Dedication

To THEODORE WALTERS.....

who has been custodian of our school since 1931.

Perhaps you are wondering why we are dedicating our annual to you, Whitey, for it isn't in your nature to realize what a fine job you have done. You probably have never given any thought to how respected and well-liked you are. There isn't a student in this school who doesn't know and like you. In fact, we have begun to take it for granted that our school is always clean and that the school walks are always shoveled in winter. We also take it for granted that you will always greet us with a smile no matter how busy you are. These are the reasons we are dedicating the "Arrow" to you, Whitey. We will always remember you.

Every school has custodians, but we are the only school that has..... WHITEY.

The Class of '50'.

SENIORS

History

In 1946, upon this school an honor came,
When we as Freshman felt the same.
We acted big and were quite snooty
To Upper Classman, rooty-tooty.
Our officers were of the latest:
President--Homer Plumb, Vice President--John Dixon
Sec. & Treasurer--Audrey Stanton
Student Council--Shirley Larkin
And their achievements were of the greatest.

Then came our second year; we gave a cheer,
For we were mighty Sophomores now, and everything was clear
So we studied hard, playing with jacks.
We took our grades home and got the ax.
This year we selected some dillies:
President--Jimmy Lorenzen, Vice President--Joyce Hacker
Sec. & Treasurer--Pat Baggot
And they turned out to be real hill-billies.

Then came the height of our career,
For we were entering our Junior year.
King "Googie" and Queen Mimi "rained."
The people were soaked and so was their fame.
Louise Beghin was given the spade,
To dig up a man with a higher grade.
With pride we point to our selection of rulers:
President--Dale Lowe, Vice President--Pat Baggot
Sec. & Treasurer--Shirley Larkin
Student Council--Donna Kay Patterson
Who for their godd job now sit in the cooler.

Then to our joy, our senior year arrived.
With us all saying prayers and hoping we'd survive.
Our Christmas Ball was quite a flop,
The crowd didn't seem to feel so hot.
Our officers were closely chosen:
President--John Dixon, Vice President--Red Alford
Secretary--Joyce Hacker
Treasurer--Helen Christensen
So with this we will be closen!

QUEEN MARJORIE KERWIN KING DALE LOWE

MARDI GRAS

The Class of '50 presented one of the most beautiful proms this school has ever seen. Our theme was "Mardi Gras." The gym was colorfully decorated with huge pictures, clusters of balloons, and multi-colored streamers. The punch booth looked exceptionally grand with its awning of purple and green, formed out of streamers. A huge, gold crown hung over the throne.

King Dale Lowe had chosen as his queen, Marjorie Kerwin. At ten o'clock Jeff Gissal and Mary Kerwin carried the crown of flowers to the king who presented it to Marge. After the crowning, everyone took part in the Grand March.

In no time at all the prom was nearing an end. Balloons were taken down, gaily scattered about, and broken. The Mardi Gras had come to a glorious end.

Here is the class of 1951 as Juniors.

The main event of the year was our prom and with the members all so eager for it to be successful, it was easily made that way. Next year we will be mighty seniors, but I doubt if we will take the change too seriously. Many of us will always cling to the fond memories of the Junior Class.

SOPHOMORE CLASS

This year the sophomore class of "52" entered W. D. H. S. amid great glory, anyway we think so. By this we refer to some of our boys who have been outstanding in football and basketball, and we who have really made our class great. Our upper-classmen may not believe it now, but in the future years we think we'll have the title of "High and Mighty Seniors."

The lucky people who were chosen to guide us through the year are: Dick Kleimenhagen, President; David Fitzpatrick, Vice President; Sara Joy Rodwell, Secretary; and last but not least Carol Fedderly, Treasurer.

As for our reputation, well-----You'll be seeing and hearing more about "US" in the future years.

FRESHMAN CLASS

We are the class of "53",
 And we hope to graduate from W. D.
 Like other Freshmen we're silly and green,
 Hopeless a bunch as W. D. has ever seen.

We like our teachers, big and small,
 And hope they share our feeling toward all.
 In all school sports our boys are on the ball,
 Bet you'll really see some action when we're
 Sophomores next fall.

School's so exciting to us our first year,
 English goes over our heads, and civics we don't hear.
 To bring to conclusion of what we've said here,
 We close with happy memories of our Freshman year.

Our team this year, finished the most successful season since 1935. They won six games and lost one to the Conference Champions, Wisconsin High, on their own field, six to nothing to finish second in the league standings. The success of the team during the season was due to a fine job of coaching and the fine spirit shown by all members of the squad. We finished first, defensively, allowing only 18 points during conference play and 24 including non-conference play. Fullback John Dixon led the Southern Ten scorers with a total of 46 points.

Homecoming

"HOME-COMING"

This year's home-coming was the most elaborate of all Dells home-comings. The principal parts of the home-coming were the traditional bonfire and snake dance; the crowning of the Queen, Ethyl Wagner, by the King, John Dixon; and the home-coming dance held after the game which we won 20-0 from Reedsburg. The gym featured a decoration of corn-shocks and crep-paper carrying out the fall festival theme. At the dance, the queen and her attendants, one picked by each class, with their escorts, had a special dance. The attendants were Lorraine Traxler, Patsy Martin, LouRay Voros, and Jeannine Peterson. Their escorts were John Heineke, Kenneth Niebuhr, Arnold Kleimenhagen, and Pat Baggot.

BAND

Our band got off to a good start, having most of our key members back again this year. We practiced three times a week; on Monday, Tuesday, and Thursday.

The band played at all the football games, both home and away, with the exception of the Wisconsin High Game. They also played at all of the home basketball games, with the German Band going to most of the out-of-town games.

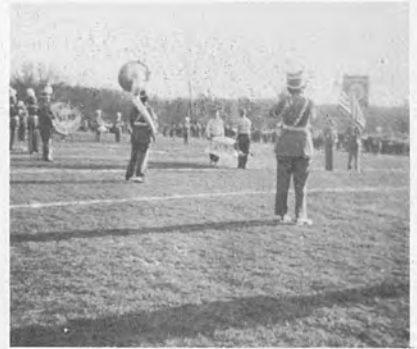

We took part in several school programs and were always ready to help out when needed.

We entered the tournament in Class C at Mauston this year and did very well.

All of us enjoyed playing in the band very much and will always remember the good times we've had.

Under Mr. Diley's direction, our group made a fine appearance not as an A cappella choir but as a mixed chorus. Since it is much easier to sing with accompaniment, this arrangement proved very satisfactory to all members of the organization.

Our new robes are a much appreciated addition to our year's improvements. These replace the robes previously used, short white ones, of which there were not enough to robe the entire group. The new robes not only improve our appearance, but also inspire us with the desire to sing as well as we look.

DEBATE CLUB

"Resolved: that the President of the U. S. should be elected by direct vote of the people", is the issue the debate club is discussing and debating this year. The information is a challenge to each debator.

Early in October and December the Dells discussion groups met with the Southern Ten Conference. Although no awards were won, much experience was gained by the inexperienced team. December ninth, Audrey Stanton and Freda Greyslak won their first debate against a tricky Wisconsin High team, while Helen Paulson and Beverly Stomner held their own against Baraboo.

January eleventh found Wisconsin Dells competing in the final debate of the Southern Ten Conference. Freda Greyslak and Audrey Stanton defended the direct vote system while Beverly Stomner and Mary Grieger attacked the electoral system.

The experience received in discussion and debate will aid any student in gaining confidence in himself and prepare him to reason and think logically.

FUTURE FARMERS OF AMERICA

" Learning to do
 Doing to learn
 Earning to live
 Living to serve. "

F. F. A.

This, our motto, best exemplifies our life abundant on a good American farm. Our emblem is made up of five symbols: the owl, the plow, and the rising sun, within the cross section of an ear of corn, which is sermounted by the American eagle. The owl is symbolic of wisdom and knowledge; the plow is the symbol of labor and tillage of the soil; the rising sun is emblematic of progress and the new day that will dawn when all farmers are trained and have learned to cooperate; the cross section of an ear of corn represents common agricultural interests since corn is native to America and grown in every State; and the eagle is indicative of the national scope of the organization.

NEWSPAPER

The first issue of our "new" School Daze appeared at Homecoming. With its pictures and style, it has really made a hit! What a change from the old mimeographed, partially readable paper of former years! Credit for this goes to Homer Plumb our hardworking editor who really did a lot for the School Daze.

With Donna Patterson as assistant editor, Miss Pierick as advisor, and our ingenious staff of reporters things went quite smoothly. We turned out eight issues of our paper which has a circulation of 206.

Here's hoping School Daze keeps up its good work!

ANNUAL STAFF

Due to a number of factors, the annual staff got off to a late start this year. Nevertheless, once we had begun everyone worked very hard. Some of the staff members put in extra hours of work after school dismissal. Without this extra labor, the publication of the Arrow would not have been possible.

The officers of our annual were; Mr. Spiegel as advisor, Shirley Larkin, Editor; Kenneth Foster, Assistant Editor; Homer Plumb, Business Manager; and Jim Lorenzen as Assistant Business Manager. The remainder of the staff consisted of typists, sports writers, and the composers of the prophecies and wills.

This year, a new method of getting money for the annual was employed. The staff put on a bake sale, which proved very successful. The success of this sale was due, not only to the staff, but to every senior as well. Each senior class member was required to donate baked goods. As usual, everyone was very willing to contribute to the "Class of 50". Thus, it can be seen that this year's Arrow was not produced by the efforts of only a few. Every member of the senior class has worked to produce it.
