We, the class of 1952, dedicate our annual to our championship football team and the high ideals of sportsmanship by which they attained this honor. We feel that good sportsmanship is important in other phases of life as well as sports. Our championship team is living proof of what sportsmanship coupled with teamwork and industry can do.

Other teams have won championships; other teams have played undefeated, but the 1951 season will be remembered by all of us for its most important product--our Champion Chiefs.

Boys, we salute you!

We are the class of fifty-two;  
We sadly wave goodbye to you.  
We're glad to leave but yet we're sad  
To part with all the joys we've had.

Next year when we'll have gone away  
We'll look back to the Dells and say,  
"School has been fun, we now perceive,  
We're sorry that we had to leave."

# CLASS HISTORY

1948 was the year we arrived;  
We soon learned of many privileges which we were denied.  
Everything was new to us; teachers, routine, and all,  
But in a couple of months we were really on the "ball".  
The following officers were decided upon at our elections;  
President, Ken Niebuhr; Vice President, Patsy Martin;  
Secretary-Treasurer, Jean Riese; Student Council, Ed Baggot.  
They proved to be worthy of our selection.

In our Sophomore year, we marched in with pride.  
Willing to do all; our efforts we applied.  
We really "buckled down" and began our role  
Of heading toward our coveted goal.  
Four leaders we chose with lots of zest;  
President, Dick Kleimenhagen; Vice President, Dave Fitzpatrick;  
Secretary, Sara Joy Rodwell; Treasurer, Carol Fedderly.  
They worked diligently and were some of the best.

The big year we were waiting for finally came,  
And our Junior year brought us lots of fame.  
"Some Enchanted Evening" was chosen as our theme;  
"Toby" reigned as our king and Carol our queen.  
Ken Niebuhr topped it off by receiving the spade,  
An honor awarded in recognition of his high grade.  
Our officers were chosen with the greatest of care;  
President, Duane Tofson; Vice President, Joe Cappy;  
Secretary, Ina Mae Storandt; Treasurer, Beverly Stomner.  
Their achievements were many, their loyalty rare.

We as Seniors brought fame--football trophies we won,  
Our Christmas Ball was a pageant well done.  
As we leave old Dells High with a record seldom equalled,  
We bequeath future classes a tale to be sequeled.  
To our senior class officers we now give a cheer;  
President, Ed Baggot; Vice President, Pat Gavinski;  
Secretary, Patsy Martin; Treasurer, Roger Peterson.  
As we approach Commencement. A perfect ending for a perfect year.

# WILLS

I, Harriet Anderson, leave my studious mind and my giggle to the freshman girls.

I, Ed Baggot, leave my "two front teeth", under a seat in the study hall, for the first person who has a tooth casualty in football next fall.

I, Harvey Birkholz, leave this school, and am I glad! The teachers are getting worser and the school is "going to the dogs".

I, Herb Bloomer, leave; but don't worry girls; I left my picture in the hall.

I, Audre Brown, leave my modesty to Mary Dougherty who probably won't know what to do with it.

I, Joe Cappy, leave my ability to win friends and influence people to Jim Wimmer who'll need it in his political career.

I, Shirley Chappie, leave all my boyfriends to be distributed among those who would like them, but not until after I've picked one for myself.

I, Bob Coorough, leave my dislike of women to John Heineke.

I, Jim Cornwell, leave my romantic efforts to any romantic freshman.

I, Lu Crist, leave the band to march on without me.

I, Mike Donnelly, leave to become head of the "Bored of Education".

I, Carol Fedderly, leave my ability to be different to Sharon Wagner.

I, Lowell Fischer, leave my brilliant questions to anyone who has nerve enough to ask them.

I, Dave Fitzpatrick, leave my car-load of girls, after a Friday night game, to Knute Gavinski. Let him haul them out to "Massey's".

I, Wayne Funmaker, leave my knowledge I haven't been able to escape to my brother Carlos.

I, Pat Gavinski, leave my silly giggle to echo through the halls of "Dear Dells High".

I, Florence Gerwing, leave so Arlene can carry on.

I, Mary Greiger, leave my love-life to anyone who can bear up under the strain.

# WILLS

I, Amy Haugen, leave my prize possession, "Liz", to the Junior girls since they need a good car to ride around in.

I, Fern Jensen, leave the Freshman boys to the Freshman girls.

I, Burdette Kent, leave my blueprints for a smoking room to the School Board in the hope that they will consider my suggestion.

I, Dick Kleimenhagen, leave a bowl of "wheaties" to Lee Helley.

I, Darlene Langer, leave my red hair to Joette Volkey.

I, Francis Levy, leave with my green truck and, of course Mary Jo.

I, Shirley Luetzgerodt, leave my slumber parties to Rita Field.

I, Mazel Martin, leave my ability to drive a car to Rilla Belle Hyatt, so she can drive like I do without being picked up.

I, Patsy Martin have just left in a '50 tan Studebaker--guess who with?

I, Nancy McBoyle, leave my chapagne to anyone who can afford to drink it.

# JUNIOR PROM

The highlight of our career came on April 14, 1951, when the class of '52 presented "Some Enchanted Evening" as the theme of their Junior Prom. The gym was very appropriately decorated with high silhouettes, and flowers of many hues. Blue and white streamers across the ceiling seemed to form a sky filled with silver stars. The punch stand was fashioned as a thatched hut, while the throne was in the form of a huge sea shell.

King Duane Tofson had chosen as his Queen, Carol Fedderly. At 10:30 Sharon Martin and George Cappy carried a crown of carnations to the King, who then presented it to Carol. After the crowning, everyone participated in the Grand March to the music of Jerry Billington.

Seeming to have only begun, our prom came to a glorious end, leaving behind many happy memories. We left, satisfied that many hours of hard work had not been wasted; but, that our prom with it's theme "Some Enchanted Evening" had been truly successful.

Henry "Frank Lloyd" Wright, the world's famous engineer, has just solved the Dells problem by constructing the Dells Bridge.

Donald Zamzow, is now a world-reown scientist. At present he is attempting to discover the cause for high death rate of teachers due to suicide.

## FOOTBALL FOR 1951

The football team had the most successful year in the Dells' history. By winning nine games and losing none, we became the "winningest" team in the state. The "Chiefs" won the Conference Championship by tipping six Southern Ten opponents. The team "copped" conference defensive honors allowing only forty-five points and were second in offensive honors by scoring one hundred and eighteen points. Duane Tofson placed second in conference scoring with sixty-one points. During the entire season, the "Chiefs" gained more than three thousand yards.

Out of forty-four selections for All-Conference, ten positions were granted to the Dells' Champs. Four players were given All-State honorable mention.

With the many returning underclassmen we are looking forward to having another winning team next year.

A prime factor producing the fine season's record was the wonderful work of Coach Counsell and Assistant Coach Reineking. In the last three years, this combination has brought us nineteen victories and only five defeats.

# HOMECOMING

An air of excitement spread through the school as the various clubs and classes prepared their floats for Friday afternoon, Oct. 26, and the first Dells homecoming parade which officially opened our 1951 event.

Our parade moved from the school grounds to the upper side of the park, over to Broadway, down Broadway, over to Lake Delton and back to the school. Following the return to the gym, a thrilling pep rally was carried out with classes and clubs participating by giving skits, cheers, and speeches. Competition for the prizes to be awarded was keen with the honors going to the cheerleaders for their float, and to the Senior boys for their skit.

On that memorable evening, King Pat Gavinski crowned his Queen, Sara Rodwell, at half-time of the game; we wrapped up the Southern Ten Conference grid championship by defeating Wisconsin High 12-7, and thrilled to a victory dance which was ruled by our Homecoming King and Queen Sara and her attendants with their escorts as follows: Bev Stomner with Joe Cappy, Margaret Peterson with Jim Wimmer, Jeannine Cauley with Bernard Olson, and Mary Fisher with Hans Fedderly.

One of the most successful homecomings in the history of Wisconsin Dells High School came to an end with the conclusion of the Victory Dance celebrating our most successful football year.

## BAND

The high school band is organized to offer music education and an opportunity for musical expression to interested students, and to serve the school and community as a service organization.

The concert band is composed of fifty uniformed players, and is made up of advanced instrumental students. A year of successful performance in the marching band is the usual prerequisite for admission to the concert band. Frequent public appearances are made, and this group represents the school in the annual music festival. All solo and ensemble groups chosen to represent the school at the district and state festivals are selected from the concert band.

The marching band is composed of forty-eight uniformed players who play for all home football and basketball games, and make two annual trips to out of town games. The marching band appears in numerous parades both at home and out of town, and also appears at the annual music festival. Fronting the band are four uniformed twirlers and a drum major. Twirlers are chosen by competitive tryouts as vacancies occur.

Letter awards are made each spring to outstanding students in both the concert band and the marching band. Students usually earn their letter in their sophomore year. Members receive one-half credit per year in the junior and senior years.

ROW TWO - L. Crist, M. Cary, J. Andersen, K. Niebuhr, D. Counsell, G. Willard

The school dance band is made up of thirteen players, and meets one evening per week. This group plays for many school dances during the year. New members are selected yearly by the dance band members.

## CHORUS

Our chorus has been fairly active this year and has given us some enjoyable times. It consists entirely of girls and has shown promise for the future.

During the first semester, Mr. Diley directed practice and participation in the Christmas program.

The second semester brought a change of directorship because of Mr. Diley's work load being too great. Miss Colburn directed practice and participation in the Spring Concert and the Annual Music Festival which was held in Reedsburg this year. The chorus also took part in the program commemorating Washington's Birthday.

We all wish the group success and hope that its members will maintain its reputation.

Earline Rachuy, Sharon Wagner, Glenda Blatchley, Bev Stomner, Jane Fedderly

## CHEERLEADERS

The Cheerleaders this year worked hard cheering at all basketball and football games with their bright new letters. With the help of Miss Sorenson, our new gym teacher, the cheerleaders concocted some new cheers to liven up the games.

The student council elected new cheerleaders early in the season, and two freshman were added to the squad. These were Grace Cappy and Nancy Waterman. The efforts of the squad were not in vain -- we had a yelling good season.

## CAMERA CLUB

The camera club has had a busy time this year. They learned the different parts of a camera, their location, and how they operate. They took pictures with pin-hole cameras and developed them at different speeds. After that they learned how to enlarge with the newly purchased enlarger and how to develop and print films.

Photography is a good example of knowledge that is fun to gain. Photography is a fine hobby and it's even possible that someday some of our budding young photographers will be professionals.

ROW ONE: Amy Haugen, Evelyn Cleveland, Arlene Kozlowski, Anita Funmaker, Audre Brown, Mary Greiger.  
ROW TWO: Marlene Winnes, Lois Tucker, Mr. Rosenthal, Nancy McBoyle, Marion Miner, Janette Chassis.

## DEBATE

The topic for this year was, "Resolved: All American citizens should be subject to conscription for essential services in time of war". Amy Haugen and Audre Brown debated the first affirmative while Shirley Chappie, Mary Greiger, and Lois Tucker debated the first negative. Mr. Jules Rosenthal was this season's coach.

Considering that the Dells was conference champion last year, our record is not much to be elated about. In conference play, we ended up with a total of three wins and five losses. In all-over debating our final score was 500--five wins and five losses.

In the last year of an organized Southern Ten Conference, a new system of grading was used. Last year only the results of one all-conference debate was counted. This year, as in sports, the standings were figured on a total won-and -lost basis.

Since six of the twelve members are graduating seniors, it is to be hoped that more of the underclassmen will become interested in this valuable activity.

Club officers this year were: President, Mary Greiger; Vice-President, Amy Haugen; Secretary-Treasurer, Audre Brown.

ROW ONE: J. Lindloff, M. Winnes, A. Kozlowski, P. Harrison, H. Luetzgerodt, G. Cappy, N. Waterman, P. Andersen, Miss Collins, Mr. Daily.

# NEWSPAPER

The school newspaper "School Daze", was reorganized at the beginning of the 1951-52 school year in-so-far as actual production of the paper is concerned. At present the reporters turn in material to the editors, Shirley Luetzgerodt and Jim Wimmer, who, after selecting the items to be published, edit them and type a "dummy". This is then handed to the commercial department which takes care of the art work and duplicating.

The objective of the paper is somewhat different from the previous years, in that a section devoted to current school news has been included. A fine sports staff was organized by Jim Wimmer and has been a feature of every issue. A current statement of policy was made at the beginning of the year to the effect that the paper was not to be a "gossip" set, a hand book of doings other than class activities, but would give full space to curricular activities as well as outside functions. "Gossip" had not been neglected however; each issue contained a section devoted to "budding romance" which seemed to be a feature of some parts of high school life.

## F. H. A.

The officers elected to lead the F. H. A. this year were as follows: President, Betty Pfister; Vice President, Fern Jensen; Treasurer, Lucille Baggot; Secretary, Mazel Martin; Parliamentarian, Joan Pfister; Historian, Shirley Fish; and Reporter, Helen Halverson.

The colors of our organization are red and white; white for innocence and purity, and red for courage, a quality characteristic of youth and badly needed occasionally. The red rose is the flower of our organization.

This year our chapter has been unusually active under the leadership of Mrs. Janet Winn, our advisor. A few of the many projects which we undertook were; sending Christmas packages to children overseas, entertaining our mothers, entering a float in the Homecoming parade and presenting a skit. We also sold Dixie cups at noon, Christmas cards, and pin cushions, in an effort to make a profit for our organization.

Thus we close the year, ever striving to meet our motto, "Toward New Horizons", which expresses the purpose of our organization; to learn to live better today in order that our lives and those of our families may be better tomorrow.

## BACHELORS' CLUB

Bachelors' Club has a total enrollment of 32 Junior and Senior boys and is divided into two sections. It meets in the Home Economics Food Laboratory twice a week.

The purpose of this class is to give the boys practical experience in meal planning and food preparation. Emphasis is placed on quick, easy meal preparation and on planning an adequate diet.

They are introduced to the various skills needed in preparing food. It is hoped that they will become interested enough to use these skills in their own homes and will have an appreciation of the problems involved in meal preparation.

Table setting and manners are also discussed and demonstrated.

For the most part the boys work in pairs while preparing a specific food. However, when they serve meals, they work as a family of four. All the boys enjoy the clean-up jobs after the meal is completed. Most of all, they love to wash the dishes.

## THE STAFF

Due to a number of circumstances, the annual staff got off to a late start. However, with a very industrious staff we worked very hard and finally got the Arrow off for publication.

The officers which were chosen for this year were: Mr. Spiegel as advisor; Sara Rodwell, Editor; Don Counsell, Assistant Editor; Dick Kleimenhagen, Business Manager; and Jim Wimmer, Assistant Business Manager. However, due to the fact that both Don and Dick are active in basketball and would not have had enough time to devote to the annual, they resigned and were replaced by Sara Jane O'Connell and Roger Peterson. Our secretary was Ina Mae Storandt, and the treasurer, Patsy Martin.

This year we employed two methods for obtaining money for production of the annual. The school purchased a new popcorn machine for which half of the proceeds went to the annual staff. This proved to be very successful and in future years will be used for this same purpose. The other means was that the entire student body had individual pictures taken by a traveling photographer. All of the profit from this also went toward the production. By these methods, plus the efforts of our hard working sales staff, this publication was made possible.

Thus, through the production of the '52 Arrow, we have tried to say "good-by" and "thank-you" in the best way we know how. We hope the class of '52 will always be recalled with fond and pleasant memories.

This is the hard working annual staff of the 1952 Arrow. We're sorry we could not picture those who worked on lay-outs. They deserve as much credit as anyone, for they worked very hard. This year's lay-out geniuses were: Sara Rodwell, Amy Haugen, Mary Wrezinski, Nancy McBoyle, and Harriet Anderson.

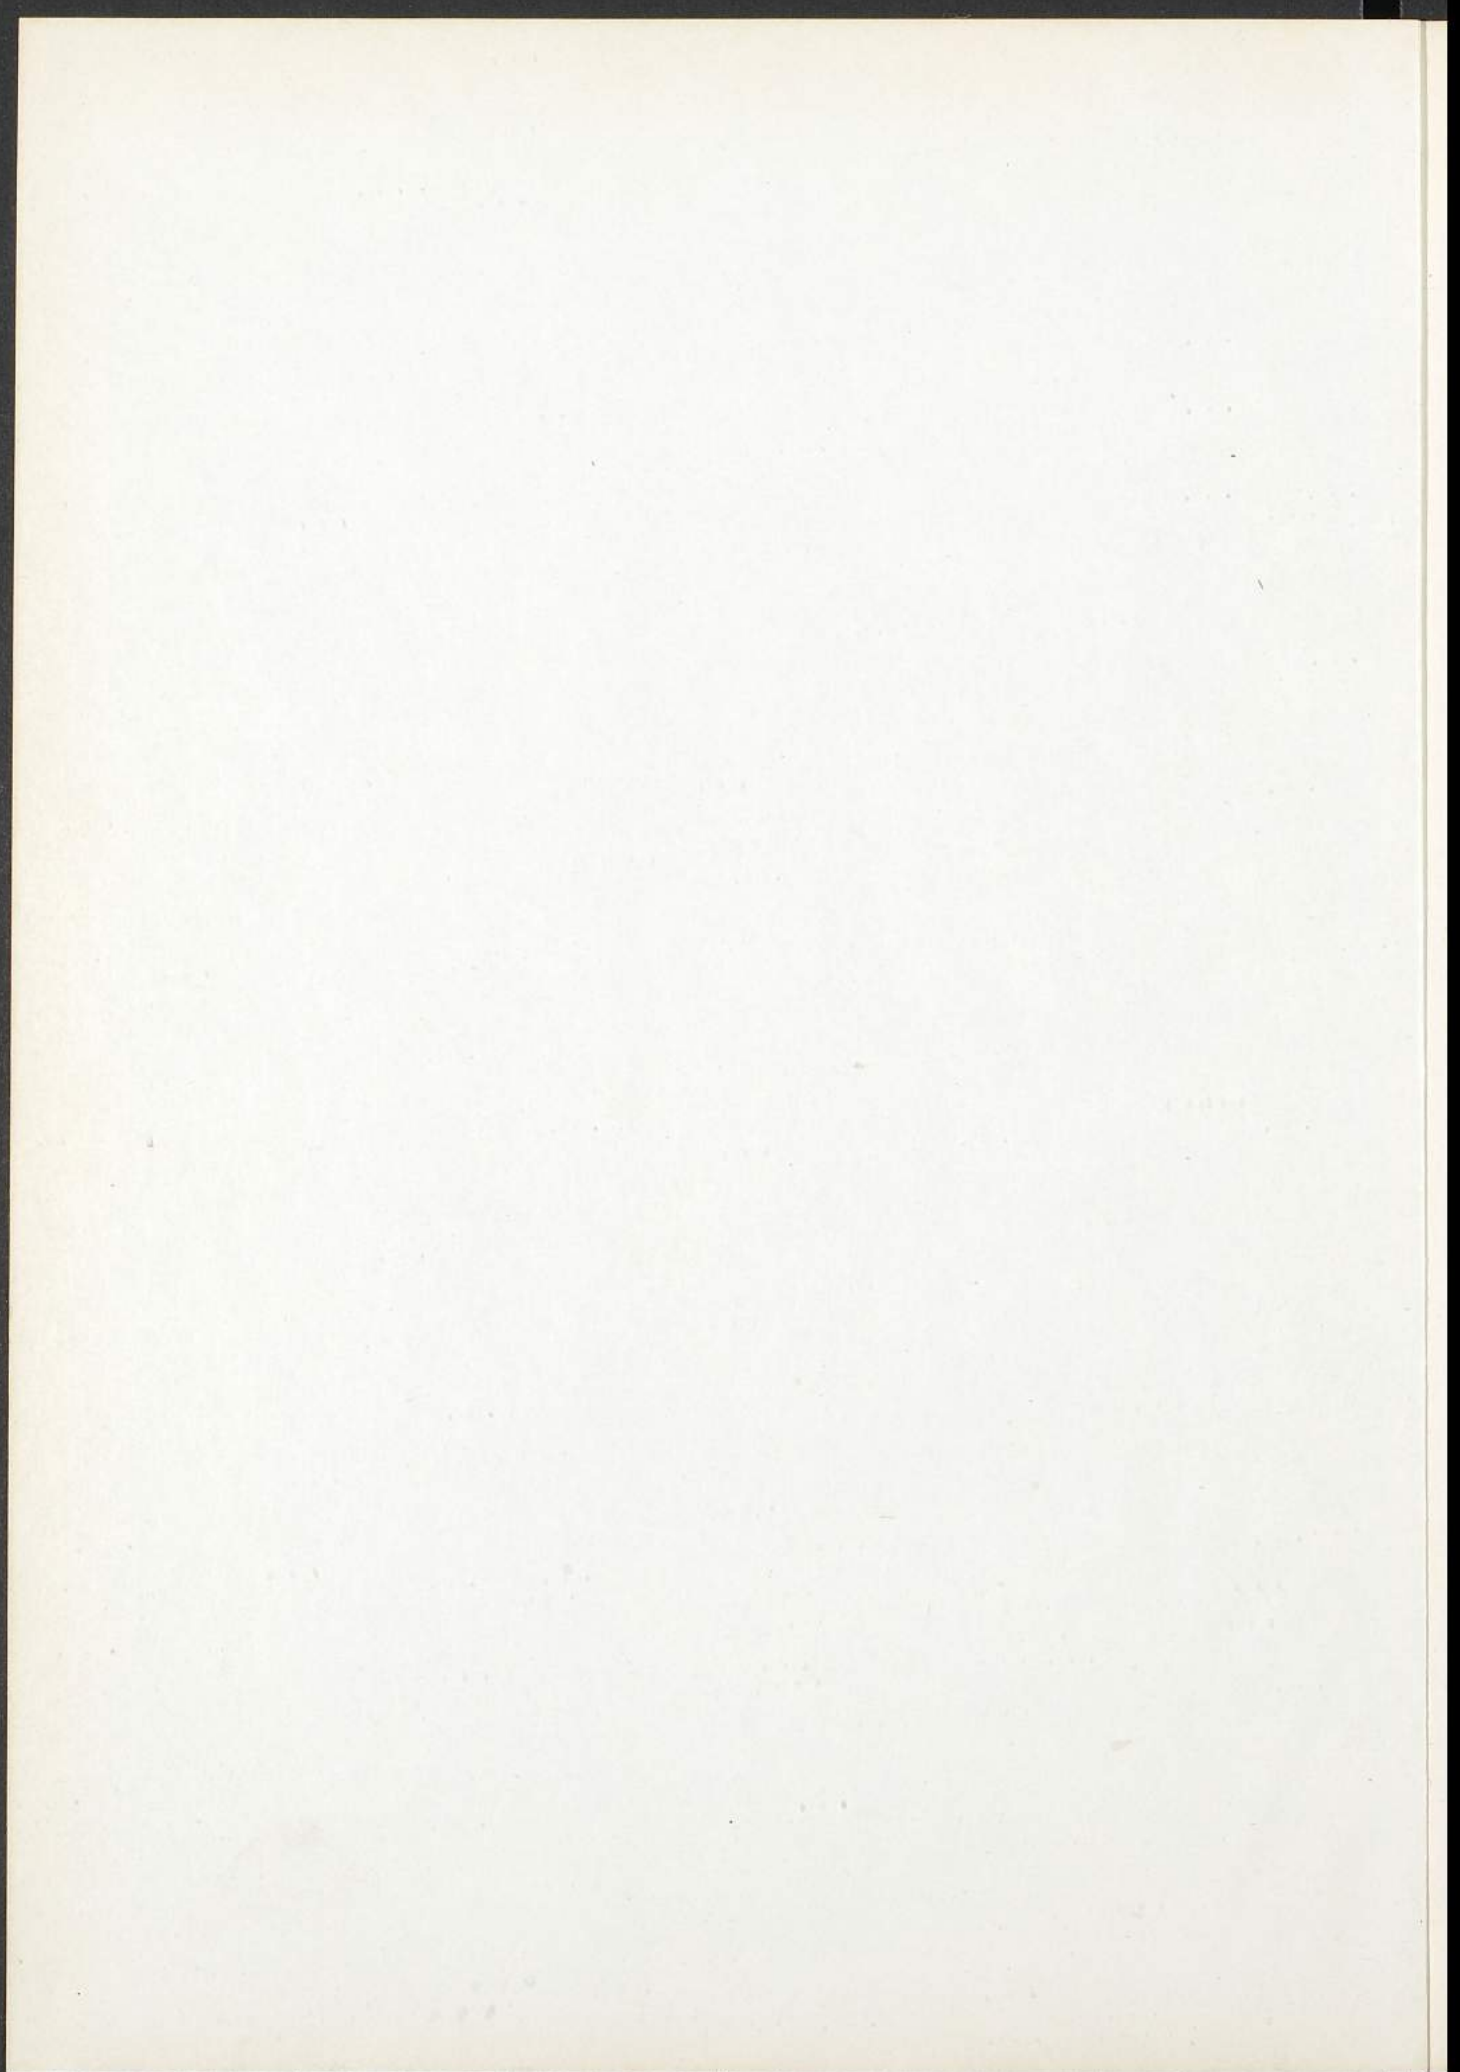

A final "Thanks" to the whole staff for the hard work that made our 1952 Arrow possible.
