**“TAKE IT

“Dig it. From the edge, Deep, and Hip.” These are a few phrases you can hear from the new choir teacher, Miss Klug from De Pauw University. Klug enjoys music and teaching. Prior to this job she sang at Carnegie Hall, the White House, and in recording studios in Appleton and Wausau.

Klug plans on upgrading the choir program to equal others in the state by teaching her students fundamentals and history basics. “She is a great teacher and a beautiful singer, we are very lucky to have her,” remarked the Choir.

When Murray came to the Dells, no one knew what to think. Now that students have given her a chance, they like her. WDHS has taken another step in the right direction.

# DETAILS, DETAILS, DETAILS!

There is a great void in the English Department this year. Kay Prosser, whose teaching career has extended over the past thirty-eight years, retired last spring. Mrs. Prosser taught English 10 and Creative Writing as well as advising the Creative Writing Club. There has never been a teacher who could have been any more concerned about her students than Mrs. Prosser. She pushed her students to do their best, and their best was all she accepted. She was not a teacher who tolerated late work, disruptive students or wimpy excuses. When she had something to say, she said it. She was determined to make her students learn whether they wanted to or not. Some days her petite frame could be heard bellowing, "Details! You have to have more details!" to the four corners of the high school.

The reason she was so tough was because she wanted her students to excel, and through her patient supervision, they did. The students who will never be taught by Mrs. Prosser have no idea how much they are missing, and the students who did have the pleasure, are very thankful for her time and wisdom.

## KONICA KID CAPTURES THE HEARTS OF WDHS

Thirty some odd years ago, WDHS was first graced by Mr. Robert Kruse. Mr. Kruse was a very jovial fellow, who touched the hearts of many students. A photographer from Chicago, he regularly attended WDHS sporting events, and special occasions, such as homecoming, prom and graduation. He took numerous pictures, which he not only donated to the Annual Staff, but also sent them along with a card to kids he grew to love. Senior Tifani Jones has this to say about him, "He was a very generous man who gave all his time to kids. I miss him."

Many of us here at WDHS have known the excitement of graduation, as well as the joys and disappointments of the games. No matter what, Bob Kruse was there with his Konica camera to put these events into lasting memories.

His visits became less frequent, however when his health began to fail. After a two year fight with cancer, Robert Kruse died the fourteenth of April, 1991.

We will remember his generosity, his love, and his support for the students. We have lost a true friend.

"We rented a cabin at Birchellif Resort - usually the same place each year. I could always go back there and rest and take a nap when told to... It was cool enough to enjoy a fireplace in the evenings."

## A Stroll Through The Park

# "I Can't Fight This Feeling . . ."

No one could fight that feeling on April 27th at Lou-Z-Anna Bottoms. The feeling of walking into a beautifully decorated room with your date on your arm and your friends all excited for the biggest night of their lives. "A Stroll Through the Park" was well planned. "The teal and peach decorations added a beautiful accent and the D.J. Mike Larisa was great," replied Marci Larson. "Derrick White as master of ceremonies did a fine job," added Nancy Schauf.

The Prom '91 court was as follows: Amy Montgomery escorted by Dan Defosse. Pam Gaston escorted by Jeremy Lewison. Tifani Jones escorted by John Parlevich. Kristi Beard escorted by John Engeland. Daniella Benitz escorted by Shawn Hillard. Prom Queen Nancy Schauf was escorted by Vincent Slatz. Followed by mini king and queen, Matthew Riley and Stephanie Jarves.

After prom people returned to Post Prom. They changed their clothes, picked up their prom glasses, and finished their "Night to remember."

Chairperson, Tifani Jones, commented, "Overall Prom was worth the hard effort made by all."

# QUANTUM LEAP BACK TO RENAISSANCE

The aroma of homemade bread and roasted pig lingers throughout the school. Freshmen are running and talking in the halls. Piles of hay are stacked against creatively painted windows. It's the return of Renaissance. For the past three years at WDHS, Pete Gust has organized the Renaissance Fair. He received help from other teachers and a few parents, but the most important contributions were the students. Each student had to choose a character of the era, be it poet, potter, or peon. There were many good costumes worn, but a few in the running for best costume were Laura Parstevich as Catherine Parr, Scott Stansfield as Michael Angelo, and Kevin Zarcone as Romeo. Mr. Gust feels that the Renaissance Fair "gives the

students the hands on experience of history." "It makes history fun for them in a humorous way." For Gust the best part of Renaissance is "to see the great accomplishments of the students through their costumes and window paintings." Pride in accomplishment complements the fact that WDHS is the only high school in Wisconsin that participates in a Renaissance Fair. It has been in action for three years and will continue for a long time because it is "original and fun for the whole community."

# End of a Long Journey

**Flashback: 1984** For the first time, WDHS had a softball program. Although they only competed against each other, it was the start of a long journey towards competition as a top team in the South Central Conference. **Flashback: 1991** It looks like the softball Chiefs may have finally completed their long journey. Their goal of being one of the top teams in the SCC was reached by placing second in Hedgesburg, the only team who could beat the Chiefs in conference play. The Chiefs' season was highlighted by two wins over their old rival Portage and a trip to the sectional finals, both firsts in Chiefs softball history. Leading the way for the Chiefs was the leadership of seniors Sara Delmore, Erin Calhoon, Jenny O'Brien, Gail Tischer, Lori Giddz, and Kim Luecke. Award winners were Erin Calhoon, Most Improved; Jenny Marion; Highest Batting Average; Katie Schlueter; Coaches Award; and Sara Delmore was honored by her teammates as MVP. Overall this was the best season we've ever had. This year was far from able to compete with the rest of the SCC, considering senior Terri Galitz, the JV coach, Cindy Sue Kestling, also finished the season with a winning record.

# Hitting Hard Times

The Varsity Baseball team had a lough year, but the players never gave up without a fight. Although the team's record was 0-17, they went to each game with the attitude of winning and never gave up hope. The senior members of the team included Matt Jaque, Jason Bremer, Joe Kick, Brad Martens, Derick Morgan, and Dan Lenahan. Junior members included outfielder Shawn Hilliard and pitcher Troy Johnson. There were also a number of sophomores on the varsity team including first baseman Jeff Isahn, outfielder Sheldon Schwieger, second baseman Gabe O'Brien, and shortstop Richard Brew.

The team was coached by Jim Murphy who felt his team was a group of very talented people. The team had a fundraiser in which \$1,700 was collected. As a result, Coach Murphy had his head shaved by some members of the team. The object of the fundraiser was for the baseball players to sell as many tickets as possible by a given date. The amount raised would then determine which of them would shave their heads shaved.

When asked about his feeling of next year's season Shawn Hilliard replied, "We will take it one game at a time and God willing, things will go our way."

"Summer baseball is the key." Both Coach Heesch and player Tracy Cornellier agreed on this statement. Mr. Heesch commented, "there are some good underclassmen athletes coming into the baseball program, and we should be able to turn the program around." Brian Schweda maintained the best batting average while Jeff Bohn held the best fielding average. Heesch explained, "Playing during the summer should allow for some drastic improvement in the next couple of years." Tracy Cornellier emphasized, "We played well but we had a young team, and the other schools had summer programs, and we didn't." Richard Brew summed up the season by stating, "Even though we didn't have a winning season, we had a good time."

"My feet hurt," "I'm so tired," "My arms ache," "Why can't we have a short practice tonight?" These familiar words echoed throughout both the girls and boys track teams everyday before practice, but you couldn't guess it from their performance.

The 440-meter relay teams had outstanding seasons, with both teams receiving All Conference Honors. Michelle Folk set a new school record for the women's long jump (15' 10 3/4"). While Kathy Zanzeau advanced to place at state competition for discus. According to Coach Bob Johnson, the girls did an excellent job and placed 4th in conference.

## TRACK RUNS OVER THE MILES

The here's track team had the winning and record setting spirit. The 4x800 meter relay team set a new school record and then broke it. The members included Scott Stanfield, Jason Landrum, Chris Kralochwill, Kevin Zarcone, and alternate Tim Leonard. There were two freshman/sophomore records that were replaced. Mike Field competed in the triple jump with a distance of 37' 7 1/2" and Scott Stanfield set a time of 4:37.0 minutes in the 1600 meter run.

The biggest star of the season was senior Jason Manfield who traveled to state and received "All conference" honors in Shot Put. The team was very successful and placed 6th in conference.

# FORE!

Golf is an outdoor game played on a golf course with a small, hard ball and a set of clubs. The object is to hit the ball into each of 9 or 18 holes in turn, with the fewest possible strokes.

Our golf team placed third in conference. Brian Mitchell, who averaged 41.6, was named 1st team "All conference" and was a medalist at the Sparta Invitational, Regionals and Sectionals. He was named most valuable golfer and was awarded the best putter award. Chris Freeman was team captain and made 2nd team "All conference." Chad Oeffter was awarded most improved golfer and Ben Jayoe made the top twenty list.

Junior Varsity also did well. Mr. Heonecke, Varsity coach and Mr. Brancel, Junior Varsity coach, both feel that their very young teams were extremely successful this season and will continue to improve.

THEME - WHALE OF A WIN

JUNIORS

THEME: PUT TRASH WHERE IT BELONGS: RECYCLE THE PAPERMAKERS

## Seniors Take Charge

The competition was fierce. Participation and school spirit were at its fullest during the annual "homecoming week" this year.

The bon fire was moved to Monday night to kick off homecoming week. Homecoming court was introduced at this time and the cheerleaders performed cheers and a skit for entertainment. Window decorating was held Wednesday night. The juniors were victorious. Thursday kicked off the float and hall decorating competitions. The seniors were successful in the hallway competition and the juniors took the float award.

Friday's pep assembly was full of laughs from Ryan "Doc" Brancel stuffing his face with marshmallows to Mr. Maher's "new look." Although it did rain on our parade, we went through with it and showed off our spirit and enthusiasm to spectators. Unfavorable weather stayed with us through out the football game. The Chiefs struggled with the returning SCC champs, Nekoosa.

Saturday night's dance brought homecoming to a close. The theme song was "Everything I Do," by Bryan Adams.

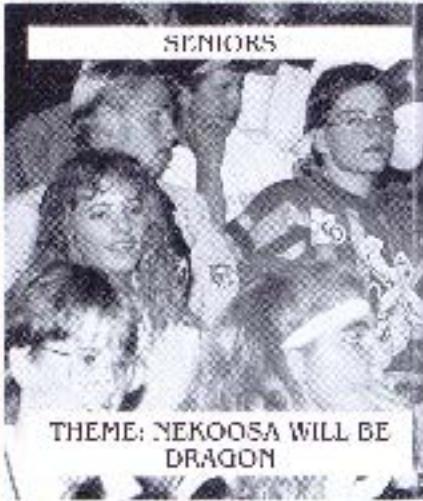

Student Council and Chairperson Jessica Hayes did a great job organizing homecoming and making it a great success. The student body and faculty thank you....

## Dells Chiefs Display Instant Replay

The 1991 version of the Dells Chiefs Football team might not have been as successful as everyone had hoped, at least in the win/loss column. Then again not all success can be judged on wins and losses. A lot of success took place for the team despite the disappointing 1-7 season. Chiefs were in every conference game at half time, except against Nekoosa. Halftime emotions ran high at Mauston's 0-0 tie and Adams' score of 6-0, achieved a pass seconds before the end of second quarter. The breaks may not have fallen very nicely for the Chiefs, but the opportunities for victory were there in almost every game. The Chiefs didn't have the numbers of players to compete with the larger teams in the second half. For instance, three times the Chiefs was down inside the 20 against Mauston, but couldn't score. Against Portage, the Chiefs held first and goal at the 7, only to be intercepted on third down. Many valuable lessons were learned over the course of the season. Lessons of PRIDE, of TRADITION, and probably most of all lessons of being a CHAMPION. The team could've quit and thrown in the towel but they didn't. They did come back for an apparent 15-12 victory over Viroqua (WIAA later declared no contest). Dells football will continue to follow in the footsteps of former players: Individual pride, Della pride and a tradition of success no matter the record.

# ROCK THE HOUSE

This year all three volleyball teams had a successful season. The freshman team, coached by Mrs. Huber, finished with a record of 5-1. The JV, coached by Sue Weidling, also finished with a 5-1 record.

The varsity team was successful as they had four returning players. They were coached by Mrs. Collins and were undefeated with a 5-0 record in conference play. The highlight for the varsity season was beating Baraboo and winning the 16 team tournament in La Crosse. They also received the Hustle award voted on by the coaches and officials at this tournament. Varsity also beat Reedsburg and Portage for the SCC title. This is the first time that WDHS has been SCC champs in volleyball. After the season's play, Lara Zapuchlak and Kathy Zamzow received special recognition in being named first-team all conference. Patty Schauf was named second-team, with Jenny Gravinska named honorable mention.

## Rock The House ...

## Cross Country: Covering Ground

A FANTASTIC season sums up the Cross Country teams' efforts. The girls came home with their first trophy in eight years, placing 2nd at Poynette. Seniors Nancy Schauf and Jessica Vanduch had a fine season; along with running key varsity sports, they showed strong team leadership. For the juniors, Jessica Musiedlak had a personal best of 15:48. Freshman "MVR" Beatrice Fingernail ran 1st position varsity all season, running in the 13:00's.

Boy's X-country also had a fine season. Senior John Engelland and Vincent Statz ran 3rd and 5th vari-

sity. Sophomore "MVR" Scott Stanfield finished 4th place to take Conference honors. Stanfield led the Boys Chiefs all season with Jason Lundrum running 2nd, Kevin Zarco 3rd, Jeff Nickel 6th and Tim Leonard 6th and 7th. By runner Ron Pasch improved his time by nearly six minutes. Freshman Abe Nemitz came on in the end not only to run 4th Varsity but to take honors as "Most Improved."

Head Coach, Paul Sibleber summed up the season by saying, "We have a young team with a strong future."

# Fall Play: 'The Crucible'

Salem, Massachusetts, 1600's. A small town is accused of witchcraft. But it doesn't stop there. People are tried, convicted and killed for crimes of the devil they didn't necessarily commit.

Wisconsin Dells, WI, 1991. After hard work, determination and some frustration, students performed "The Crucible" on November 7, 8, and 9th. Under the direction of Sam Caughlan and Sara Klug, the young actors and actresses pulled together to give three very strong performances. Cast member Julie Williams reflected, "The Crucible was a lot of hard work, but with the bunch comedians that made up the cast and crew, there was never a dull moment."

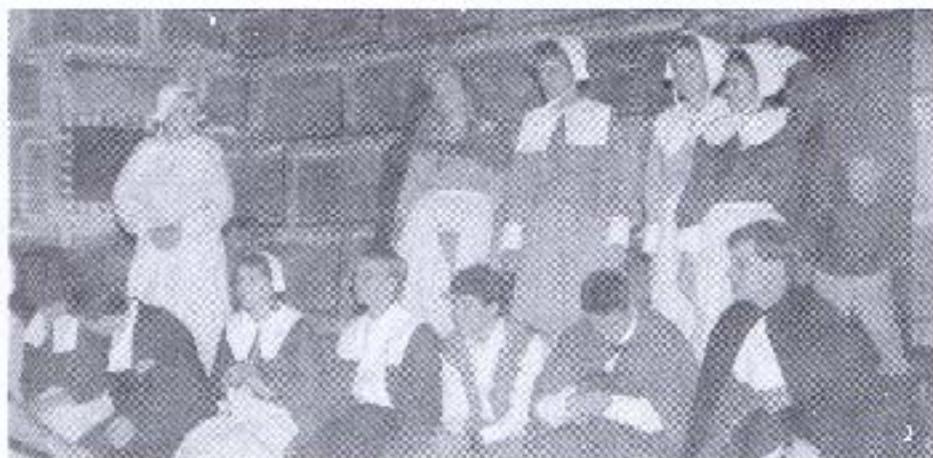

1/ Mrs. Caughlan shows off her quilt from the cast. 2/ You promised! You promised! 3/ A silent moment. 4/ Let me go or I'll show you how tough I am! 5/ Gosh I just cannot remember that one line! 6/ The three males. 7/ You don't say! 8/ Where is everyone?

# Annual Staff In Retrospect

I can't even tell you what an honor it's been to be a part of the 1992 Arrow. There is a lot of work to cropping pictures and drawing up layouts. Each staff member adds their own personal touch to their work, bringing a uniqueness to each and every page of this yearbook.

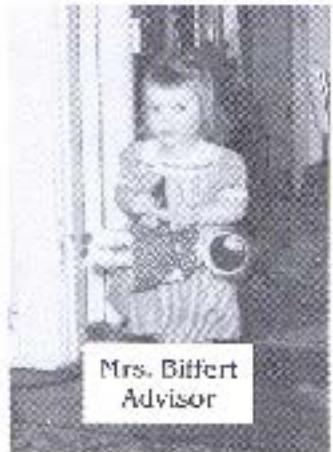

I would like to thank the office administration and faculty for allowing staff members extra time in the annual room. I would also like to thank Mr. Suenoer and Mr. Schauf for all their help with our computer dilemmas. And a very special thanks to Mrs. Biffert for helping me so much through everything. I'll never forget the privilege of being the editor of the 1992 Arrow or the fact that I never could have done it without you.

There has been numerous hours of work put into this book, but those hours will never compare to the number of years WDMS students will keep the memories this book holds.

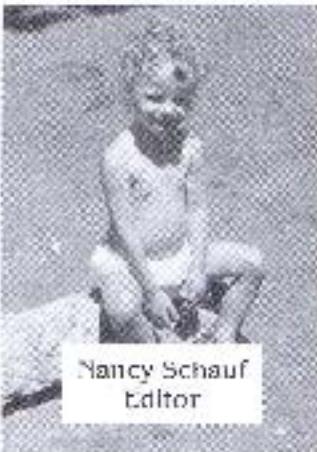

Thank you for a challenging yet exciting year.

# Blue White Blue White = #1 Effort

The Dells girls' Varsity Basketball team and second-year Coach Dave Royston improved their conference standing from seventh place last season to fifth place this season. This was accomplished with victories over Marathon and Nekoosa giving the team a 3-9 conference record.

The 1991-92 squad was anchored by three seniors: Theresa Day, Wendy Wampler, and Jenny Marion. Juniors: Jenny Cavinski, Stacy Huffnani, Patty Schaut, Katie Schwarze, Michelle Folk and Chomain Bailey also contributed along with freshmen Ginny Gray.

Injury played a major part in the team's season, enabling such JV players as Tara Blackmon, Heather Welling and Barb Sliwa to get some varsity game time.

## Dells Basketball

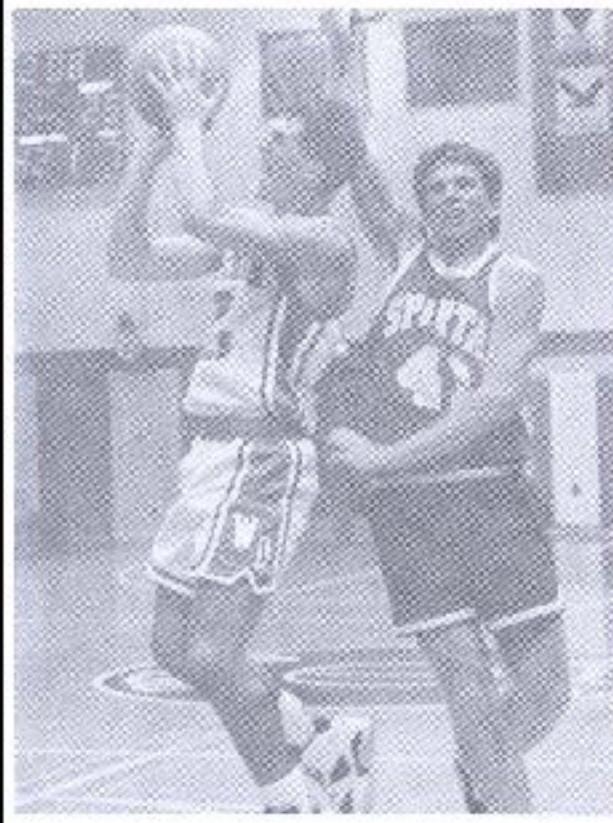

The JV season was one of the best in recent years. At the start of the season, Coach Slickman had four freshmen, six sophomores, and one junior. Slickman even admitted at the start that he had no idea if the team could be competitive. He quickly realized they could after they trounced Platteville in their first game. The Chiefs kept up their winning ways compiling a record of 15 - 5.

The most memorable moment was saved for the last game of the season. With the score tied at 42, J.T. Fisher scored the winning three point bucket as the clock ran out. He still says, "I knew it was good all the way!"

Freshmen - L-R: M. Gaffin, A. Wright, S. Starlidge, J. Campbell, R. Fisher, J. Gaffin, T. Johnson, M. H. McCollum, Coach T. Slickman, A. Wright, D. Fisher

## ... On The Rebound

The Boy's Varsity rebounded superbly from last season's record. The Chiefs finished out the year with a 13-7 record going into tournament play. They started off the year with a 6-1 record but then dropped three straight after Christmas break. After the three straight losses, the Chiefs upset Reedsburg, who was undefeated in Conference. The next Conference game after that was against Adams who had yet to lose in the SEC. The Chiefs put a halt on their quest for an undefeated season when they rerouted the Green Devils at the Dells gymnasium. The Chiefs ended up 7-5 in the SEC. Their losses were by a total of eight points, so every game was in reach.

The Chiefs ended the season with a 6-2 non-conference record. Their only two losses were to two strong powerhouse teams, Madison Edgewood and Sauk Prairie.

This year's Chiefs were lead by Dan DeFosse, Jon Geyman, Ben Jagoee, Jeff Wojnicki and the newcomer John Pasko. The seniors like Troy Johnson (who was injured most of the season) and Bill Overland were looked to for leadership and support. Our Regional champs went on to Sectionals, but struggled and were defeated by the Sauk Prairie Badgers, 64-40.
