Let's Explore

WDHS

Foreword

I am Big Chief Running Arrow, and I am going exploring. I am nosing around school, peeping into classes and walking through corridors to find out what goes on in WDHS.

For you students of today and of the future, I am recording my discoveries and presenting them to you so that some day you may look back upon this book as an account of your school life in 1958-59. You may then renew forgotten memories, recapture the spirit of your school and perhaps relive some of the happy experiences of your youth.

And for others, this book will be a window through which to view WDHS to see what goes on and to gain an understanding of the life there--

So come all -- LET'S GO EXPLORING

Spencer--Our Artist

With the sincere hope that it has captured the WDHS spirit and school life of to-day so that it may be recalled tomorrow, the annual staff edited the 1959 ARROW.

Every member of the staff contributed suggestions and ideas for layout, pictures, and copy; but to lessen wear and tear on the entire staff at the times when that demon "Deadline" reared its ugly head, the responsibility for the various sections of the annual was divided. Judy Houghton, with Pat Stukel as her assistant, had charge of the senior section; Sandy Duris, the faculty section; Karen Petersen, the underclassmen pages; Colleen Joyce, the activities; Tom Reynolds, music; Dave McClyman, the sports section; Karen Rachuy and Lois Hudzinski, school life section; Dick Wright, senior photographer; Spencer LoneTree, the art work. Bonnie Stanwyck was editor with Karen Petersen as co-editor. Sandy Bremer, business manager, handled the finances.

The Camera Club is the busiest club in school. Every day Bill Heineke, Delbert Cone, Dick Wright, or Harold Heidtke stalk the halls with camera in hand. The darkroom is a hubbub of activity, and the words, "Who's there?" "No, you can't come in now," are frequently heard outside the darkroom door.

The club is divided into two sections--the advanced group, which does the photography for the Arrow, and the elementary group. Each group with Mr. Heiman as advisor, works toward the main goal of the club: To take, develop, and print better amateur pictures.

BOTTOM ROW: L. Everson, S. Peters, Mr. Lucke, C. Gutsmeidl, A. McMillan. ROW 2: W. Millard, J. Waterman, C. Wrezinski, J. Trumble, F. Svejcar, M. Meltz.

High school debaters all over the United States argued the question, "Resolved that the United States should adopt the essential features of the British education system."

WDHS debaters under the coaching of Mr. Lucke started off the year in full swing by holding a practice debate with Baraboo. Representing the affirmative were Charlene Gutsmeidl, Jim Trumble, Frank Svejcar, and Pat Tucker. Lorna Everson, Avis McMillan, Merrill Meltz, and Conrad Wrezinski were on the negative team.

Many hours were devoted to research, writing briefs, and practicing delivery before the debaters were ready to represent WDHS in the district tournament which was held at Fort Atkinson on January 31.

Forensic Students Develop Speaking Ability

This year, candidates for forensic activities were selected from the various English classes. Those interested in this activity, choose one of the following categories of speech: humorous and non-humorous declamations, extemporaneous speaking, extemporaneous reading, 10-minute original speech, 10-minute non-original speech, 4-minute original speech, interpretative reading, and play reading. After the initial selection of candidates, a local elimination was held at the high school. The league forensic contest for Wisconsin Dells, Baraboo, Reedsburg, and Portage was held at Portage on March 18. There were also district and sectional eliminations, and then the state finals at Madison. Mr. Lucke was the faculty advisor for this phase of school life.

The FFA is an organization of, by, and for boys studying vocational agriculture in public secondary schools. As an integral part of the program it is intra-curricular. The foundation upon which the FFA is built, includes leadership and character development, sportsmanship, cooperation, service, thrift, scholarship, improved agriculture, organized recreation, citizenship and patriotism.

Members learn through active participation how to conduct and take part in a public meeting, to speak in public, to buy and sell cooperatively, to solve their own problems, to finance themselves, and to assume civic responsibility.

The club is very proud of Don Huber, past president, now in the College of Agriculture, University of Wisconsin, who is this year serving as Sectional Vice-President of the state association.

The FHA motto "Toward New Horizons" expresses the purpose of the organization--learning to live better today in order that our lives and those of our families may be better tomorrow. The program, as carried out under the direction of Mrs. Winn, helps each individual girl to show growth through planned experiences in the area in which she has her greatest need. A degree program allows for club members to gain recognition for this growth.

As a money making project, the club sells English toffee, and in cooperation with the FFA, the club sells ice cream every noon in the cafeteria. The most popular event of the year is the banquet at which members of FHA in cooperation with the members of FFA entertain their parents.

Bowling another strike, sending a volleyball over the heads of opponents, dashing across the floor in a basketball game are feats performed by the members of G.A.A. as they carry out their aim: To promote interest and participation in athletics among all the girls in school. With this in mind the members organized a sports program which included the following sports: basketball, badminton, bowling, volleyball, soccer, baseball, softball, and archery. Sandy Bremer, president, Karen Petersen, vice-president, Andrea Hickethier, secretary, and Karen Rachuy, treasurer, worked with Miss Zimmerman, advisor, to make this a successful year for G.A.A.

If it is material for a theme, scholarship information, or just pleasant reading that a student wants, he can usually obtain any of them by asking for the assistance of a member of the Librarians' Club. There are 18 students in the club, and they keep very busy charging out books, filing cards, mending books, doing the library housekeeping, taking care of periodicals, and arranging the display window and bulletin boards.

Through their work in the library they become familiar with reference material and are a real help to their fellow students. Miss Eichstead is their advisor and guides them in their work in the library.

The many activities of this year's club included helping the Red Cross blood bank, sponsoring a \$100 scholarship to a deserving senior, helping the Kiwanians package and distribute Christmas baskets, assisting the Easter Seal drive, and handling the sale of junior class rings. The Key Club also sponsored the annual Blue-White Day festivities, which take place on the day that the Dells plays Baraboo on the home court.

It is the purpose of the Projectionist Club to aid in the service and maintenance of equipment such as the projector, screen, film and other parts pertaining to the visual aids program. Experience in setting up the projector, threading the film (splicing it when broken), operating the projector, and making sure it is always in good repair and ready to operate is excellent training for the members of the club. Faculty members are grateful to Mr. Brimer and his club members for their assistance.

WDHS Band gave lots of color and personality to the students' concerts, music festivals, football and basketball games held during the year. No home football game would have been complete without the bands maneuvers at half-time, led by our majorette, Margery Roney, and the five baton twirlers. Outstanding skits presented this year were "Sacks Appeal" and "Lucky 'Leven."

Tom Reynolds, MC for the Cabaret, set the stage for an enjoyable evening for all who took part or attended one of the Band's annual fund raising events.

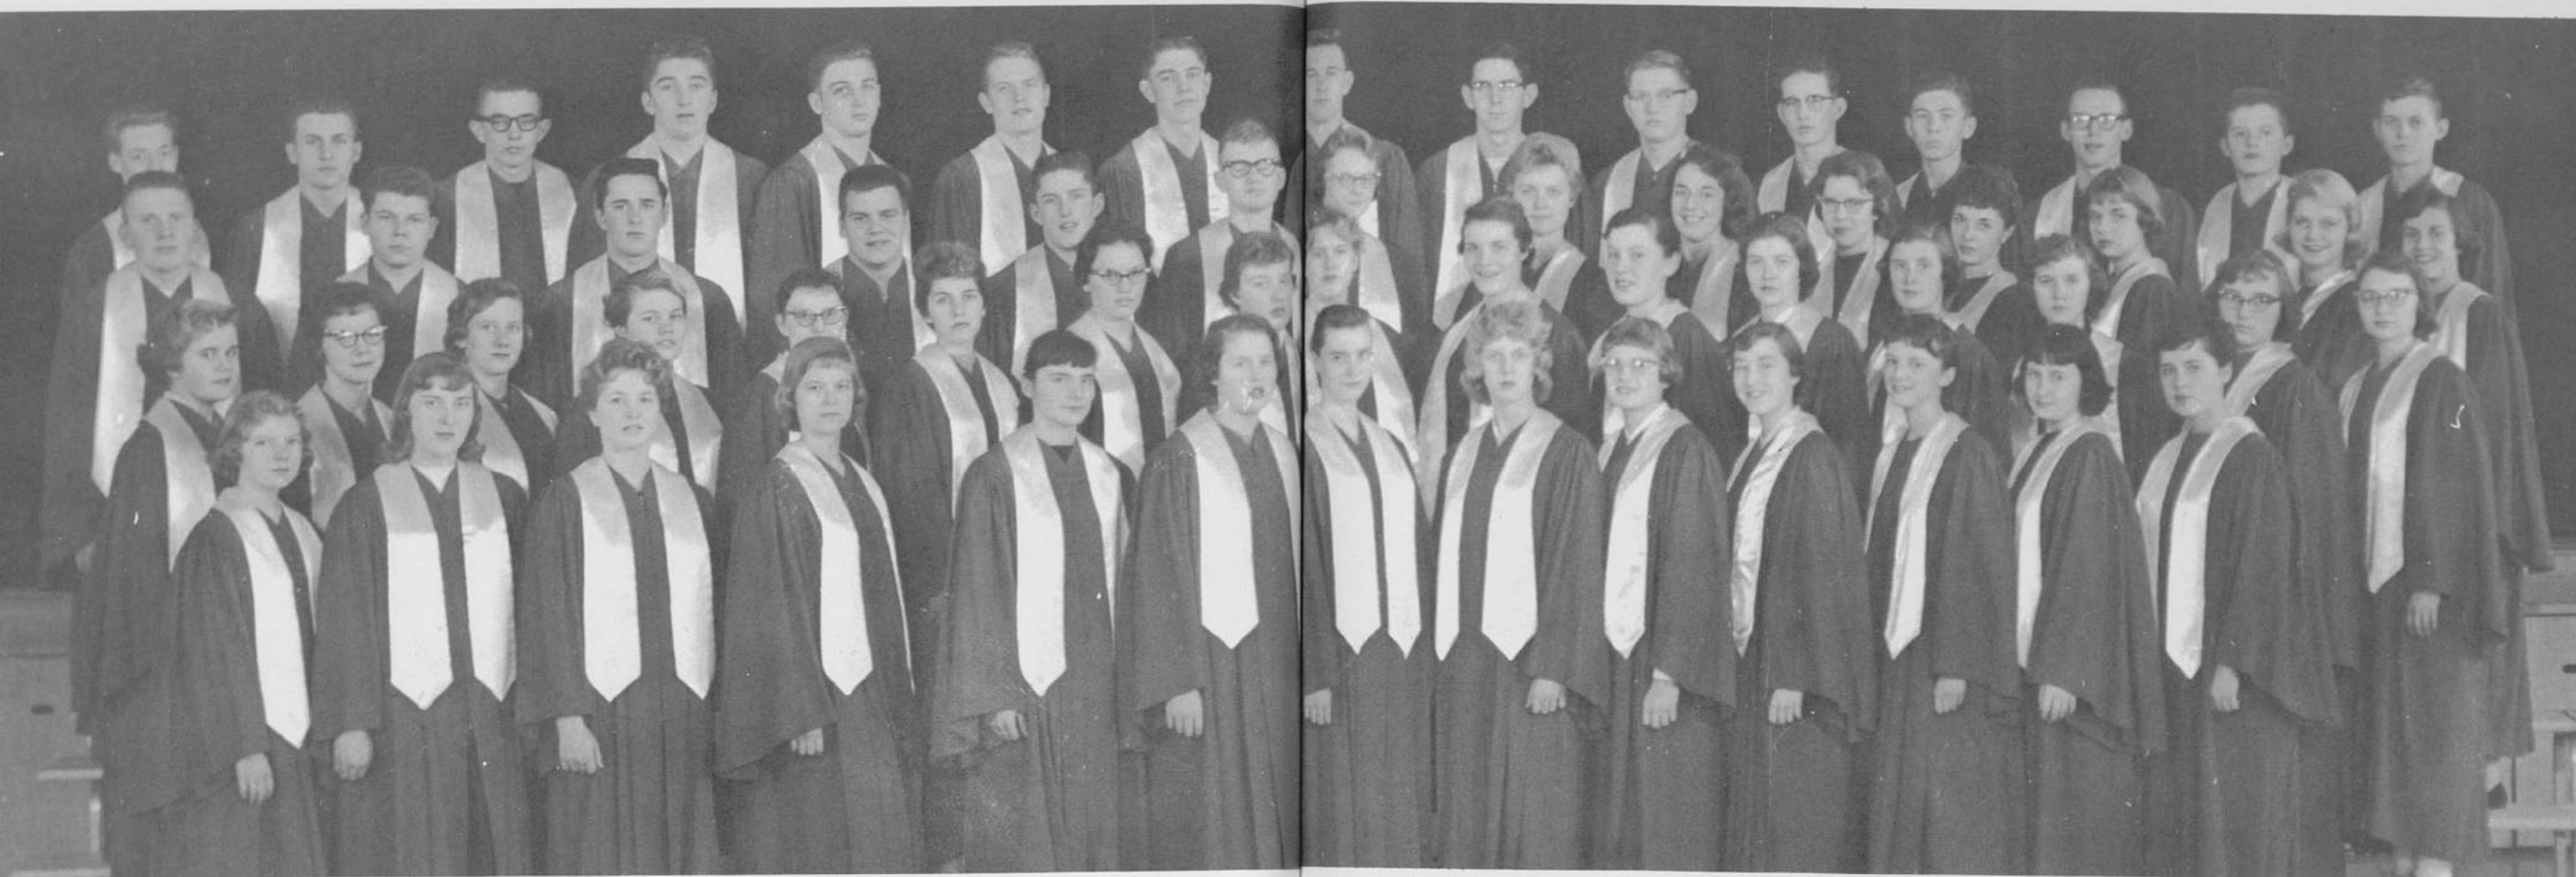

Band members, students, faculty members and the entire community can well be proud of the performance of the band under the able direction of our leader, Mr. Elmer Enz.

As soon as the snow disappeared this spring, the members of Mr. Brimer's golf team turned to thoughts of approach shots, sand traps, and holes in one. In recent years much interest has been shown in golf by the boys of our school, and our team has developed skill in the game under the excellent coaching of Mr. Brimer. This season matches were played with Baraboo, Portage, Reedsburg, and Prairie du Sac. The team also played in conference and WIAA sectional matches. Wisconsin Dells was host this year for the Conference match, which was played on the Dell View course.

In April spiked shoes, bats, and gloves were taken from storage as Mr. Natter's baseball squad prepared for another season. Three of the eleven games were played on weekend trips to southern Wisconsin, which were financed by the Car-wash Project of the club. Parry Harding was elected captain for the 1958 season, and Duane Ragan was named the most valuable player. During the season the team played the following games:

FRUITS OF VICTORY

When the southerly winds began to blow, the cinder oval became the center of activity. After school, track and field participants got out and polished up on their particular event. The result was rewarding, for the track team won the 1958 South Central Conference Championship.

The season started with the Hartford Invitational Meet, where Dean O'Neil, Ken Harrison, and Tim Ryan set a track record in the shuttle hurdle relay. The Dells then won decisive victories over Adams and Baraboo and tied with Portage in a triangular meet with Portage and Mauston. The team's next big victory was the Beaver Dam Invitational by one point. The climax of the season was a victory at the Conference Meet held at LaCrosse. At the sectionals Dean O'Neil and Spencer Lonetree qualified for the state meet. Under the direction of Coach DeMerit, the team turned in a fine season.

Wrestling has become one of the popular sports in our athletic program, and words like "pins," "decisions," and "escapes" have been added to our vocabulary. This year our wrestlers had a fine season under the direction of Head Coach John O'Malley and his assistants, Mr. Pinkowsky and Dave Fitzpatrick. During the season our team had bouts with Reedsburg, Prairie du Sac, Montello, Richland Center, and Tomah. The Dells placed third in the Conference. The Conference meet and the Sectional matches were both held at Reedsburg. The winners of the Sectional participated in the state meet held in Madison on the weekend of February 28.

The winner--Jim Stanke!

HOMECOMING ROYALTY
King Jim Jax and Queen Donna Clark

Autumn Leaves

As the afternoon of October 17 drew near, tension and excitement could be felt everywhere. Students were busily putting last-minute touches on floats and polishing up skits. Student Council members were decorating the gym to the theme "Autumn Leaves." Members of each class chose their representatives: Freshmen, Nancy Sumwalt and Stan Anderson; Sophomores, Helen Wimmer and Bob Schultz; Juniors, Pat Ramer and Tim Baggot; Seniors, Bev Thomas and Jim Malloy.

Donna Clark and Jim Jax reigned as Homecoming Queen and King. It was a perfect day for a parade, and the whole

town turned out to watch the gaily decorated floats. The senior float won first prize; the sophomore float, second prize; the Key Club float, third prize. The Dells was victorious in their Homecoming game with Richland Center, winning with a score of 14 to 6. The grand finale of the day was the crowning of the Queen which took place at the Homecoming dance held in the gym after the game.

PROM KING JACK GAFFNEY and QUEEN MARY RONEY

On the evening of May 10, 1958, the S.S. South Pacific weighed anchor in the bay of a beautiful south sea island. Queen Mary Roney and King Jack Gaffney then stepped on to a land of swaying palms. In the light of a tropical moon, Mary was crowned queen while sitting upon a glittering sea shell.

The passengers on the boat making up the court were: Seniors, Dick Kelly and Marlene Kimball; Juniors, Dean Krause and Pat Stukel; Sophomores, Ronnie Wormet and Helen Foss; Freshmen, Bill Gaffney and Donna Nelson. Russ Nelson and his orchestra supplied the music.

The three-act comedy "Inner Willy" by Betty Knapp was presented on November 20 under the direction of Mrs. Betty Thiele. Inner Willy, Willoughby's impish "inner self," was the character who touched off a chain of amusing incidents, persuading Willoughby to rebel against piano lessons, cod-liver oil, and turnips. Sparkling dialogue, interesting characterizations, and an effective setting contributed to the excellence of the play.
