are allowed to use the facilities of the school darkroom to gain valuable experience. The informal pictures used in the school newspaper and the annual are largely the work of the Camera Club.

Note cards, files, and tournaments kept our debaters busy most of the winter. Arguments, pro and con, on the question, "Resolved: That the United Nations should be significantly strengthened," kept the members of the debate teams on their toes as they prepared for the tournaments. Frank Svejcar and Merry Gruman argued the affirmative side of the question, and the negative team consisted of Avis McMillan and Colleen Guildner. During the season, our debaters met teams from Beloit, Monona Grove, Baraboo, Elkorn, Northwest Military Academy, and Janesville.

**EXTEMPORANEOUS SPEAKING:** C. Wrezenski, C. Colburn, winners.

Every student in school is encouraged to participate in the forensic program. Students spend weeks before the try-outs cutting plays, reading poetry, scanning declamations, using reference books for information for oratory and 4-minute speeches. The Forensic Reserve shelf is the most popular spot in the library, and study rooms are filled with students timing selections, practicing plays, and recording voices on the tape recorder. Forensic activities include extemporaneous speaking, oratory, declamations, 4-minute speeches, interpretative reading, and public address. Winners in the various categories in the local contest, which was held on February 20, represented our school at the league contest, and winners there went on to the district contest at Whitewater and the state contest held in Madison.

## In "ULC" Latin is Fun

Una Lingua Communis, which means "one common language," is the name of the new Latin Club which was organized in the fall. The club emphasizes the common purpose of Latin students, which is to learn to appreciate the great contributions which the Ancient Romans made to our own culture. Students who are taking Latin and those who have already finished second-year Latin are eligible for membership. Meetings are held monthly on the first Tuesday of the month.

The club was busy with many activities. The Saturnalia (Christmas party), at which Latin and English Christmas carols were sung, was highly successful. At the Roman banquet, which was held in April, the food and method of serving was Roman style, and Roman-style entertainment was furnished. Latin Week was held in April for the purpose of informing students who are not taking Latin of the value of studying Latin.

## Lettermen Know Value of Sportsmanship

What is a school without its lettermen? WD's outstanding athletes comprise the Lettermen's Club, which requires one to earn a varsity letter in one of the five major sports. Organized with the purpose of arousing an all 'round interest in sports, this club definitely achieves its goal. The members are avid sports fans, well aware of the meaning of good sportsmanship.

The purpose of the club, under the direction of Mr. DeMerit, is to promote clean and wholesome athletics, to encourage participation in school sports, and to foster good sportsmanship. Members uphold the traditions of WDHS by displaying loyalty to teammates and courtesy to opponents.

### OUTSTANDING ATHLETES

Their performance this year was especially impressive because of the attractive new uniforms. This spring was a very busy time for our music department, for Wisconsin Dells was host to the Solo and Ensemble Festival on March 25 and the Band and Chorus Festival on April 29. ## Voices Ring As Students

Sweet strains of music coming from the cafeteria tell us that the Chorus is practicing. Made up of students who sing because they like to sing, the Chorus practices under the direction of Miss Barbara Buck on Tuesdays, Thursdays, and Fridays. The Chorus provided entertainment at the Christmas Concert, the Veterans' Day program, the Spring Concert, and Commencement. With the Band, the Chorus sponsored Talent Night which was held on January 28. Their performance is always a fine one, and we appreciate the hours of pleasure they have given us.

# Fridays Are the Best Days

Everyone enjoys the pep meetings on Friday afternoons.

Friday night dances are a "must" after a basketball game.

S. Lucke, B. Dunahee, M. O'Neill, S. Peters, B. Gaffney, L. Loomis and G. Peterson spin records on the Hi-Fi.

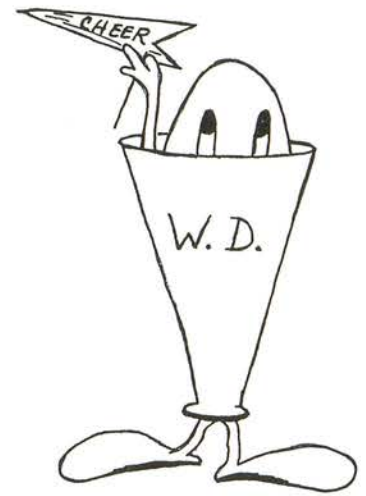

Right in the face of Paul Cone goes a pie expertly hurled by Bob Schultz in the senior skit.

M. Stone, K. Lueck, D. Grieger, T. Sus, and D. O'Keefe buy dance tickets from D. Nickols and N. Moon.

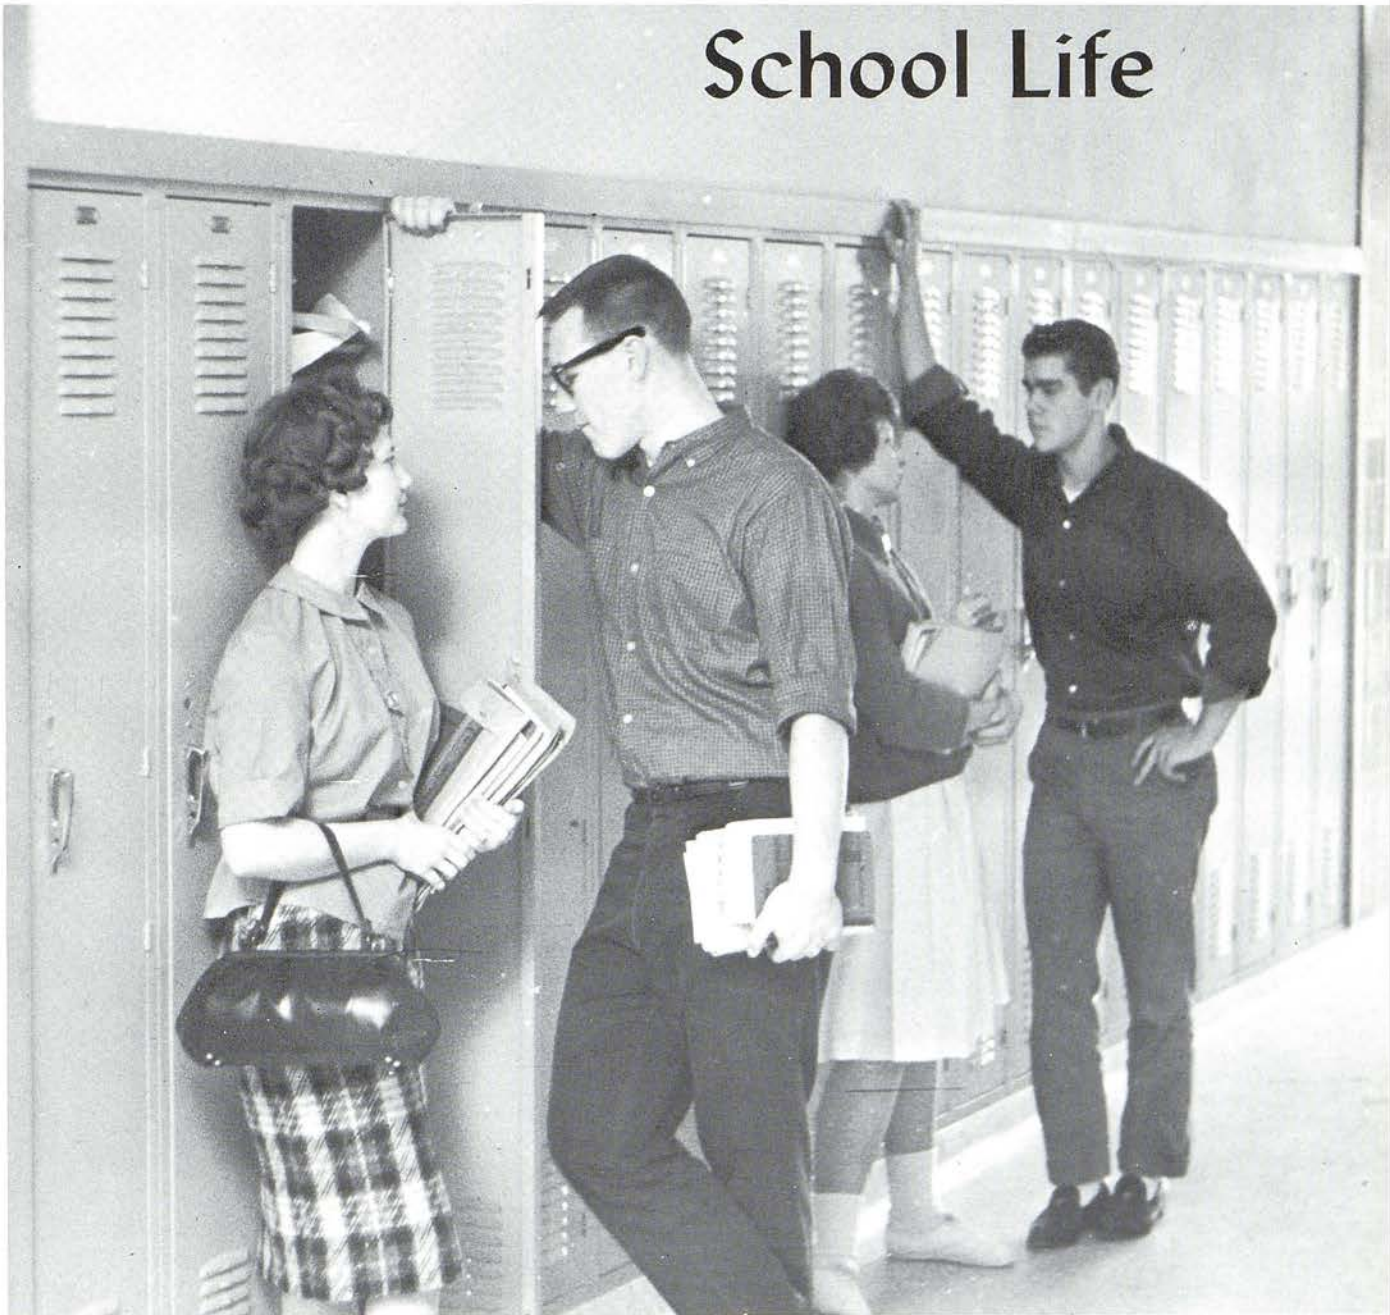

My favorite time is noon hour when everyone stands around the water bubblers and discusses important things like who had a date with whom, how hard was the English test, and what are the answers to the math problems. I like it between classes, too, when a pal slips me a stick of gum which the teacher in the next class makes me put in the basket. I have problems, too--when report cards come out, or I forget my lines and trip over the scenery in the school play. I should use weekends to catch up on sleep, but I never do; and Friday night games and dances and Saturday night dates always manage to make me fall asleep in classes on Monday morning.

PROM KING AND QUEEN  
Dennis Wampler    Gay Roeker

Dancing in the depths of the sea.

## How Deep Is the Ocean?

Picture a beautiful underwater scene with hundreds of multi-colored fish, a coral reef, a sunken ship and treasure chest, swirling seaweed, and hugh fish nets; add the rustle of lovely formals, the fragrance of many corsages, and the strains of the Song, "How Deep is the Ocean?" played by the Jerry Billington orchestra, and you have the setting for the 1960 Junior Prom held in the high school gymnasium on May 7. With the help of crown bearers, David Soma and Sally Greenwood, King Dennis Wampler crowned Gay Roeker as Queen on a luminous pearl shell drawn by two seahorses. Following the crowning ceremony, the members of the Court took their places and the Grand March began.

At one o'clock the Prom ended, but the night was far from over. Students ate and danced at a party given by the Kiwanians, Rotarians, American Legion and Lake Delton Lions Club at the Dell View Hotel. Tired, but still enthusiastic, couples danced until early morning--it was a night to remember.

# Homecoming

King Gene Johnson and Queen Sandra Field

The air was warm, the skies were sunny, and a feeling of excitement pervaded WDHS--it was Homecoming! For weeks students had been busy writing and practicing skits and decorating floats. The day started in the afternoon with skits put on by the various classes. Then the marching band, the decorated floats, and the royal court in convertibles started on their parade through town.

The game at night was our only disappointment. We cheered loudly and our team did its best, but we were defeated by Portage. However, we soon returned to a festive mood as we attended the dance at night and whirled to the music of Hal Edwards.

"He scratched open my veins and made me drink." Lines like this kept the audience on the edge of their seats during the performance of the horror play DRACULA, the vampire play, which was presented in the high school auditorium on December 7 under the direction of Mrs. Charlotte Manning. This three-act play is full of moments of suspense, and the audience thoroughly enjoyed the fine performance by each member of the cast.

Presidential candidates and party policies cause many heated arguments during the 1960 presidential campaign. The senior class promoted a mock election the day before the national elections. The results of this election showed that the student body was predominantly Republican.

Most students agree that waiting for the bus is the happiest part of the day.

## Caps, Gowns, Diplomas, Tears

As I walked across the stage past Mr. Fenske and Mr. Reineking to get my diploma, I was happy, but there was a lump in my throat I couldn't quite understand. Maybe it was because we have ended one phase of our life and are starting an awesome new roll. It has been a wonderful year, but not it is over. Hurrying to get in the crowded cafeteria line, rushing through the halls to get to class before the final bell rang, crowding around the water bubbler between classes, saying a carefree "hi!" to our neighbor as we slide into our seats, visiting and exchanging ideas with our teachers after school--all gone forever. We have returned our books for the last time have cleaned out our unbelievably messy lockers. Our days of achievement here have prepared us for a bright and shining future.

The first part of the document discusses the importance of maintaining accurate records of all transactions. It emphasizes that every entry, no matter how small, should be recorded to ensure the integrity of the financial data. This includes not only sales and purchases but also expenses and income. The document provides a detailed list of items that should be tracked, such as inventory levels, customer accounts, and supplier payments. It also outlines the procedures for recording these transactions, including the use of specific forms and the assignment of responsibilities to different staff members.

The second part of the document focuses on the analysis of the recorded data. It describes various methods for identifying trends and anomalies in the financial records. This includes comparing current performance with historical data and industry benchmarks. The document also discusses the importance of regular audits to verify the accuracy of the records and to detect any potential fraud or errors. It provides a step-by-step guide for conducting these audits, from the selection of samples to the final reporting of findings.

The final part of the document addresses the communication of the results of the financial analysis. It emphasizes the need for clear and concise reporting to management and other stakeholders. The document provides a template for these reports, including sections for executive summaries, detailed data analysis, and recommendations for future actions. It also discusses the importance of transparency in financial reporting and the role of the accounting department in providing accurate and timely information to support decision-making.
