*This
Is
Our
World*

This is OUR WORLD at WD High--a world of interesting classes, friendly teachers, lasting friendships, and gay activities. It is a world of little things that hold it apart from all others-- fighting traffic jams in the halls, dashing to beat the tardy bell, waiting between classes for that special someone, cheering for our teams at games, dancing at parties, organizing club meetings, watching interesting assemblies. Here we live all the ripe experiences of our youth in an atmosphere of work and fun and friendly togetherness. Working with us, helping us discover our abilities and interests, our faculty and administration make Our World a wonderful place to be.

In this book we, the Senior Class, present the record of OUR WORLD of 1959 and 1960.

Dedication

← "WHITEY" WALTERS

Our World has been brighter because of his quiet efficiency, his endless patience with our antics, his friendly grin. In appreciation of his many years of faithful service, we gratefully dedicate our 1960 ARROW to Whitey.

They Who Guide Us

Administration

ROBERT W. FENSKE
Superintendent of Schools
Eau Claire State College, B.S.
University of Wisconsin, M.S.

Supervising the entire Wisconsin Dells area school system involves immeasurable responsibility. In Mr. Fenske Our World has a capable administrator who displays efficiency and patience in performing his many duties. He works with the Board of Education and with the faculty striving to bring us every opportunity to prepare ourselves for our future world. He is genuinely interested in every student and urges each one to do his best.

In Our World

BOARD OF EDUCATION
LEFT TO RIGHT: E. Reynolds, R. Bork, R. W. Fenske, Superintendent, M. Tofson, T. D. Crist, Jr., A. Crothers, R. O'Connell, H. Radlund, F. Reineking, Principal.

Students of WD High School and citizens of the Wisconsin Dells area can be truly proud of the members of the Board of Education. Their belief in high standards and their interest in the young people of this community have been shown by their willingness to take the time to serve without salary as members of the Board.

We are fortunate in the courses made available to us and the faculty and facilities provided for us, and we are grateful to the members of the Board for making Our World a wonderful place to spend our high school years.

FREDERICK C. REINEKING
Principal
Lakeland College, B.A.
University of Wisconsin, M.A.

His understanding of teenagers has attributed greatly to Mr. Reineking's success as Principal of our high school. He helps students achieve scholastic excellence and develop attitudes that will enable them to live successful lives after they leave Our World.

He fills his position with friendly understanding and has earned the esteem, respect, and affection of the entire student body.

Office Secretaries hold responsible positions in Our World.

Our World of Underclassmen

We seniors are about to embark on a new adventure. We leave behind those who have unfinished work to do and lessons to learn -- the underclassmen. We urge them to ignore our mistakes, to make good use of the time they still have, to take advantage of the opportunities open to them. May they build themselves into worthy citizens of Our World.

Our World of Organizations

Classroom activity is only a part of the program necessary to prepare us for the world we are to enter after we graduate. Membership in school organizations and participation in extracurricular activities give us a chance to develop our abilities and personalities and to work cooperatively with one another. We are grateful for the various organizations in Our World which have given us such opportunities.

Band Adds Sparkle

The band under the direction of Mr. Bestul is a very active organization. Band members rehearse during the X period on Mondays, Wednesdays and Thursdays and spend many hours at home preparing for concerts and other activities. The band entertained the members of the community and student body at a delightful Christmas concert and spring concert. Band members were active in the Solos and Ensembles Contest, and the band as a unit participated in concert, sight reading, and marching in the Spring Festival at Portage. The band added zest and enthusiasm at our football and basketball games and our pep meetings. The Band Council worked hard to promote Talent Night and a Spring Cabaret to help the band meet its expenses.

Music Under New Director

The Candlelight procession by the members of the chorus which opened the Christmas program was a highlight of a busy year. Rehearsing twice a week, the seventy-two singers, accompanied by Karen Cone, prepared for their public appearances. On December 16 the chorus joined the band in presenting the Christmas Concert and the Spring Concert on March 25. The chorus entered the Festival on May 14 in Portage, and many of the more enthusiastic members also participated in the solo and ensembles contests at Portage. Members of the band and chorus not only serve their school, but they gain an appreciation of music which they can use the rest of their lives.

Jill Olson, Ann Lorenzen, and Corinne Krenz lead the Candlelight Procession at the Christmas Concert.

Council Directs School Activities

"The Council's work is never done" can well be said of our student governing organization. Under the direction of Mr. Fitzpatrick, the busy program of the Student Council starts in the fall with the organization of Homecoming and the election of class officers. At Christmas the Council provided and trimmed a beautiful Christmas tree which gave our halls a festive appearance. In December, the Council sponsored the Can Dance, the proceeds of which were given to needy families in the community. In addition, the Council supplied a student to run the hi-fi at all school dances, had charge of the decorations for the Post-Prom Dance, aided in the payment of cheerleaders uniforms, guided at Open House, and purchased new dance lights.

Key Club Promotes Service

The main goal of this service club, which is sponsored by the Kiwanis Club, is to develop in its members initiative, leadership, cooperation, and service. Under the direction of Mr. Reineking, the members engaged in many activities which were designed to promote the welfare of the school and community. Among the numerous projects were the assistance with the local blood bank, the Kiwanis Auction, and the preparation of Christmas baskets for the needy. The club attended the Wisconsin-Upper Michigan District Convention which was held at Viroqua in April and will also send two delegates to the International Convention held in Boston in July. We are proud of the fact that a member of our club, Roger Stowers, has been District Treasurer for the past year.

Annual Staff Edits Memories

The 1960 Arrow is the result of months of endless effort on the part of the staff. Classes were interrupted as photographers Bill Heineke and Del Cone took activity and faculty shots. Subscriptions were sold, pages planned and laid out, copy typed, pictures identified and cropped. Finally, after many school hours, plus a few midnight hours thrown in by Editor Darlene Gall, the final deadline was met. The staff relaxed--but not for long--there were the proofs to check.

"Daze" Staff Reports Weekly News

"School Daze" keeps students informed of the happenings in Our World by publishing a page in the WISCONSIN DELLS EVENTS. Seconds count as an exhausted editor and harassed reporters scurry around to collect news items, write copy, and check copy in order to meet that weekly deadline. All these activities are tied together by the editors, Alice Ahlhorn and Sandy Field, with the help of the advisor, Mr. Fortney. On Thursday, the crowd gathered in front of the library means that the "School Daze" page is posted on the library window.

F. H. A. Develops Modern Homemakers

"The homes of tomorrow are in the hands of the youth of today" expresses the idea behind the goal of the Wisconsin Dells Chapter of the Future Homemakers of America. With this goal in mind, the members of the club combined projects and such social events as the annual Parents' Banquet and the Christmas party to make a successful and enjoyable year. In addition, each girl worked throughout the year toward the degrees offered within the club. Mrs. Winn, our advisor, and delegates Dorothy Wormet and Rita Cook attended the FHA State Convention held at Green Lake in June, 1959. Officers of the club are: Dorothy Wormet, President; Rita Cook, Vice-President; Carol Burgess, Secretary; Tina Sus, Treasurer; Marlea Stone, Historian; Polly Smith, Recreation Director; Marjorie Walker, Reporter.

The Christmas party proves that FHA and FFA is not all work.

F. F. A. Encourages Progressive Farming

The Future Farmers of America, under Mr. Weigel's supervision, completed another busy year of interesting and educational activities. The many functions of the club help the members toward their goal of leadership, citizenship, and cooperation. We are proud of the fact that the State Champion Land Judging Team for 1959-1960 is made up of boys from this chapter. These boys participated in the national contest held on April 29 and 30 at Oklahoma City. The other activities of the club include the annual parents banquet, the State FFA Convention at Green Lake, the summer picnic, the state crop and livestock judging contest, the annual trip through industries of Milwaukee, and a public speaking program. The officers of the club are: Jim Stanke, President, Leo Musiedlak, Vice-President; Ronald Wormet, Secretary; Randy Sus, Treasurer; Vernon Smith, Reporter; Don Rogge, Sentinel; Steve Smith, Safety Chairman.

GAA OFFICERS AND ADVISOR

Jill Georgeson, Secretary-Treasurer; Susan Fenske, President; Anne Retzlaff, Vice-President; Miss Zimmerman, Advisor; Karen Fenske, Point Secretary.

For the first time since the clubs were formed, the GAA and the Pep Club joined together this year. With Miss Zimmerman as their advisor, the GAA did much to keep school spirit high. The members organized pep meetings and during Homecoming made mums, painted windows, and entered a float in the Homecoming parade. In addition to creating school spirit and good sportsmanship, the girls developed a diversified sports program including bowling, basketball, badminton, archery, volleyball, and softball. They try to create an atmosphere of good sportsmanship and fair play in all the activities and to develop the leadership ability of each girl.

Library Assistants Are Indispensable

Study is as inevitable as death and taxes; and most students, regardless of grumbling and groaning, know that all the time spent in the library doing reference work will never be regretted. Under the guidance of Miss Eichsteadt, our helpful librarians have an active organization which renders an important service to the student body.

Shutterbugs Are Busy People

The Camera Club is a lively organization made up of an enthusiastic group of shutterbugs. The student photographer is a busy person. While other students are spending their study periods writing that social problems term paper or preparing for a big English test, the photographer finds that there are pictures to be taken for the annual or for the Dells Events. So his time is spent taking pictures, developing, and printing them--and at night he must burn the midnight oil to make up for hours he spent in the dark room. Officers of the club are Bill Heineke, President; Conrad Wrzesinski, Vice-President; Pauline Williams, Secretary-Treasurer.

Debate — The Power of Thought

The high school debaters this year argued the question, "Resolved that the Federal Government should substantially increase its regulation of Labor Unions." The affirmative team consisted of Avis McMillan and Lorna Everson, with Mary Gruman as an alternate, and Merrill Meltz and Frank Svejcar made up the negative team with Pauline Williams as alternate. These students, under the supervision of Mr. Lucke, spent a great deal of time preparing for debates with teams from other high schools of the state, and we are proud of the fine way in which they represented our school.

Forensics — The Magic of Words

The forensic program in Our World is an interesting one for it gives every student in the English classes a chance to use his talent in the field of public speaking. For weeks before the elimination contest, students were seen all over the building practicing play reading, interpretative reading, or looking up material for an extemporaneous speech. When the smoke cleared after the elimination contests, the following people were selected to represent our school in forensics: Interpretative reading: Larry LaMar, Carter Eckert; ten-minute non-original: Nancy Moon; 10-minute original: Ron Wormet, Frank Svejcar; extemporaneous reading: Martin Van Deuren, Gary Cahoon; extemporaneous speaking: Merrill Meltz, Stan Anderson; four-minute speech, Carlene Gutsmeidl, Karen Fenske; declamation; Nancy Sumwalt, Diane Lonetree; play reading: Paul Savage, Joyce Hodge, Mary Hanson.

Lettermen Promote Sportsmanship

Varsity letter winners are eligible for membership in the Lettermen's Club. The main purpose of the club is to promote good will, interest, and sportsmanship in athletics. The members accomplish this by practicing these qualities in the sports in which they participate and in all activities in which they engage during their school years. The activities of the club are under the direction of Mr. DeMerit.

ur World of Sports

In the world of tomorrow we will need to know how to compete--physically, mentally, and morally. The athletic program in WDHS attempts to prepare us in all three areas. The aim is not physical development alone. The aim is a type of building--building into us good habits and attitudes, while building healthy bodies and keen minds.

One point is as good as a hundred if it comes at the right time. Coach Natter's cagers provided the spectators with some breathless moments of suspense as they waited until the final seconds to drop the ball through the hoop to win the game. We are proud of our basketball team and the fine showing they made. Their good sportsmanship and fine play won the respect of every team in the Conference. Tim Baggot was named Captain by his teammates, and Tom Gussel was selected as the Most Valuable Player for the 1959-1960 season. Tom Gussel has been the team's leading scorer for 3 years and the second highest scorer in school history. He was Conference top scorer his junior year and second high scorer his senior year, missing first place by one point. During his Varsity career he totaled 1285 points. He was named All-Conference Forward both his senior and junior years.

Our 1959 team made one of the finest showings in recent years. The record of 6 wins and 2 defeats was not the best in the school's history, but it was good enough to get a third place in the Conference.

The team started out with a 38 to 0 non-conference win over Beaver Dam. The following Friday the team opened the conference schedule with a 14 to 6 loss to Viroqua. On October 2, the Tomah Warriors suffered their only defeat at the hands of the Dells by a score of 14 to 0. The season continued with a 14 to 12 win over Mauston and a 21 to 14 win over Richland Center. On October 23, our Homecoming was a complete success when the Dells beat Baraboo 12 to 6. On October 30 a close game was lost to league-leading Reedsburg by a score of 12 to 7. The season ended with a strong win over Portage 21 to 0.

The Dells wrestlers achieved a 5-6 record in dual competition for the 1959-1960 season. Highlights of the season included participation in the D. C. Everest tournament, and the conference and regional matches. An outstanding individual record was turned in by Dick Schultz who scored 17 straight wins, 13 of these by pins, and was the sole representative of our school in the State Tournament at Madison.

Baseball Team Has Successful Season

In the spring a young man's fancy turns to thoughts of--baseball. Gals and books are neglected as members of the team get out spikes, bats, and gloves to start spring training. The 1959 season was one of the best in recent years; Coach Natter's team won 9 games and lost 3. Co-captains were K. G. Schulz and Parry Harding; Parry Harding was also named most valuable player. The "B" team also had a good season as they won 3 games and lost none.

Golf Team Meets Keen Competition

When the first hints of spring appear, the Dellview golf course is the favorite hangout of the members of the golf squad. Members hurry out every night after school to practice driving, putting, pitch shots and generally get in shape to meet the season's competition. The golfers are coached by Mr. Brimer, who consistently shoots in the 30's. During the season four triangular meets and two five-team meets were held with Portage, Baraboo, Reedsburg, and Richland Center. While we did not win any first place, we did finish second in three of the triangular meets and one of the five-team meets. Jack Gaffney was No. 1 man on the squad, Dick Buckminster was No. 2 man, and Roger Tofson was No. 3 man for the 1959 season.

Will he or won't he? D. Buckminster, R. Tofson, and J. Gaffney watch as Mr. Brimer demonstrates concentration.

BOTTOM ROW: J. Gissal, D. Schultz, K. Sickenberger, E. Schleef, G. Peterson, S. Lonetree. ROW 2: J. Jacobson, A. Peters, D. Sickenberger, Coach DeMerit, C. Henry, J. Fish, D. McClyman, J. Jax.

Track Team Makes Fine Showing

Hard work and long hours of practice helped to condition the track squad for the spring meets. In the first dual meet of the 1959 season, Dells died Adams. We won the dual meet with Baraboo, placed second in the Portage, Dells, Mauston triangular meet, and third in the conference meet at LaCrosse. At the sectional meet at LaCrosse, Jim Jax qualified in the shot and discus, and Spencer Lonetree in the mile. The track team, coached by Mr. DeMerit, also participated in the Beaver Dam invitational meet and the state meet at Hartford.

Cheerleaders Build School Spirit

The cheerleading squad is an important group in influencing school spirit. Cheerleaders do more than cheer at the games. They organize and conduct pep assemblies. They arrange for transportation of fans to out-of-town games. They create posters and signs to arouse enthusiasm before games. They spend many hours practicing the technique of leading a crowd and new styles of cheering. Miss Zimmermann is advisor for this group, and Susan Fenske is head cheerleader.

Our World of Study and Fun

Most important in preparing us for the future is Our World of Study, and learning is a big part of our busy days. We have had good teachers, the necessary equipment, the best facilities to prepare us to do our future jobs, to care for our future homes. But preparation of a well-rounded life cannot all be done in the classroom. For that reason, a balanced school program allows some time for fun.

Heigh Ho! Heigh Ho! It's

A testing program and interviews help us plan out high school work so that we will be best prepared for our future world. Mr. Skarda, Guidance Director, is shown here discussing post-graduate plans with Duane Ragan.

Problems of the world are not solved in our social problems class, but we are better informed for having taken the course. Shown here is a court case conducted in a social problems class.

Our science program starts in the freshmen year with general science. Here is a group of freshmen eager to answer Mr. Weigel's question, "How many planets in our solar system?"

Home, for Leisure Hours

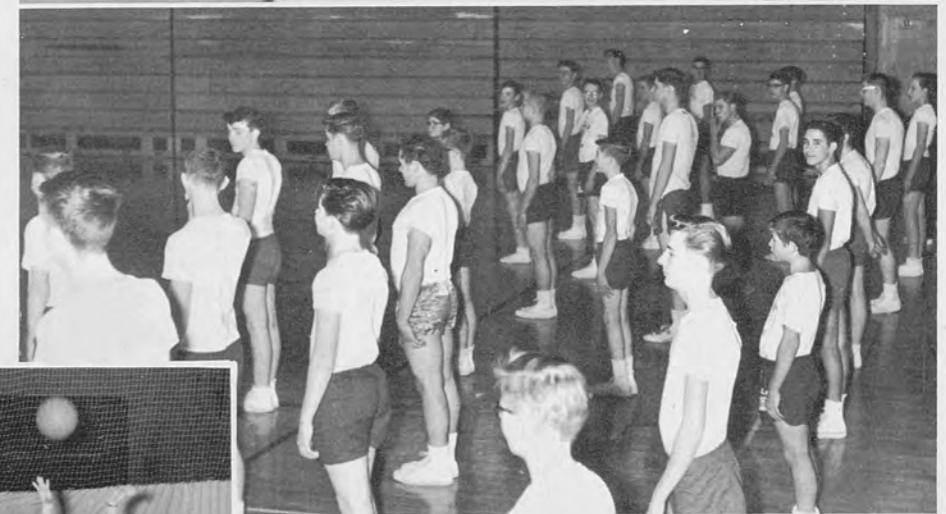

An interest in art can be the source of many hours of enjoyment. Art students with the help of Mr. Lucke discover hidden talents.

It is important that we are trained to drive a car. Mr. Pinkowsky is emphasizing to Ray Horton and Tom Backhaus the importance of developing good driving habits.

Science has done much for our health, but has not replaced the need for physical exercise. In Our World we are trained for physical fitness.

Girls, too, enjoy physical exercise. Here they are shown getting a workout on the basketball court.

Gary Gray, Gene Johnson, Arlan Hudzinski, Terry Ryan, King Dick Schultz, Queen Ann Retzlaff, Faye Wormet, Linda Thompson, Clara Farrell, Beverly Grieger.

Homecoming Wet but Gay

With October 23 came our Homecoming, which brought a victory, a king and queen, alumni, and rain. It rained on our parade and it rained at the game, but this did not dampen our spirits. The Homecoming festivities started off in the afternoon with a pep meeting at which the seniors won first place for their skit. They also won first place for their float in the parade. In spite of the rain, the game at night was a big success for we defeated Baraboo 12 to 6. After the game the Homecoming Dance was held in the gym which had been decorated by members of the Student Council. The highlight of the dance was the crowning of Queen Ann Retzlaff by King Dick Schultz. Members of the Homecoming Court were seniors Gary Gray and Beverly Grieger, juniors Clara Farrell and Gene Johnson, sophomores Linda Thompson and Arlan Hudzinski, freshmen Faye Wormet and Terry Ryan.

Property man Tom Backhaus

"All the world's a stage and all the men and women on it are merely players. They have their exits and their entrances . . ." This quotation from Shakespeare can be applied to the WD students who did a fine job putting on the play JUNIOR PROM, a farce-comedy in three acts by James Stone, directed by Mr. Heiman. Long hours of practice on the part of the cast, plus the skill of the make-up and property crews, resulted in a very entertaining play which was immensely enjoyed by both the student and adult audiences.

KING and QUEEN
Roger Tofson Peggy Sandberg

Suddenly it was spring, and the Junior Prom was just around the corner. The juniors discovered various hidden abilities and spent countless hours in preparation for this long-awaited event. Cutting out an endless number of notes and other musical signs and gathering all sorts of odds and ends, the many committees with Mr. Brimer toiled to make every detail perfect. The juniors chose "Rhapsody in Blue" as the theme of their Prom. Through the efforts of the junior class president, Roger Stowers, and various committees, the 1959 Prom was an event we will long remember. Reigning over the festivities were King Roger Tofson and Queen Peggy Sandburg. The Court consisted of Seniors Dave McClyman and Karen Rachuy; Juniors Roger Stowers and Karen Cone; Sophomores Pat Tucker and Dorothy Wormet; Freshmen Jack Waterman and Marsha Lucke.

After Prom there was a Post-Prom Dance at the Wharf sponsored by the Lions Club of Lake Delton and the Kiwanis Club of Wisconsin Dells. There was dancing with prizes for everyone, and breakfast was served from 4 p.m. to 5 p.m. By that time everyone was ready to start for home after a wonderful evening.

Our World - - - Completed

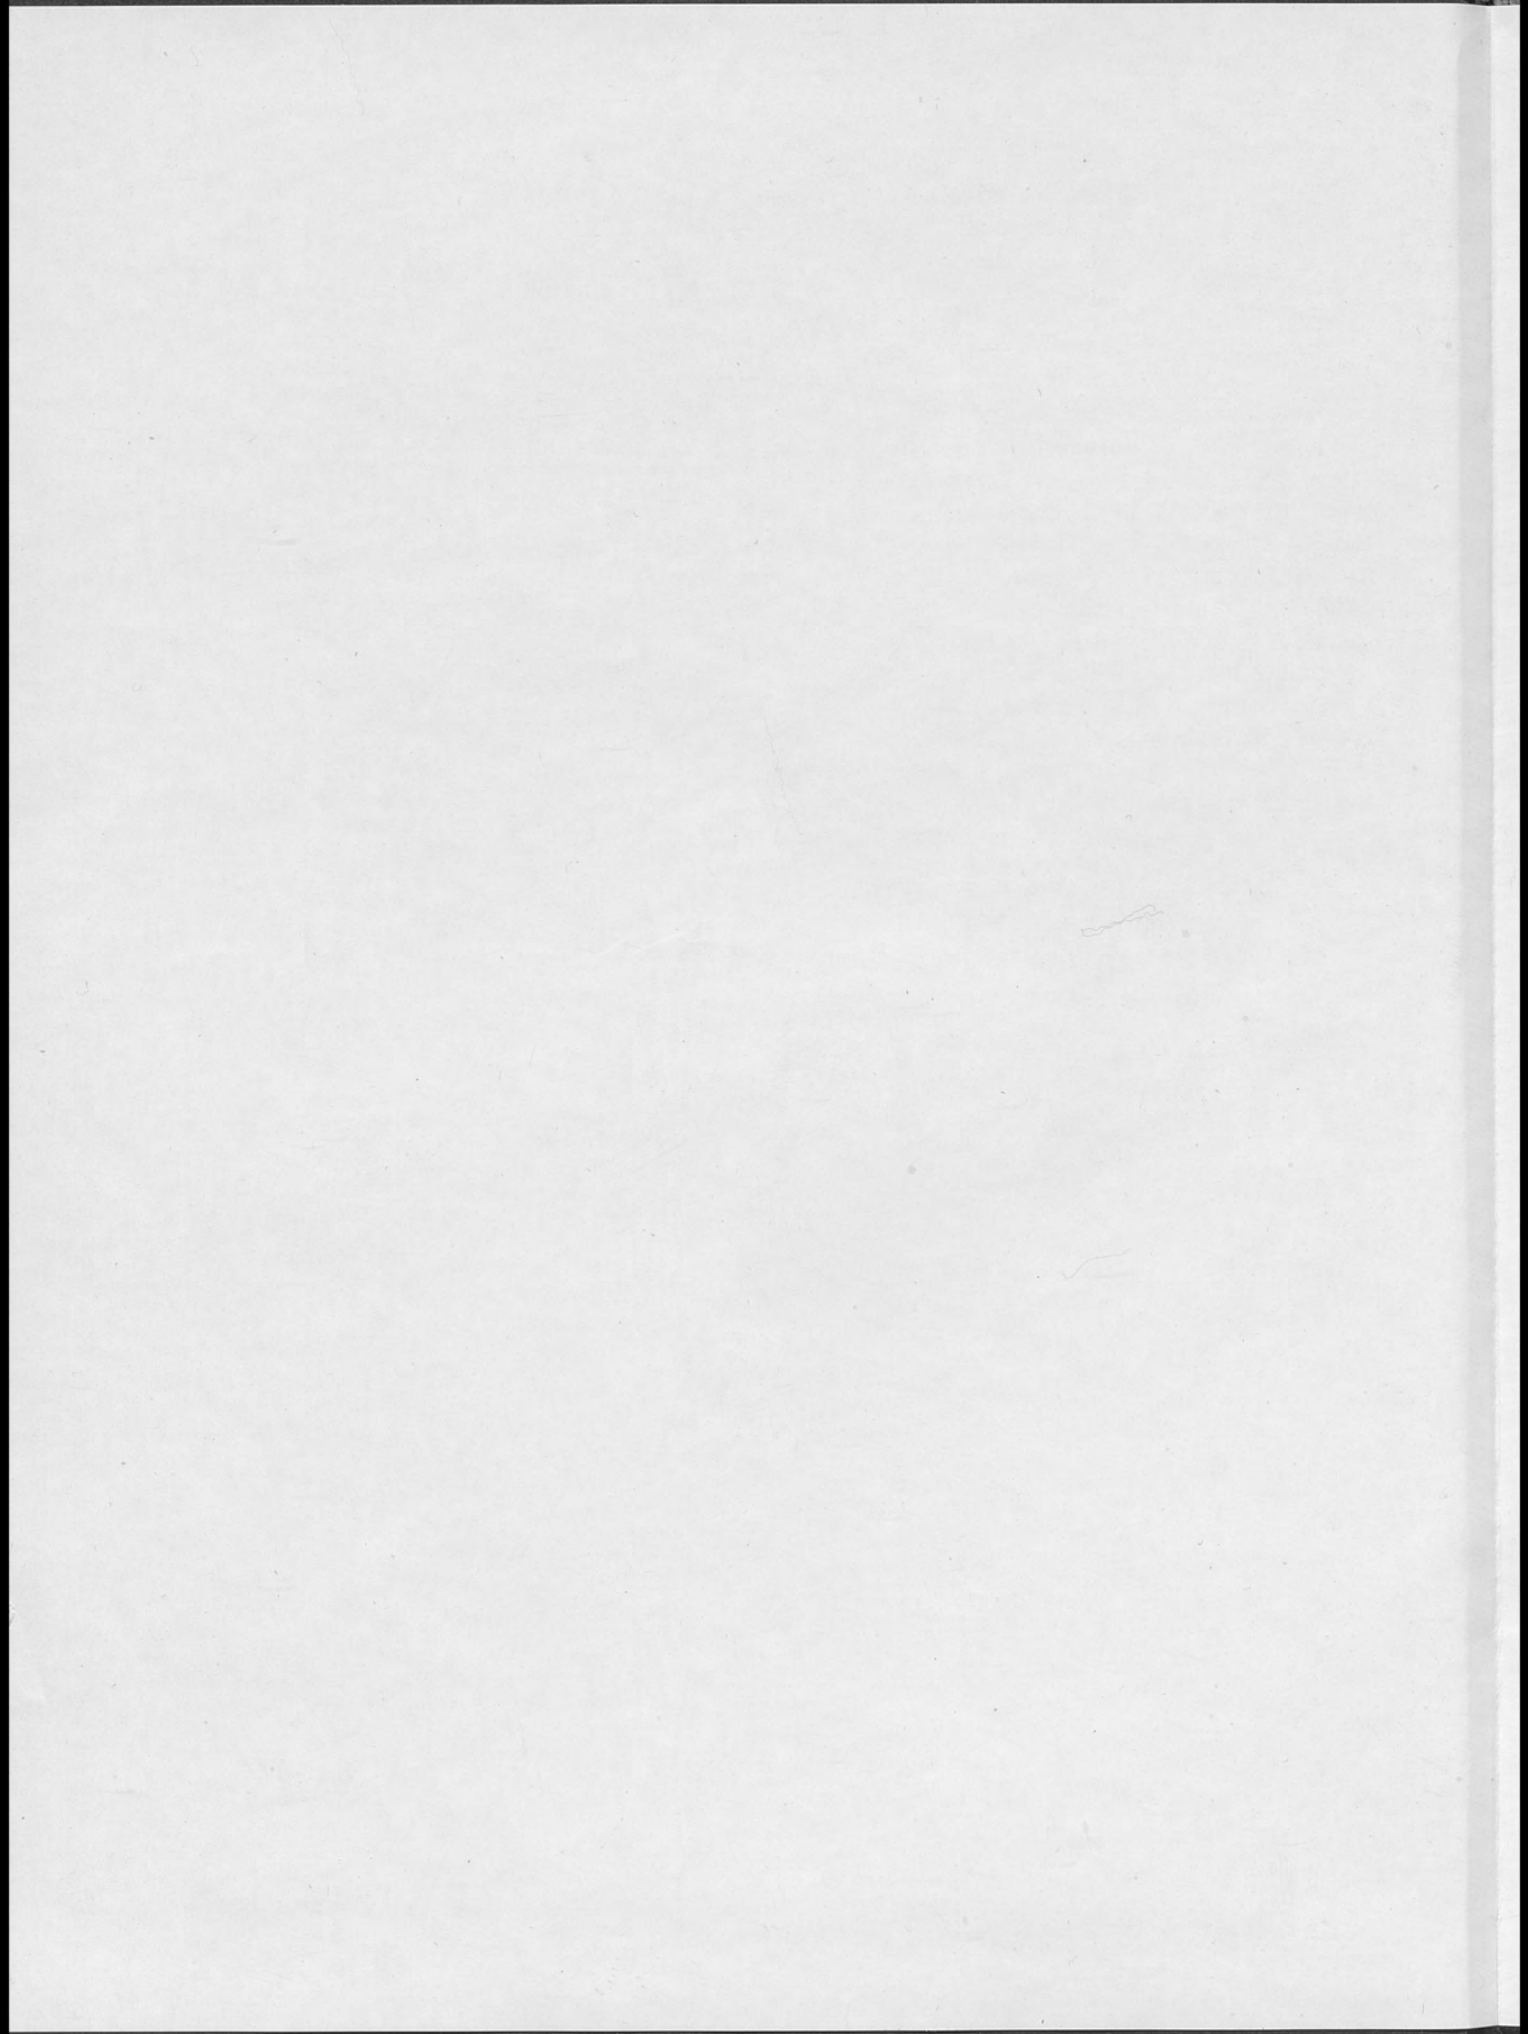

The year 1960--to those of us who are graduating it means the collection of happy memories, the closing of the door on our high school lives, the opening of the door to an uncertain future. Regardless of the great changes which the future must hold for all of us after we leave WDHS, OUR WORLD here in Wisconsin Dells High School was a good one. It was filled with things that make a full and happy life for teenagers, and we are grateful to all who helped make it so.

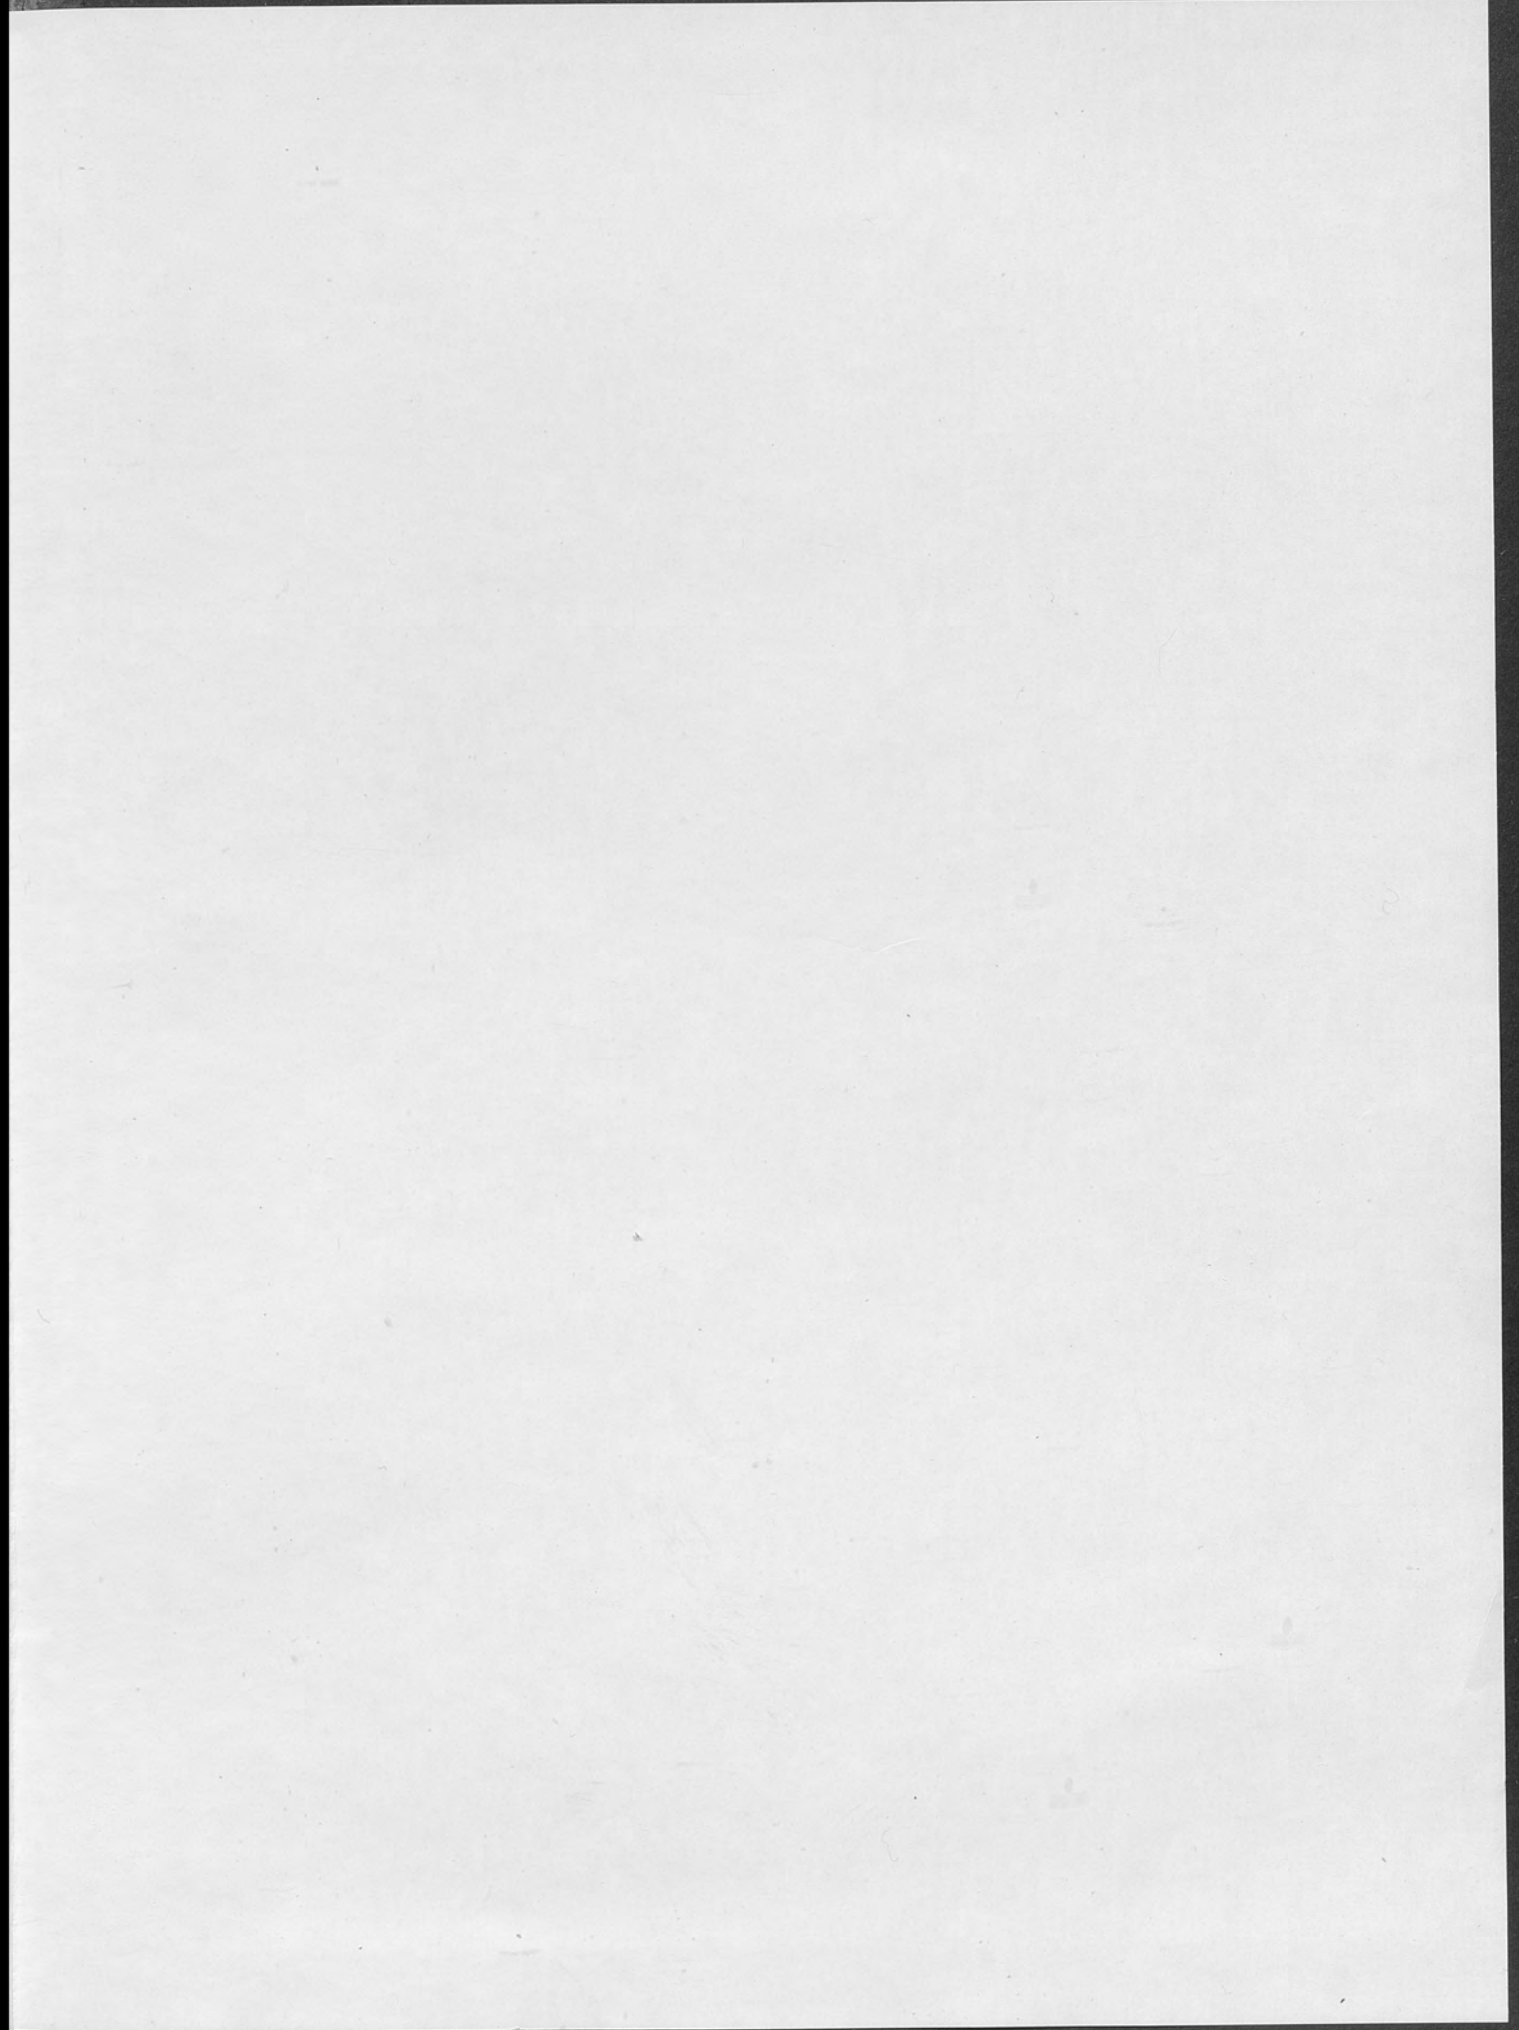

As we close our book we wish to say to all of you, "Goodbye, and thank you for OUR WORLD."
